Alt 1 seems to impact a lot of homes and wetlands

Does it impact the historical Polk County marker?

AS OWNER OF 21 PALMS R.V. Resort I HAVE A DEFINITE INTERREST IN THE ALIGNMENT OF THE POINCIANNA ~~BLVD~~ EXTENSION WHERE IT CONNECTS TO HWY 532.

21 PALMS R.V./MH PARK IS HOME TO 150 FAMILIES.

PLEASE CONSIDER ALTERNATIVE 4 & 5.

THE ROADWAY COULD BE MOVED 150-200 FEET TO THE WEST OF WHAT IS NOW SHOWN AND WOULD INTERRUPT ONE COMMERCIAL BLDG AND BUSINESS.

21 PALMS RESORT PROVIDES PERMANENT LODGING AND IS ZONE AS A P.U.D.

THE COST DIFFERENCE WILL BE GREATLY DIFFERENT I THINK

PLEASE CONTACT ME AT 407 397 9110 or 407 791 8159

I would like Alternate route #4 and 5 considered since it's less homes to take and they are mobile homes. They are easier to move since they are structured for mobility It's more convenient because it has a lot of empty lots as well. We need bigger roadways because traffic keeps on increasing. What used to take you 10min before, now takes you 30 minutes. The area is growing exponentially and Championsgate/Reunion continues to grow every year. This increases more vacationers to come to our area and now from Poinciana taking Poinciana Pkwy, it has also taken a toll on our traffic. Ronald Reagan, 17-92, and CR532 and

S. Lake Wilson Rd are ridiculously high in traffic. During school times and rush hours including lunch time. I feel it is ~~r~~ ridiculous that new home buyers are not being informed about the project. Also, if you are going to do this, the majority of us would like a decision to be made to see if we should continue to renovate our house or just stop completely. This is like being on a seesaw yes/no, maybe etc. This is affecting everyones house so the sooner we know the better. It takes long just to SEARCH for the ideal house. We love our area because of the location, the country side but accessible to all nearby cities and that is why we understand why Alternate Route 4 +5 are being taken into consideration but it disheartens the majority of us due to it being the ideal area to live in and its our first home. This is definitely gonna benefit others, but bring burden to anyone who has a home in the way. Our house just had its septic tank cleaned, a brand new house roof with a 30 year warranty and fencing. This house has a fireplace and wooded flooring with 4/2 and 2,052 sq ft. It includes a 300 sqft tool shed. Try finding that kind of house in our area without having to pay extra. Also finding a house with .50 acres is difficult in Florida especially on without HOA fees. Work is only 15minutes away and my neighbors/neighborhood are amazing! This is truly going to affect us but we understand why you are doing this. It will come at a very HIGH price. Thank you.

My solution for you is to fix the roads you HAVE (17 and 532) and not tear down OUR houses so someone else can get to the highway a little quicker.

Alternative ~~four~~ one would be the best for us. Five and ~~one~~ four would take our property, which is unacceptable!

Maybe if these folks in Poinciana wanted to be closer to I-4, they shouldn't have built/bought in Poinciana!

Why would a road go through land that has a lake with beautiful sunsets?! (Att. #1) People should be on that land as our family has been over 60 years. Wetlands and endangered species are NOT more important than people and life. PLEASE do not go through the SW corner of 17-92 and Ronald Reagan Pkwy.

Fix the roads we already have. Or widen OBT to 2 lanes on each side. Alternative one would be better all around. Less people to ruin the lives of and closer to I-4. I should Not lose the house I worked so hard to get because other people want and quicker way to the Highway. It took us a long time to find this house. We had to battle retired people and flippers. Our house is perfect for are needs. I just put and New roof on and new breaker box. I'm also still paying on it. I'm three and a half years into a 30 year mortgage. Alternative 4 + 5 are unacceptable. If the homeowner associations wanted to be closer they should have built closer or planned better.

After the public meeting held at pomciana high school and learning about alternatives #1, #4 and #5, I consider that alternatives #4 and #5 would be more beneficial to the residents of Polk County. Alternative #1 would impact, dramatically, the businesses and residents of the area.

Alternative #1, would create lots of noise and polution affecting peoples quality of life and ~~peo~~ detriment to the environet.

I expect for you not to take this request lightly and make a smart descision for everyone. Thanks.

I see no reason to build this extension and charge yet more tolls when we pay a fortune for our 10-mile section already. I would only approve this if we can still get off the parkway at 17-92 and take Ronald Reagan to get to the I-4 or to Lake Wilson Road to get to Disney. There are so many other roads that need to be expanded, that this just seems like a waste. Furthermore, I do NOT want a freeway along Cypress Parkway - it would ruin our pretty little town.

I am a first time homebuyer. I bought my house last year expecting to have a bit of time in my house. While I understand the purpose of this project and definitely want traffic to be alleviated, my entire life is in a holding pattern. Obviously, I haven't lived here long, so I don't know the difference in the amount of traffic, but I would just like this entire situation to be resolved. At this point, I would almost prefer they do alternative 4 or 5. What bothers me the most is not knowing what's going to happen. I understand that manufactured homes are easier to displace, than neighborhood homes. I have put a lot of time and money into my house, and really am just looking forward to the results of this study & knowing when/if my house will be taken from me. I'm very perturbed that eminent domain →

Thank you!

is an actual thing, and when people find [redacted] THEIR house it can just be taken away with no thought to how it is hurting ANYONE. If they are going to take my house away [redacted] mind you, after I searched a VERY LONG time for this house, just make a decision, because finding another house that [redacted] I would want to live in is going to take a very long time & I have the best neighbors right now, and you want to take that all away. My house has its own septic tank, FIVE BEDROOMS and THREE BATHROOMS, and 2300 square feet so my cat can run around the entire house. I don't have an HOA, and that is a very big deal, because if you add in an HOA fee, I can't afford a lot of houses. If you are going to rip my house away from me, just make a decision one way or the other.

DATE: _____

Thank you for the presentation today at Poinciana High School. I am part owner of 21 Palms RV Park at 6951 Osceola Polk Line Rd. It appears you have 3 alternative routes for the addition of Poinciana Parkway. If Alternative "1" is chosen, then DOT will have no other choice but to add to Alternative "1" and ultimately destroy our business. We currently have over 150 families living in our permanent park models. We have built this business from scratch twenty years ago and this park is a Home to so many people.

I urge you to please choose Alternative 4 or 5 to prevent destroying our 21 Palms RV park.

Thank You, Brenda Dykgraaf

We would appreciate that alternative 4 and 5 will not be an option for you guys, it'll affect the wetlands that are there, and mostly all of the families that live in this area. Not only would affect us humans, but species of animals that live in those woods. If I have no other option but to move, I hope you guys pay us good amount of money for us to be able to move & still have a good amount to do things around the house.

Comment:
I thought the larger maps were great. It let me know where the proposed parkway will go. It will effect many people. The traffic on 17-92 is getting much buyser. From my development it will be hard to get onto Hwy 17-92 to Kissimmee. I belive the alternative 1 may effect less people. Alternative 4 & 5 will effect my neighbors but my lot may be saved. I don't like idea of looking at a road or bridge out of my front windows. I lived here since 1984 and do hope to live here till my end. I wish you will as you know you will not make everyone happy. Progress must happen that can help everyone. Thank You for listening.

Hello,

I am checking in on the Poinciana Parkway Project from CR 54 to I-4 at SR 429 - PDE Study - I-4 Poinciana Connector. I am wondering if a public hearing date has been selected?

I also heard that the Southern segment of the project would be constructed first and that alternatives 2 and 3 had been eliminated from the Southern Section of project. I wanted to confirm that this is true?

Thanks,

Sydney Walsh

POINCIANA PARKWAY EXTENSION

ALTERNATIVES WORKSHOP SUMMARY
POINCIANA HIGH SCHOOL CAFETERIA
THURSDAY, MARCH 14, 2019

The second public meeting for the Central Florida Expressway Authority's (CFX) Poinciana Parkway Extension Project Development and Environment (PD&E) Study was held on Thursday, March 14, 2019, from 5:30 p.m. to 7:30 p.m., at the Poinciana High School Cafeteria, 2300 South Poinciana Boulevard, Kissimmee. This meeting was the second of three, large-scale public gatherings scheduled to allow the community to view and submit their comments on the latest corridor alternatives and other study materials.

I. Study Background

In March 2018, the CFX Governing Board approved the findings of the previous Concept, Feasibility and Mobility Study of the Poinciana Parkway Extension, and authorized moving the project forward to the PD&E study phase.

The PD&E study began in July of 2018. It will refine and evaluate the alternatives from the concept study in greater detail, as well as look at additional possible alignments for the proposed corridor. While the concept study considered extending Poinciana Parkway to Interstate 4 (I-4), the PD&E study is looking at alternatives to County Road (CR) 532 at the Osceola/Polk County line. A later phase – to be done by, or in close coordination with, the Florida Department of Transportation – will provide a connection to I-4, either at State Road (SR) 429 or at CR 532.

The overall goals of this proposed new 3-mile, limited-access facility include improving the roadway connections from CR 532 to the greater Poinciana area, enhancing mobility of the area's growing population and economy, relieving congestion on local roads, and promoting regional connectivity.

II. Study Methodology

CFX is following FDOT's PD&E manual. This study will result in a Project Environmental Impact Report (PEIR)

with CFX's approval. This study will analyze and document physical, natural, social, and cultural impacts.

Public involvement and interagency coordination are an integral part of the assessment process, and multiple opportunities for participation are being provided. Three public meetings, including a public hearing, will be held to collect vital public input on the alignments under evaluation.

Public meeting comments received during this second public meeting, as well as from stakeholders, local agencies, officials and other interested parties during the study, will be considered in the evaluation of the alignment alternatives. After the public hearing, the CFX Board will evaluate the recommended preferred alternative and determine whether the project should move forward to the design phase for the extension of the Poinciana Parkway.

III. Public Notification

Public meeting invitation letters were sent on Thursday, February 21, 2019, by email to 38 elected officials and their aides, as well as to 97 local, regional, state and federal agency contacts. An additional 5,013 meeting invitation letters were mailed to property owners and tenants within the corridor on Tuesday, February 19, 2019. Meeting information also was posted on the study webpage and Facebook page.

IV. Media Notification

The public meetings were advertised in advance with legal ads in the Orange and Osceola editions of the *Orlando Sentinel*, the *Lakeland Ledger* on Sunday, February 24, 2019 and Sunday, March 10, 2019 and in the and the *Osceola News Gazette* on Friday, February 28, 2019 and Friday, March 7, 2019. An ad was printed in the *Florida Administrative Register* (FAR) on Friday, September 7, 2018, and a press release was distributed to major media outlets on Monday, February 11, 2019.

V. Public Meeting Agenda

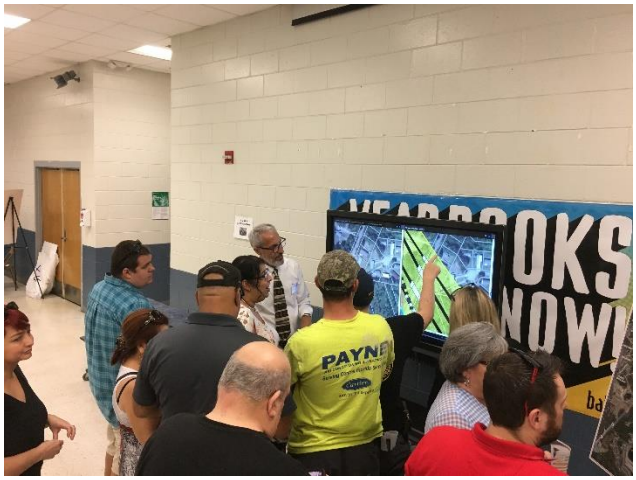

The meeting was an informal open house and participants were welcome to come at any time between 5:30 p.m. and 7:30 p.m. Display maps illustrating the project study area, the corridor alternatives, the project schedule, and other information were available for public review and comment. A looping audiovisual presentation was available throughout the meeting that provided an overview of the study process, history and details. Project representatives were available to discuss the studies, receive input and answer questions. The use of two large smart screens allowed project personnel to

provide a more detailed look at the potential impacts of the various alternatives to a meeting attendee's property or business. In addition, a sign language interpreter was on hand to facilitate communications with hearing impaired meeting attendees.

Parking was available to accommodate all attendees, including those who were differently abled. Signs were placed along the roadway and on the high school property directing attendees to the meeting room.

The following display boards were available for public review and comment:

- Welcome Board
- Title VI Board
- Study Area Map
- Project Schedule
- Poinciana Parkway Extension Alternatives Board
- Social Constraints Board for Alternative 1A
- Social Constraints Board for Alternative 4A
- Social Constraints Board for Alternative 5A
- Environmental Constraints Board for Alternative 1A
- Environmental Constraints Board for Alternative 4A
- Environmental Constraints Board for Alternative 5A
- Poinciana Parkway Extension Evaluation Matrix

VI. Meeting Attendance

A total of 154 attendees – 138 community members and 16 staff members – signed in at the public meeting. Among those attending were: Jay Jarvis, Polk County Roads & Drainage; Josh DeVries, Osceola County Transportation Planning; Darren Vierday, Congressman Darren Soto's office; and Jennifer Codo-Salisbury, Central Florida Regional Planning Council.

The Study Fact Sheet (Winter 2019 edition), comment forms and public involvement surveys were distributed to the attendees. Participants were encouraged to sign the sign-in sheets, to discuss their thoughts and concerns regarding the study with project team members, and to submit written comments.

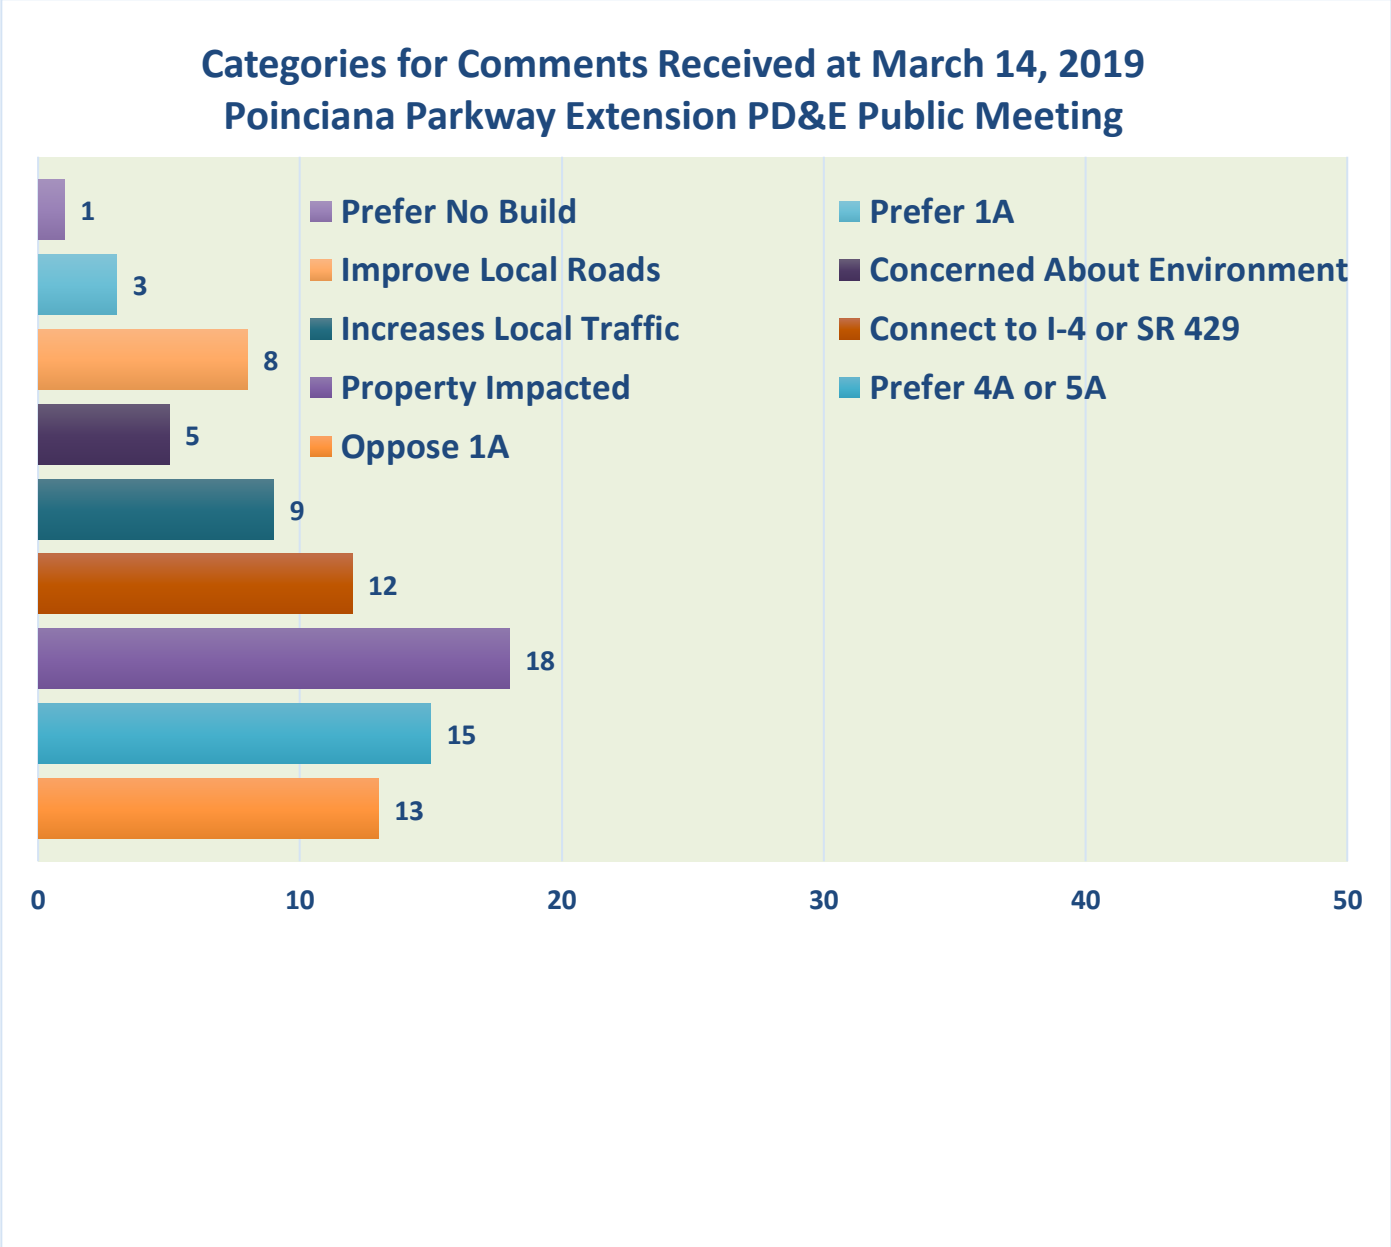

VIII. Public Comments

A total of 40 written comments were received: 31 at the meeting and nine emailed within 10 business days of the public meeting. The information below reflects the general nature of the comments received. Many comment forms touched on multiple topics, so referenced numbers may exceed the total number of comments. The individual comment forms have been attached as part of the study record.

