E. REPORTS

1. CHAIRMAN'S REPORT

- Chairman Cadwell congratulated Commissioner Carey on receiving the Orlando Business Journal's Publisher Award.
- At the Chairman's request, Commissioner Carey reported that the Florida Turnpike Enterprise has suspended the SR 417 Express Lanes Project in Seminole County.

2. TREASURER'S REPORT

Commissioner Carey reported that toll revenues for February were \$31,255,250 which is 14% above projections and 14% above prior year. CFX's total revenues were \$34 million for the month.

Total OM&A expenses were \$5.2 million for the month and \$37.4 million year-to-date, which is 12% under budget.

After debt service the total net revenue available for projects was \$17 million for February and \$126.8 million year-to-date.

3. EXECUTIVE DIRECTOR'S REPORT

- Laura Kelley provided the Executive Director's Report in written form (Exhibit "B").
- At Ms. Kelley's request, CFO Lisa Lumbard reported on the refunding of the 2007A Bonds. Standard & Poor's has upgraded our credit rating outlook from "stable" to "positive." On March 29 we sold the bonds via competitive sale. The winning bidder was Bank of America/Merrill Lynch will an all-in true interest cost of 3.306%. Our goal was to realize a 3% net present value savings. We actually realized a 17.5% net present value savings, which translates into approximately \$27.2 million of net present value savings over the life of the bonds.
- Ms. Kelley gave the Board an update on the express lanes that the Turnpike is building on SR 528 (Beachline Expressway).
- As requested by FDOT, we have just completed installing the SunPass logo on our signs throughout the system.

- We continue to pursue the buy/swap of portions of the SR 417 and SR 429. Ms. Kelley is speaking weekly with the Division of Bond Finance to talk about the valuation methodology.
 We hope to bring this analysis to a conclusion this month.
- Chairman Cadwell mentioned the Lyman High School engineering student classroom session.
 He encouraged CFX to pursue opportunities for similar student programs in other schools.

F. REGULAR AGENDA ITEMS

1. CENTRALIZED CUSTOMER SERVICE SYSTEM (CCSS)

Executive Director Laura Kelley reported that at the beginning of April we received a letter from Secretary Boxold giving CFX a deadline of April 30 to sign the Master Agreement. Miami-Dade Expressway and Tampa-Hillsborough Expressway Authority have signed the Master Agreement.

Ms. Kelley explained that the Turnpike Enterprise wholly owns the CCSS back office, however, the participating agencies are being asked to contribute significant capital costs without ownership. The estimation of CFX costs is \$10 to \$15 million. In addition, the participating agencies are being asked to work through a Turnpike representative and, therefore, are not working directly with the vendor, Xerox.

Because of those reasons, and the fact that we have a Memorandum of Understanding signed by all the agencies that gives us more rights than the proposed Master Agreement provides, Ms. Kelley recommends that we have a wait-and-see approach in order to pursue the possibility of future opportunities to negotiate a more interactive relationship for a CCSS back office. Ms. Kelley explained that we still have active interoperability agreements with these agencies, so waiting will not stop the pursuit of statewide and potential nationwide interoperability.

The Board members made comments and asked questions, which were answered by staff.

A motion was made by Commissioner Boyd and seconded by Mayor Dyer to authorize the Executive Director to contact Florida's Turnpike Enterprise to inform them that CFX will not be participating in the Centralized Customer Service System. The motion carried with eight (8) members present and voting AYE by voice vote; Mayor Jacobs was not in attendance.

2. OVERVIEW AND HISTORY OF EXPRESSWAY PROJECTS

Chief of Infrastructure Joseph Berenis gave an overview and history of expressway projects, including SR 528, SR 408, SR 417, SR 429, SR 414 and the Wekiva Parkway.

(This item was presented for information only. No Board action was taken.)

3. ACCEPTANCE OF 2016 POTENTIAL CONFLICT DISCLOSURE FORM AND DISCUSSION REGARDING LOBBYIST REGISTRATION

General Counsel Joseph Passiatore reported that legal staff has revised the 2016 Potential Conflict Disclosure Form (Exhibit "C") to comply with the Ethics Compliance Audit that was conducted last year. Among the changes to the form are sign-off boxes for ethics training. Also included are instructions for consultants and promulgated desktop procedures as recommended in the audit.

In addition, the audit recommended that the Board determine whether the current definition of "lobbyist" should be revised to better address the objectives of CFX's enabling statute. Mr. Passiatore explained three options available to the Board:

- Continue to use the lobbyist lists maintained by the City of Orlando, Lake and Orange County. Legal staff recommends this option.
- 2. Utilize the lists of State of Florida registered lobbyists.
- 3. Have CFX create its own list via a registration policy.

A motion was made by Commissioner Boyd and seconded by Commissioner Carey to accept the 2016 Potential Conflict Disclosure Form as presented. The motion carried with seven (7) members present and voting AYE by voice vote; Mayor Jacobs was not in attendance; Mayor Dyer was not present for the vote.

By consensus, the Board directed staff to continue to utilize the lobbying lists provided by the City of Orlando, Lake and Orange County.

4. APPROVAL OF AMENDMENTS TO CFX COMMITTEE CHARTERS PROVIDING THAT EACH GOVERNOR APPOINTED MEMBER MAY NOMINATE A CITIZEN REPRESENTATIVE TO THE AUDIT, FINANCE, OPERATIONS AND RIGHT OF WAY COMMITTEES AND APPROVAL OF NOMINATIONS AND BOARD CONFIRMATION OF APPOINTMENTS TO THE AUDIT, FINANCE, OPERATIONS AND RIGHT OF WAY COMMITTEES

As requested at last month's meeting, General Counsel Joseph Passiatore presented amended Charters for the Audit, Finance, Operations and Right of Way Committees (Exhibit "D"). The changes allow each gubernatorial Board appointee to nominate a citizen representative to each of the committees.

A motion was made by Commissioner Hawkins and seconded by Mr. Madara to approve the amendments to the Audit, Finance, Operations and Right of Way Committee Charters as presented. The motion carried with seven (7) members present and voting AYE by voice vote; Mayor Jacobs was not in attendance; Commissioner Carey was not present for the vote.

The following nominations were made by the gubernatorial Board appointees:

Finance Committee

Jason Bates - nominee submitted by Jay Madara

Operations Committee

Mark Meyer - nominee submitted by Jay Madara Rob Panepinto - nominee submitted by Andria Herr

Right of Way Committee

A motion was made by Commissioner Hawkins and seconded by Ms. Herr to approve the nominations and appointments to the CFX committees as presented. The motion carried with eight (8) members present and voting AYE by voice vote; Mayor Jacobs was not in attendance.

5. ADOPTION OF STRATEGIC PLAN/VISIBILITY AND CUSTOMER OUTREACH PLAN

Chief of Staff/Public Affairs Officer Michelle Maikisch presented a Three-Year Strategic Plan resulting from the Vision, Mission and Core Values that were adopted by the Board in September 2015.

Ms. Maikisch talked about proposed strategies and tools used to build a customer-driven organization.

Proposed discount programs:

Current Discount Program	Volume Discount	Beltway Discount	Total Discount
20-39 CFX Beltway Tolls		5%	5%

The motion carried with eight (8) members present and voting AYE by voice vote; Mayor Jacobs was not in attendance.

6. PRESENTATION OF DRAFT FY 2017 OPERATIONS, MAINTENANCE & ADMINISTRATION BUDGET AND DRAFT FY 2017 - FY 2021 WORK PLAN

Director of Engineering Glenn Pressimone presented the Draft FY 2017 – FY 2021 Work Plan, which totals 1.3 Billion. He listed the major projects in the FY 2017 Work Plan. The Work Plan is fully fundable. It will require additional debt of approximately \$627 million. The debt coverage ratios meet our 1.60 planning target.

CFO Lisa Lumbard presented the Draft FY 2017 Operations, Maintenance & Administration Budget:

	FY 2016 Budget	FY 2017 Budget	Change	%
Operations Budget	\$44,464,857	\$53,392,557	\$8,927,699	20.1%
Maintenance Budget	\$16,436,083	\$17,131,201	\$695,118	4.2%
Administration Budget	\$6,641,121	\$7,636,620	\$995,499	15.0%

The Board members were asked to review the proposed budget and work plan over the next month and submit their comments to CFX staff. The final budget and final work plan will be presented for approval at the May Board meeting.

The Board members provided verbal comments regarding the draft budget.

(This item was presented for information only. No Board action was taken.)

7. INTERLOCAL AGREEMENT WITH OSCEOLA COUNTY

Executive Director Laura Kelley reported that the CFX enabling legislation provides that Osceola County's projects transfer to CFX after year 2018. As our engineers looked at this process, they came to her with concerns that waiting two years could delay project development. We began discussions with Osceola County officials, as well as Commissioner Hawkins, to look at concept feasibility studies of Osceola County's Master Plan. We hope to be able to bring back an Interlocal agreement to present for the Board's consideration at the May Board meeting.

Commissioner Hawkins reported that the Osceola County Commission last week approved the draft term sheet by a 5 – 0 vote.

By consensus, Ms. Kelley was directed to continue negotiations with Osceola County with a goal of bringing an Interlocal agreement for CFX's consideration at the May Board meeting.

