

# CENTRAL FLORIDA EXPRESSWAY AUTHORITY

## MEMORANDUM

TO: Authority Board Members

FROM:  Claude Miller  
Director of Procurement

DATE: July 28, 2015

RE: Authorization to Advertise for  
Letters of Interest for General Engineering Consultant Services for Technology  
and Intelligent Transportation Systems Needs  
Contract No. 001144

Board authorization is requested to advertise for Letters of Interest from qualified firms to serve as CFX's General Engineering Consultant for technology and intelligent transportation systems services. Services to be provided under the contract will support technical activities associated with operation and maintenance of the Authority's fiber optic network, ITS infrastructure; and toll collection systems.

Under a separate memo, staff will be requesting authorization to advertise for LOIs for General Engineering Consultant (GEC) Services for planning, engineering and design. The advertisement will include language that will advise interested consultants that the same firm cannot hold both GEC contracts.

Selection of a consultant will be in accordance with the approved Procurement Policy and Procedures. A final ranking of the firms will be presented to the Board for approval and authorization will be requested to enter into fee negotiation with the highest ranked firm. Once the final cost has been negotiated, Board approval to award the contract will be requested.