<u>POINCIANA PARKWAY EXTENSION:</u>

- Plan 1A must not move forward!
- I vote for 4A or 5A.

- Very disappointed to see that Alt 1A is still on the list. If this is chosen our home value would plunge.
- I say expand 532 and Lake Wilson Road and include on/off ramps at I-4.
- I'm concerned about incr3ased traffic on 532 without a plan to extend Poinciana Parkway to I-4.
- A direct connection to I-4/429 is preferred. Don't build in two phases.
- Our preference is 5A or any alternative that does not pass through Sereno.

END OF MEETING SUMMARY

This meeting summary was prepared by Mary Brooks, Public Involvement Coordinator at Quest Corporation of America on behalf of the Central Florida Expressway Authority. It is not verbatim, but is a summary of the meeting activities and comments received. If you feel something should be added or revised, please contact Mary Brooks by email at Mary.Brooks@QCAusa.com or by telephone 407-694- 5505 within five (5) days of receipt of this summary.

CFX POINCIANA PARKWAY EXTENSION PD&E STUDY PUBLIC MEETING #2 March 14, 2019

	NAME	ADDRESS	CITY	ST	ZIP	EMAIL	PHONE	COMMENT FORM	DRAFT RESPONSES
1	Kevin Dunn	2263 Royal Ridge Dr	Davenport	FL	33896	Kevin@Kevin-Dunn.com	217-972-1857	Plan 1A must not move forward! The largest impact on homeowners in Polk County, this must be heavily considered. You can't play with the economic livelihood of families in the community! Plans 4A and 5A are shorter and mostly impacting swamp land. Please make the right choice for the families in the community. Poinciana needs the road, but not at such a high price for so many of us in the Polk County community.	Project Studies 3/22/19, 11:45 AM Kevin@Kevin-Dunn.com; Mary Brooks; shari.croteau@qcausa.com Hello Mr. Dunn: Thank you for attending the recent public meeting for the Poinciana Parkway Extension Project Development and Environment (PD&E) Study, being conducted by the Central Florida Expressway Authority. We had more than 150 people attend the meeting, with 32 submitting written comments that evening. We appreciate your input. Your written comments will become part of the public meeting record for the study and will be considered during the evaluation of the study alternatives as a recommended preferred alternative is identified. You may view the exhibits and presentation from the March 14 public meeting on the study webpage at the following link: https://bit.ly/2KECX9a The Poinciana Parkway Extension PD&E Study began in July 2018 and is scheduled to finish this fall. Public involvement and intergovernmental coordination are integral parts of the study process, and multiple opportunities for community engagement are being provided. You may submit comments via the study webpage, or by sending information to the study email address at ProjectStudies@CFXway.com.

									The public hearing is anticipated in this summer and the CFX Governing Board is slated to review the recommended preferred alternative for the study corridor in the fall of 2019. For more information on the study, check out the study webpage and follow the project on Facebook @PoincianaPkwyExt. You're also welcome to contact me as the public involvement coordinator as noted below. Thank you. Kathy Putnam for Mary Brooks Public Involvement Coordinator 407-802-3210
2	Vince Zembaty	307 Florida Ave.	Davenport	FL	33896	housewizz@yahoo.com		I vote for either 4A or 5A. They have environmental impacts but that is minimal compared to the 1A Alternative that would wipe out the city of Loughman, and cost more in the long run. Toll road revenue would go up as the public gets used to the new roads. 1A Alternative is not a good option and I will fight it any way I can.	Project Studies 3/22/19, 11:43 AM housewizz@yahoo.com; Mary Brooks; shari.croteau@qcausa.com Hello Mr. Zembaty: Thank you for attending the recent public meeting for the Poinciana Parkway Extension Project Development and Environment (PD&E) Study, being conducted by the Central Florida Expressway Authority. We had more than 150 people attend the meeting, with 32 submitting written comments that evening. We appreciate your input. 3	Mike & Becky Dunn	7263 Royal Ridge Dr.	Davenport	FL	33896	Beckydunn70@gmail.com	217-412-0294	We have been following the plans for the last year and attending the public meetings. We are very disappointed to see that Plan 1A is still on the list. According to your information appox. 175 homes will be affected by Plan 1A. Significantly more than the other plans. We live at the end of Royal Ridge Dr. on the cul-de-sac as it is and the road would go over the pond. It was our dream to live in Florida and we purchased this home 2 years ago	Project Studies 3/22/19, 11:42 AM Beckydunn70@gmail.com; Mary Brooks; shari.croteau@qcausa.com Hello Ms. Dunn: Thank you for attending the recent public meeting for the Poinciana Parkway Extension Project Development and Environment (PD&E) Study, being conducted by the Central Florida

								with every penny we had. If this plan goes through, our home value would plunge. This plan also affects the Bald Eagle's nests which I thought was against the law. Please reconsider Plan 1A, not just for us, but for the hundreds of others it would affect. We hope to see 1A off the list.	Expressway Authority. We had more than 150 people attend the meeting, with 32 submitting written comments that evening. We appreciate your input. Your written comments will become part of the public meeting record for the study and will be considered during the evaluation of the study alternatives as a recommended preferred alternative is identified. 									407-802-3210
4	Michael Lella	2423 Regent Way	Kissimmee	FL	34758	mlellabrooklyn@aol.com	407-319-3942	Even though 5A is not the least expensive option it seems the best because it has much less impact on residents. Yes I would drive a half mile in the wrong direction to get to a toll road if it has less traffic. Also the toll road itself would take traffic away from existing roads. As far as the question would I use the toll road? – my answer is only when the road connects to I-4 and not until then.	Project Studies 3/22/19, 11:40 AM mlellabrooklyn@aol.com; Mary Brooks; shari.croteau@qcausa.com Hello Mr. Lella: Thank you for attending the recent public meeting for the Poinciana Parkway Extension Project Development and Environment (PD&E) Study, being conducted by the Central Florida Expressway Authority. 18	James Shumard	330 Cortez Court	Kissimmee	FL	34758	James.shumard.richard@gmail.com	407-414-5976	Great plans, but where does all the traffic flow to? Onto Cypress Road – already a traffic nightmare – Lake Wilson Road & 532 intersection. A. Has two lanes southbound, one left the other straight & right turns. The intersection needs to be enlarged to accommodate a right turn lane, this would reduce the traffic backup. B. How about adding southbound entry ramps at Marigold & KOA Roads? Traffic going to Haines City has to use Marigold to access Cypress. If toll road access was allowed southbound entry and exit at these roads then it would put money in your pocket for a more rapid transit. Thank you.	Project Studies 3/22/19, 11:13 AM James.shumard.richard@gmail.com; Mary Brooks; shari.croteau@qcausa.com Hello Mr. Shumard: Thank you for attending the recent public meeting for the Poinciana Parkway Extension Project Development and Environment (PD&E) Study, being conducted by the Central Florida Expressway Authority. 29	J. Thomas	691 Thousand Oaks Blvd.	Davenport	FL	33896	jrtbbtt@hotmail.com	863-420-0239	Project 1A impacts far too many people – those who would lose their homes and those living near to or under the proposed roadway. Project 4A would be my preferred alternative or 5A, but not 1A. 4A & 5A should use every available format to avoid contamination of affected mitigation areas, such as elevated roadway to the maximum extent possible.	
30	Paul Olson	1622 Tamarind Rd	Davenport	FL	33896		863-547-4549	I reside in the Sereno neighborhood off of Ronald Reagan Parkway and will be heavily impacted if any of these proposals – especially Alternative 1, which will take several homes nearest Ronald Reagan Parkway. Alternatives 4 & 5 will also impact our neighborhood negatively. My principle concerns will be:	

								1. Home value reduction 2. Noise during construction 3. Road noise when project is completed Additionally, I do not see a lot of benefit to this project as it fails to make connection to the I-4 freeway. I recommend all these options be rejected.	
31	Virginia Hedden	423 Meadow Green Drive	Davenport	FL	33896	vhedden@tampabay.rr.com	863-242-1016	All proposals lead to 532 which feeds to I-4. What are the benefits of this road? Everyone needs to access I-4 which is already over congested. Development is out of control. Traffic is terrible here. We need to preserve and protect our natural areas. What about ChampionsGate (?). Sometimes it takes 30 minutes just to get through to I-4 and then it always backs up. It feels like we should have the roads (?) before the development is allowed. Maybe we should focus more on developing our short rail train. SunRail is great!	Project Studies 3/212/19, 3:43 PM vhedden@tampabay.rr.com; Mary Brooks; shari.croteau@qcausa.com Hello Ms. Hedden: Thank you for attending the recent public meeting for the Poinciana Parkway Extension Project Development and Environment (PD&E) Study, being conducted by the Central Florida Expressway Authority. We had more than 150 people attend the meeting, with 32 submitting written comments that evening. We appreciate your input. Your written comments will become part of the public meeting record for the study and will be considered during the evaluation of the study alternatives as a recommended preferred alternative is identified. You may view the exhibits and presentation from the March 14 public meeting on the study webpage at the following link: https://bit.ly/2KECX9a The Poinciana Parkway Extension PD&E Study began in July 2018 and is scheduled to finish this fall. 32	Mike Gardner	354 Briar Patch Loop	Davenport	FL	33896	Mpgardner78@yahoo.com	520-461-7076	I know planning projects of this sort take time. However, it seems foolhardy to plan a piece of divided restricted access roadway without knowing where it will go. I get building piecemeal, but to put the Poinciana Parkway traffic onto CR 532 before CR 532 gets improved or before you know where Poinciana Parkway will go, will just move whatever problems you have at Poinciana/17-92 to CR 532. CR 532 is a mess now from 17-92 to I-4 in the morning and afternoon commute times. I live off CR 532. I know when I bought my house it would eventually be a multi-laned, divided road. I have no problem with that. My concerns are about the increased traffic on 532 without	Project Studies 3/21/19, 3:39 PM Mpgardner78@yahoo.com; Mary Brooks; shari.croteau@qcausa.com Hello Mr. Gardner: Thank you for attending the recent public meeting for the Poinciana Parkway Extension Project Development and Environment (PD&E) Study, being conducted by the Central Florida Expressway Authority. We hope to see you at the meeting, being held at: **5:30 p.m. - 7:30 p.m.** **March 14, 2019**

								I hope you are both well. Thank you for attending our meeting in January; we really appreciate it. Please find attached a letter from the residents of Lake Wilson Preserve to present at the Poinciana Parkway Extension PD & E study meeting on March 14. Kind regards Pippa Blackmore 136 Mockingbird Road Davenport LETTER: **Residents' Committee for the Poinciana Parkway I4 Connector** *Lake Wilson Preserve* 136 Mockingbird Road, Davenport FL 33896 To Mary Brooks, Public Involvement Co-ordinator Central Florida Expressway Authority ConceptStudies@CFXway.com Dear Mary **RE: PD & E STUDY FOR THE PROPOSED POINCIANA PARKWAY EXTENSION**	**Poinciana High School Cafeteria** **2300 S. Poinciana Blvd.** **Kissimmee, FL 34758** Kathy Putnam for Mary Brooks Public Information Officer 407-802-3210

								Thank you again for your and Clif Tate's presentation at the Lake Wilson Preserve Home Owners Association meeting in January. Following the meeting we have distributed copies of the presentation to members of Lake Wilson Preserve HOA who were unable to attend in person and we have received a considerable amount of feedback, which we have summarised as follows:- • **It is preferred for construction <u>not</u> to be split in to 2 phases** If construction of the project is split in to 2 phases then congestion will significantly increase on CR532 until the second phase is built. Most of the traffic wants to get to the I4 or SR429 so it is not ideal to have such a volume of commuting traffic using this route when a direct connection to I4/SR429 is preferred. • **CR532/CR545 Old Lake Wilson junction - existing congestion and delays** Whilst it is noted that one of the overall goals of the project is to reduce congestion and delays on local roads; the study does not appear to have adequately considered	

								the existing significant congestion at the CR532/CR545 Old Lake Wilson junction. This junction is already heavily congested with traffic lights on Red for up to 5 minutes, and having all of Poinciana Parkway traffic heading through it will cause significant delays and tailbacks in all directions. Whereas the North/South road at this junction could do with being expanded to 2 lanes in each direction, the East/West routes which most of the traffic would use is already 2 lanes and there is not much room to expand further. If Phase 1 went ahead on its own, it is felt that during peak times this intersection would reach grid-lock. • **I4 Junction 58 – existing tailbacks** The I4 Junction 58 at Champions gate is one of the most congested intersection on the I4. Traffic tailbacks from the junction cause congestion backing up on the I4 for several miles during peak times. By splitting the project in to 2 phases, this would add a considerable amount of traffic to this	

								junction and make the problems and tailbacks even worse. It is acknowledged that proposed changes to a diamond formation/continuous flow intersection would help improve flow around the junction. However, planned developments in the Reunion, Champions Gate and Ronald Reagan areas will dramatically increase traffic congestion further in the next few years. • **Neighborhood intersections** The junction with the main entrance at Reunion on CR532 has already been upgraded with traffic lights. Intersections for the other residential communities along CR532 at Lake Wilson Preserve, Tanglewood, Sandy Ridge, Ashebrook, Legacy Village etc would also require upgrading so that vehicles can turn across Parkway traffic. • **Direct connection to I4/SR429 is the preferred option** A significant volume of traffic could use SR429 rather than the I4 and so a direct connection to the I4/SR429 junction would	

								not only reduce traffic at the Champions Gate junction, it would also help reduce traffic on the I4 and would be the preferred option by far. SR429 has direct access to Walt Disney World theme parks and Orlando and would support all of the project overall goals. In addition, SR429 already has a junction on the I4 as well as existing road bridges crossing the I4 carrying traffic north & south over the interstate. The existing SR429 could be extended south to join up with the Poinciana Parkway. It is understood that the connection to the I4 has multi-state/county authority complications. Would it be more acceptable to treat the whole project as the 'southern extension to SR429' as this would not require new access to the I4? In conclusion, the overwhelming opinion is that the construction of the Poinciana Parkway extension should be carried out in a single phase, directly connecting to SR429 and I4. We should be grateful if the Central Florida Expressway	

								Authority would take our residents' views and concerns into account. Sincerely, Pippa Blackmore For and on behalf of the Residents' Committee for the Poinciana Parkway I4 Connector pipblackmore@outlook.com

								of the road would cut through our community, relocating several houses, and our entrance/gate, but also depreciating the value of our home, since it would be right off the road, and below a bridge, as well as bringing nuisance, increasing traffic, among other problems. The biggest issue we see in terms of traffic volume and congestion is on I4 W near exit 58, on Old Lake Wilson Rd, coming from 192, and also 532 in its entirety. The back roads are congested because of that. I'm not sure how much of an improvement we would have with the expansion overall since the major critical struggle points are the roads I mentioned above. Either way, we strongly oppose to alternative 1A and we have been discussing this in length with our HOA and other homeowners that would be negatively impacted by that.	process, and multiple opportunities for community engagement are being provided. You may submit comments via the study webpage, or by sending information to the study email address at ProjectStudies@CFXway.com. You're also welcome to contact me as the public involvement coordinator as noted below. Thank you. Kathy Putnam for Mary Brooks Public Involvement Coordinator

								Our request would be for option 5A to be chosen, or any alternative that does not pass through our community (Sereno) nor entrance. Certainly NOT 1A the way it was presented. For what we could see, alternative 5A would not impact our community, and it would be a straighter route to 532, which could be more effective. The other suggestion is to move/push the southern part of alternative 1A farther north so it doesn't affect our Sereno community (neither houses nor the entrance). If that was the case, the area impacted would be Sereno phase 3, right across the road, which would not create such a negative impact since Sereno 3 has not been built yet. There's plenty of empty areas there that could be repurposed if anything.	