8. <u>APPROVAL OF CONTRACT AWARD TO THE LANE CONSTRUCTION CORPORATION</u> FOR S.R. 528/INNOVATION WAY INTERCHANGE; PROJECT NO. 528-313

Director of Construction Ben Dreiling gave an update on the construction at the SR 528/Innovation Way Interchange (Project 528-313). He requested Board approval to award Project 528-313 to The Lane Construction Corporation in the amount of \$62,452,032.01.

A motion was made by Commissioner Boyd and seconded by Commissioner Hawkins to award Project 528-313 to The Lane Construction Corporation in the amount of \$62,452,032.01. The motion carried with eight (8) members present and voting AYE by voice vote; Mayor Jacobs was not in attendance.

G. BOARD MEMBER COMMENT

- 1. Chairman Cadwell mentioned that we are contemplating canceling the June Board meeting, due to Board member conflicts.
- 2. As Chairman of Metroplan Orlando, Commissioner Boyd asked if there is anything that he should take back to Metroplan regarding the suspension of the SR 417 express lanes project in Seminole County and the future direction of SR 417. Commissioner Carey suggested that agencies involved in transportation write a letter of support to the Governor to keep the momentum going.
- 3. Commissioner Boyd thanked CFX staff for helping him in the town hall meeting.

Contingency (Allowance) The parties recognize that: final construction project durations have not been firmly established and therefore have included a contingency to be expended at the sole discretion and prior authorization of CFX

2.2 DETAILS OF COMPENSATION

LUMP SUM AMOUNTS

Project Expenses (Lump Sum)

The CONSULTANT will receive monthly progress payments as follows: Month 1 @ \$10,999.42, Months 2-23 will be paid in equal installments of \$1,999.90 per month. Unless otherwise agreed upon by CFX, project expenses will be paid beginning on the 1^{st} month the Consultant's field office for this project is established and operational.

Operating Margin (Lump Sum)

The CONSULTANT will receive progress payments based on a percentage determined from the ratio of "salary costs to date" divided by the corresponding "salary costs (limiting amount)". Any unbilled lump sum amount, provided project is completed to the satisfaction of CFX, will be made on final billing.

LIMITING AMOUNT ELEMENTS

For the following elements which are established as limiting amounts, CFX will compensate the CONSULTANT for all reasonable, allocable and allowable costs incurred in the categories defined below. The reasonableness, allocability and allowability of compensation sought under this Agreement are expressly made subject to the terms of this Agreement; Federal Acquisition Regulations: Office of Management and Budget Circulars A-21, A-87, A-102, A-110; and any pertinent Federal and State law.

Salary Related Costs (Limiting Amount)

Subject to the established limiting amounts, the CONSULTANT will receive progress payments for direct salaries and wages for actual time expended by personnel in the performance of authorized work during the billing period at their actual salary rates or such lower rate as determined in the detail of cost and fees, or as limited by CFX.

Direct salaries and wages include both straight time payments and all overtime payments made to an employee based on a forty-hour (40) work week. CFX requires that project hours worked by the Resident Engineer, Project Engineer, and Engineer of Administrative Services (Contract Support Specialist and Contract Administrator) be worked during normal business hours, i.e., between 7:00 am and 6:00 pm Monday through Friday. CFX shall not pay CONSULTANT for hours worked by these employees outside of normal business hours unless either: (1) documented project conditions made such work outside of normal business hours necessary; or, (2) said CONSULTANT employees obtained prior written permission from CFX to work outside of normal business hours.

Overtime costs will be divided into straight overtime and premium overtime costs. Straight overtime cost is the portion of overtime compensation paid to an employee at the regular hourly rate. Premium overtime cost is the portion of overtime compensation paid in excess of the regular hourly rate. Straight overtime and premium overtime may be authorized for Senior Inspectors, Inspectors and Inspector's Aides only; as well as field engineers (PDA), and technicians.

Administrative overhead and fringe benefit costs will be applied to approved straight time salary and wage costs as shown in **Exhibit "C."** Straight time is the amount paid an employee excluding any premium overtime costs.

Sub-consultant Inspection, Engineering, Material Testing, and Environmental Services (Limiting Amount)

Subject to the established limiting amount, the CONSULTANT will be compensated for these services based upon the billing rates as provided in **Exhibit "C**.

ALLOWANCE AMOUNT ELEMENTS

Contingency (Allowance Amount)

Subject to prior task approval from CFX and the established allowance amount, the CONSULTANT will be compensated for these services based upon rates agreed to prior to the performance of the task.

3.0 INVOICING PROCEDURE

The CONSULTANT will be eligible for progress payments under this Contract at intervals not less than monthly.

Invoices for this agreement will be prepared by the CONSULTANT in the form and quantity acceptable to CFX. The CONSULTANT will maintain for this purpose a job cost accounting system that is acceptable to CFX. If required by CFX, the final invoice for this agreement will be accompanied by a certified job cost summary report generated by the accounting system.

4.0 RATE ESCALATION PROVISION

The Contract contains one (1) rate escalation provision at 3% commencing January 1, 2017 (see Exhibit C, Details of Costs and Fees for itemization). Unless otherwise agreed to by CFX, the established billable rates of compensation shall remain in force throughout the term of the Contract. However, CFX will review pertinent published relevant cost / price indexes and market conditions in December of each year to determine if an increase is appropriate. Likewise, if it is apparent that a given negotiated rate is not serving the intended purpose, renegotiations of that rate may occur if both parties agree to do so.

MEMORANDUM

TO:

CFX Board Members

FROM:

Robert Johnson

Manager of Procurement

DATE:

March 29, 2016

SUBJECT:

Approval of Utility Adjustment Agreement in Support of

S.R. 528 / Innovation Way Interchange; Project 528-313, Contract No. 001022

HH.

Contract No. 001199

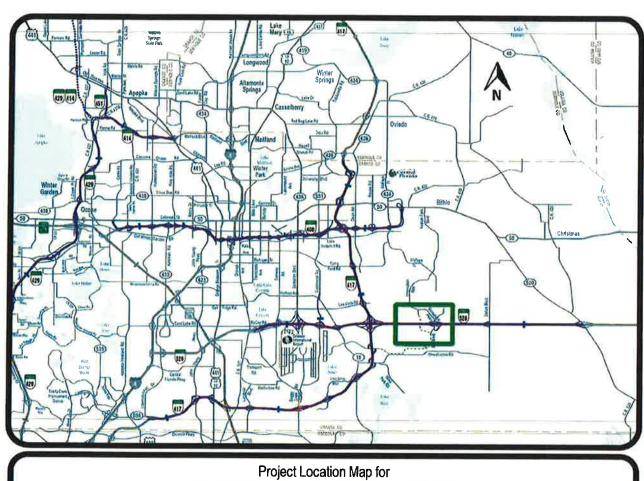

Board approval is requested for CFX to enter into a Utility Adjustment Agreement with Orange County as part of the S.R. 528 / Innovation Way Interchange construction project. This agreement provides for reimbursement to CFX from Orange County related to utility work to be constructed by the CFX contractor on behalf of Orange County.

In June of 2014, CFX, Orange County and Suburban Land Reserve (SLR) entered into the Amended and Restated 2006 Innovation Way /Beachline Interchange Agreement. As a part of that agreement, it was understood that it was Orange County's desire for the CFX contractor of the S.R. 528 / Innovation Way Interchange project to also construct certain utilities on behalf of Orange County. Such utility work by the CFX contractor would be reimbursable to CFX from Orange County.

- WHEREAS, the Parties desire to formalize the terms and conditions whereby the Parties shall coordinate the construction of the Utilities Project by CFX, at the COUNTY'S expense.
- **NOW, THEREFORE,** in consideration of the recitals, agreements and mutual covenants contained herein, and other good and valuable consideration, of which the Parties acknowledge the receipt and sufficiency, CFX and the COUNTY hereby, agree as follows:

- 1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference.
- 2. <u>Bidding and Selection of Construction Contractor.</u> CFX is in the process of competitively bidding the construction of the Project with the inclusion of the Utilities Project. Bidders will be financially responsible and able to furnish payment and performance bonds. The bids will provide a separate itemized cost for the Utilities Project based on the separate "breakout" schedule prepared by the COUNTY.

CFX will award the contract to the successful low bidder and will provide copies of the construction contractor's bid to the COUNTY. The COUNTY will review and approve the bid with respect to the Utilities Project. If the COUNTY decides not to approve the bid, then the Utilities Project will be removed from the construction of the Project and this Agreement will be terminated, and neither Party shall have any further obligation or liability to the other Party as a consequence of the termination of this Agreement.

