### **S.R. 528 – OFFER FROM MATTAMY HOMES FOR PARCEL 104**

General Counsel Joseph Passiatore reported that CFX has been negotiating with Mattamy Homes for the acquisition of an approximately 3-acre parcel located generally at the southwest quadrant of the S.R. 528/S.R. 417 Interchange, as part of the pre-acquisition process for the multi-modal corridor. This matter is being brought to the Board because of the time constraints attached to the counteroffer and the development schedule and ongoing construction work of the property owner. A condition by the seller is that closing take place on May 29, 2015.

The Right-of-Way Committee recommended this matter for Board approval at their meeting yesterday.

Linda Brehmer Lanosa gave a presentation which included information, sketches and pictures of the subject property.

#### Highlights:

- CFX orally communicated the draft appraised value of \$3,120,350
- CFX to pay \$3,500,000 inclusive of all claims, fees and costs
- Payment must be received by Mattamy by May 29, 2015
- Mattamy agrees to:
  - Quit Claim Deed for the 50-foot encroachment area
  - Cooperate re: subordination from FP&L
  - Grant CFX a Temporary Construction Easement over its existing retention pond
  - Agreement contingent upon CFX receipt of appraisal report, Right-of-Way Committee approval, and Board approval
- Withdrawn by Mattamy:
  - Sound wall at the northern edge
  - Indemnify Mattamy from any fees or costs from Thorpe Early, who apparently was an intermediary

CFX legal staff recommends that the Board approve Mattamy Homes' purchase price of \$3.5 million.

Jere Daniels of Winderweede, Haines, Ward & Woodman reviewed the highlights of the Purchase Agreement (attached as Exhibit "A").

The Board members asked questions regarding wetland impacts, the impact of this acquisition on remaining parcels, discount rate determination, construction commencement timeline, and retention pond construction, which were answered by CFX staff and appraiser Woody Hanson. A question concerning wetland mitigation was answered by Kent Hipp, counsel to Mattamy Homes.

**A motion was made by Mayor Dyer and seconded by Mr. Ketcham to approve the Real Estate Purchase Agreement between Mattamy (Jacksonville) Partnership and CFX for the all-inclusive purchase price of \$3,500,000. The motion carried 7 to 0 with Commissioner Cadwell, Mayor Dyer,**

**Commissioner Carey, Commissioner Boyd and Mr. Ketcham present and voting AYE by voice vote and Mr. Madara and Mr. Scheeringa voting AYE via phone; Mayor Jacobs and Commissioner Hawkins were not present.**

**BOARD MEMBER COMMENT**

**REAL ESTATE PURCHASE AGREEMENT**

This **REAL ESTATE PURCHASE AGREEMENT** ("Agreement") is made and entered into this \_\_\_\_ day of May, 2015, by and between **MATTAMY (JACKSONVILLE) PARTNERSHIP, a Florida general partnership** ("Owners"), whose address is 1900 Summit Tower Blvd., Suite 500, Orlando, FL 32810 and whose U.S. Taxpayer Identification Number is 47-2421943 and the **CENTRAL FLORIDA EXPRESSWAY AUTHORITY**, a body politic and corporate, and an agency of the state, under the laws of the State of Florida, ("Authority"), whose address is 4974 ORL Tower Road, Orlando, FL 32807.

**WITNESSETH:**

**WHEREAS**, Owners are the fee simple owners of a certain parcel of real property located in Orange County, Florida (the "Property"), being more particularly described in **Exhibit "A"** attached hereto and incorporated herein by this reference; and

**WHEREAS**, the Authority desires the Property as right of way for future construction, improvement, expansion, and maintenance of (a) SR 528, an authorized roadway and/or related facilities or for other appropriate and legally authorized uses and (b) an intercity passenger railroad (the "AAF Railroad"); and

**WHEREAS**, Owner, under threat of condemnation, desires to sell to the Authority and the Authority desires to purchase from Owner the Property upon the terms and conditions herein below set forth.