								We would be glad to discuss this further and share our concerns if needed. We kindly request that our concerns are heard and taken into consideration. We look forward to hearing from you. Thank you. Best regards, Paulo Lara Galvao F. Interpreter & Translator (Portuguese, English) The Textual Bureau Phone: 407.486.4151 mrpaulolara@hotmail.com

Re: **Public Meeting – March 14, 2019**
CFX Project Development and Environment (PD&E) Study
Poinciana Parkway Extension
CFX Project No.: 599-224

Dear Elected Official:

The Central Florida Expressway Authority (CFX) is conducting a Project Development and Environment (PD&E) Study for the proposed Poinciana Parkway Extension, as identified in our 2040 Master Plan. The study will determine if a limited access facility between the north end of the Poinciana Parkway bridge over the Reedy Creek Mitigation Bank and County Road 532 at the Osceola County/Polk County line is viable and fundable in accordance with CFX policies and procedures.

CFX will hold a public meeting for this study on **Thursday, March 14, from 5:30 p.m. to 7:30 p.m. in the cafeteria at Poinciana High School,** located at 2300 South Poinciana Boulevard, Kissimmee, FL 34758. The meeting will be held in an open house format and community members may come at any point during the meeting time to view the exhibits, ask questions and provide comments. A looping audiovisual presentation providing an overview of the study will be available for viewing throughout the meeting.

The overall goals of this project are to improve roadway connections from CR 532 to the greater Poinciana area; reduce congestion and delays on local roads; accommodate anticipated transportation demand; provide consistency with local and regional plans; support economic vitality and job creation; support intermodal opportunities; and enhance evacuation and emergency services.

Initial PD&E study alternatives were presented for public input at the last public meeting held on September 25, 2018. Based on the input we received, the alternatives have been further refined.

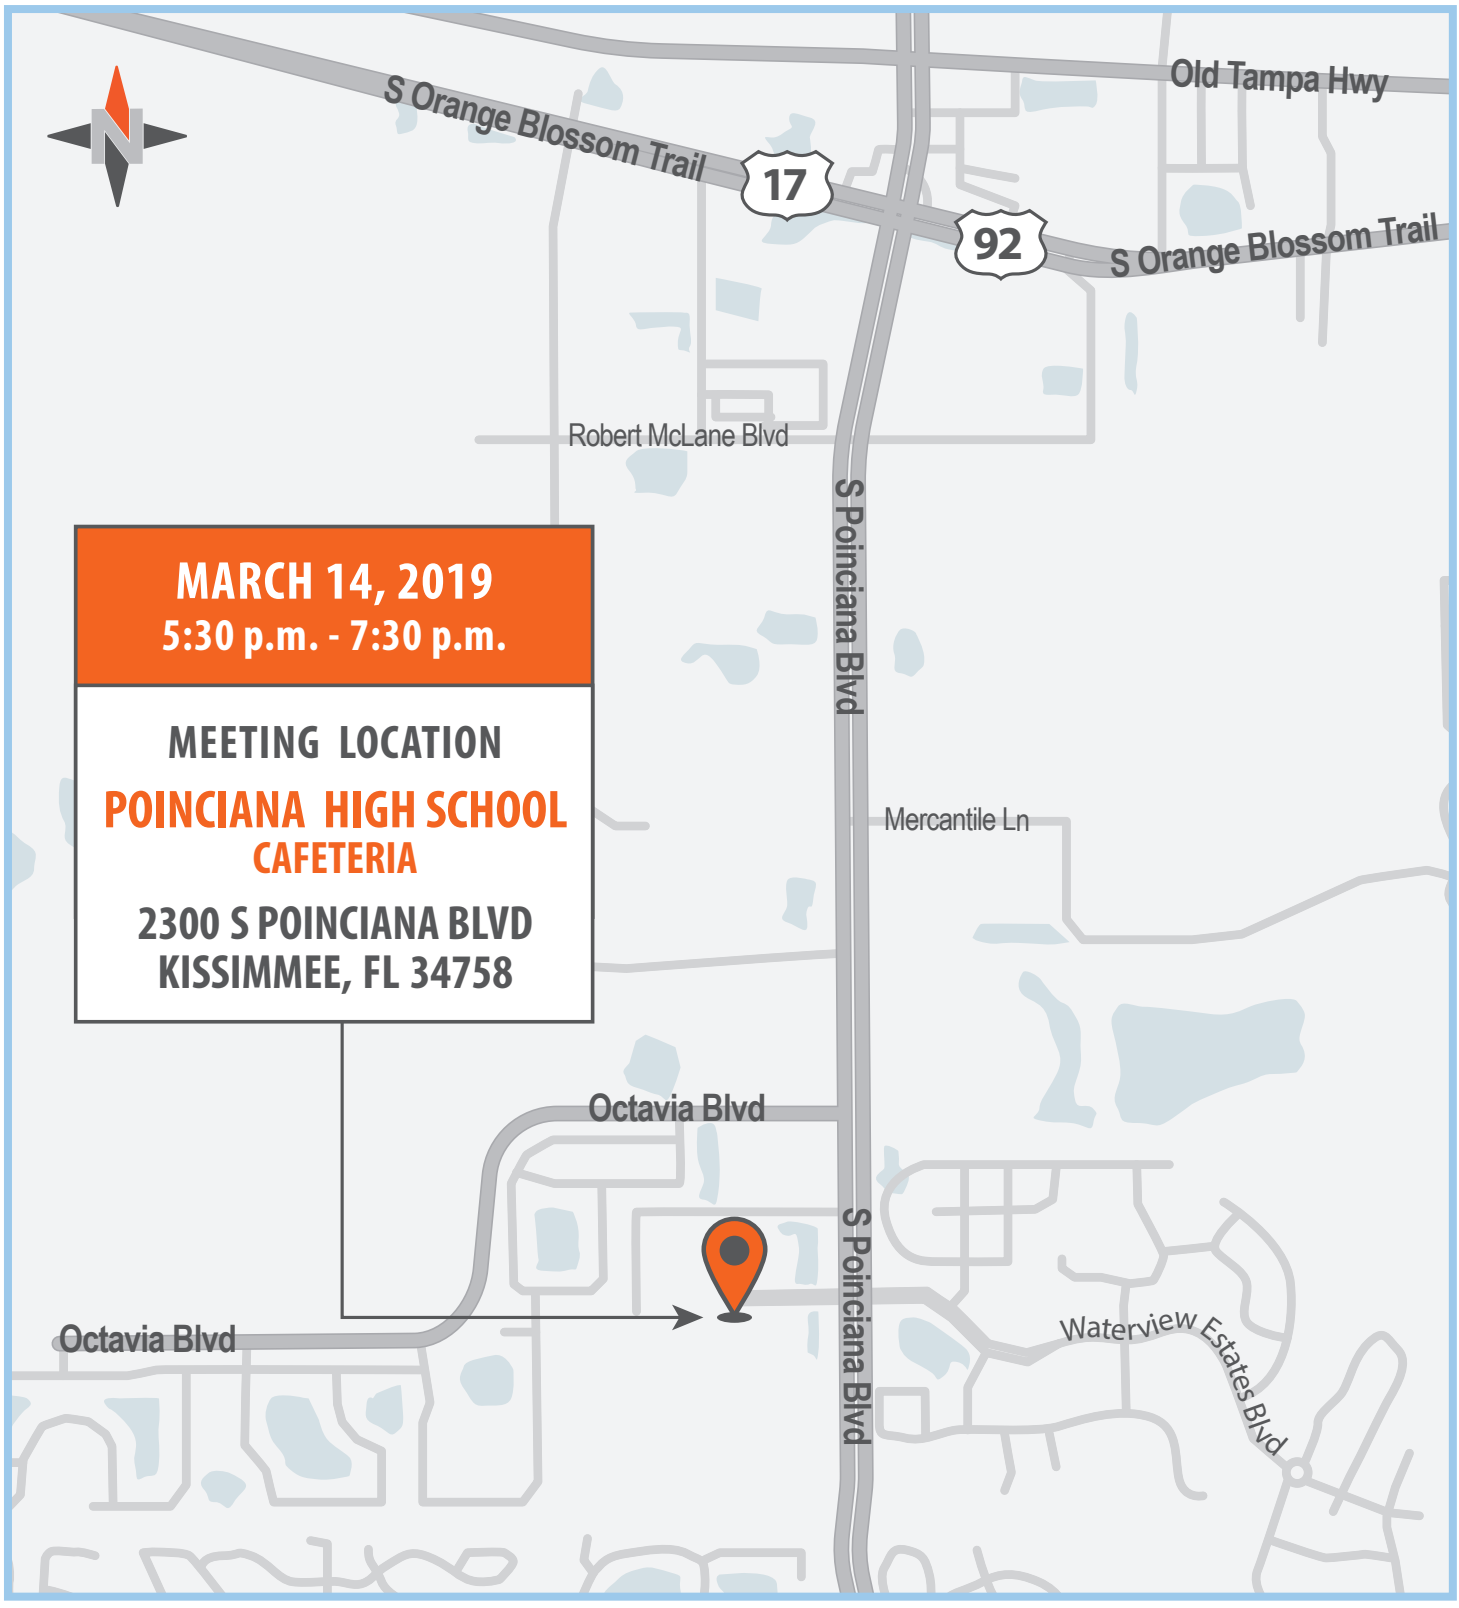

The exhibits that will be on display include the three study alternatives and their potential impacts to the physical, natural, social and cultural environment. Public involvement and interagency coordination have been an integral part of the assessment process, and opportunities for participation will continue throughout the duration of the study process.

If you have questions or would like more information about the study, please contact Mary Brooks, Public Involvement Coordinator, by phone at 407-802-3210, or by email at ProjectStudies@CFXway.com, or go to https://bit.ly/2KECX9a to visit the study webpage.

Sincerely,

Laura Kelley

CENTRAL FLORIDA EXPRESSWAY AUTHORITY

Poinciana Parkway Extension
Project Development and Environment Study

CENTRAL FLORIDA EXPRESSWAY AUTHORITY

Project Development & Environment Study

POINCIANA PARKWAY EXTENSION

Winter 2019

PROJECT DESCRIPTION

The Central Florida Expressway Authority (CFX) is conducting a Project Development and Environment (PD&E) Study for the proposed Poinciana Parkway Extension. The study will look at extending the Poinciana Parkway to County Road (CR) 532 at the Osceola County/Polk County line.

PROJECT GOALS

The goals of this proposed 3-mile, limited-access facility include improving the roadway connections from CR 532 to the greater Poinciana area, enhancing mobility of the area's growing population and economy, relieving congestion on local roads and promoting regional connectivity.

UPDATES SINCE SEPTEMBER 2018 PUBLIC MEETING

More than 130 people attended a public meeting held on September 25, 2018 at Poinciana High School. Three study alternatives - Alternatives 1, 4 and 5 - were presented for public review and comments. Following the public meeting, the study team further refined these alternatives. The results of these refinements are modifications of the original alternatives - now identified as Alternatives 1A, 4A and 5A.

Alternative 1A is similar to Alternative 1; however, the alignment has been shifted to the west side of the CSX railroad tracks in an effort to reduce social impacts. The size of the proposed interchange with CR 532 has also been reduced to avoid impacts to major utilities.

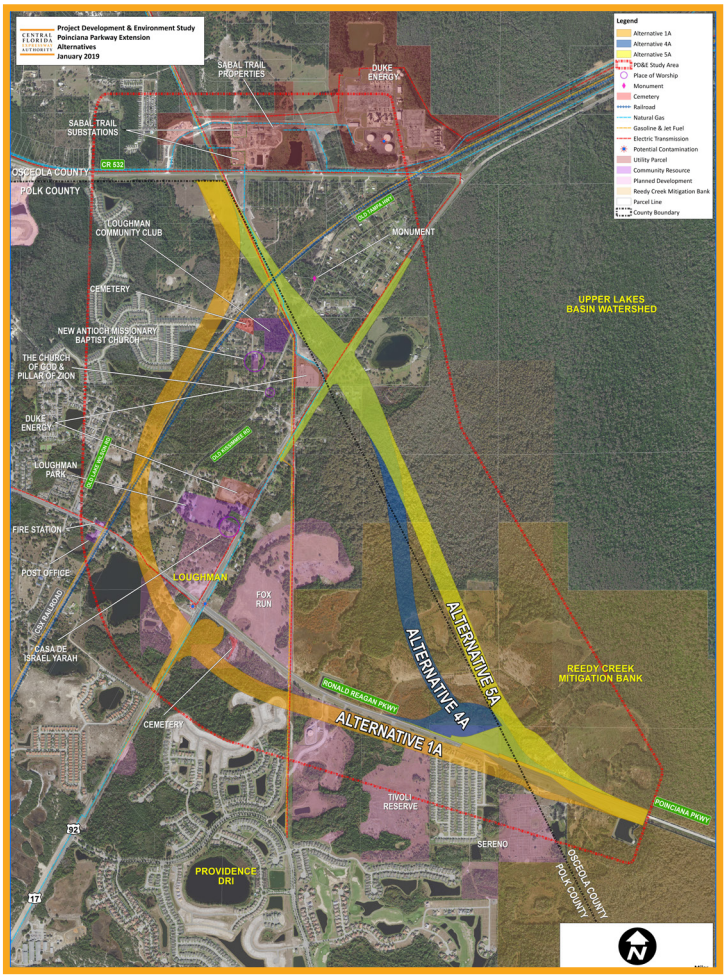

For Alternatives 4A and 5A, it was necessary for the northern portions of Alternatives 4 and 5 to be shifted to the west to allow for the expressway to pass over the CSX railroad and to provide adequate distance between the railroad bridge and the interchange with CR 532. Due to substantial utility constraints along CR 532, Alternatives 4A and 5A each have an interchange with CR 532 at the same location as Alternative 1A. However, these alternatives will still likely require the relocation of major utilities. The option to provide access ramps to and from Ronald Reagan Parkway has also been added to the evaluation of Alternatives 4A and 5A.

PUBLIC INVOLVEMENT

Public involvement and community engagement are a crucial component of this study. We value your input. CFX is providing multiple opportunities for participation, including a public meeting and public hearing. Community groups can request a presentation via the *CFXWay.com* website or by emailing Public Involvement Coordinator Mary Brooks at *ProjectStudies@CFXWay.com.* You're also welcome to submit your comments via the website or project email address. And follow the study on Facebook for updates.

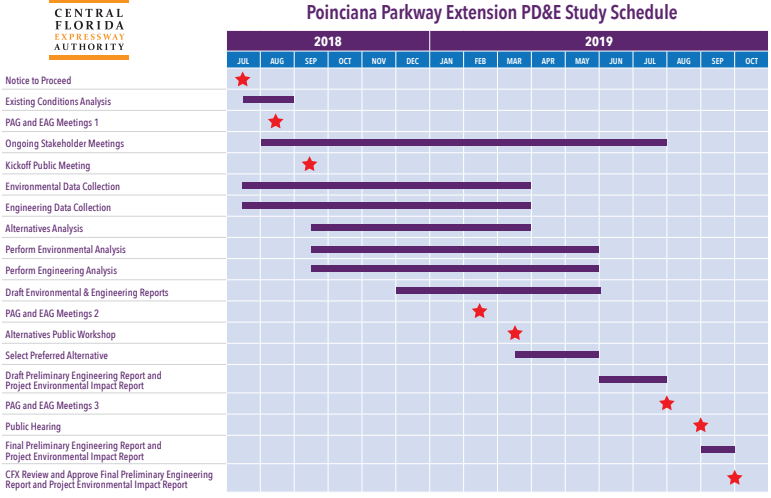

The PD&E study began in July 2018 and is expected to last 15 months. A graphic of key study milestones is shown here.

Re: **Public Meeting – March 14, 2019**
CFX Project Development and Environment (PD&E) Study
Poinciana Parkway Extension
CFX Project No.: 599-224

Dear Government Partner:

The Central Florida Expressway Authority (CFX) is conducting a Project Development and Environment (PD&E) Study for the proposed Poinciana Parkway Extension, as identified in our 2040 Master Plan. The study will determine if a limited access facility between the north end of the Poinciana Parkway bridge over the Reedy Creek Mitigation Bank and County Road 532 at the Osceola County/Polk County line is viable and fundable in accordance with CFX policies and procedures.

CFX will hold a public meeting for this study on **Thursday, March 14, from 5:30 p.m. to 7:30 p.m. in the cafeteria at Poinciana High School,** located at 2300 South Poinciana Boulevard, Kissimmee, FL 34758. The meeting will be held in an open house format and community members may come at any point during the meeting time to view the exhibits, ask questions and provide comments. A looping audiovisual presentation providing an overview of the study will be available for viewing throughout the meeting.

The overall goals of this project are to improve roadway connections from CR 532 to the greater Poinciana area; reduce congestion and delays on local roads; accommodate anticipated transportation demand; provide consistency with local and regional plans; support economic vitality and job creation; support intermodal opportunities; and enhance evacuation and emergency services.

Initial PD&E study alternatives were presented for public input at the last public meeting held on September 25, 2018. Based on the input we received, the alternatives have been further refined.