3. The Utilities Project

- a. Construction of the Facilities within CFX Right-of-Way (ROW). The COUNTY desires to install approximately five thousand linear feet of twenty-four-inch ductile iron reclaimed water main in the Innovation Way right-of-way and portions of CFX right-of-way between stations 506+38 and 550+22, 51 RT on Innovation Way as depicted in the Plans, at the COUNTY's expense.
- b. County Costs. An engineer's estimate of the Utility Project costs total \$1,974,518 as more specifically set forth in Exhibit "B," attached hereto and incorporated herein by this reference (the "Utility Cost Estimate"). The COUNTY shall be responsible for the actual construction costs plus two percent (2%) of the actual construction costs for Construction, Engineering and Inspection ("CEI") services related to the Utilities Project. The Parties acknowledge and agree that Exhibit "B" is an estimate of Utilities Project costs and the COUNTY shall reimburse CFX for actual construction costs, which is estimated at a not-to-exceed amount of \$1,974,518, plus a maximum of \$39,490 for CEI costs (combined maximum not-to-exceed amount of \$2,014,008). In the event that the actual reimbursable costs exceed the Utility Cost Estimate plus the CEI costs, CFX shall provide COUNTY with notice and COUNTY shall have the option of terminating this Agreement or pursuing approval for additional funds in excess of the maximum not-to-exceed amount.
- 4. <u>Utilities Project Construction Items</u>. The following shall also apply in the performance of the Utilities Project:
 - a. In the event that the Plans are required to be revised in any way, the Parties shall cooperate in good faith to expedite the review and such necessary revisions to ensure that: (i) the location, construction and operation of the Facilities are harmonized with the Project plans and design and construction of the Project in accordance with all applicable laws; (ii) the work schedule is synchronized with

the construction schedule for the Project; (iii) the construction of the Project and the Utilities Project are accomplished in an expedient and cost-effective manner so as to limit, to the extent reasonably practical, costs of land acquisition, design and construction and to minimize impacts to the Project, the Facilities, and adjacent landowners.

- b. CFX, at the COUNTY'S expense, shall obtain all such permits and approvals necessary for the Utilities Project.
- c. The COUNTY's Facilities shall be available for use by the COUNTY upon completion of construction and acceptance by the COUNTY of the Utilities Project.

- e. CFX shall cause the contractor(s) to commence and diligently perform the Utilities Project to completion in accordance with the Plans, the Utilities Plans, CFX standards, and CFX's work schedule; provided, however, in the event that completion of the Utilities Project is delayed by events of force majeure (as defined below) or for other reasons, the completion date shall be extended one day for each day of delay caused by such events. The Parties shall cooperate to harmonize construction of the Facilities with the construction or proposed construction of the Project improvements.
- f. Subject to terms and conditions of this Agreement, CFX or its contractor shall construct certain Facilities that will lie partly or totally within or across the proposed Project right-of-way. To the extent that any Facilities are located in portions of property or rights-of-way owned by CFX, CFX will grant the COUNTY a right to access its Facilities for inspection, maintenance and repair, upon submittal and approval of CFX's Application for Right of Entry. In the event a future CFX project requires COUNTY to relocate the Facilities, COUNTY shall be obligated to move, remove, or relocate its Facilities at its sole cost and expense and COUNTY's right of access shall be terminated.
- g. Within sixty days after the completion of the Project, CFX shall provide COUNTY with as-builts and certifications from a project engineer duly licensed in the State of Florida that the installation and encasement of the Facilities has been completed in accordance with the Plans, and all applicable permits and laws.
- h. As soon as possible after the completion of the Utilities Project, CFX shall provide the COUNTY with a detailed final statement of all costs and expenses incurred by CFX in connection with the construction and CEI for the Utilities

Project (the "Cost Statement"), together with all supporting documentation of such costs and expenditures. The Cost Statement and supporting records provided by CFX shall be in auditable form in accordance with generally accepted accounting principles. Within sixty days after receipt of the Cost Statement and supporting documentation, the COUNTY shall reimburse CFX for all such costs and expenses actually incurred for the COUNTY'S portion of the Utilities Project (subject to any adjustment if the COUNTY'S audit shows that such cost statement exceeds costs actually incurred or such costs are not reimbursable under the terms of this Agreement). The COUNTY shall make payment for the costs associated with the Utilities Project by issuing a check made payable to CFX, in the amount so expended by CFX, all in accordance with the foregoing. COUNTY object to a reimbursement amount requested by CFX, the COUNTY shall pay the undisputed portion of the amount as set forth above, and the COUNTY shall submit its objections of the disputed portion in writing to CFX within fifteen business days of receipt of the written reimbursement request from CFX. The Parties shall meet in an attempt to resolve disputes with a goal to resolve them within twenty business days of CFX's receipt of the COUNTY's written objections.

 - b. The COUNTY shall be specifically included as an additional insured under said policies, and said insurance shall include a provision that 30-day notice of cancellation of the coverage shall be provided to CFX and the COUNTY. Renewals of certificates of insurance shall be produced by CFX or its Contractor upon request.

- c. The COUNTY reserves the right to request, and CFX or its Contractor shall produce within fifteen days, proof of the existence of such insurance coverage and certificates verifying the amount and terms of such insurance coverage.
- Maintenance. Upon completion and acceptance of the Project, CFX will have a one-year warranty from the Contractor. CFX shall have no responsibility for the maintenance, operations or repairs of the Facilities upon completion and acceptance of the Project. Neither the COUNTY, nor any employee, contractor nor agent thereof, shall cause any damage to improvements within the Utilities Project, or take any actions that would weaken, diminish or impair the lateral or subjacent support to the Project, or its appurtenant improvements. Without limiting the foregoing, the COUNTY shall be responsible for maintaining, at no cost to CFX, all permits, authorizations and approvals of applicable regulatory agencies necessary for continued operation, use, maintenance and repair of the Facilities.

DATE:

SUBJECT:

Approval of Supplemental No. 1 to the Third Contract Renewal with Atkins

North America, Inc., to Extend the Renewal Period and Increase in Renewal

Amount for General Engineering Consultant Services

Contract No. 000820

Board approval is requested to extend the term of the referenced Contract renewal with Atkins North America, Inc., to November 15, 2016, with an increase in the Contract renewal amount of \$3,136,500.00. The current Contract renewal expires on May 15, 2016.

On November 1, 2015, a Notice to Professional Engineering Consultants ran in the Orlando Sentinel requesting letters of interest from firms interested in serving as the CFX General Engineering Consultant (GEC). The due date for submittal of the letters was November 23, 2015. On November 20, 2015, CFX posted a Notice to Consultants advising that letters would not be accepted on November 23 as had been advertised. This decision by staff was based on feedback to our Procurement Department from multiple sources that indicated only one or two submittals would be received. It was decided to delay the process rather than restart it and take the opportunity to generate more interest in the consultant community.

We anticipate re-advertising for the GEC services in July of this year with Board award of a contract at the September Board meeting. The new contract will have an effective date of November 16, 2016. As a result, it will be necessary to extend the current renewal with Atkins and increase the Contract renewal amount to avoid a gap in GEC services

11.20 Should the AUTHORITY require termination of the Agreement for reasons other than unsatisfactory performance of the GEC, the AUTHORITY shall notify the GEC in citing of such termination, not less than seven (7) calendar days as to the effective date of termination or specify the stage of work at which the Agreement is to be terminated.

Adjustments of compensation and the term of the Agreement, because of any major changes in the work that may become necessary or desirable as the work progresses, shall be left to the discretion of the Project Manager and supplemental agreement(s) of such a nature as required may be entered into by the parties in accordance herewith.

13.00 All words used herein in the singular form shall extend to and include the plural. All words used in the plural form shall extend to and include the singular. All words used in any gender shall extend to and include both genders.

14.00 The GEC shall indemnify and hold harmless the AUTHORITY, and its officers and employees, from liabilities, damages, losses, and costs, including, but not limited to, reasonable

attorneys' fees, to the extent caused by negligence, recklessness, or intentionally wrongful conduct of the GEC and other persons employed or utilized by the GEC in the performance of the Agreement.

15.00 The GEC warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the GEC to solicit or secure this Agreement, and that it has not paid or agreed to pay any person, company, corporation, individual or firm any fee, commission, percentage, gift or any other consideration, contingent upon or resulting from the award or making of this Agreement. It is understood and agreed that the term "fee" shall also include brokerage fee, however denoted.

15.10 For the breach or violation of Paragraph 15.00, the AUTHORITY shall have the right to terminate this Agreement without liability, and, at its discretion, to deduct from the Agreement amount, or otherwise recover, the full amount of such fee, commission percentage, gift or consideration.

16.00 The GEC, at its own expense, shall keep in force and at all times maintain during the term of this Agreement all insurance of the types and to the limits specified herein.

The GEC shall require and ensure that each of its subconsultants providing services hereunder procures and maintains, until the completion of the services, insurance of the

requirements, types and to the limits specified herein. Upon request from the AUTHORITY, the GEC shall furnish copies of certificates of insurance evidencing coverage of each sub-consultant.

The GEC shall require all insurance policies in any way related to the work and secured and maintained by the GEC to include clauses stating each underwriter shall waive all rights of recovery, under subrogation or otherwise, against the AUTHORITY. The GEC shall require of subconsultants, by appropriate written agreements, similar waivers each in favor of all parties enumerated in this section. When required by the insurer, or should a policy condition not permit an endorsement, the GEC agrees to notify the insurer and request that the policy(ies) be endorsed with a Waiver of Transfer of Rights of Recovery Against Others, or an equivalent endorsement. This Waiver of Subrogation requirement shall not apply to any policy, which includes a condition that specifically prohibits such an endorsement or voids coverage should the GEC enter into such an agreement on a pre-loss basis. At the GEC's expense, all limits must be maintained.

16.10 Commercial General Liability:

Commercial General Liability insurance shall be on an occurrence form policy for all operations including, but not limited to, Contractual, Products and Completed Operations, and Personal Injury. The limits shall be not less than One Million Dollars (\$1,000,000) per occurrence, Combined Single Limits (CSL) or its equivalent. The general aggregate limit shall apply separately to this Agreement (with the ISO CG 25 01 or insurer's equivalent endorsement provided to the AUTHORITY) or the general aggregate limit shall be twice the required occurrence limit. The AUTHORITY shall be listed as an

additional insured. The GEC further agrees coverage shall not contain any endorsement(s) excluding or limiting Product/Completed Operations, Independent Consultants, Broad Form Property Damage, X-C-U Coverage, Contractual Liability, or Severability of Interests.