**NOW, THEREFORE**, for and in consideration of Ten and No/100 Dollars (\$10.00) in hand paid by the Authority to Owners, the mutual covenants and agreements herein set forth, and other good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby expressly acknowledged by the parties hereto, the Authority and Owners hereby covenant and agree as follows:

1. **Recitals.** The foregoing recitals are true and correct and are incorporated herein by this reference.
2. **Agreement to Buy and Sell.** Owners, under threat of condemnation, agree to sell to the Authority and the Authority agrees to purchase from Owners the Property in the manner and upon the terms and conditions herein below set forth in this Agreement.
3. **Purchase Price.** The total Property to be purchased from Owners is 3.05 acres, more or less, and includes any and all site improvements in that area described in **Exhibit "A"** attached hereto and incorporated herein by reference. The total purchase price (the "Purchase Price") to be paid by the Authority to Owner for the Property shall be **\$3,500,000.00, inclusive**

**of all expert fees, costs, and attorneys' fees.** The Purchase Price shall be paid by the Authority to the Gray Robinson P. A. Trust Account. The Purchase Price shall be paid by wire transfer of funds, subject to appropriate credits, adjustments and prorations as herein below provided, and represents the full compensation to Owners for the Property and for any damages suffered by Owners and/or any adjoining property owned by Owner in connection with the transaction contemplated under this Agreement.

4. **Authority's Right of Inspection.** The Authority shall at all times before Closing have the privilege of going upon the Property with its agents and engineers as needed to inspect, examine, survey and otherwise undertake those actions which the Authority, in its discretion, deems necessary or desirable to determine the suitability of the Property for its intended uses thereof. Said privilege shall include, without limitation, the right to make surveys, soils tests, borings, percolation tests, compaction tests, environmental tests and tests to obtain any other information relating to the surface, subsurface and topographic conditions of the Property. The Authority may, in its sole discretion and at its sole cost and expense, have the Property tested, surveyed and inspected to determine if the Property contains any hazardous or toxic substances, wastes, materials, pollutants or contaminants. As used herein, "Hazardous Substances" shall mean and include all hazardous and toxic substances, wastes or materials, any pollutants or contaminants (including, without limitation, asbestos and raw materials which include hazardous components), or other similar substances, or materials which are included under or regulated by any local, state or federal law, rule or regulation pertaining to environmental regulation, contamination or clean-up, including, without limitation, "CERCLA", "RCRA", or state superlien or environmental clean-up statutes (all such laws, rules and regulations being referred to collectively as "Environmental Laws"). The Authority may obtain a hazardous waste report prepared by a registered engineer, which report, if obtained, shall be satisfactory to the Authority in its sole discretion. In the event the Authority determines that said report is not satisfactory, the Authority may terminate this Agreement, both parties thereby being relieved of all further obligations hereunder.

5. **As Is.** The property is being conveyed to the Authority "as is" (as set forth in Section 26 below) and the Authority specifically acknowledges that it is aware of the existence of a permitted water retention area on the Property and the adjacent property which Owner will retain ownership to after Closing (the "Remainder Property"). The Authority and AAF shall be solely responsible for constructing their projects so as to leave intact and in clean and working order the portion of the existing water retention area located adjacent to the Property. This obligation of the Authority and AAF shall survive closing for the duration of the Temporary Construction Easement as defined in Section 9 below. Any portion of the then existing water retention pond located on the Property does not need to be maintained by the Authority and may otherwise be altered, amended or filled.

6. **Evidence of Title.** The Authority has, at the Authority's sole cost and expense, ordered a commitment for a policy of owner's title insurance (the "Commitment") from Fidelity National Title Insurance Company bearing Order No. 5300431 and an effective date of May 18, 2015. The Commitment binds the title company to deliver to the Authority a policy of owner's title insurance (the "Owner's Title Insurance Policy") which shall insure the Authority's title to the Property in an amount equal to the Purchase Price. Prior to Closing, the Authority shall notify Owners of any defects, a defect being a matter which would render title unmarketable.

Owner agrees that it will, if title is found to be unmarketable or otherwise unacceptable to the Authority, use its best efforts to correct the defect(s) prior to closing, provided that Owner shall have no obligation to extend the Closing Date to cure any such title defect, failing which, the Authority may proceed to Close or terminate this Agreement. Those matters set forth on **Exhibit "B"** attached hereto and incorporated herein by reference shall be deemed and collectively referred to herein as the "Permitted Exceptions". Authority shall take title to the Property subject to only the Permitted Exceptions. At Closing, the Authority shall pay the premium for the Owner's Title Insurance Policy to be issued.

