WITNESSETH

NOW, THEREFORE, in consideration of the promises and covenants of this Agreement, the parties hereto agree as follows:

- a. "Alpha Test" or "Proof of Concept Test" means the first phase of initial testing of the Product in a controlled test environment.
- b. "Alpha Test Customer" or "Proof of Concept Test Customer" initially means a person who is an employee of CFX or contractor of the Service Provider.

- c. "Beta Test" means the second phase of initial testing of the Product in a controlled test environment.
- d. "Beta Test Customer" refers to third parties who are willing to test the Product, who have entered into an agreement with the Service Provider.
- e. "Product" means the Service Provider's Product, referred to as PayTollo, designed to operate on a cellular telephone or product to collect the appropriate toll after passage through a toll lane, subject to product enhancements and updates.
- f. "Service Provider's Customer" means a person or entity who is not a registered customer with CFX, the State, or another State agency, who has an account with the Service Provider to pay tolls through the Product.

2. Scope of Work and Operations.

- a. The Product will be tested in two phases.
- b. Alpha Test.
 - i. Prior to commencement of the Alpha Test, the Service Provider shall deposit the sum specified in paragraph 3(a). The Alpha Test, also referred to as Proof of Concept test, will be conducted by employees of CFX or contractors of the Service Provider.
 - ii. Any person testing the Product including or on behalf of Service Provider using a rental car must sign up for toll coverage from the rental car company and remain fully responsible for all tolls incurred by their test runs plus any additional charges and penalties.
 - iii. The Alpha Test shall last at least thirty (30) calendar days.
 - iv. For a successful Alpha Test, all of the expected test results must be achieved at CFX's sole determination, including the following: (a) the Product must accurately bill Service Provider's Customers, (b) the Product must accurately collect from Service Provider's Customers, (c) the Product must accurately remit payments to CFX, (d) the Product must accurately provide all necessary data for identification of Service Provider's Customers by CFX; (e) the Product must accurately report all toll transactions; and (f) the Product must accurately provide data to support reconciliation of the toll transactions for a period of at least ten (10) consecutive calendar days.
- c. Beta Test.
 - i. If the Alpha Test is successful, then a second test will be conducted, referred to as a Beta Test, which will expand the user group to include third party customers who are willing to test the Product. The Beta Test group shall be comprised of no more than thirty (30) people and test the Product on various toll systems throughout the State of Florida.
 - ii. The Beta Test shall last at least ninety (90) calendar days provided a commercial agreement has not been entered into.

Both parties will agree in writing before the Product is used in a live environment.

- iii. For a successful Beta Test, (a) the Product must accurately bill Service Provider's Customers, (b) the Product must accurately collect from Service Provider's Customers, (c) the Product must accurately remit payments to CFX, (d) the Product must accurately provide all necessary data for identification of Service Provider's Customers by CFX; (e) the Product must accurately report all toll transactions; (f) the Product must accurately provide data to support reconciliation of the toll transactions; and (g) provide customer support for the entire test period ~~or for a minimum number of of sixty (60) consecutive calendar days to be determined by CFX.~~
- iv. If either the Alpha Test or Beta Test are unsuccessful or do not perform as desired or expected by CFX, in its sole discretion, then this Agreement may be terminated in accordance with Paragraph 10.
- d. Operations Agreement. In the event that the Alpha and Beta Tests are successful, the parties agree to negotiate an agreement allowing Service Provider to market its product to Service Provider's Customers and the agreement shall incorporate and be subject to the provisions of paragraph 5.
- e. Necessary Infrastructure. Each party agrees to have the necessary infrastructure and personnel in place to carry out its responsibilities under this Agreement. For the Beta Testing ~~and beyond~~, Service Provider agrees to provide customer service through a live person available during normal business hours. Service Provider agrees to timely respond, address and resolve customer complaints and provide copies to CFX forthwith.
- f. CFX is Not Obligated To Support or Maintain the Product. CFX shall have no obligation to provide support, maintenance or technical assistance to Service Provider for the Product or for the collection process between the Service Provider and Service Provider's Customers.