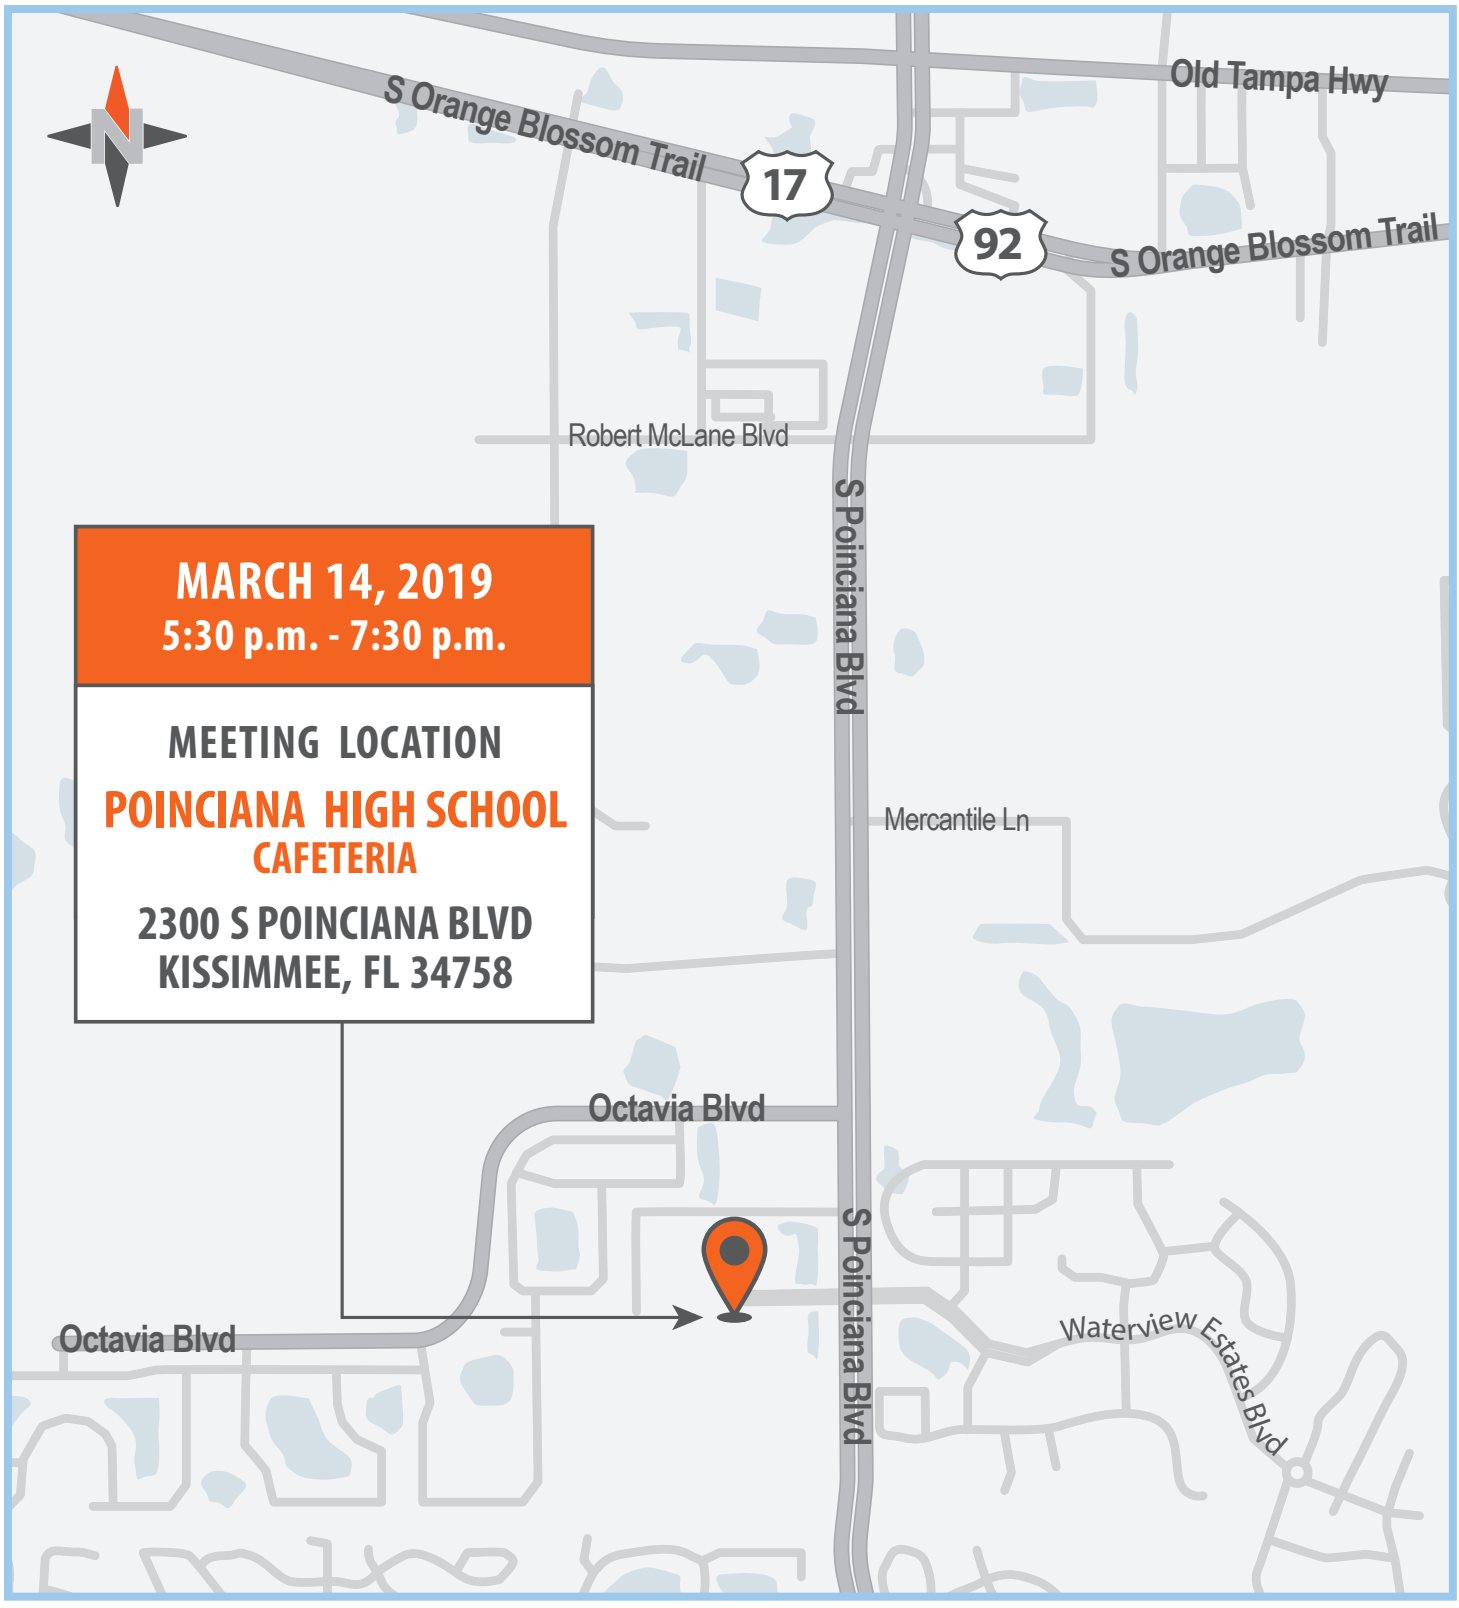

The exhibits that will be on display include the three study alternatives and their potential impacts to the physical, natural, social and cultural environment. Public involvement and interagency coordination have been an integral part of the assessment process, and opportunities for participation will continue throughout the duration of the study process.

If you have questions or would like more information about the study, please contact Mary Brooks, Public Involvement Coordinator, by phone at 407-802-3210, or by email at ProjectStudies@CFXway.com, or go to https://bit.ly/2KECX9a to visit the study webpage.

Sincerely,

Joseph A. Berenis, PE
Chief of Infrastructure
Central Florida Expressway Authority

Project Development and Environment Study

CENTRAL FLORIDA EXPRESSWAY AUTHORITY

Project Development & Environment Study

POINCIANA PARKWAY EXTENSION

Winter 2019

PROJECT DESCRIPTION

The Central Florida Expressway Authority (CFX) is conducting a Project Development and Environment (PD&E) Study for the proposed Poinciana Parkway Extension. The study will look at extending the Poinciana Parkway to County Road (CR) 532 at the Osceola County/Polk County line.

PROJECT GOALS

The goals of this proposed 3-mile, limited-access facility include improving the roadway connections from CR 532 to the greater Poinciana area, enhancing mobility of the area's growing population and economy, relieving congestion on local roads and promoting regional connectivity.

UPDATES SINCE SEPTEMBER 2018 PUBLIC MEETING

More than 130 people attended a public meeting held on September 25, 2018 at Poinciana High School. Three study alternatives - Alternatives 1, 4 and 5 - were presented for public review and comments. Following the public meeting, the study team further refined these alternatives. The results of these refinements are modifications of the original alternatives - now identified as Alternatives 1A, 4A and 5A.

Alternative 1A is similar to Alternative 1; however, the alignment has been shifted to the west side of the CSX railroad tracks in an effort to reduce social impacts. The size of the proposed interchange with CR 532 has also been reduced to avoid impacts to major utilities.

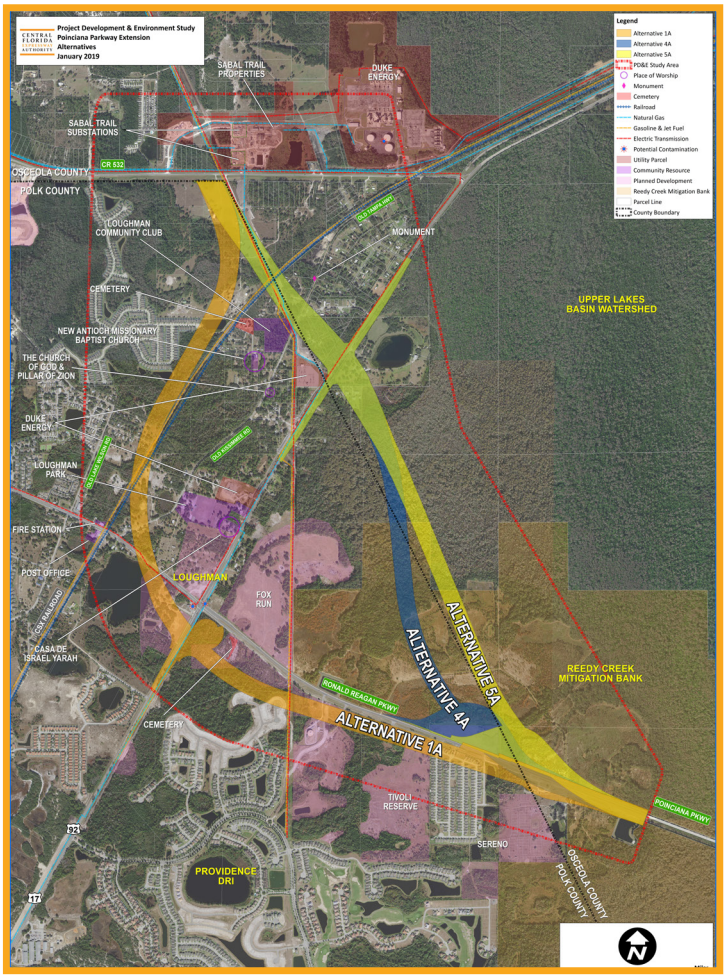

For Alternatives 4A and 5A, it was necessary for the northern portions of Alternatives 4 and 5 to be shifted to the west to allow for the expressway to pass over the CSX railroad and to provide adequate distance between the railroad bridge and the interchange with CR 532. Due to substantial utility constraints along CR 532, Alternatives 4A and 5A each have an interchange with CR 532 at the same location as Alternative 1A. However, these alternatives will still likely require the relocation of major utilities. The option to provide access ramps to and from Ronald Reagan Parkway has also been added to the evaluation of Alternatives 4A and 5A.

PUBLIC INVOLVEMENT

Public involvement and community engagement are a crucial component of this study. We value your input. CFX is providing multiple opportunities for participation, including a public meeting and public hearing. Community groups can request a presentation via the *CFXWay.com* website or by emailing Public Involvement Coordinator Mary Brooks at *ProjectStudies@CFXWay.com.* You're also welcome to submit your comments via the website or project email address. And follow the study on Facebook for updates.

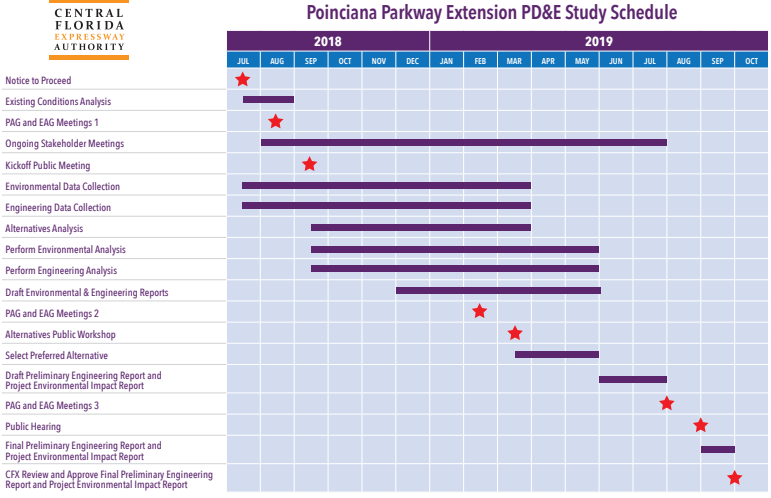

The PD&E study began in July 2018 and is expected to last 15 months. A graphic of key study milestones is shown here.

Re: **Public Meeting – March 14, 2019**
CFX Project Development and Environment (PD&E) Study
Poinciana Parkway Extension
CFX Project No.: 599-224

Dear Property Owner/Interested Party:

The Central Florida Expressway Authority (CFX) is conducting a Project Development and Environment (PD&E) Study for the proposed Poinciana Parkway Extension, as identified in our 2040 Master Plan. The study will determine if a limited access facility between the north end of the Poinciana Parkway bridge over the Reedy Creek Mitigation Bank and County Road 532 at the Osceola County/Polk County line is viable and fundable in accordance with CFX policies and procedures.

CFX will hold a public meeting for this study on **Thursday, March 14, from 5:30 p.m. to 7:30 p.m. in the cafeteria at Poinciana High School,** located at 2300 South Poinciana Boulevard, Kissimmee, FL 34758. The meeting will be held in an open house format and community members may come at any point during the meeting time to view the exhibits, ask questions and provide comments. A looping audiovisual presentation providing an overview of the study will be available for viewing throughout the meeting.

The overall goals of this project are to improve roadway connections from CR 532 to the greater Poinciana area; reduce congestion and delays on local roads; accommodate anticipated transportation demand; provide consistency with local and regional plans; support economic vitality and job creation; support intermodal opportunities; and enhance evacuation and emergency services.

Initial PD&E study alternatives were presented for public input at the last public meeting held on September 25, 2018. Based on the input we received, the alternatives have been further refined.