The Additional Insured Endorsement included on all such insurance policies shall state that coverage is afforded the additional insured with respect to claims arising out of operations performed by or on behalf of the insured. If the additional insureds have other insurance which is applicable to the loss, such other insurance shall be excess to any policy of insurance required herein. The amount of the insurer's liability shall not be reduced by the existence of such other insurance.

16.20 Business Automobile Liability:

Business Automobile Liability Insurance shall be on an occurrence form policy for all owned, non-owned and hired vehicles issued on ISO form CA 00 01 or its equivalent. The limits shall be not less than One Million Dollars (\$1,000,000) per occurrence, Combined Single Limits (CSL) or its equivalent. In the event the GEC does not own automobiles, the GEC shall maintain coverage for hired and non-owned auto liability, which may be satisfied by way of endorsement to the Commercial General Liability policy or separate Business Auto Liability policy.

Each of the above insurance policies shall include the following provisions: (1) The standard severability of interest clause in the policy and when applicable the cross liability insurance coverage provision which specifies that the inclusion of more than one

insured shall not operate to impair the rights of one insured against another insured, and the coverages afforded shall apply as though separate policies had been issued to each insured; (2) The stated limits of liability coverage for Commercial/Comprehensive General Liability, and Business Automobile Liability, assumes that the standard "supplementary payments" clause will pay in addition to the applicable limits of liability and that these supplementary payments are not included as part of the insurance policies limits of liability.

16.30 Workers' Compensation Coverage:

Workers' Compensation and Employer's Liability Insurance shall be provided as required by law or regulation (statutory requirements). Employer's Liability insurance shall be provided in amounts not less than \$100,000 per accident for bodily injury by accident, \$100,000 per employee for bodily injury by disease, and \$500,000 policy limit by disease. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the AUTHORITY for all work performed by the GEC, its employees, agents and sub-consultants.

16.40 Professional Liability Coverage:

The limits of not less than One Million Dollars (\$1,000,000) Combined Single Limit (CSL) or its equivalent, protecting the selected firm or individual against claims of the AUTHORITY for negligence, errors, mistakes or omissions in the performance of services to be performed and furnished by the GEC.

16.50 Insurance Certificates:

The GEC shall provide the AUTHORITY with Certificate(s) of Insurance with required endorsements on all the policies of insurance and renewals thereof in a form(s) acceptable to the AUTHORITY. The AUTHORITY shall be notified in writing of any reduction, cancellation or substantial change of policy or policies at least thirty (30) days prior to the effective date of said action.

All insurance policies shall be issued by responsible companies who are acceptable to the AUTHORITY and licensed to do business under the laws of the State of Florida. Each insurance company shall minimally have an A.M. Best rating of A-:VII. If requested by the AUTHORITY, the AUTHORITY shall have the right to examine copies and relevant provisions of the insurance policies required by this Agreement, subject to the appropriate confidentiality provisions to safeguard the proprietary nature of GEC manuscript policies.

Any deductible or self-insured retention must be declared to and approved by the AUTHORITY. At the option of AUTHORITY, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as requests the AUTHORITY, or the GEC shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

All such insurance required by the GEC shall be primary to, and not contribute with, any insurance or self-insurance maintained by the AUTHORITY. Compliance with these insurance requirements shall not relieve or limit the GEC's liabilities and obligations under this Agreement. Failure of the AUTHORITY to demand such certificate or evidence of full compliance with these insurance requirements or failure of the

AUTHORITY to identify a deficiency from evidence provided will not be construed as a waiver of the GEC's obligation to maintain such insurance.

The acceptance of delivery by the AUTHORITY of any certificate of insurance evidencing the required coverage and limits does not constitute approval or agreement by the AUTHORITY that the insurance requirements have been met or the insurance policies shown in the certificates of insurance are in compliance with the requirements.

17.00 The GEC agrees that it shall make no statements, press releases or publicity releases concerning this Agreement or its subject matter or otherwise disclose or permit to be disclosed any of the data or other information obtained or furnished in compliance with this Agreement, or any particulars thereof, during the period of the Agreement, without first notifying the AUTHORITY and securing its consent in writing. The GEC also agrees not to publish, copyright or patent any of the data furnished in compliance with this Agreement, it being understood that, under Paragraph 8.00 hereof, such data or information is the property of the AUTHORITY.

18.00 It is mutually agreed and understood that the following provision shall be applicable to this Agreement:

The signing of this Agreement by the GEC shall act as the execution of a truth-innegotiation certificate stating that wage rates and other factual unit costs supporting the
compensation of this Agreement are accurate, complete and current at the time of contracting.
The Agreement amount and any additions thereto shall be adjusted to exclude any significant
sums by which the AUTHORITY determines the Agreement amount was increased due to
inaccurate, incomplete or non-current wage rates and other factual unit costs. All such

adjustments shall be made within one year following the end of the term of the Agreement. For purpose of this Agreement, the end of the term of the Agreement shall be deemed to be the date of final billing or acceptance of the work by the AUTHORITY, whichever is later.

Neither the AUTHORITY's review of, approval of, acceptance of nor payment for the services required by this Agreement shall be construed to operate as a waiver of any rights or of any cause of action arising out of the performance of this Agreement. Additionally, the GEC shall be and remain liable to the AUTHORITY in accordance with applicable law for all damages to the AUTHORITY caused by the GEC's negligent performance of any of the services furnished under this Agreement. The rights and remedies of the AUTHORITY provided for under this Agreement are in addition to any other rights and remedies otherwise provided by law.

19.00 The GEC covenants and agrees that it and its employees shall be bound by the standards of conduct provided in Florida Statutes 112.313 as it relates to work performed under this Agreement, which standards will by reference be made a part of this Agreement as though set forth in full. The GEC agrees to incorporate the provisions of this paragraph in any subcontract into which it might enter with reference to the work performed.

20.00 The AUTHORITY reserves the right to cancel and terminate this Agreement in the event the GEC or any employee, servant, or agent of the GEC is indicted or has a direct information issued against it for any crime arising out of or in conjunction with any work being performed by the GEC for or on behalf of the AUTHORITY, without penalty. It is understood and agreed that in the event of such termination, all tracings, plans, specifications, computer models and reports prepared or obtained under this Agreement shall immediately be turned over to the

AUTHORITY in conformity with the provisions of Paragraph 8.00 hereof. The GEC shall be compensated for its services rendered up to the time of any such termination in accordance with paragraph 11.00 hereof. The AUTHORITY also reserves the right to terminate or cancel this Agreement in the event the GEC shall be placed in either voluntary or involuntary bankruptcy or an assignment be made for the benefit of creditors. The AUTHORITY further reserves the right to suspend the qualifications of the GEC to do business with the AUTHORITY upon any such indictment or direct information. In the event that any such person against whom any such indictment or direct information is brought shall have such indictment or direct information dismissed or be found not guilty, such suspension on account thereof may be lifted by the Project Manager.

21.00 The invalidity or non-enforceability of any portion or provision of this Agreement shall not affect the validity or enforceability of any other portion or provision. Any invalid or unenforceable portion or provision shall be deemed severed from this Agreement and the balance hereof shall be construed and enforced as if this Agreement did not contain such invalid or unenforceable portion or provision.

22.00 This Agreement shall be governed and construed in accordance with the laws of the State of Florida. The parties stipulate that venue for any matter which is a subject of this Agreement shall be in Orange County, Florida.

END OF SCOPE OF SERVICES

EXHIBIT "B" METHOD OF COMPENSATION GENERAL ENGINEERING CONSULTANT

1.0 PURPOSE

This Exhibit describes the limits and method of compensation to be made to the General Engineering Consultant (GEC) for the services set forth in Exhibit "A", Scope of Services. The services shall be provided over the duration of the work specified in Section 3.00 of the Agreement.

2.0 AMOUNT OF COMPENSATION

- 2.1 The Authority agrees to pay the GEC for the performance of authorized services described in Exhibit "A" an amount not to exceed \$16,000,000 for the initial five (5) year term of the Agreement, such amount hereinafter referred to as the Maximum Limiting Amount.
- 2.2 Compensation for Services provided under this Contract will be made on a unit price basis per manhour, plus reimbursable expenses and will not to exceed the Maximum Limiting Amount unless increased by the Authority. This method of payment is intended to compensate the GEC for all costs (salaries, overhead, fringe benefits, equipment costs, operational costs, reimbursable expenses and profit) related to the services required.

3.0 ALLOWABLE COSTS

The Authority will reimburse the GEC for all reasonable allocable and allowable costs. The reasonableness, allocability and allowability of reimbursements sought under the Agreement are expressly made subject to the terms of (1) the Agreement, (2) Federal Acquisition Regulations sub-part 31-2, (3) Office of management and Budget (OMB) Circular A-87 (46FR9548, January 28, 1981) and A-102 (45FR55086, August 18, 1980), and (4) other pertinent federal and state regulations. By reference hereto, said sub-part of Federal Acquisition Regulations and OMB circulars are hereby incorporated in and made a part of the Agreement. Allowable Costs and Fees are defined as follows:

3.1 Direct Salaries and Wages: All direct salaries and wages of the GEC for time expended by personnel in the performance of the work; however, this shall specifically exclude salaries and payroll burden of Corporate Officers and Principals when expended in the performance of indirect functions. The amount for salary related cost is based on unit rates for the GEC's staff expected to be used to perform the required services. The GEC, for the term of the Agreement, will not be compensated for salary related costs in excess of those originally accepted by the Authority unless the Authority authorizes additional staff or costs by Supplemental Agreement.