3. Payment.

- a. Deposit. As a condition precedent to commencing the Alpha Test, Beta Test, and beyond, Service Provider shall deposit a refundable deposit to hold as security for Service Provider's performance of its obligations, including the cost of tolls, fees, charges, penalties, mileage at the rate set forth in Section 112.061, Florida Statutes, and other costs and expenses that are incurred by CFX employees arising solely from their test activities. The initial deposit is set at Two Thousand (\$2,000) for the Alpha Test and Beta Test. Beyond that, the deposit shall be adjusted to be the greater of Two Thousand dollars (\$2,000) or the amount of the tolls, service fees, charges, and penalties (collectively referred to as "tolls") collected by Service Provider over a seven-day period, which sum shall represent the average over a six-month period. The deposit shall contain sufficient funds at all times to cover the tolls incurred by Service Provider's Customers and shall be subject to

automatic or immediate replenishment of funds via a wire transfer from a U.S. bank of Service Provider's choosing, or other method of replenishment as may be approved in writing by CFX such that the deposit never is below the required minimum deposit. CFX reserves the right to increase the required deposit as needed. If the Service Provider is unable or unwilling to replenish the required minimum deposit, or if the wire transfer or alternative method of replenishment becomes no longer available, this fact shall constitute an event of default under this Agreement, and CFX shall be immediately entitled to exercise its rights under this Agreement. Service Provider shall have a period of seven (7) calendar days to cure said default, after which time CFX shall be entitled to exercise all of its rights provided in this Agreement or by operation of law. The fact that Service Provider's customers have not for any reason paid Service Provider for tolls paid by Service Provider shall not constitute a defense to Service Provider's default of any term of this Agreement, and shall not be grounds for any reimbursement to Service Provider.

- b. Reimbursement of Costs Incurred by CFX Employees during the Alpha Test. Service Provider agrees to reimburse each CFX employee who is an Alpha Test Customer for the additional costs incurred by each employee for their participation in the Alpha Test. There are two categories of Alpha Test transactions. The first type of transaction involves scenario testing in which an employee of CFX drives through toll gantries for test purposes only. The second type of transaction involves an employee using the Product as part of their normal activities.
- i. For the first type of transaction, the Service Provider shall reimburse CFX for all deposits, tolls, fees, charges, costs, mileage at the set forth in Section 112.061, Florida Statutes, penalties, and other liability incurred by or on behalf of CFX for scenario testing.
 - ii. For the second type of transaction, the Service Provider shall reimburse CFX for all payments incurred by or on behalf of CFX over and above the normal charges that would have been imposed if a transponder had been used, rather than the Product. These additional charges include the amount above the electronic toll rate plus any additional costs, fees, charges, costs, penalties, and any other liability incurred by or on behalf of CFX for the use of the Product.
 - iii. Once the CFX employee is no longer participating in the testing, Service Provider shall refund any unused deposit made to Service Provider by a CFX employee within fifteen (15) days. CFX shall submit a periodic invoice to Service Provider for reimbursement and Service Provider agrees to remit payment to CFX within fifteen (15) days.
- c. Payment of Tolls to CFX. For Alpha Test Customers and Beta Test Customers ~~and any other customers~~ of Service Provider, Service Provider agrees to pay CFX for all tolls, service fees, charges and penalties of each and every transaction incurred by Service Provider's Customers provided that the transaction has been confirmed by either Service Provider or Service Provider's Customer. Service Provider

will remit proper payment to CFX even if the Service Provider does not receive payment from the Service Provider's Customer.