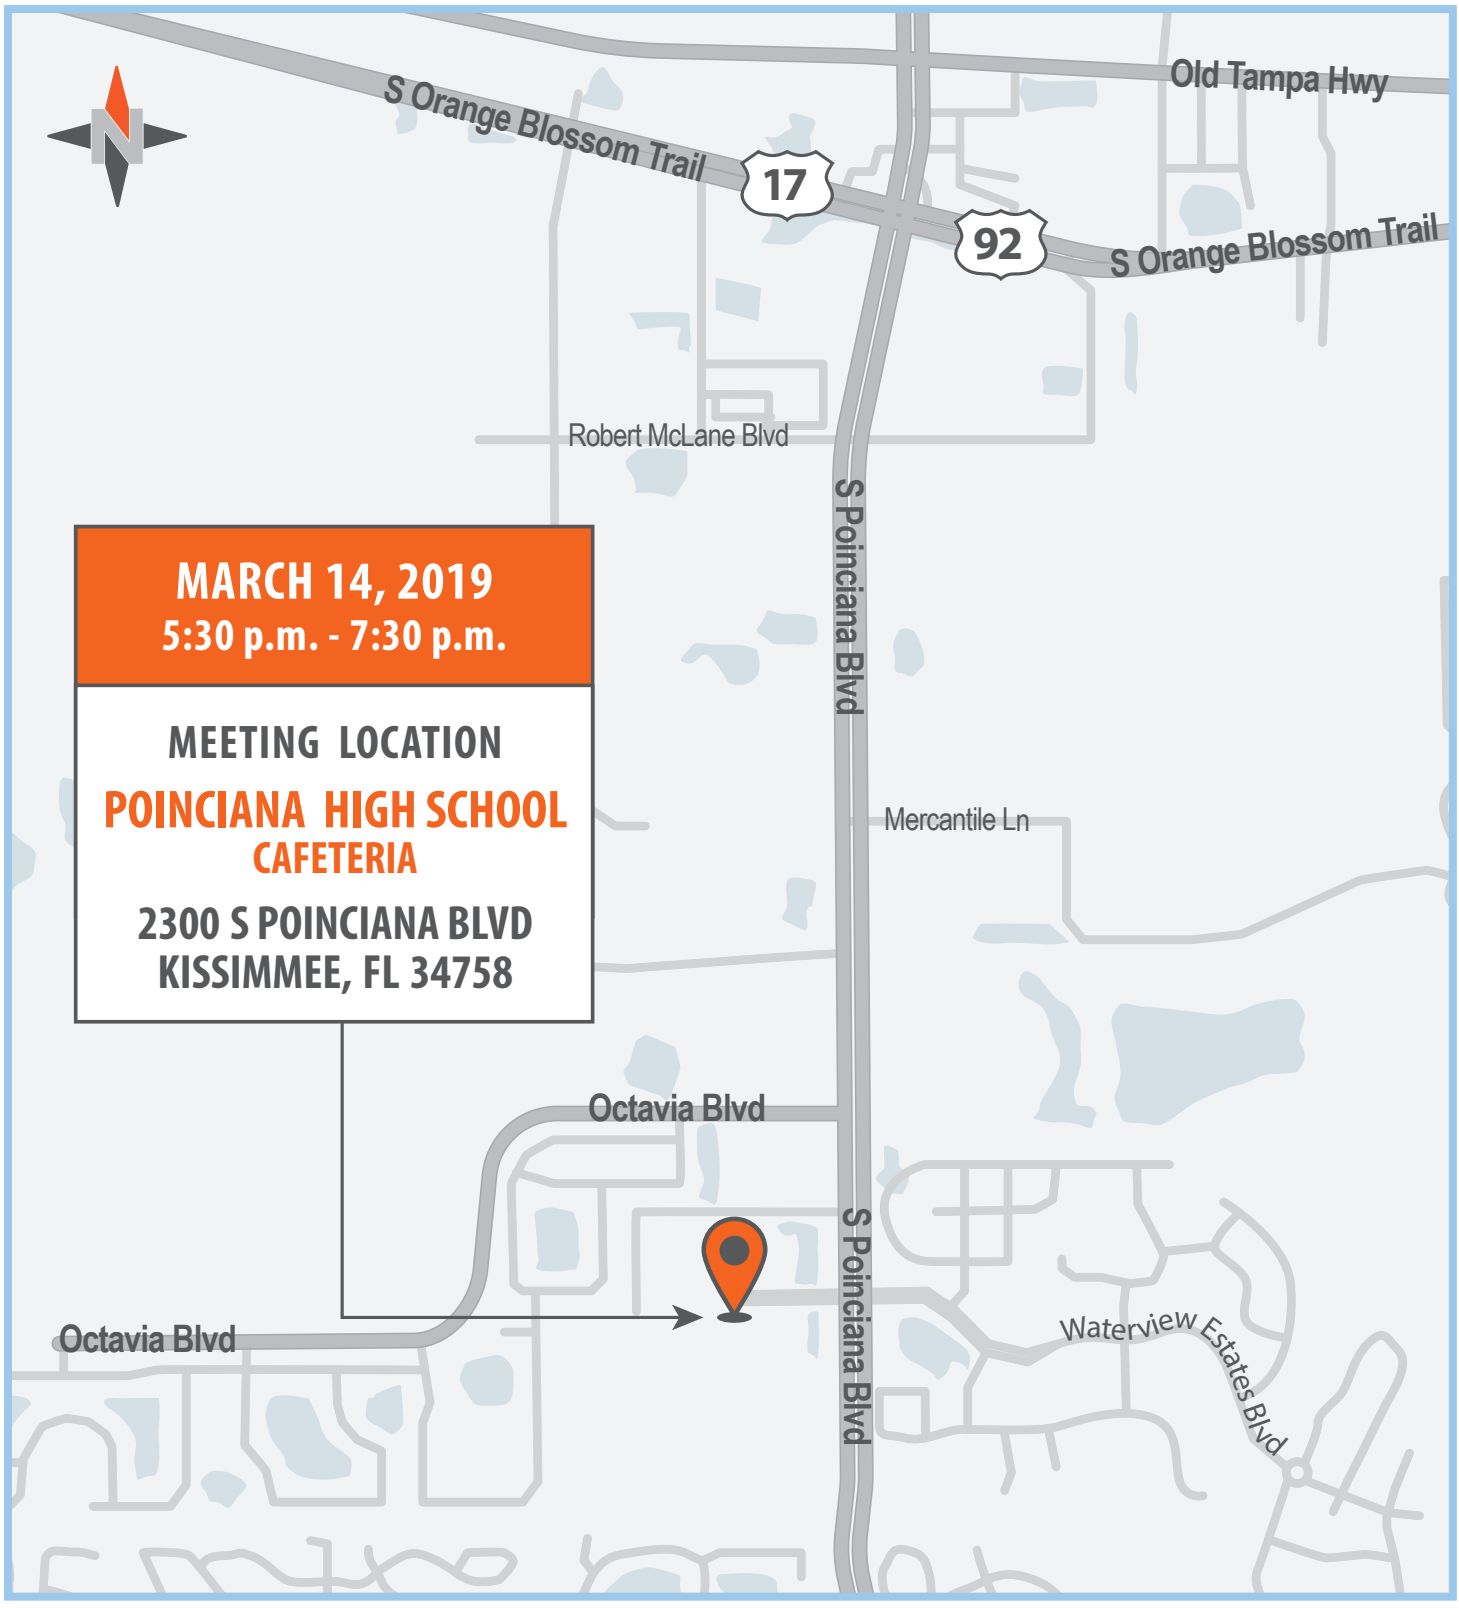

The exhibits that will be on display include the three study alternatives and their potential impacts to the physical, natural, social and cultural environment. Public involvement and interagency coordination have been an integral part of the assessment process, and opportunities for participation will continue throughout the duration of the study process.

If you have questions or would like more information about the study, please contact Mary Brooks, Public Involvement Coordinator, by phone at 407-802-3210, or by email at ProjectStudies@CFXway.com, or go to https://bit.ly/2KECX9a to visit the study webpage.

Sincerely,

Joseph A. Berenis, PE
Chief of Infrastructure
Central Florida Expressway Authority

Project Development & Environment Study

POINCIANA PARKWAY EXTENSION

Winter 2019

PROJECT DESCRIPTION

The Central Florida Expressway Authority (CFX) is conducting a Project Development and Environment (PD&E) Study for the proposed Poinciana Parkway Extension. The study will look at extending the Poinciana Parkway to County Road (CR) 532 at the Osceola County/Polk County line.

PROJECT GOALS

The goals of this proposed 3-mile, limited-access facility include improving the roadway connections from CR 532 to the greater Poinciana area, enhancing mobility of the area's growing population and economy, relieving congestion on local roads and promoting regional connectivity.

UPDATES SINCE SEPTEMBER 2018 PUBLIC MEETING

More than 130 people attended a public meeting held on September 25, 2018 at Poinciana High School. Three study alternatives - Alternatives 1, 4 and 5 - were presented for public review and comments. Following the public meeting, the study team further refined these alternatives. The results of these refinements are modifications of the original alternatives - now identified as Alternatives 1A, 4A and 5A.

Alternative 1A is similar to Alternative 1; however, the alignment has been shifted to the west side of the CSX railroad tracks in an effort to reduce social impacts. The size of the proposed interchange with CR 532 has also been reduced to avoid impacts to major utilities.

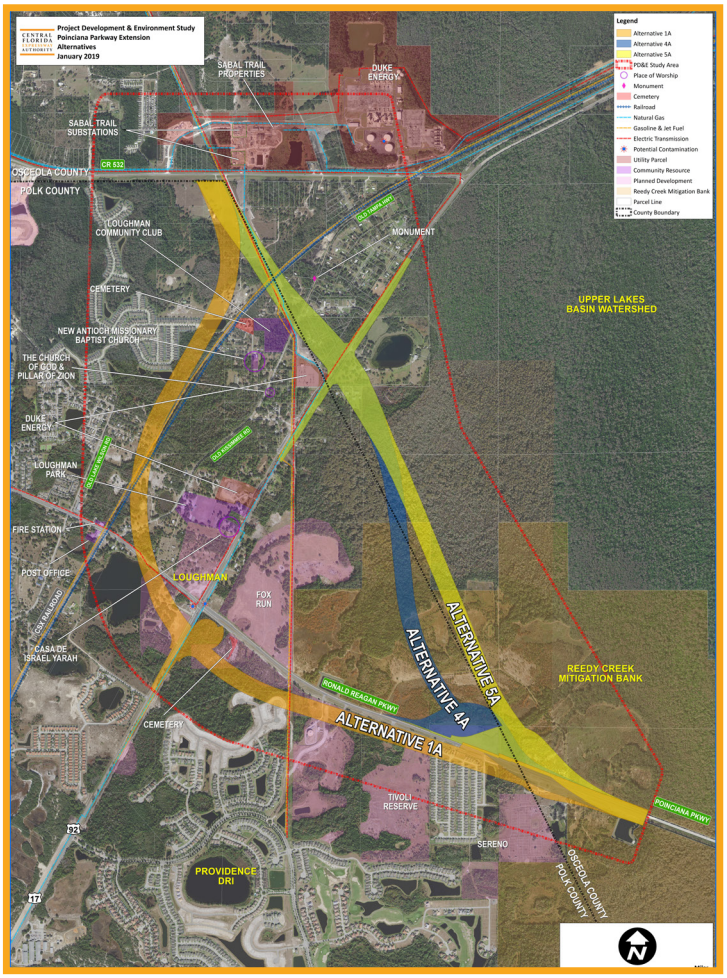

For Alternatives 4A and 5A, it was necessary for the northern portions of Alternatives 4 and 5 to be shifted to the west to allow for the expressway to pass over the CSX railroad and to provide adequate distance between the railroad bridge and the interchange with CR 532. Due to substantial utility constraints along CR 532, Alternatives 4A and 5A each have an interchange with CR 532 at the same location as Alternative 1A. However, these alternatives will still likely require the relocation of major utilities. The option to provide access ramps to and from Ronald Reagan Parkway has also been added to the evaluation of Alternatives 4A and 5A.

PUBLIC INVOLVEMENT

Public involvement and community engagement are a crucial component of this study. We value your input. CFX is providing multiple opportunities for participation, including a public meeting and public hearing. Community groups can request a presentation via the *CFXWay.com* website or by emailing Public Involvement Coordinator Mary Brooks at *ProjectStudies@CFXWay.com.* You're also welcome to submit your comments via the website or project email address. And follow the study on Facebook for updates.

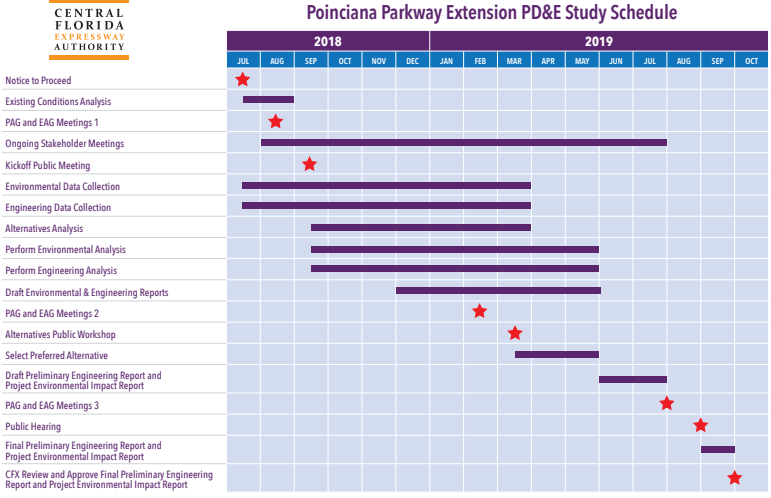

The PD&E study began in July 2018 and is expected to last 15 months. A graphic of key study milestones is shown here.

MEETING NOTICE

Central Florida Expressway Authority

PUBLIC MEETING #2
Poinciana Parkway Extension Project Development and Environment (PD&E) Study

DATE: March 14, 2019

TIME: 5:30 p.m. – 7:30 p.m.

LOCATION: Poinciana High School Cafeteria
2300 South Poinciana Blvd.
Kissimmee, FL 34758

The Central Florida Expressway Authority (CFX) is conducting a Project Development and Environment (PD&E) Study for the proposed Poinciana Parkway Extension, as identified in our 2040 Master Plan. The study will determine if a limited access facility between the north end of the Poinciana Parkway bridge over the Reedy Creek Mitigation Bank and County Road 532 at the Osceola County/Polk County line is viable and fundable in accordance with CFX policies and procedures.

CFX will hold a public meeting for this study on **Thursday, March 14 from 5:30 p.m. to 7:30 p.m. at the Poinciana High School Cafeteria located at 2300 South Poinciana Boulevard in Kissimmee, FL 34758.** The meeting will be held in an open house format and community members may come at any point during the meeting time to view the exhibits, ask questions and provide comments. A looping audiovisual presentation providing an overview of the study will be available for viewing throughout the meeting.

For more information, visit the study's website at https://bit.ly/2KECX9a .

Section 286.0105, Florida Statutes states that if a person decides to appeal any decision made by a board, agency, or commission with respect to any matter considered at a meeting or hearing, he will need a record of the proceedings, and that, for such purpose, he may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.

Persons who require translation services, which are provided at no cost, should contact CFX at (407) 690-5000 x5317 or by email at Iranetta.dennis@CFXway.com at least three (3) business days prior to the event.

In accordance with the Americans with Disabilities Act (ADA), if any person with a disability as defined by the ADA needs special accommodation to participate in this proceeding, then not later than two (2) business days prior to the proceeding, he or she should contact the Central Florida Expressway Authority at (407) 690-5000.

PUBLIC MEETING NOTICE CFX Project Development and Environment (PD&E) Study Poinciana Parkway Extension CFX Project Number: 599-224

The Central Florida Expressway Authority (CFX) is conducting a Project Development and Environment (PD&E) Study for the proposed Poinciana Parkway Extension, as identified in our 2040 Master Plan. The study will determine if a limited access facility between the north end of the Poinciana Parkway bridge over the Reedy Creek Mitigation Bank and County Road 532 at the Osceola County/Polk County line is viable and fundable in accordance with CFX policies and procedures.

CFX will hold a public meeting for this study on **Thursday, March 14, from 5:30 p.m. to 7:30 p.m. in the cafeteria at Poinciana High School**, located at 2300 South Poinciana Boulevard, Kissimmee, FL 34758. The meeting will be held in an open house format and community members may come at any point during the meeting time to view the exhibits, ask questions and provide comments. A looping audiovisual presentation providing an overview of the study will be available for viewing throughout the meeting.

The overall goals of this project are to improve roadway connections from CR 532 to the greater Poinciana area; reduce congestion and delays on local roads; accommodate anticipated transportation demand; provide consistency with local and regional plans; support economic vitality and job creation; support intermodal opportunities; and enhance evacuation and emergency services.

Initial PD&E study alternatives were presented for public input at the last public meeting held on September 25, 2018. Based on the input we received, the alternatives have been further refined.

The exhibits that will be on display include the three study alternatives and their potential impacts to the physical, natural, social and cultural environment. Public involvement and interagency coordination have been an integral part of the assessment process, and opportunities for participation will continue throughout the duration of the study process.

If you have questions or would like more information about the study, please contact Mary Brooks, Public Involvement Coordinator, by phone at 407-802-3210, or by email at ProjectStudies@CFXway.com, or go to https://bit.ly/2KECX9s to visit the study webpage.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who require accommodations under the Americans with Disabilities Act or persons who require translation services, free of charge, should contact Ms. Putnam as noted above at least seven (7) days prior to the meeting.

LAST KNOWN ADDRESS: 2417 SUMMERFIELD WAY, KISSIMMEE, FL 34741-2209
YOU ARE HEREBY NOTIFIED that an action to foreclose a mortgage on the following described property located in OSCEOLA County, Florida:

LOT 23 INCLUSIVE, SUMMERFIELD TOWNHOMES, ACCORDING TO THE PLAT THEREOF, AS RECORDED IN PLAT BOOK 5, PAGE 54 OF THE PUBLIC RECORDS OF OSCEOLA COUNTY, FLORIDA.
has been filed against you, and you are required to serve a copy to your written defenses, if any, to this pending in the Circuit Court for Osceola County, Florida, Probate Division, the address of which is 2 Courthouse Square, Kissimmee, FL 34741. The estate is testate and the dates of the decedent's will and any codicils are January 3, 2008.

The names and addresses of the personal representative and the personal representative's attorney are set forth below. The fiduciary lawyer-client privilege in Florida Statutes Section 90.5021 applies with respect to the personal representative and any attorney employed by the personal representative.

Any interested person on whom a copy of the notice of administration is served who challenges the validity of the will or any codicils, venue, or jurisdiction of the court is required to file any objection with the court in the manner provided in the Florida Probate Rules WITHIN THE TIME REQUIRED BY LAW, which is on or before the date that is 3 months after the date of service of a copy of the Notice of Administration on that person, or those objections are forever barred. The 3-month time period may only be extended for estoppel based upon a misstatement by the personal represent-

NOTICE OF PUBLIC AUCTION
The vehicles described below shall be sold at Public [illegible] 2:00 P.M. on the [illegible] for public input at the last public meeting held on September 25, 2018. Based on the input we received, the alternatives have been further refined.

The exhibits that will be on display include the three study alternatives and their potential impacts to the physical, natural, social and cultural environment. Public involvement and interagency coordination have been an integral part of the assessment process, and opportunities for participation will continue throughout the duration of the study process.

If you have questions or would like more information about the study, please contact Mary Brooks, Public Involvement Coordinator, by phone at 407-802-3210, or by email at ProjectStudies@CFXway.com, or go to https://bit.ly/2KECX9a to visit the study webpage.

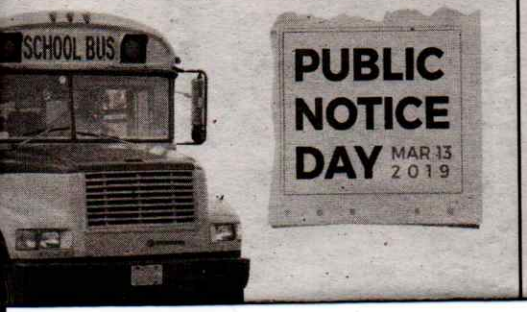

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who require accommodations under the Americans with Disabilities Act or persons who require translation services, free of charge, should contact Ms. Putnam as noted above at least seven (7) days prior to the meeting.