Direct Salaries and Wages (salary costs) include both straight time payments and all overtime payments made for an employee's services on a project. Straight time costs shall be the hourly rate paid for an employee based on a forty (40) hour workweek. Overtime costs shall be the salary costs paid for an employee for work exceeding a forty (40) hour workweek. Overtime costs shall be paid as either Straight Overtime costs or Premium Overtime costs as detailed below:

- 3.1.1 Straight Overtime: The portion of overtime compensation paid for employees at the straight time hourly rate burdened with overhead and fringe benefits.
- 3.1.2 Premium Overtime: The portion of overtime compensation paid in excess of the straight time hourly rate not burdened with overhead and fringe benefits. Premium overtime is not authorized unless approved in writing by the Authority's Project Manager.
- 3.1.3 Payment of Overtime: Straight Overtime or Premium Overtime shall be paid in accordance with the GEC's overtime policies and practices, provided that such compensation plan or practice is so consistently followed, in effect, to imply an equitable treatment of overtime to all of the GEC's clients.
- 3.2 A multiplier of 2.85 shall be applied to all GEC direct salaries and wages as total compensation for the GEC's administration overhead and burden costs (indirect charges) and the GEC's operating margin (profit and risk).
- 3.3 Expenses: A Lump Sum Amount will be negotiated and paid for miscellaneous and out-of-pocket expenses for each approved work authorization or amendment as established in Exhibit "C". Local travel expenses will not be paid separately but will be considered incidental to the other items of work. Non-local GEC travel must be pre-approved by the Authority and will be reimbursed in accordance with Florida State Statute 112.061.
- 3.4 Subconsultant Costs: Compensation will be based on actual costs of subconsultant expenses directly chargeable to the project and supported by invoices or other documentation acceptable to the Authority. Subconsultant fees, as authorized by the Authority, will be passed through the GEC at cost. In lieu of administrative mark-up, the GEC will charge time and reimbursable costs associated with the management administrative charges to oversee and administer subconsultants.

4.0 METHOD OF COMPENSATION

Unless increased, no more than the Total Maximum Limiting Amount provided for in Section 2.0 above will be paid by the Authority to the GEC as follows, subject to the provisions of Section 3.0 above:

- 4.1 The GEC will be reimbursed monthly for services performed for each approved work authorization or amendment. Payment to the GEC will be in an amount to cover costs incurred during the preceding month for actual direct salary and wages times a multiplier of 2.85, a portion of Lump Sum Expenses and Subconsultant Costs for actual work performed. The GEC shall promptly pay all subconsultants their proportionate share of payment received from the Authority.
- 4.2 The GEC shall earn a portion of Lump Sum expense cost for each approved work authorization or amendment in the amount equal to the Lump Sum equally distributed over the term of the work authorization or amendment. Any balance due the GEC upon completion of the services provided under the work authorization or amendment will be paid in the final invoice.
- 4.3 The GEC shall be responsible for the consolidation and submittal of one (1) original monthly invoice, in the form and detail established or approved by the Authority. All payments on such invoices are conditional and subject to adjustment as a result of a final audit as to the allowability of costs in accordance with the Agreement. Invoices shall include an itemization and substantiation of costs incurred. The itemization shall include the amount budgeted, current amount billed, total billed to date and amount to complete.
- The Authority reserves the right to withhold payment or payments in whole or in part, and to continue to withhold any such payments for work not completed, completed unsatisfactorily, work that is behind schedule or work that is otherwise performed in an inadequate or untimely fashion as determined by the Authority. Any and all such payments previously withheld shall be released and paid to the GEC promptly when the work is subsequently satisfactorily performed.

5.0 PROJECT CLOSEOUT

5.1 The GEC shall permit the Authority to perform, or have performed, a final audit of the records of the GEC and any or all of its subconsultants to support the compensation paid the GEC. The audit will be performed as soon as practical after completion and acceptance of the contracted services. In the event funds paid to the GEC under the Agreement are subsequently properly disallowed by the Authority because of accounting errors or charges not in conformity with the Agreement, the GEC agrees that such disallowed amounts are due the Authority upon demand. Further, the Authority shall have the right to deduct from any payment due the GEC an amount sufficient to satisfy any amount due and owing the Authority by the GEC under the Agreement. Final payment to the GEC will be adjusted for audit results.

RE: S.R. 429 Wekiva Parkway, Project 429-202; Parcel 120 (Parts A & B) -

Approval of Settlement for Fees and Costs

Winderweedle, Haines, Ward & Woodman, P.A., right of way counsel, seeks this Board's approval of a settlement of expert and attorney's fees and costs with Korus Orchid Corporation ("Korus" or "Owners"), arising from the acquisition of Parcel 120 Parts A & B (the "Taking" or "Property") for the construction of the S.R. 429 Wekiva Parkway, Project 429-202. The date of value for the property is August 6, 2014.

DESCRIPTION and BACKGROUND:

Korus's property consists of approximately 14.836 acres, on which it operated an orchid nursery business since early 2001. CFX acquired 8.216 acres through the middle of Korus's property, leaving a 4.793 acre remainder on the east side of the expressway, and a 1.827 acre remainder on the west side. The property was improved with 214,449 square feet of commercial plant nursery / greenhouse space, two manufactured homes, and various related site improvements. Approximately half of the greenhouse space was located within the area of taking.

Korus qualified for, and the parties resolved, business damages for this case. Pursuant to Florida Statute §73.015(2), Korus submitted a business damage claim for \$5,850,000.00, and CFX filed a statutory counter-offer in the amount of \$3,611,000.00. Korus accepted CFX's counter-offer, and the Court entered a Stipulated Partial Final Judgment as to Business Damages in the amount of \$3,611,000.00 on March 19, 2015, thereby resolving the business damage claims. However, this judgment did not resolve the issue of expert or attorney's fees, as expert fees and costs are not a required component of a statutory business damage counter-offer. The Partial Final Judgment therefore reserved jurisdiction to determine attorney's fees and expert fees and costs for the business damage claim.

Regarding the real estate claim, Korus submitted two appraisals for this parcel in excess of \$6 million each. CFX appraised the real estate claims for \$2,240,015.00. CFX's board members approved a resolution of this case for \$3,963,125.00 on September 10, 2015. A Stipulated Final

Judgment was entered on September 29, 2015 for the agreed settlement amount, plus statutory attorney's fees based on betterment. The Stipulated Final Judgment reserved jurisdiction to determine expert fees and costs.

PROPOSED SETTLEMENT OF FEES AND COSTS

The undersigned counsel seeks this Committee's approval of a settlement of attorney's fees for the business damage claim and expert fees and costs for both the business damage and real estate claims. Korus submitted a claim of \$360,427 for expert fees and costs (for both the real estate claim and business damage claim), plus a claim of \$243,026 for attorneys fees (for the business damage claim, as the real estate attorneys fees were based on betterment and already resolved), for a total fee request of just over \$603,000.00. After negotiations, opposing counsel is willing to accept \$450,000.00 in total fees and costs, which equates to reduction of approximately 25%. A hearing on fees and costs was scheduled for the February 1, 2016 trial docket, but was removed pending Committee and Board approval of the proposed settlement.

Korus was represented by Tom Callan, Esquire. Because Korus accepted CFX's business damage counter-offer, attorney's fees are controlled by §73.015(4)(b), which states that, "if business damages are recovered by...the business owner accepting the condemning authority's initial counteroffer, attorney's fees must be calculated in accordance with s. 73.092(2), (3), (4), and (5) for the attorney's time incurred in presentation of the business owner's good faith offer." The referenced fee statute considers factors such as (1) the novelty, difficulty and importance of the questions involved, (2) the skill employed by the attorney, (3) the amount of money involved, (4) the responsibility incurred and fulfilled by the attorney, and (5) the attorney's time and labor. Mr. Callan initially submitted a fee request in the amount of \$243,026.00. After negotiations, Mr. Callan reduced this request to \$229,000. This reduced fee was then subjected to further negotiations and reduced by approximately 18%. Mr. Callan has submitted his invoices detailing his time and that of his staff, and the undersigned believes that the ultimate result of these negotiations represents a settlement that is in the best interest of CFX.

Korus also submitted expert fees in the amount of \$360,427. After an initial review by the undersigned, these fees were reduced to approximately \$310,000, and further negotiations reduced the fees by another 18%. These fees represent invoices from 14 different experts, including Richard Dreggors and Dan DeRango for appraisal services, and Lloyd Morgenstern and Duke Parrish as business damage experts. The exact break-down provided by Mr. Callan for each expert and the fees requested are attached to this memorandum. The undersigned has reviewed the invoices provided by each expert and has disputed some fees entirely and negotiated reductions on the remainder of the fees. Litigating the fees further will necessitate (1) depositions of the landowner's 14 experts, (2) analyzing the case files of the landowner's experts, (3) depositions and case file analysis of CFX's experts, (4) hiring additional experts to testify regarding the reasonableness of fees, and (5) a (likely) two-day hearing. Considering the attorney's fees and expert fees CFX may incur in this process, the undersigned counsel believes that the settlement proposal contained herein is in the best interest of CFX.