- i. Amount of Toll. For tolls, Service Provider shall remit to CFX the E-PASS (or the electronic toll) rate.
- ii. Cost of Image Review. In addition to the E-PASS rate, Service Provider shall remit to CFX an additional five (5%) on the cash toll rate for the cost of image review and processing or the actual cost of image review and processing, whichever is greater upon CFX's written request.
- iii. Limitation on Additional Service Provider Charges. Service Provider agrees that the total amount collected from Service Provider's Customers will not exceed the rate set for cash tolls set by the applicable toll authority. If the Service Provider is determined to be charging Service Provider's customers in excess of the amounts allowed pursuant to this Agreement, then this fact shall constitute an event of default under this Agreement and CFX shall be immediately entitled to exercise its rights under this Agreement.
- iv. Transfer of Toll Payments. No less than weekly, and more frequently as transactional volumes increase, Service Provider shall transfer tolls, service fees, charges, penalties, and any other associated amounts, to CFX, with a report detailing the basis for the payments. The payment and report shall be provided in a format reasonably requested by CFX and shall include for each toll collected from an Alpha Test Customer and Beta Test Customer the following: (1) a transaction identification number; (2) the electronic toll payment amount; (3) the number of axles registered by the Service Provider's Customer; (4) the license plate of the vehicle the toll payment is to be applied towards; (5) the toll location (from a list provided by CFX); (6) the date and time the vehicle travelled through the toll location according to the Product; (7) the total amount collected from the Alpha Test Customer or Beta Test Customer or future customers including all markups and fees paid to Service Provider; and (8) a description of any errors, discrepancies, glitches, bugs, or other concerns in the information provided by either the Alpha Test Customer, the Beta Test Customer, future customers, the Product, the process, the back office system, or some other component of Service Provider's system or process.
- d. Audit. The Service Provider will provide access to CFX to all data, records, customer transactions, billing records, correspondence, and test results related to the Product during the term of this Agreement. The Service Provider shall comply with the Public Records Act, to the extent applicable, including the retention schedules promulgated by the State of Florida.

4. **Service Provider's Customer Agreement.** Any customer agreement between the Service Provider and the Service Provider's Customer must include the following provisions:

- a. This agreement is between you and the Service Provider, not CFX. Therefore, PLEASE BE ADVISED that if your vehicle runs a toll and the payment is not timely submitted to the appropriate toll authority, then you are subject to enforcement procedures incorporated in the rules and policies promulgated by the toll authority and as set forth in the Florida Statutes.
 - b. If you have an E-Pass or SunPass or LeeWay transponder in the vehicle, the E-Pass or SunPass or LeeWay account will be charged automatically. It is your responsibility to make sure that you do not use the Product in a vehicle that is equipped with an E-Pass or SunPass or LeeWay.
 - c. If you have any issues with Service Provider, including but not limited to complaints involving payments to Service Provider for tolls that are not registered as paid by CFX or the appropriate toll authority, by using this Product, you expressly agree that any and all disputes arising out of your use of the Product must be resolved by the Service Provider, not CFX or the appropriate toll authority.
 - d. By using the Product, you release the Central Florida Expressway Authority, its officers, employees, or agents (collectively "CFX") and any other toll agency in the State of Florida from all loss, damage, or injury whatsoever from the use or performance of the Product. CFX or any other toll agency in the State of Florida shall not have any obligation or liability to you with respect to the use, misuse, or performance of the Product. This agreement is personal to you and you are not be permitted to assign the obligations or benefits of this Agreement.
 - e. The invalidity of any portion of this Agreement shall not affect any other portion of this Agreement, which shall remain in full force and effect. Any remaining valid and enforceable portion(s) of the Agreement shall operate and be interpreted as closely to the original intent as legally possible.
 - f. This Agreement shall be deemed to have been executed and will be performed in Orange County, Florida. All disputes and questions on interpretation shall be governed by and construed in accordance with the laws of the State of Florida, and the parties agree that the exclusive venue for any action or proceeding arising hereunder shall be in Orange County, Florida.
5. **Exclusivity; License.** The parties agree that CFX shall not be required to make any payments to Service Provider for or arising out of this Agreement or for or arising out of the use of the Product. In consideration of CFX's participation in the Alpha Test and Beta Test, the Service Provider hereby grants CFX the exclusive right to process Product transactions for all other toll agencies or entities in the state of Florida for a period of at least five (5) years from the date of this agreement. This provision survives the termination of this Agreement. CFX has the right to enter into similar agreements with other entities who provide similar services. Otherwise, the rights granted under this Agreement are non-exclusive, and the parties agree that this Agreement does not preclude either party from entering into other agreements, except as to other entities in the state of Florida.