March 7, 2019

IN THE CIRCUIT COURT OF THE NINTH JUDICIAL CIRCUIT, IN AND FOR OSCEOLA COUNTY, FLORIDA.
Case No. 2019-DR-196 DC
IN RE: THE MARRIAGE OF: THAMIRES A. CAVALCANTE PARADISO,
Petitioner,
and
NICHOLAS PARADISO,
Respondent.
NOTICE OF ACTION
TO: Nicholas Paradiso
334 Robyns Glenn Rd.
Ocoee, Florida 34761
YOU ARE NOTIFIED that

bridge over the Reedy Creek Mitigation Bank and County Road 532 at the Osceola County/Polk County line is viable and fundable in accordance with CFX policies and procedures.

CFX will hold a public meeting for this study on **Thursday, March 14, from 5:30 p.m. to 7:30 p.m. in the cafeteria at Poinciana High School**, located at 2300 South Poinciana Boulevard, Kissimmee, FL 34758. The meeting will be held in an open house format and community members may come at any point during the meeting time to view the exhibits, ask questions and provide comments. A looping audiovisual presentation providing an overview of the study will be available for viewing throughout the meeting.

The overall goals of this project are to improve roadway connections from CR 532 to the greater Poinciana area; reduce congestion and delays on local roads; accommodate anticipated transportation demand; provide consistency with local and regional plans; support economic vitality and job creation; support intermodal opportunities; and enhance evacuation and emergency services.

Initial PD&E study alternatives were presented for public input at the last public meeting held on September 25, 2018. Based on the input we received, the alternatives have been further refined.

The exhibits that will be on display include the three study alternatives and their potential impacts to the physical, natural, social and cultural environment. Public involvement and interagency coordination have been an integral part of the assessment process, and opportunities for participation will continue throughout the duration of the study process.

If you have questions or would like more information about the study, please contact Mary Brooks, Public Involvement Coordinator, by phone at 407-802-3210, or by email at ProjectStudies@CFXway.com, or go to https://bit.ly/2KECX9a to visit the study webpage.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who require accommodations under the Americans with Disabilities Act or persons who require translation services, free of charge, should contact Ms. Putnam as noted above at least seven (7) days prior to the meeting.

Hello!

We would like to place a black and white, one column public meeting notice for Central Florida Expressway Authority for the above referenced project. We need to have it run twice in the Osceola News Gazette: once on Thursday, February 28, 2019 and again on Thursday, March 7, 2019. Attached is the approved notice. Could you please send me a quote for the notice?

My information for the price quote is:

Shari Croteau

321-795-0984

Shari.Croteau@qcausa.com

The billing information is:

Quest Corporation of America (QCA)

Attention: Gloria Freeman

17220 Camelot Court

Land O Lakes, Florida 34638

866-662-6273

Please send an affidavit of publication and tear sheet to the following address after both ads have been printed.

Quest Corporation of America (QCA)

Attention: Kathy Putnam

1540 International Parkway, Ste. 210

Lake Mary, FL 32746

Feedback

THURSDAY
Feb 28 / March 7 2019

This notice has nothing to do with any rule or rulemaking process.

NOTICE OF MEETING/WORKSHOP HEARING:

The Central Florida Expressway Authority (CFX) announces a public meeting that is open to the public.

DATE and TIME: Thursday, March 14, 2019
5:30 p.m. to 7:30 p.m.

PLACE: Poinciana High School – Cafeteria
2300 South Poinciana Blvd.
Kissimmee, FL 34758

GENERAL SUBJECT MATTER TO BE CONSIDERED:

CFX Project No: 599-224

Project Description: CFX Project Development and Environment Study
Poinciana Parkway Extension

The Central Florida Expressway Authority (CFX) is conducting a Project Development and Environment (PD&E) Study for the proposed Poinciana Parkway Extension, as identified in our 2040 Master Plan. The study will determine if a limited access facility between the north end of the Poinciana Parkway bridge over the Reedy Creek Mitigation Bank and County Road 532 at the Osceola County/Polk County line is viable and fundable in accordance with CFX policies and procedures.

CFX will hold a public meeting for this study on **Thursday, March 14, from 5:30 p.m. to 7:30 p.m. in the cafeteria at Poinciana High School,** located at 2300 South Poinciana Boulevard, Kissimmee, FL 34758. The meeting will be held in an open house format and community members may come at any point during the meeting time to view the exhibits, ask questions and provide comments. A looping audiovisual presentation providing an overview of the study will be available for viewing throughout the meeting.

The overall goals of this project are to improve roadway connections from CR 532 to the greater Poinciana area; reduce congestion and delays on local roads; accommodate anticipated transportation demand; provide consistency with local and regional plans; support economic vitality and job creation; support intermodal opportunities; and enhance evacuation and emergency services.

Initial PD&E study alternatives were presented for public input at the last public meeting held on September 25, 2018. Based on the input we received, the alternatives have been further refined.

The exhibits that will be on display include the three study alternatives and their potential impacts to the physical, natural, social and cultural environment. Public involvement and interagency coordination have been an integral part of the assessment process, and opportunities for participation will continue throughout the duration of the study process.

If you have questions or would like more information about the study, please contact Mary Brooks, Public Involvement Coordinator, by phone at 407-802-3210, or by email at ProjectStudies@CFXway.com, or go to https://bit.ly/2KECX9a to visit the study webpage.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who require accommodations under the Americans with Disabilities Act or persons who require translation services, free of charge, should contact Ms. Putnam as noted above at least seven (7) days prior to the meeting.

CENTRAL FLORIDA EXPRESSWAY AUTHORITY

Project Development & Environment Study

POINCIANA PARKWAY EXTENSION

Winter 2019

PROJECT DESCRIPTION

The Central Florida Expressway Authority (CFX) is conducting a Project Development and Environment (PD&E) Study for the proposed Poinciana Parkway Extension. The study will look at extending the Poinciana Parkway to County Road (CR) 532 at the Osceola County/Polk County line.

PROJECT GOALS

The goals of this proposed 3-mile, limited-access facility include improving the roadway connections from CR 532 to the greater Poinciana area, enhancing mobility of the area's growing population and economy, relieving congestion on local roads and promoting regional connectivity.

UPDATES SINCE SEPTEMBER 2018 PUBLIC MEETING

More than 130 people attended a public meeting held on September 25, 2018 at Poinciana High School. Three study alternatives - Alternatives 1, 4 and 5 - were presented for public review and comments. Following the public meeting, the study team further refined these alternatives. The results of these refinements are modifications of the original alternatives - now identified as Alternatives 1A, 4A and 5A.

Alternative 1A is similar to Alternative 1; however, the alignment has been shifted to the west side of the CSX railroad tracks in an effort to reduce social impacts. The size of the proposed interchange with CR 532 has also been reduced to avoid impacts to major utilities.

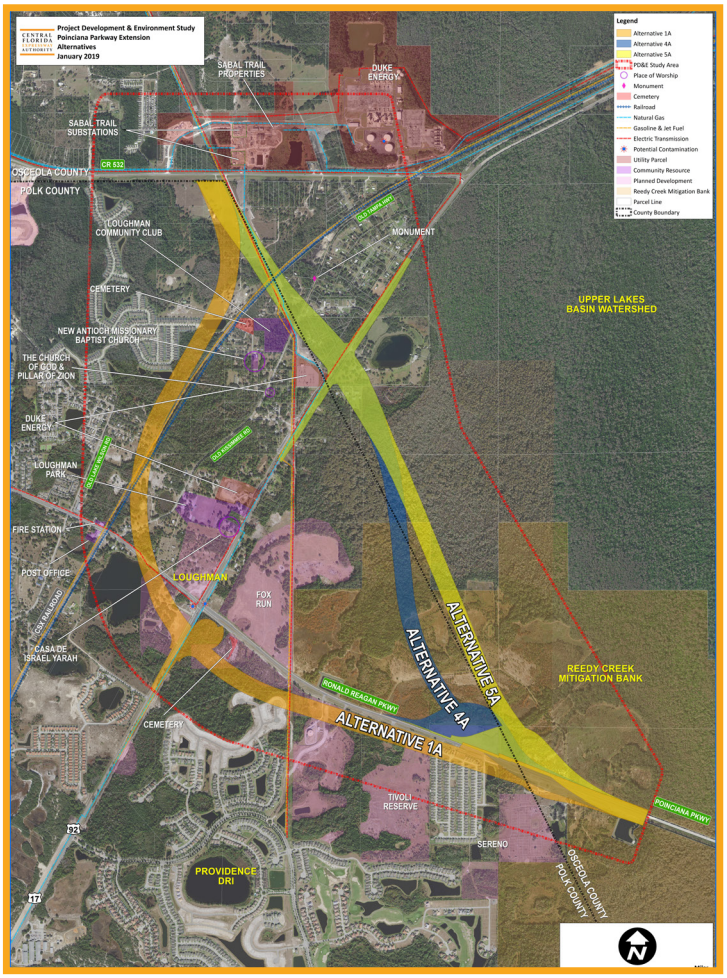

For Alternatives 4A and 5A, it was necessary for the northern portions of Alternatives 4 and 5 to be shifted to the west to allow for the expressway to pass over the CSX railroad and to provide adequate distance between the railroad bridge and the interchange with CR 532. Due to substantial utility constraints along CR 532, Alternatives 4A and 5A each have an interchange with CR 532 at the same location as Alternative 1A. However, these alternatives will still likely require the relocation of major utilities. The option to provide access ramps to and from Ronald Reagan Parkway has also been added to the evaluation of Alternatives 4A and 5A.

PUBLIC INVOLVEMENT

Public involvement and community engagement are a crucial component of this study. We value your input. CFX is providing multiple opportunities for participation, including a public meeting and public hearing. Community groups can request a presentation via the *CFXWay.com* website or by emailing Public Involvement Coordinator Mary Brooks at *ProjectStudies@CFXWay.com.* You're also welcome to submit your comments via the website or project email address. And follow the study on Facebook for updates.

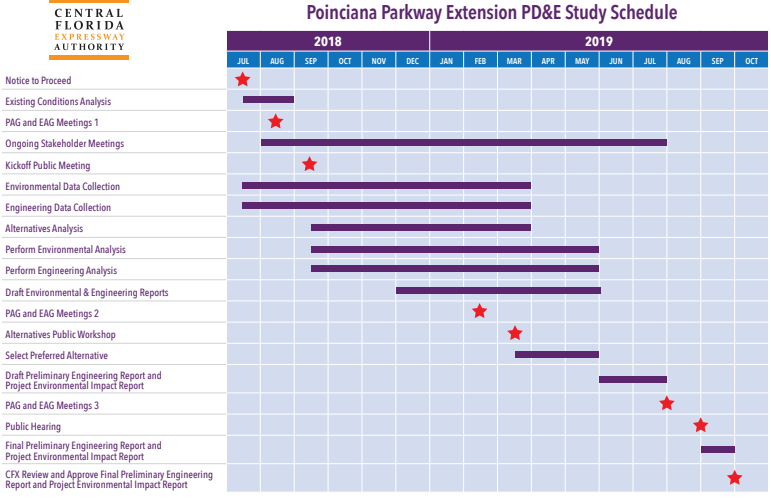

The PD&E study began in July 2018 and is expected to last 15 months. A graphic of key study milestones is shown here.

Public Hearing Summary Appendix

POINCIANA PARKWAY EXTENSION

PROJECT DEVELOPMENT AND ENVIRONMENT (PD&E) STUDY

PUBLIC HEARING SUMMARY

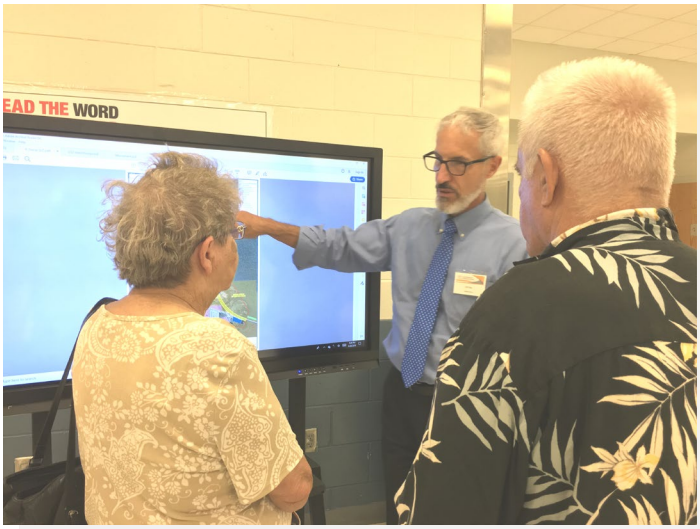

POINCIANA HIGH SCHOOL CAFETERIA

THURSDAY, AUGUST 29, 2019

The public hearing for the Central Florida Expressway Authority's (CFX) Poinciana Parkway Extension Project Development and Environment (PD&E) Study was held on Thursday, August 29, 2019, from 5:30 p.m. to 8 p.m., at Poinciana High School, 2300 South Poinciana Boulevard, Kissimmee. The hearing was the last of three large-scale meeting opportunities scheduled to allow the community to view the latest alignment alternatives and other draft report materials.

Study Background

In March 2018, the CFX Board approved the findings of the previous Concept, Feasibility and Mobility Study of the Poinciana Parkway Extension and moved the project to the PD&E study phase.

The PD&E study refined and evaluated the alternatives from the concept study in greater detail. While the concept study considered extending Poinciana Parkway to Interstate 4 (I-4), the PD&E study looked at alternatives to County Road (CR) 532 at the Osceola/Polk County line. A later phase will provide a connection to I-4, either at State Road (SR) 429 or at CR 532.

The overall goals of this proposed new 3-mile, limited-access facility include improving the roadway connections from CR 532 to the greater Poinciana area, enhancing mobility of the area's growing population and economy, relieving congestion on local roads, and promoting regional connectivity.

Study Methodology

The work included the evaluation and documentation of the physical, natural, social and cultural environment within the corridor and the potential impacts associated with the various alternatives. Transportation demands for the corridor have been determined, and a range of transportation mobility options were developed to adequately meet future demands.

Public involvement and interagency coordination have been an integral part of the assessment process, and multiple opportunities for participation were provided. Three public meetings, including this public hearing, were held to collect vital public input on the alignments under evaluation. Public meeting comments received during this public hearing, as well as from stakeholders, local agencies, officials and other interested parties during the study, are being considered in the final evaluation of the preferred alternative. The CFX Governing Board is expected to decide whether the preferred alternative should move forward to the design phase. at the currently scheduled October 10, 2019 meeting (subject to change).

Public Notification

Public meeting invitation letters were sent on Tuesday, July 30, 2019, by email to 49 elected officials and their aides, as well as 98 appointed officials, regional agency contacts, and federal and state agency contacts and 198 stakeholders. An additional 5,430 meeting invitation letters were mailed to property owners and tenants within the corridor on Wednesday, July 31, 2019. Public hearing notices were posted on the study Facebook page on August 6, 17, 24 and 29.

Media Notification

The public hearing was advertised in advance with legal ads in the *Lakeland Ledger,* the Orange and Osceola editions of the *Orlando Sentinel* and *El Sentinel* on Sunday, August 11 and Sunday, August 25, 2019 and in the *Osceola News Gazette, El Osceola Star* and *La Prensa* on Thursday, August 8 and Thursday, August 22, 2019. An ad was printed in the *Florida Administrative Register* (FAR) on Tuesday, July 30, 2019. A press release was distributed to the following major media outlets on Tuesday, August 20, 2019:

Discover Osceola	La Prensa	Spectrum News 13, Ch. 13

Public Hearing Agenda – Open House

The public hearing included an informal open house in the school cafeteria between 5:30 p.m. and 6:30 p.m., followed by the formal public hearing in the auditorium scheduled from 6:30 p.m. to 8 p.m.

During the open house portion, display maps illustrating the social and environmental constraints of the preferred alternative, the project schedule, and other information were available for public review and comment. A looping video depicting a flyover of the proposed extension was available throughout the meeting. Project representatives were available to discuss the study, receive input and answer questions. The use of two large smart screens allowed project personnel to provide a more detailed look at the potential impacts of the preferred alternative to a meeting attendee's property or business.

The following display boards were available for public review and comment:

- Welcome Board
- Title VI Board
- Preferred Alternative Map
- Project Schedule
- Poinciana Parkway Extension Social Constraints Board
- Poinciana Parkway Extension Environmental Constraints Board
- Alternative Evaluation Matrix
- Typical Section Board
- Area map displaying adjacent improvements planned by other agencies
- Map of the CR 532/I-4 interchange showing improvements planned by the Florida Department of Transportation and Osceola County

Two court reporters were available in the cafeteria to document oral comments. Sign language interpreters were on hand to facilitate communications with hearing impaired meeting attendees.

Bilingual study team members were on hand to assist Spanish-speaking attendees.

Parking was available to accommodate all attendees, including those who were differently abled. Signs were placed along the roadway and on the high school property directing attendees to the meeting room.

Meeting Attendance

A total of 72 members of the public and 22 staff members signed in at the public hearing. A couple of members of the public declined to sign in. Officials attending included Osceola County Transportation and Transit Executive Director Tawny Olore, Tracy Mullins of Polk County Parks and Natural Resources, Sgt. TJ Thomas of the Polk County Sheriff's Office, and Emam Emam of the Florida Department of Transportation.

Media in attendance was Steven Ryzewski of the *Four Corners News-Sun* (Winter Haven). Sign-in sheets are provided as part of this hearing summary.

Meeting Handouts

The Study Fact Sheet (summer 2019 edition), comment forms, speaker request cards and public involvement surveys were distributed to the attendees. Those signing in were encouraged to discuss their thoughts and concerns regarding the study with project team members, and to submit comments in writing, verbally to court reporters in the cafeteria or as part of the formal comment period in the auditorium.

Public Hearing Agenda – Comment Period

During the formal public hearing in the auditorium, attendees viewed a presentation that provided an overview of the study process, history and details about the proposed preferred alternative. Attendees were then invited to provide their comments at the microphones for the public record.