RE:

State Road 429 Wekiva Parkway, Project 429-205; Parcel 285

Proposed Mediated Settlement Including Fees and Costs

Shutts & Bowen LLP, Right-of-Way Counsel, seeks the approval by the Board of a proposed mediated settlement between Mary Michelle Ashburn Ballings, (the "Owner") and the Central Florida Expressway Authority (the "CFX") for the acquisition of Parcel 285 (the "Taking" or "Property") for the construction of State Road 429 Wekiva Parkway, Project 429-205.

DESCRIPTION AND BACKGROUND

Parcel 285 is a fee simple acquisition of 2.288 acres, more or less, from property located between Boch Road to the north and Haas Road to the south, east of Plymouth Sorrento Road in Orange County, Florida. The remainder property consists of approximately 2.341 acres with frontage on Boch Road. A 2-bedroom, 2-bath manufactured home, consisting of 840± square feet, is located on the property. The home was built in 1977 and is utilized as a rental unit, vacant at the time of inspection by the appraiser.

The Property is zoned A-2, Farmland Rural District which provides for residential and agricultural uses. The future land use designation is AG, Agricultural, by Orange County. The highest and best use of the property as vacant was determined to be to hold for future development as agricultural/residential use. The highest and best use as improved is a singlefamily rental on an interim basis.

The CFX's appraisal of the property was prepared by Christopher D. Starkey, MAI, of Integra Realty Resources - Orlando. Mr. Starkey used a sales comparison approach to estimate the land value and an income capitalization approach to estimate the contributory value for the interim use of the improvements. Mr. Starkey used comparable sales with an adjusted range of \$26,607 to \$31,372 per acre, with a concluded value of \$29,400 per acre.

Mr. Starkey also utilized the income capitalization approach to estimate the contributory value of the improvements. Asking rents in the area ranged from \$525 to \$1,100, with the average being \$885. Based upon discussion with the property owner and a review of comparable rentals, Mr. Starkey opined the rental value at \$700 per month. With a projected 7-year holding period for the interim improvements, the present value of the improvements is considered to be \$30,223, rounded to \$30,225.

After the taking, the remainder property will not be as compatible to agricultural/residential development and the proximity to the limited access right-of-way results in an additional diminution of 30% for the remainder land for which Mr. Starkey opines the resulting land value of \$20,580 per acre.

A minor cost to cure to replace fencing to maintain the functionality of the remainder is valued at \$541. Thus, Mr. Starkey opines the value of the taking is \$99,641, rounded to \$99,650, consisting of \$71,650 for the part taken, \$27,450 for damages to the remainder, and \$541 for the cost to cure.

Gary Pendergast, MAI, of Florida Real Estate Analysts, Inc., prepared the appraisal report for the Respondent. Based upon information from land planners Ed Williams and Jim Hall, Mr. Pendergast opined the future land use would designate the subject property as Agricultural, but would allow a more intense potential. Based upon similar developments, a density of near 3 units per acre is most likely, and the property most likely would be assembled with other tracts to encompass a larger development area.

Mr. Pendergast utilized seven (7) comparable land sales ranging in value from \$45,732 to \$95,420 per acre, arriving at a valuation of \$59,300 per acre for the subject property or \$135,700 for the land taken. Mr. Pendergast opined the remainder property was damaged 69% by the proximity of the Wekiva Parkway. Thus, Mr. Pendergast estimates the compensation due the Respondent at \$216,000, consisting of \$137,500 for land taken and \$80,300 damages to the remainder.

This matter was schedule for trial in May 2016 and the parties were about to begin all depositions in this case post mediation, if necessary. During mediation, the parties were able to reach a settlement in the amount of \$147,500 as full settlement of all claims for compensation by the property owner, plus statutory attorney's fees totaling \$17,160, plus reduced expert fees and costs totaling \$31,105.86.

For the above-cited reasons, Right-of-Way counsel requests the CFX Board approve the mediated settlement in the amount of \$147,500, plus attorney's fees and costs and experts' fees and costs totaling \$48,265.86, which is in the CFX's best interest. Settlement of the underlying claim and all fees and costs will eliminate further risk and unnecessary expenses that the CFX will ultimately incur with further litigation of the condemnation action to acquire Parcel 285.

At its March 23, 2016 meeting, the Right-of-Way Committee recommended approval of the settlement to the CFX Board.

RECOMMENDATION

We respectfully request that the CFX Board approve the proposed settlement agreement with a total settlement of \$195,765.86 in full settlement of all claims for compensation in the acquisition of Parcel 285, including all attorney's fees and all experts' fees and costs.

RE:

State Road 429 Wekiva Parkway, Project 429-204; Parcel 280

Proposed Mediated Settlement Including Fees and Costs

Shutts & Bowen LLP, Right-of-Way Counsel, seeks approval of the Board of a proposed mediated settlement between Vernice L. Smith, Trustee, The Smith Family Revocable Living Trust, (the "Owner") and the Central Florida Expressway Authority (the "CFX") for the acquisition of Parcel 280 (the "Taking" or "Property") for the construction of State Road 429 Wekiva Parkway, Project 429-204.

DESCRIPTION AND BACKGROUND

Parcel 280 is a fee simple acquisition of 10.975 acres, more or less, from property located between Boch Road and Haas Road and east of Plymouth Sorrento Road in Orange County, Florida. The remainder is approximately 4.067 acres, which is improved with two manufactured homes. One of the homes is a 2-bedroom, 2-bath consisting of approximately 1,546 square feet and the second home is a 3-bedroom, 2-bath consisting of approximately 1,600 square feet. Both homes were built in 2005, and one is the homestead of Mrs. Smith. Additionally, 2,800 If of field fencing and two gates are located within the area of taking.

The Property is zoned A-2, Farmland Rural District which provides for residential and agricultural uses. The future land use designation is Rural Settlement by Orange County. The highest and best use of the property as vacant was determined to be future residential development. The continued use as a single-family residence is the highest and best use of the property as improved.

The CFX's appraisal of the property was prepared by Christopher D. Starkey, MAI, of Integra Realty Resources - Orlando. Mr. Starkey used comparable sales ranging from \$27,938 to \$31,079 per acre, with a concluded value of \$29,400 per acre. Thus the value of the land acquired is estimated to be \$322,665 (\$29,400 x 10.975), rounded to \$322,700. The site

improvements consisting of the field fencing and gates are valued at \$13,566, rounded to \$13,600.

After the taking, the remainder property is approximately 73% smaller than the original property, and the residences will be approximately 150 feet from the newly constructed Wekiva Parkway. Mr. Starkey opines this close location creates a negative impact on the remainder property, resulting in a diminution of 25% for the remainder, or incurable damages of \$103,600. Thus, Mr. Starkey opines the total value of the part taken is \$441,621, rounded to \$442,000, consisting of \$336,300 for land and improvements taken, \$103,600 for damages and \$1,721 as a cost to cure the replacement of fencing to secure the pasture areas.

Gary Pendergast, MAI, of Florida Real Estate Analysts, Inc., prepared the appraisal report for the Property Owner. Based upon information from land planners Ed Williams and Jim Hall, Mr. Pendergast opined it would be very probable for the property to receive the zoning and land use approvals needed to allow development of the property at a greater density and thus increase the per acre valuation. Mr. Pendergast utilized seven (7) comparable land sales ranging in value from \$45,752 to \$95,420 per acre, arriving at a valuation of \$64,200 per acre for the subject property or \$704,600 for the land taken. Mr. Pendergast opined the remainder property was damaged by the proximity of the Wekiva Parkway, resulting in a 61% damage or a value of \$25,000 per acre after the taking. This reduction in value creates damages in the amount of \$304,500. Thus, Mr. Pendergast values the taking at \$1,009,100.

This matter was scheduled for trial in May 2016 and the parties were about to begin all depositions in this case post mediation, if necessary. During mediation, the parties were able to reach a settlement in the amount of \$657,000, as full settlement of all claims for compensation by the property owner, plus statutory attorney's fees totaling \$76,197, plus reduced expert fees and costs totaling \$38,696.79.

At its March 23, 2016 meeting, the Right-of-Way Committee recommended approval of the settlement to the CFX Board.

For the above-cited reasons, Right-of-Way counsel requests approval by the CFX Board of the mediated settlement in the amount of \$657,000, plus attorney's fees and costs and experts fees and costs totaling \$114,893.79, which is in the CFX's best interest. Settlement of the underlying claim and all fees and costs will eliminate further risk and unnecessary expenses that the CFX will ultimately incur with further litigation of the condemnation action to acquire Parcel 280.

RECOMMENDATION

We respectfully request that the CFX Board approve the proposed settlement agreement with a total settlement of \$771,893.79 in full settlement of all claims for compensation in the acquisition of Parcel 280, including all attorney's fees and all experts' fees and costs.

The initial term of the Contract will be five (5) years from the date first written above. There shall be five (5) renewal options of one (1) year each. The options to renew are at the sole discretion and election of CFX. Renewals will be based, in part, on a determination by CFX that the value and level of service provided by the CONTRACTOR are satisfactory and adequate for CFX's needs. If a renewal option is exercised, CFX will provide the CONTRACTOR with written notice of its intent at least 120 days prior to the expiration of the initial 5-year Contract Term and renewals, if any.