- a. No Obligation to Promote. CFX shall have no obligation to promote or market the Product on behalf of Service Provider.
- b. Use of CFX Trademarks. Service Provider has no right to use CFX's name or any logo, trademark, service mark or any other intellectual property right of CFX.

6. Public Records Act; Confidential Information.

- a. Public Records. The laws of the State of Florida, including the Florida Public Records Act, as provided in, Chapter 119, F.S. require procurement records and other records to be made public unless otherwise provided by law, and this Agreement and other materials relating to this Agreement may be available through public records request.
- b. Compliance with the Public Records Act. Service Provider acknowledges that CFX is a body politic and corporate, an agency of the State of Florida, and is subject to the Public Records Act codified in Chapter 119, Florida Statutes. To the extent that Service Provider is subject to the Public Records Act and has public records, including public records that have not yet been delivered to CFX, Service Provider agrees to comply with Section 119.0701, Florida Statutes, and to:
 - i. Keep and maintain public records that ordinarily and necessarily would be required by CFX in order to perform the service.
 - ii. Provide the public with access to public records on the same terms and conditions that CFX would provide the records and at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
 - iii. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.
 - iv. Meet all requirements for retaining public records and transfer, at no cost, to CFX all public records in possession of the Service Provider upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to CFX in a format that is compatible with the information technology systems of CFX.

If the Contractor does not comply with a public records request, CFX has the right to enforce the contract provisions in accordance with the contract.

- c. Confidential Customer Information. Each party acknowledges and agrees that certain materials that each may share with the other may constitute and contain valuable trade secrets of that party, embodying substantial creative efforts and confidential information, ideas, and expressions. Accordingly, each party agrees to treat (and take precautions to ensure that its employees treat) such materials as are clearly marked in writing as confidential and delivered in such a manner that reflects its confidential status in accordance with the confidentiality requirements and conditions set forth below. CFX is

obligated to protect and keep confidential all confidential information related to CFX's customers. The Service Provider will work in conjunction with CFX to confirm the functionality of its Product, but CFX will not share its confidential customer information with Service Provider. Instead, to the extent required to process transactions, Service Provider will share its customer information with CFX.

- d. Maintaining Confidential Information. Each party agrees to keep confidential all confidential information, including but not limited to account numbers and social security numbers, disclosed to it by the other party as required by law and in the same manner it protects the confidentiality of similar information and data of its own (at all times exercising at least a reasonable degree of care in the protection of confidential information).
- e. Duration. The obligations of confidentiality provided herein shall survive expiration or termination of this Agreement.

All indemnification obligations in this Agreement are conditioned upon the party seeking indemnification: (i) promptly notifying the indemnifying party in writing of any claim or liability of which the party seeking indemnification becomes aware (including a copy of any related complaint, summons, notice or other instrument); provided, however, that failure to provide such written notice within a reasonable period of time shall not relieve the indemnifying party of any of its obligations hereunder except to the extent the indemnifying party is prejudiced by such failure; (ii) cooperating with the indemnifying party in the defense of any such claim or liability (at the indemnifying party's expense); and (iii) not compromising or settling any claim or liability without prior written consent of the indemnifying party. Compliance with the insurance requirements below shall not relieve or limit the Service Provider's liabilities and obligations under this Right of Entry. Failure of CFX to demand such certificate or evidence of full compliance with these insurance requirements or failure of CFX to identify a deficiency from evidence provided will not be construed as a waiver of Service Provider's obligation to maintain such insurance. The acceptance of delivery by CFX of any certificate of insurance evidencing the required coverage and limits does not constitute approval or agreement by CFX that the insurance requirements have been met or the insurance policies shown in the certificates of insurance are in compliance with the requirements.

Service Provider, on behalf of itself, its employees, contractors, and agents, hereby releases CFX, its officials, officers, employees, contractors and agents from any and all liability, loss, claims, damages, costs and expenses of any nature in connection with any claim, injury or damage to any person or any real or personal property which Service Provider and its employees, contractors, or agents may suffer or incur in connection with the Product or the use of the Product.