None of the attendees chose to speak at the microphones in the auditorium. A letter from the Lake Wilson Preserve HOA was read into

the record during the hearing comment period as requested by the community. Attendees were also invited to provide written comments, or to speak to court reporters still standing by in the cafeteria. The formal comment period of the hearing was closed at 6:56 p.m.

Public Comments

A total of 14 written comments were received – seven at the meeting and seven emailed or posted on social media within 10 days of the public hearing. One verbal comment was recorded by the court reporter at the open house. The information below reflects the general nature of the comments received. Some comment forms touched on multiple topics, so referenced numbers may exceed the total number of comments. The individual comment forms have been attached as part of the study record.

Comment Categories and Related Statements (numbers in parentheses indicate how many times a comment or statement was made):

POINCIANA PARKWAY EXTENSION:

- Alternative 5A without slip ramps seem to provide a "clean" solution to access the Poinciana Parkway without destructively impacting communities along Ronald Reagan Parkway in Polk County.
- Alternative 5A without slip ramps is an "attractive solution to traffic and noise to existing neighborhoods."
- Concerns about increased congestion without simultaneous improvements to CR 532 and Lake Wilson Road.
- Fact that Alternative 5A is the most economical is enticing.
- If they need just a little piece of our land, we want them to take the whole thing.

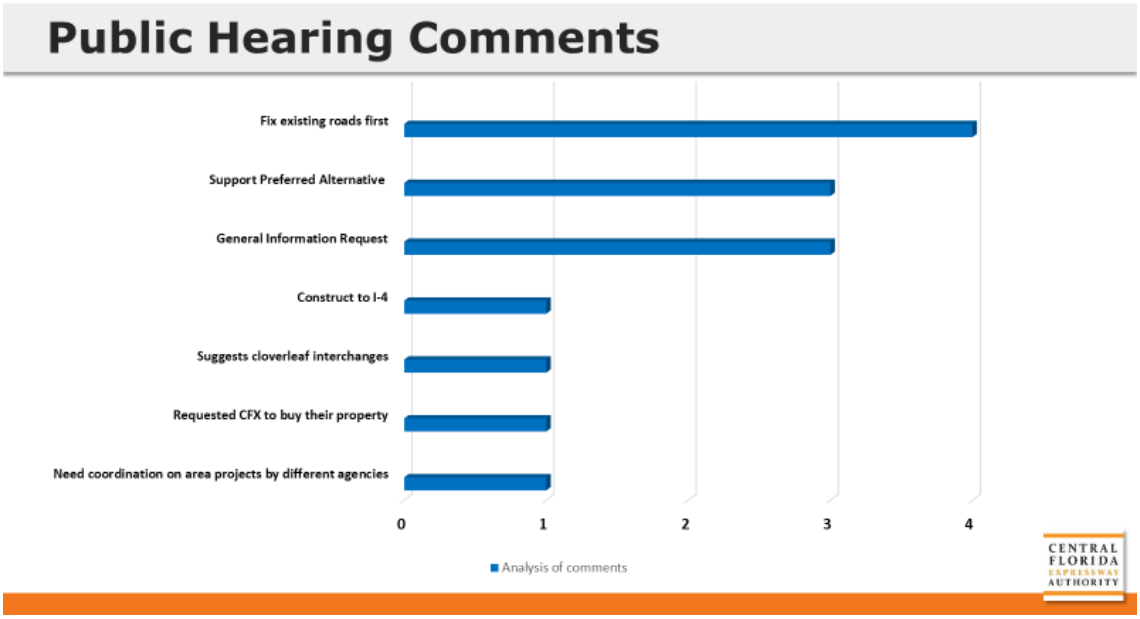

- Poinciana Parkway Extension should have a clover leaf interchange instead of planned ramps at CR 532 to keep traffic moving.
- Old Lake Wilson Road and CR 532 need a southbound right turn lane; existing roadway issues should be fixed before "building a toll road no one will use."
- Do not split the connection to I-4 into two phases.

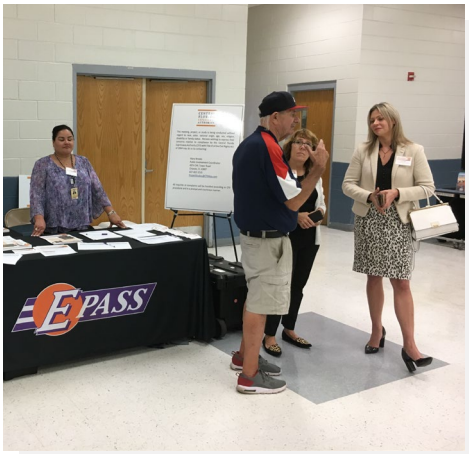

GENERAL COMMENTS:

- Nice planning!
- Good to talk with the right-of-way specialist. Very informative.

Publicizing Public Hearing Materials

Public hearing display materials, the presentation and handouts were posted on the study's webpage (https://www.cfxway.com/agency-information/plans-studies/project-studies/poinciana-parkway-extension-pde/#1529005671300-d4674569-0ef4) on Friday, August 30, 2019. Public hearing photos and other meeting information were posted on the study Facebook page on August 30 and September 3, 2019.

END OF MEETING SUMMARY

This meeting summary was prepared by Mary Brooks, Public Involvement Coordinator, and Kathy Putnam of Quest Corporation of America on behalf of the Central Florida Expressway Authority. It is not verbatim but is a summary of the meeting activities and comments received. If you feel something should be added or revised, please contact Mary Brooks by email at Mary.Brooks@QCAusa.com or by telephone 407-694- 5505 within five (5) days of receipt of this summary.

Public Hearing Summary Appendix

Notification Letters and Lists

July 30, 2019

Subject: **Public Hearing – August 29**
CFX Project Development and Environment Study
Poinciana Parkway Extension (Poinciana Parkway north end to CR 532)
CFX Project Number: 599-224

Dear Elected Official:

The Central Florida Expressway Authority (CFX) invites you to a public hearing for the Poinciana Parkway Extension Project Development and Environment (PD&E) Study. The study will determine if a limited access facility between the north end of the Poinciana Parkway to County Road 532 at the Osceola County/Polk County line is viable and fundable in accordance with CFX policies and procedures.

The overall goals of the Poinciana Parkway Extension are to provide improved connections between area roads; accommodate anticipated transportation demand; provide consistency with local and regional plans; support economic viability and job creation; support intermodal opportunities; and enhance evacuation and emergency services.

The public hearing is scheduled for **Thursday, August 29, from 5:30 p.m. to 8:00 p.m. at Poinciana High School** located at 2300 South Poinciana Boulevard, Kissimmee, FL 34758:

- 5:30 p.m. - 6:30 p.m.
  Poinciana High School cafeteria
  Open house where the public may view the exhibits, ask questions and provide comments.

- 6:30 p.m. - 8:00 p.m.
  Poinciana High School auditorium
  Formal presentation and public comment

Following the presentation, attendees who fill out a speaker's card will be given the opportunity to make an oral statement that will become part of the public hearing record. People may also submit written comments. All comments received or postmarked by September 9, 2019 will become part of the hearing record. A court reporter will be present to record a formal transcript of the hearing.

The study documents will be available for public viewing from August 8, 2019 through September 9, 2019 on the study's website at https://bit.ly/2KECX9a and at the following locations:

- Central Florida Expressway Authority
  4974 ORL Tower Road, Orlando, FL 32807
  Monday - Friday: 8 a.m. - 5 p.m.

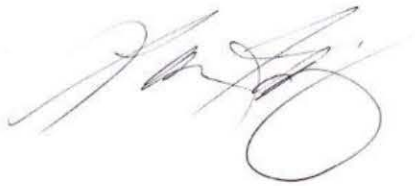

- Poinciana Library
  101 N. Doverplum Avenue, Kissimmee, FL 34758
  Monday - Thursday: 9 a.m. - 9 p.m.
  Friday and Saturday: 9 a.m. - 6 p.m.
  Sunday: 12 p.m. - 6 p.m.

- Haines City Library
  111 N. 6th Street, Haines City, FL 33844
  Monday: 10 a.m. - 7 p.m.
  Tuesday: 10 a.m. - 8 p.m.
  Wednesday and Thursday: 10 a.m. - 6 p.m.
  Friday: 10 a.m. - 5 p.m.
  Saturday: 10 a.m. - 3 p.m.
  Sunday: Closed

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons with disabilities who require special accommodations under the Americans with Disabilities Act or persons who require translation services, free of charge, should contact: Mary Brooks, Public Involvement Coordinator, by phone at 407-802-3210 or email at ProjectStudies@CFXway.com at least seven (7) days prior to the hearing.

For additional information, please contact Mary Brooks, Public Involvement Coordinator, or visit the study webpage at https://bit.ly/2KECX9a. You may also follow the study on Facebook at @PoincianaPkwyExt.

Sincerely,

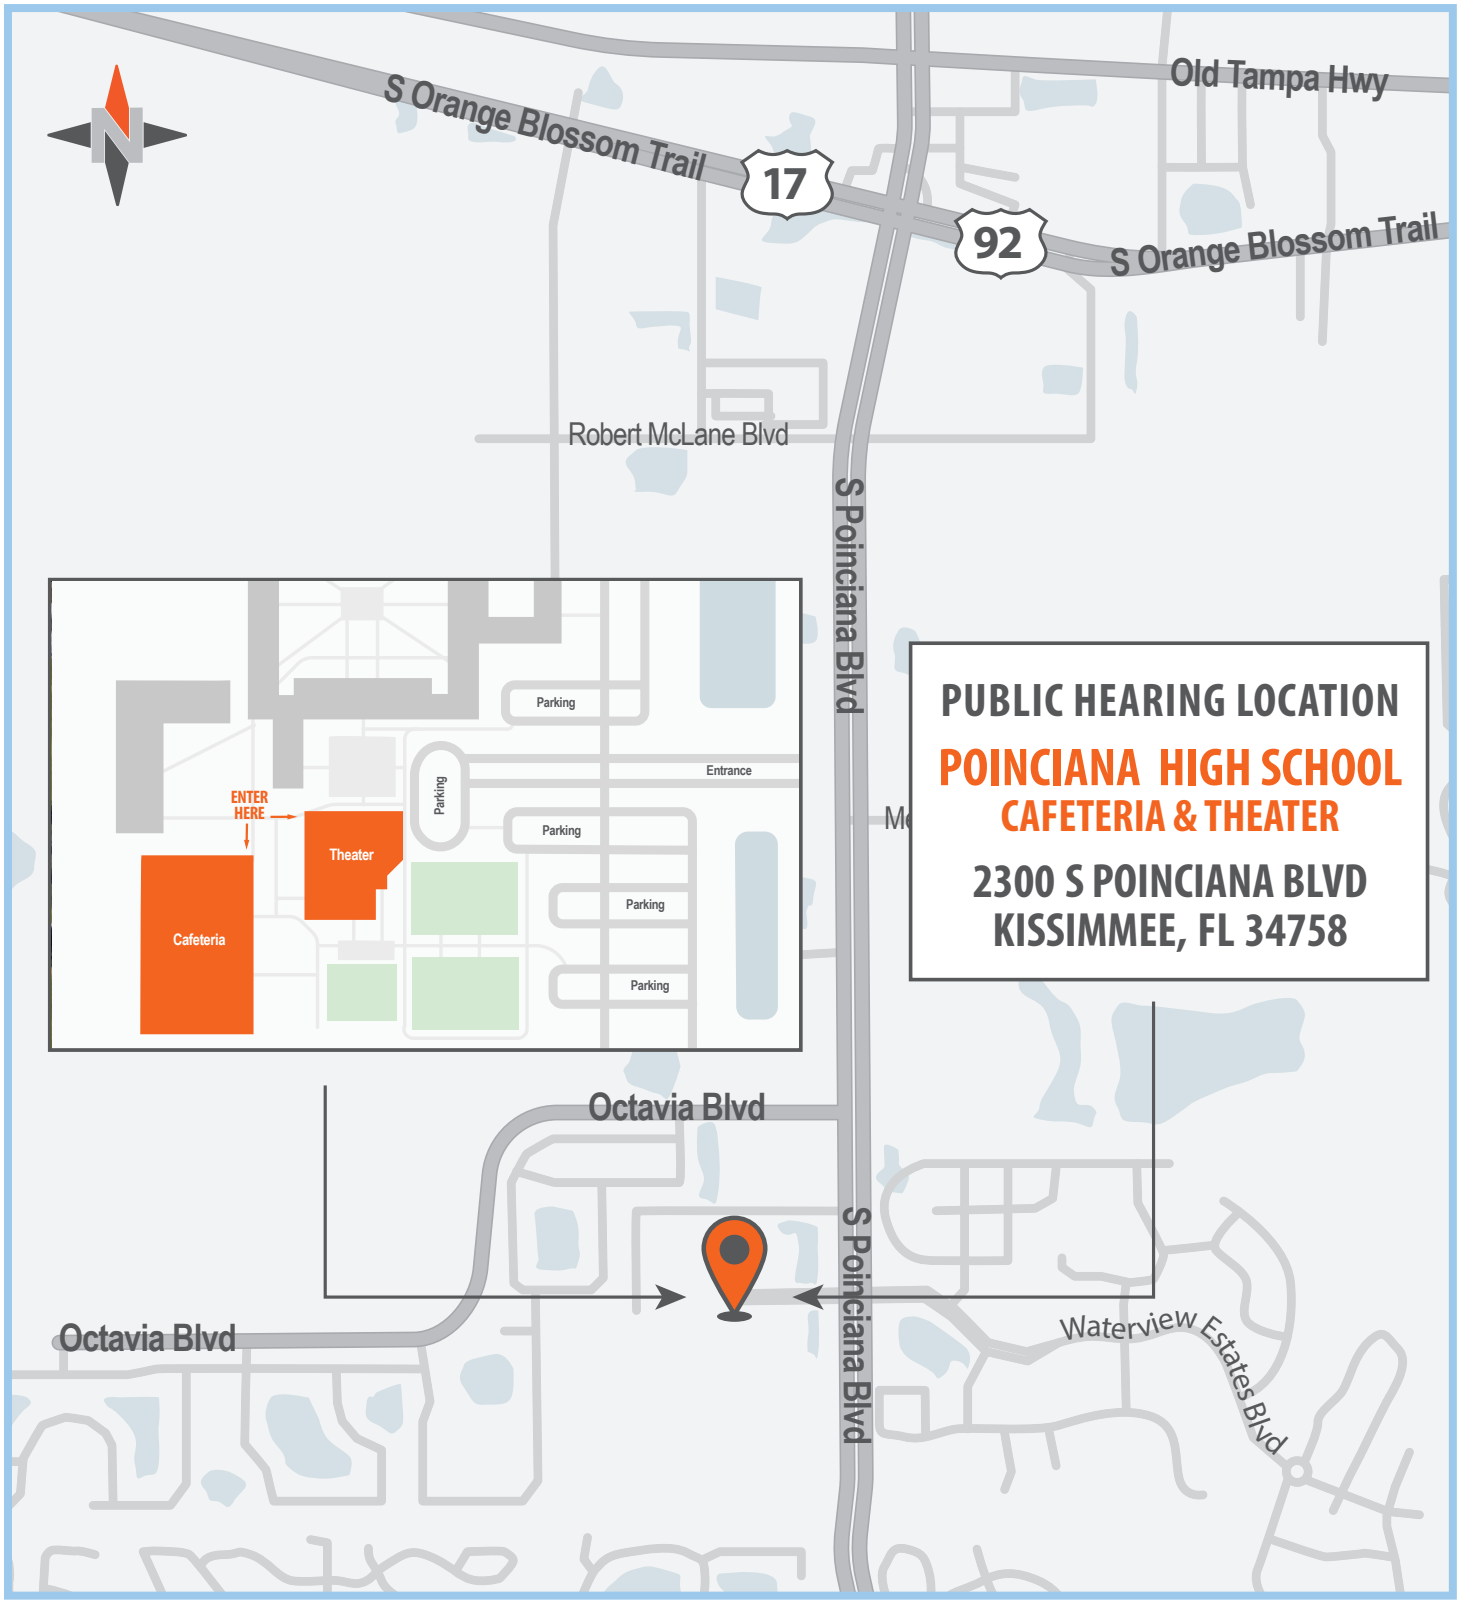

Laura Kelley
Executive Director
Central Florida Expressway Authority

PUBLIC HEARING

CENTRAL FLORIDA EXPRESSWAY AUTHORITY

Poinciana Parkway Extension
Project Development and Environment Study

CENTRAL FLORIDA EXPRESSWAY AUTHORITY

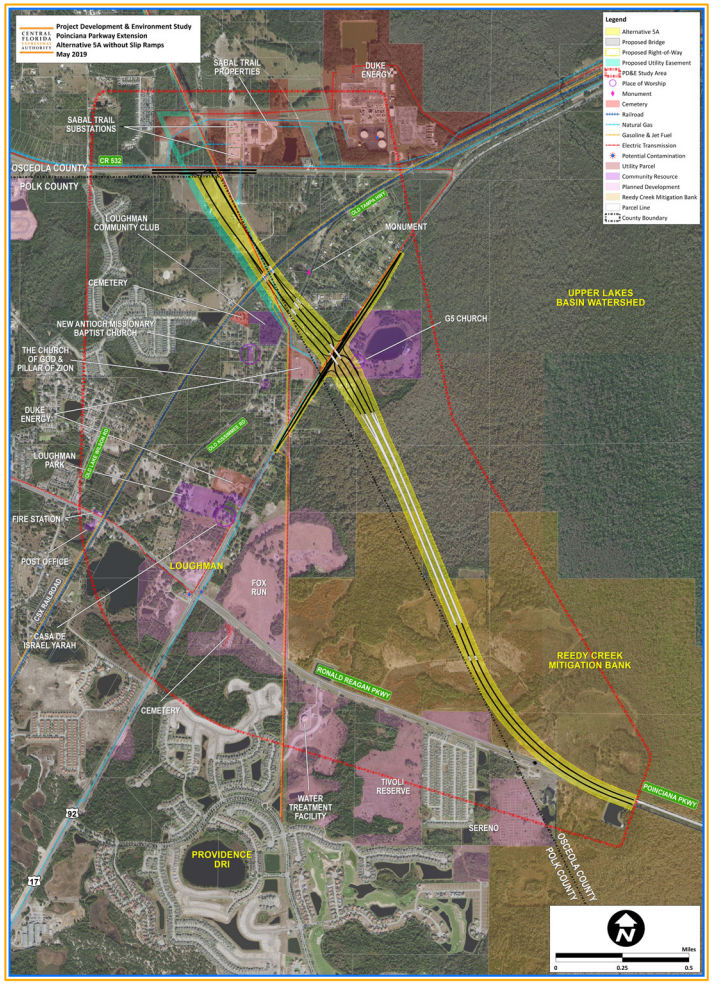

Project Development & Environment Study

POINCIANA PARKWAY EXTENSION

Summer 2019

PROJECT DESCRIPTION

The Central Florida Expressway Authority (CFX) is conducting a Project Development and Environment (PD&E) Study for the proposed Poinciana Parkway Extension. The study is looking at extending the Poinciana Parkway to County Road (CR) 532 at the Osceola County/Polk County line.