CFX shall have the right to terminate or suspend the Contract, in whole or in part, at any time with 120 days notice for convenience or 60 days with cure notice for cause for CONTRACTOR's material failure to perform the provisions of the Contract. Under no circumstances shall a properly noticed termination by CFX (with or without cause) constitute a default by CFX. In the event of a termination for convenience or without cause, CFX will notify CONTRACTOR (in writing) of such action with instructions as to the effective date of termination or suspension, in accordance with the time frames set forth hereinabove. CONTRACTOR will be paid for all work performed prior to termination and any reasonable, documented, direct, normal, and ordinary termination expenses. CONTRACTOR will not be paid for special, indirect, consequential, or undocumented termination expenses. Payment for work performed will be based on Contract prices, which prices are deemed to include profit and

overhead. No profit or overhead will be allowed for work not performed, regardless of whether the termination is for cause.

If CONTRACTOR: (i) fails to perform the Contract terms and conditions; (ii) fails to begin the work under the Contract within the time specified in the "Notice to Proceed"; (iii) fails to perform the work with sufficient personnel or with sufficient materials to assure the prompt performance of the work items covered by the Contract; (iv) fails to comply with the Contract, or (v) performs unsuitably or unsatisfactorily in the opinion of CFX reasonably exercised, or for any other cause whatsoever, fails to carry on the work in an acceptable manner, or if the surety executing the bond, for any reasonable cause, becomes unsatisfactory in the opinion of CFX, CFX will give notice in writing to the CONTRACTOR and CONTRACTOR's surety of such delay, neglect or default. If the Contract is declared in default, CFX may require the CONTRACTOR's surety to take over and complete the Contract performance. Upon the failure or refusal of the surety to assume the Contract within the time demanded, CFX may take over the work covered by the Contract.

If CONTRACTOR (within the curative period, if any, described in the notice of default) does not correct the default, CFX will have the right to remove the work from CONTRACTOR and to declare the Contract in default and terminated.

Upon declaration of default and termination of the Contract, CFX will have the right to appropriate or use any or all materials and equipment on the sites where work is or was occurring, as CFX determines, and may retain others for the completion of the work under the Contract, or may use other methods which in the opinion of CFX are required for Contract All costs and charges incurred by CFX because of, or related to, the CONTRACTOR's default (including the costs of completing Contract performance) shall be charged against the CONTRACTOR. If the expense of Contract completion exceeds the sum which would have been payable under the Contract, the CONTRACTOR and the surety shall be jointly and severally liable and shall pay CFX the amount of the excess. If, after the default notice curative period has expired, but prior to any action by CFX to complete the work under the Contract, CONTRACTOR demonstrates an intent and ability to cure the default in accordance with CFX's requirements, CFX may, but is not obligated to, permit CONTRACTOR to resume work under the Contract. In such circumstances, any costs of CFX incurred by the delay (or from any reason attributable to the delay) will be deducted from any monies due or which may become due CONTRACTOR under the Contract. Any such costs incurred by CFX which exceed the remaining amount due on the Contract shall be reimbursed to CFX by CONTRACTOR. The financial obligations of this paragraph, as well as any other provision of the Contract which by its nature and context survives the expiration of earlier termination of the Contract, shall survive the expiration or earlier termination of the Contract.

CFX shall have no liability to CONTRACTOR for expenses or profits related to unfinished work on a Contract terminated for default.

CFX reserves the right to cancel and terminate this Contract in the event the CONTRACTOR or any employee, servant, or agent of the CONTRACTOR is indicted for any crime arising out of or in conjunction with any work being performed by the CONTRACTOR for or on behalf of CFX, without penalty. Such termination shall be deemed a termination for default.

CFX reserves the right to terminate or cancel this Contract in the event the CONTRACTOR shall be placed in either voluntary or involuntary bankruptcy or an assignment is made for the benefit of creditors. Such termination shall be deemed a termination for default.

- (i) "Contract Records" shall include, but not be limited to, all information, communications and data, whether in writing or stored on a computer, computer disks, microfilm, writings, working papers, drafts, computer printouts, field notes, charts or any other data compilations, books of account, photographs, videotapes and audiotapes supporting documents, any other papers or preserved data in whatever form, related to the Contract or the CONTRACTOR's performance of the Contract determined necessary or desirable by CFX for any purpose. Proposal Records shall include, but not be limited to, all information and data, whether in writing or stored on a computer, writings, working papers, computer printouts, charts or other data compilations that contain or reflect information, data or calculations used by CONTRACTOR in determining labor, unit price, or any other component of a bid submitted to CFX.
- (ii) "Proposal Records" shall include, but not be limited to, any material relating to the determination or application of equipment rates, home and field overhead rates, related time schedules, labor rates, efficiency or productivity factors, arithmetic extensions, quotations from subcontractors, or material suppliers, profit contingencies and any manuals standard in the industry that may be used by CONTRACTOR in determining a price.

CFX reserves and is granted the right (at any time and from time to time, for any reason whatsoever) to review, audit, copy, examine and investigate in any manner, any Contract Records (as herein defined) or Proposal Records (as hereinafter defined) of the CONTRACTOR or any subcontractor. By submitting a response to the Request for Proposal, CONTRACTOR or any subcontractor submits to and agree to comply with the provisions of this section.

If CFX requests access to or review of any Contract Documents or Proposal Records and CONTRACTOR refuses such access or review, CONTRACTOR shall be in default under its Contract with CFX, and such refusal shall, without any other or additional actions or omissions, constitute grounds for suspension or disqualification of CONTRACTOR. These provisions shall

not be limited in any manner by the existence of any CONTRACTOR claims or pending litigation relating to the Contract. Disqualification or suspension of the CONTRACTOR for failure to comply with this section shall also preclude the CONTRACTOR from acting in the future as a subcontractor of another contractor doing work for CFX during the period of disqualification or suspension. Disqualification shall mean the CONTRACTOR is not eligible for and shall be precluded from doing future work for CFX until reinstated by CFX.

Final Audit for Project Closeout: The CONTRACTOR shall permit CFX, at CFX's option, to perform or have performed, an audit of the records of the CONTRACTOR and any or all subcontractors to support the compensation paid the CONTRACTOR. The audit will be performed as soon as practical after completion and acceptance of the contracted services. In the event funds paid to the CONTRACTOR under the Contract are subsequently determined to have been inadvertently paid by CFX because of accounting errors or charges not in conformity with the Contract, the CONTRACTOR agrees that such amounts are due to CFX upon demand. Final payment to the CONTRACTOR shall be adjusted for audit results.

CONTRACTOR shall preserve all Proposal Records and Contract Records for the entire term of the Contract and for a period of five (5) years after the later of: (i) final acceptance of the project by CFX, (ii) until all claims (if any) regarding the Contract are resolved, or (iii) expiration of the Proposal Records and Contract Records' status as public records, as and if applicable, under Chapter 119, Florida Statutes.

CONTRACTOR shall provide information regarding its employment of such businesses and the percentage of payments made to such businesses and others. CONTRACTOR shall provide an annual report to CFX on or before each anniversary of the Contract Date hereof and throughout the Term, regarding use of small business D/MBEs and WBEs and the percentage of payments made to enterprises falling within such categories. Such report shall consolidate the information contained in CONTRACTOR's invoices, and shall be in a form reasonably acceptable to CFX.

6. CONTRACTOR INSURANCE AND PERFORMANCE AND PAYMENT BOND

CONTRACTOR shall carry and keep in force during the period of this Contract, the required amount of coverage as stated below. All bonds and insurance must be underwritten by insurers that are qualified to transact business in the State of Florida and that have been in business and have a record of successful and continuous operations for at least five (5) years. Each shall carry a rating of "A-" (excellent) and a financial rating of Class XII, as defined by A.M. Best and Company's Key Rating Guide and must be approved by CFX. All surety bonds shall be in a form and issued by a surety company approved by CFX. CONTRACTOR shall carry and keep in

- 6.4 **Unemployment Insurance** Coverage in amounts and forms required by Florida law, as it may be amended from time to time hereafter.

Insurance policies shall be without co-insurance, and shall (a) include CFX, and such other applicable parties CFX shall designate, as additional insureds for commercial general liability and business automobile liability, (b) be primary insurance, (c) include contractual liability for commercial general liability, (d) provide that the policy may not be canceled or materially changed without at least thirty (30) days prior written notice to CFX from the company providing such insurance, and (e) provide that the insurer waives any right of subrogation against CFX, to the extent allowed by law and to the extent the same would not void primary coverage for applicable insurance policies. CONTRACTOR shall be responsible for any deductible it may carry. At least fifteen (15) days prior to the expiration of any such policy of insurance required to be carried by CONTRACTOR hereunder, CONTRACTOR shall deliver insurance certificates to CFX evidencing a renewal or new policy to take the place of the one expiring. Procurement of insurance shall not be construed to limit CONTRACTOR's obligations or liabilities under the Contract. The requirement of insurance shall not be deemed a waiver of sovereign immunity by CFX.

Any insurance carried by CFX in addition to CONTRACTOR's policies shall be excess insurance, not contributory.

If CONTRACTOR fails to obtain the proper insurance policies or coverages, or fails to provide CFX with certificates of same, CFX may obtain such polices and coverages at CONTRACTOR's expense and deduct such costs from CONTRACTOR payments.