Notwithstanding the preceding, Owner agrees to cooperate in the Authority's efforts to obtain a utility subordination agreement from the power line easement which encumbers the Property and is recorded at O. R. Book 1893, Page 946 of the Official Public Records of Orange County, Florida. Furthermore, Owner agrees to remove, release or terminate all other matters listed on Schedule B-II of the Commitment (the "Objectionable Encumbrances") on or before December 31, 2015. Within ten (10) business days following Closing the Owner shall deliver the Authority a letter of credit in the amount of \_\_\_\_\_ Thousand and 00/100 Dollars (\$\_\_\_\_\_) payable to the Authority on demand in the event that the Owner fails to remove, release or terminate the Objectionable Encumbrances on or before December 31, 2015. The letter of credit shall be issued by an institution and in a form acceptable to the Authority, in the Authority's reasonable discretion, and such letter of credit shall remain open for a period of one (1) year from the date of Closing. The preceding obligations of Owner shall survive Closing for a period of three (3) years (provided that the referenced letter of credit shall remain open for only one (1) year from the date of Closing).

7. **Survey.** The Authority shall have the right, at any time before Closing, to have the Property surveyed at its sole cost and expense (the "Survey"). Any Survey shall be performed and certified to the Authority and the title company issuing the Commitment in accordance with applicable law, statutes and regulations and shall have located thereon all matters listed in the Commitment which are capable of being shown on a survey. Any survey exceptions or matters not acceptable to the Authority shall be treated as title exceptions. The surveyor shall provide certified legal descriptions and sketches of said descriptions delineating the Property into various portions of right of way and the legal descriptions will be included in the deed as an additional description of the Property conveyed by Owners.

8. **Encroachment Area.** As part of the consideration for this Agreement, Owners shall provide a Quit Claim Deed for the property described hereto in **Exhibit "C"**, which consists of approximately 50 feet where Owners' retention pond berm encroaches upon the Authority's pre-existing property.

9. **Temporary Construction Easement.** Owner agrees to grant the Authority a temporary construction easement (the "Temporary Construction Easement") over the portion of the existing water retention area and abutting berm width that is not within the Property being acquired in fee by the Authority as more fully set forth in attached **Exhibit "D."** A form of the Temporary Construction Easement grant and agreement is attached as **Exhibit "E"**. If Owner, its contractors, agents, successors or assigns modify the shape of the retention pond prior to All Aboard Florida, its successors or assigns ("AAF") commencing construction of AAF Railroad,

then the Temporary Construction Easement shape shall follow the modified pond shape and berm width.

10. **Closing Date and Closing Procedures and Requirements.**

(a) **Closing Date.** The closing of the purchase and sale contemplated under this Agreement (the "Closing") shall be held on or before May 29, 2015 (the "Closing Date"), at the offices of the Authority, or the Authority's attorney, or any other place which is mutually acceptable to the parties. The timely closing of this transaction on or before May 29, 2015, is an absolute condition of this Agreement. (e) **Closing Costs.** The Authority shall, at Closing, pay: (i) all real property transfer and transaction taxes and levies, including documentary stamps on the Statutory Warranty Deed delivered to the Authority hereunder, if any, relating to the purchase and sale of the Property; (ii) the cost of recording the Statutory Warranty Deed, Quit Claim Deed and Temporary Construction Easement delivered hereunder; (iii) all costs pertaining to the title commitment, including, but not limited to, title insurance premiums, title search fees, and the premiums for any endorsements requested by the Authority, and all costs related to the issuance of the Commitment and a title insurance policy insuring title to the Property, should the Authority desire to obtain a title insurance policy on the Property; (iv) all of the costs and expenses associated with the Survey, should the Authority desire to obtain a Survey. All other costs incurred at Closing shall be borne by the parties in accordance with the custom and usage in Orange County, Florida.

If, at the time of Closing, the Owners hold title to the Property in the form of a partnership, limited partnership, corporation, trust or any form of representative capacity whatsoever, then at Closing the Owners shall sign a beneficial interest affidavit described in Section 286.23, Florida Statutes, as applicable (a copy of which is attached hereto as Exhibit "G").

11. Maintenance of Property. From and after the date hereof and until physical possession of the Property has been delivered to the Authority, Owners will keep and maintain all of the Property in good order and condition and will comply with and abide by all laws, ordinances, regulations and restrictions affecting the Property or its use, and Owners will pay all taxes and assessments relative to the Property prior to the due date thereof. From and after the date hereof, Owners shall not offer to sell the Property to any other person or entity or enter into any verbal or written agreement, understanding, or contract relating to the sale or conveyance of the Property or any interest therein.