UPDATES SINCE MARCH 2019 PUBLIC MEETING

More than 160 people attended an alternatives public workshop on March 14, 2019 at Poinciana High School. Three study alternatives – Alternatives 1A, 4A and 5A – and a comparative evaluation matrix were presented for public review and comments. Following the public meeting, the study team further evaluated these alternatives.

The original Alternative 4 was intended to provide reduced impacts to the Reedy Creek Mitigation Bank compared to Alternative 5. However, due to refinements to the alignments, Alternative 4A resulted in more impacts to the Reedy Creek Mitigation Bank than 5A, and was eliminated from further consideration.

Based on input from the study's Project Advisory Group, slip ramps to and from Ronald Reagan Parkway were added to Alternative 5A. These ramps resulted in more impacts to the Reedy Creek Mitigation Bank, more impacts to residential parcels, higher project costs and lower traffic volumes.

Alternative 1A had more impacts to residential parcels, higher project costs and lower traffic volumes than Alternative 5A.

After evaluating the alternatives, the study team proposes to advance Alternative 5A without slip ramps as the preferred alternative. This alternative has the lowest social impacts, and lower natural impacts than would occur if the slip ramps are added. This alternative also has the lowest total cost and the highest traffic volume. This helps with the financial feasibility of the project since it is a tolled roadway.

PUBLIC INVOLVEMENT

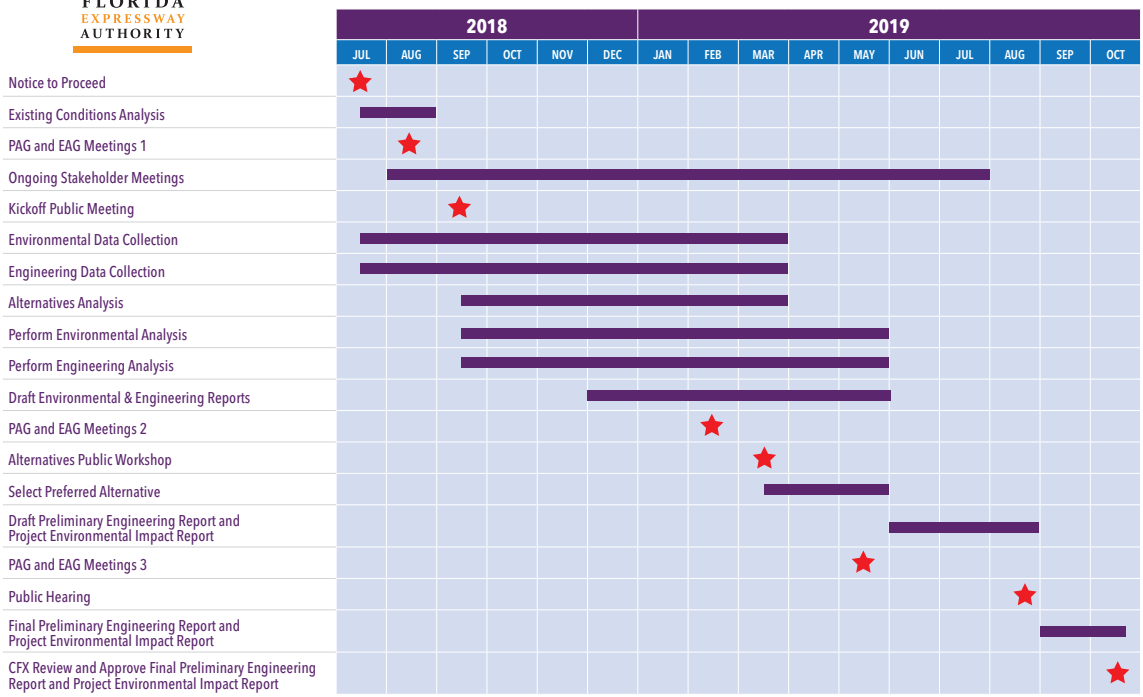

Public involvement and community engagement are a crucial component of this study. We value your input. CFX is providing multiple opportunities for participation, including a **public hearing** scheduled on **August 29, 2019** from 5:30 p.m. – 8:00 p.m. at the Poinciana High School, 2300 S. Poinciana Blvd., Kissimmee, FL 34758. Community groups can request a presentation via the CFXWay.com website or by emailing Public Involvement Coordinator Mary Brooks at ProjectStudies@CFXWay. com. You're also welcome to submit your comments via the website or project email address. And follow the study on Facebook for updates.

The PD&E study began in July 2018 and is expected to finish in fall of 2019. A graphic of key study milestones is shown here.

CENTRAL FLORIDA EXPRESSWAY AUTHORITY

Poinciana Parkway Extension PD&E Study Schedule

PROJECT GOALS

The goals of this proposed 3-mile, limited-access facility include improving the roadway connections from CR 532 to the greater Poinciana area, enhancing mobility of the area's growing population and economy, relieving congestion on local roads and promoting regional connectivity.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Para más información en español acerca del proyecto, por afavor comuníquese con Alicia Arroyo al 407-509-0231 o por correo electrónico Alicia.Arroyo@QCAusa.com.

July 30, 2019

Subject: **Public Hearing – August 29**
CFX Project Development and Environment Study
Poinciana Parkway Extension (Poinciana Parkway north end to CR 532)
CFX Project Number: 599-224

Dear Government Partner:

The Central Florida Expressway Authority (CFX) invites you to a public hearing for the Poinciana Parkway Extension Project Development and Environment (PD&E) Study. The study will determine if a limited access facility between the north end of the Poinciana Parkway to County Road 532 at the Osceola County/Polk County line is viable and fundable in accordance with CFX policies and procedures.

The overall goals of the Poinciana Parkway Extension are to provide improved connections between area roads; accommodate anticipated transportation demand; provide consistency with local and regional plans; support economic viability and job creation; support intermodal opportunities; and enhance evacuation and emergency services.

The public hearing is scheduled for **Thursday, August 29, from 5:30 p.m. to 8:00 p.m. at Poinciana High School** located at 2300 South Poinciana Boulevard, Kissimmee, FL 34758:

- 5:30 p.m. - 6:30 p.m.
  Poinciana High School cafeteria
  Open house where the public may view the exhibits, ask questions and provide comments.

- 6:30 p.m. - 8:00 p.m.
  Poinciana High School auditorium
  Formal presentation and public comment

Following the presentation, attendees who fill out a speaker's card will be given the opportunity to make an oral statement that will become part of the public hearing record. People may also submit written comments. All comments received or postmarked by September 9, 2019 will become part of the hearing record. A court reporter will be present to record a formal transcript of the hearing.

The study documents will be available for public viewing from August 8, 2019 through September 9, 2019 on the study's website at https://bit.ly/2KECX9a and at the following locations:

- Central Florida Expressway Authority
  4974 ORL Tower Road, Orlando, FL 32807
  Monday - Friday: 8 a.m. - 5 p.m.

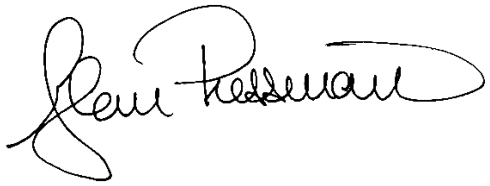

- Poinciana Library
  101 N. Doverplum Avenue, Kissimmee, FL 34758
  Monday - Thursday: 9 a.m. - 9 p.m.
  Friday and Saturday: 9 a.m. - 6 p.m.
  Sunday: 12 p.m. - 6 p.m.

- Haines City Library
  111 N. 6th Street, Haines City, FL 33844
  Monday: 10 a.m. - 7 p.m.
  Tuesday: 10 a.m. - 8 p.m.
  Wednesday and Thursday: 10 a.m. - 6 p.m.
  Friday: 10 a.m. - 5 p.m.
  Saturday: 10 a.m. - 3 p.m.
  Sunday: Closed

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons with disabilities who require special accommodations under the Americans with Disabilities Act or persons who require translation services, free of charge, should contact: Mary Brooks, Public Involvement Coordinator, by phone at 407-802-3210 or email at ProjectStudies@CFXway.com at least seven (7) days prior to the hearing.

For additional information, please contact Mary Brooks, Public Involvement Coordinator, or visit the study webpage at https://bit.ly/2KECX9a. You may also follow the study on Facebook at @PoincianaPkwyExt.

Sincerely,

Glenn Pressimone
Chief of Infrastructure
Central Florida Expressway Authority

POINCIANA PARKWAY EXTENSION

Summer 2019

PROJECT DESCRIPTION

The Central Florida Expressway Authority (CFX) is conducting a Project Development and Environment (PD&E) Study for the proposed Poinciana Parkway Extension. The study is looking at extending the Poinciana Parkway to County Road (CR) 532 at the Osceola County/Polk County line.

UPDATES SINCE MARCH 2019 PUBLIC MEETING

More than 160 people attended an alternatives public workshop on March 14, 2019 at Poinciana High School. Three study alternatives – Alternatives 1A, 4A and 5A – and a comparative evaluation matrix were presented for public review and comments. Following the public meeting, the study team further evaluated these alternatives.

The original Alternative 4 was intended to provide reduced impacts to the Reedy Creek Mitigation Bank compared to Alternative 5. However, due to refinements to the alignments, Alternative 4A resulted in more impacts to the Reedy Creek Mitigation Bank than 5A, and was eliminated from further consideration.

Based on input from the study's Project Advisory Group, slip ramps to and from Ronald Reagan Parkway were added to Alternative 5A. These ramps resulted in more impacts to the Reedy Creek Mitigation Bank, more impacts to residential parcels, higher project costs and lower traffic volumes.

Alternative 1A had more impacts to residential parcels, higher project costs and lower traffic volumes than Alternative 5A.

After evaluating the alternatives, the study team proposes to advance Alternative 5A without slip ramps as the preferred alternative. This alternative has the lowest social impacts, and lower natural impacts than would occur if the slip ramps are added. This alternative also has the lowest total cost and the highest traffic volume. This helps with the financial feasibility of the project since it is a tolled roadway.

PUBLIC INVOLVEMENT

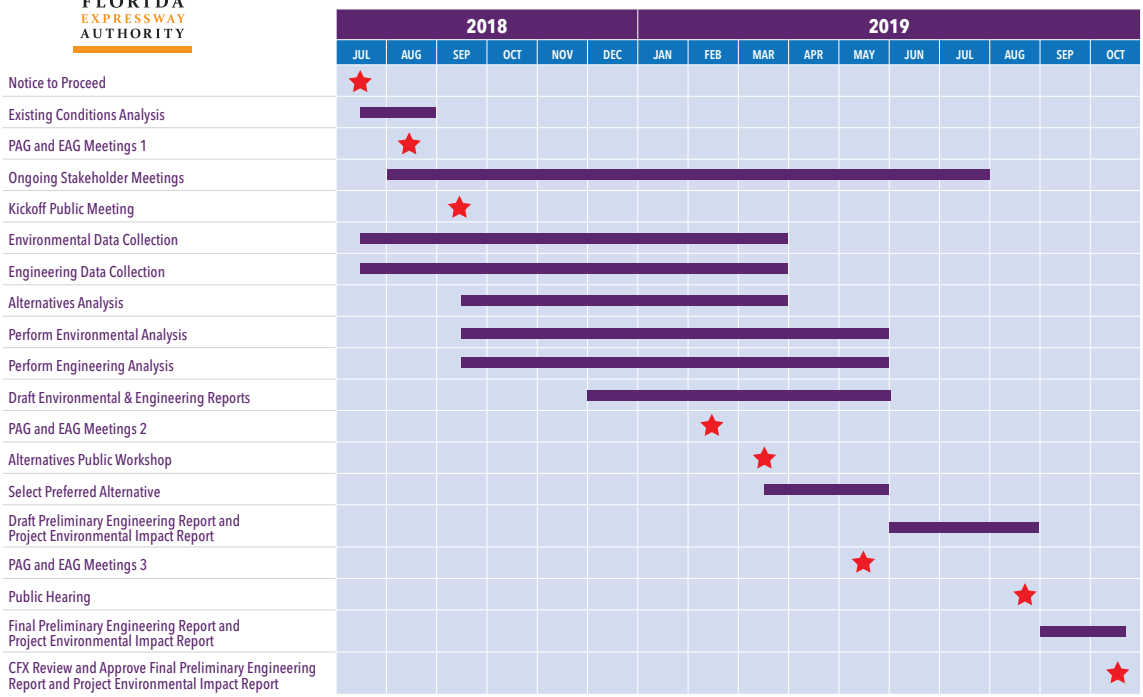

Public involvement and community engagement are a crucial component of this study. We value your input. CFX is providing multiple opportunities for participation, including a **public hearing** scheduled on **August 29, 2019** from 5:30 p.m. – 8:00 p.m. at the Poinciana High School, 2300 S. Subject: **Public Hearing – August 29**
CFX Project Development and Environment Study
Poinciana Parkway Extension (Poinciana Parkway north end to CR 532)
CFX Project Number: 599-224

Dear Property Owner/Stakeholder:

The Central Florida Expressway Authority (CFX) invites you to a public hearing for the Poinciana Parkway Extension Project Development and Environment (PD&E) Study. The study will determine if a limited access facility between the north end of the Poinciana Parkway to County Road 532 at the Osceola County/Polk County line is viable and fundable in accordance with CFX policies and procedures.

The overall goals of the Poinciana Parkway Extension are to provide improved connections between area roads; accommodate anticipated transportation demand; provide consistency with local and regional plans; support economic viability and job creation; support intermodal opportunities; and enhance evacuation and emergency services.

The public hearing is scheduled for **Thursday, August 29, from 5:30 p.m. to 8:00 p.m. at Poinciana High School** located at 2300 South Poinciana Boulevard, Kissimmee, FL 34758:

- 5:30 p.m. - 6:30 p.m.
  Poinciana High School cafeteria
  Open house where the public may view the exhibits, ask questions and provide comments.

- 6:30 p.m. - 8:00 p.m.
  Poinciana High School auditorium
  Formal presentation and public comment

Following the presentation, attendees who fill out a speaker's card will be given the opportunity to make an oral statement that will become part of the public hearing record. People may also submit written comments. All comments received or postmarked by September 9, 2019 will become part of the hearing record. A court reporter will be present to record a formal transcript of the hearing.

The study documents will be available for public viewing from August 8, 2019 through September 9, 2019 on the study's website at https://bit.ly/2KECX9a and at the following locations:

- Central Florida Expressway Authority
  4974 ORL Tower Road, Orlando, FL 32807
  Monday - Friday: 8 a.m. - 5 p.m.

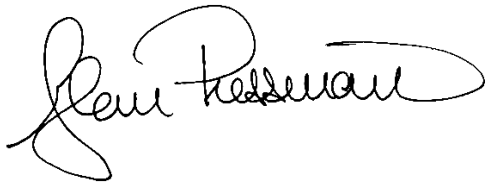

- Poinciana Library
  101 N. Doverplum Avenue, Kissimmee, FL 34758
  Monday - Thursday: 9 a.m. - 9 p.m.
  Friday and Saturday: 9 a.m. - 6 p.m.
  Sunday: 12 p.m. - 6 p.m.

- Haines City Library
  111 N. 6th Street, Haines City, FL 33844
  Monday: 10 a.m. - 7 p.m.
  Tuesday: 10 a.m. - 8 p.m.
  Wednesday and Thursday: 10 a.m. - 6 p.m.
  Friday: 10 a.m. - 5 p.m.
  Saturday: 10 a.m. - 3 p.m.
  Sunday: Closed

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons with disabilities who require special accommodations under the Americans with Disabilities Act or persons who require translation services, free of charge, should contact: Mary Brooks, Public Involvement Coordinator, by phone at 407-802-3210 or email at ProjectStudies@CFXway.com at least seven (7) days prior to the hearing.

For additional information, please contact Mary Brooks, Public Involvement Coordinator, or visit the study webpage at https://bit.ly/2KECX9a. You may also follow the study on Facebook at @PoincianaPkwyExt.

Sincerely,

Glenn Pressimone
Chief of Infrastructure
Central Florida Expressway Authority
