

STATE ROAD 429 CORRIDOR WIDENING

PROJECT DESCRIPTION

Starting in early 2022, the Central Florida Expressway Authority (CFX) will begin the 13-mile widening of State Road 429 (Daniel Webster Western Beltway) from Tilden Road to SR 414 (John Land Apopka Expressway). The widening, anticipated to be complete by late 2024, will be broken into three segments to minimize impact to motorists.

CFX will add a travel lane to SR 429 in each direction between Tilden Road and SR 414 as well as sound walls along several locations of the expressway. CFX is also implementing a new design element of wider median shoulders that can temporarily accommodate additional traffic during emergency response events, such as traffic accidents or hurricane evacuations.

WHAT TO EXPECT

Anticipated Start Dates

- **Segment 1 – Early 2022:**
Tilden Road to south of Florida’s Turnpike
- **Segment 2 – Early 2022:**
South of Florida’s Turnpike to West Road
- **Segment 3 – Early 2022:**
West Road to State Road 414

WORK ZONE SAFETY

For the safety of motorists and work crews, speed limits will be strictly enforced during construction. Speeding fines are doubled in work zones when workers are present. Motorists are reminded to change lanes for safety when they see Road Rangers assisting other motorists or flashing lights — it’s Florida law.