6.5 **Performance and Payment Bond** The CONTRACTOR shall furnish to CFX, and shall maintain in effect throughout the term of the Contract, an acceptable surety bond in a sum equal to the annual amount of the Contract (Contract Amount/5 years). The initial term of the bond shall be from July 1, 2016 through June 30, 2017. The bond shall be renewed each year

thereafter until the expiration of the Contract term. Each fully executed renewal bond shall be transmitted to CFX at least 15 days prior to the expiration of the bond in effect so there is no lapse in coverage. Failure to timely renew the bond may result in CFX giving notice of default to the CONTRACTOR as detailed in Article 2 above. Such bond shall be executed on the form furnished by CFX. The surety shall meet all requirements of the laws of Florida, and shall be approved, and at all times acceptable to, CFX. The surety's resident agent's name, address, and telephone number shall be clearly stated on the face of the bond.

In the event that the surety executing the bond (although acceptable to CFX at the time of execution of the Contract) subsequently becomes insolvent or bankrupt, or becomes unreliable or otherwise unsatisfactory due to any cause which becomes apparent after CFX's initial approval of the company, then CFX may require that the CONTRACTOR immediately replace the surety bond with a similar bond drawn on a surety company which is reliable and acceptable to CFX. In such event, all costs of the premium for the new bond, after deducting any amounts which might be returned to the CONTRACTOR from its payment of premium on the defaulting bond, will be borne by CFX.

 - (i) shall name CFX as a third party beneficiary and provide that the subcontract is assignable to CFX (or its successor in interest under the terms of this Contract) without the prior approval of the parties thereto, and that the assignment thereof shall be effective upon receipt by the subcontractor of written notice of the assignment from CFX. Upon such event, CFX shall be deemed to assume all rights and obligations of the CONTRACTOR under the subcontract, but only to the extent such rights and obligations accrue from and after the date of the assignment. Without limitation, all warranties and representations of subcontractor shall inure to the benefit of CFX, and

- (ii) shall require the subcontractor to comply with all laws, as all may be revised, modified and supplemented from time to time, and must require the subcontractor to carry forms and amounts of insurance satisfactory to CFX in its sole discretion, and shall provide CFX with certificates of insurance upon request. CFX shall be listed as an additional insured on all such insurance policies, and copies of correct insurance certificates and policies shall be delivered to CFX upon request, and
- (iii) shall require the subcontractor to join in any dispute resolution proceeding upon request of CFX, and
- (iv) shall include the same or similar terms as are included in this Contract with respect to subcontractors, providing CFX with equal or greater protections than herein.

If, during the life of the Contract and any renewals hereof, CONTRACTOR desires to subcontract any portion(s) of the work to a subcontractor that was not disclosed by the CONTRACTOR to CFX at the time that the Contract was originally awarded, and such subcontract would, standing alone or aggregated with prior subcontracts awarded to the proposed subcontractor, equal or exceed twenty five thousand dollars (\$25,000.00), the CONTRACTOR shall first submit a request to CFX's Director of Procurement for authorization to enter into such subcontract. Except in the case of an emergency, as determined by the Executive Director or her/his designee, no such subcontract shall be executed by the CONTRACTOR until it has been approved by CFX Board. In the event of a designated emergency, the CONTRACTOR may enter into such a subcontract with the prior written approval of the Executive Director or her/his designee, but such subcontract shall contain a provision that provides that it shall be automatically terminated if not approved by CFX Board at its next regularly scheduled meeting.

18. DISPUTES

All services shall be performed by the CONTRACTOR to the reasonable satisfaction of CFX's Executive Director (or her/his delegate), who shall decide all questions, difficulties and disputes of any nature whatsoever that may arise under or by reason of this Contract, the prosecution and fulfillment of the services described and the character, quality, amount and value thereof. The Executive Director's decision upon all claims, questions and disputes shall be final agency action. Adjustments of compensation and Contract time, because of any major changes in the work that may become necessary or desirable as the work progresses shall be left to the absolute discretion of the Executive Director (and CFX Board if amendments are required) and supplemental agreement(s) of such nature as required may be entered into by the parties in accordance herewith.

19. REMEDIES

In addition to any remedies otherwise available to CFX under law, upon an uncured default CFX shall have the right to appropriate or use any or all materials and equipment on the sites where work is or was occurring, and may enter into agreements with others for the completion of the work under the Contract, or may use other methods which in the opinion of CFX are required for Contract completion. All costs and charges incurred by CFX because of or related to the CONTRACTOR's default including, but not limited to, the costs of completing Contract performance shall be charged against the CONTRACTOR. If the expense of Contract completion exceeds the remaining sum which would have been payable under the balance of the Contract, CONTRACTOR shall be liable to CFX for the difference. On a Contract terminated for default, in no event shall CFX have any liability to the CONTRACTOR for expenses or profits related to unfinished work, or for CFX's use of any CONTRACTOR materials or equipment on the work sites, including without limitation the CONTRACTOR Property and CONTRACTOR Intellectual Property.

20. PREVAILING PARTY ATTORNEY'S FEES

If any contested claim arises hereunder or relating to the Contract (or CONTRACTOR's work hereunder), and either party engages legal counsel, the prevailing party in such dispute, as "prevailing party" is hereinafter defined, shall be entitled to recover reasonable attorneys' fees and costs as defined herein, from the non-prevailing party.

In order for CONTRACTOR to be the prevailing party, CONTRACTOR must receive an adjusted judgment or adjusted award equal to at least eighty percent (80%) of its contested claims filed with CFX, failing which CFX will be deemed the prevailing party for purposes of this Contract.

For purposes of determining whether the judgment of award is eighty percent (80%) or more of the contested claims, "adjusted award" or "adjusted judgment" shall mean the amount designated in the award or final judgment as compensation to CONTRACTOR for its claims (exclusive of interest, cost or expenses), less: (i) any amount awarded to CFX (exclusive of interest, costs or expenses) on claims asserted by CFX against CONTRACTOR in connection with the Contract, and (ii) any amount offered in settlement prior to initiation of CONTRACTOR litigation (exclusive of interest, cost or expense), which for purposes of enforcing this section only shall be admissible into evidence.

The term "contested claim" or "claims" shall include "Claims" as defined in Section 9, as well as the initial written claim (s) submitted to CFX by CONTRACTOR (disputed by CFX) which have not otherwise been resolved through ordinary close-out procedures of the Contract prior to the initiation of litigation. CONTRACTOR claims or portions thereof, which CFX agrees or offers to pay prior to initiation of litigation, shall not be deemed contested claims for purposes of this provision. If CONTRACTOR submits a modified, amended or substituted claim after its original claim and such modified, amended or substituted claim(s) is for an amount greater than

the prior claim(s), the higher amount shall be the claim(s) for purposes of determining whether the award is at least eighty percent (80%) of CONTRACTOR's claim(s).

Attorneys' fees and costs awarded to the prevailing party shall mean reasonable fees and costs incurred in connection with and measured from the date a claim is initially submitted to CFX through and including trial, appeal and collection. In the circumstance where an original claim is subsequently modified, amended or a substituted claim is filed therefore, fees and costs shall accrue from the date of the first written claim submitted, regardless of whether the original or subsequent claim amount is ultimately used in determining if the judgment or award is at least eighty percent (80%) of the cumulative claims.

"Attorneys' fees" shall include but not be limited to fees and charges of attorneys, paralegals, legal assistants, attorneys' CONTRACTOR's, expert witnesses, court reporters, photocopying, telephone charges, travel expenses, or any other charges, fees, or expenses incurred through use of legal counsel, whether or not such fees are provided by statute or contained in State-Wide guidelines, and shall apply to any pretrial fees (whether or not an action is filed), trial, appeal, collection, bankruptcy, arbitration, mediation, or administrative proceedings arising out of this Contract.

"Costs" shall include but not be limited to any filing fees, application fees, expert witnesses' fees, court reporters' fees, photocopying costs, telephone charges, travel expenses, or any other charges, fees, or expenses incurred whether or not legal counsel is retained, whether or not such costs are provided by statute or contained in State-Wide guidelines, and shall apply to any pretrial costs (whether or not an action is filed), trial, appeal, collection, bankruptcy, arbitration, mediation or administrative proceeding arising out of this Contract.

As a condition precedent to filing a claim with any legal or administrative tribunal, CONTRACTOR shall have first submitted its claim (together with supporting documentation) to CFX, and CFX shall have had sixty (60) days thereafter within which to respond thereto.

The purpose of this provision is to discourage frivolous or overstated claims and, as a result thereof, CFX and CONTRACTOR agree that neither party shall avail itself of Section 768.79, Florida Statutes, or any other like statute or rule involving offers of settlement or offers of judgment, it being understood and agreed that the purpose of such statute or rule are being served by this provision.

Should this section be judged void, unenforceable or illegal, in whole or in substantial part, by a court of competent jurisdiction, this section shall be void in its entirety and each party shall bear its own attorneys' fees and costs.

21. OTHER SEVERABILITY

If any section of this Contract, other than the immediately preceding Prevailing Party Attorneys' Fees section, be judged void, unenforceable or illegal, then the illegal provision shall be, if at all possible, interpreted or re-drafted into a valid, enforceable, legal provision as close to the parties' original intention, and the remaining portions of the Contract shall remain in full force and effect

and shall be enforced and interpreted as closely as possible to the parties' intention for the whole of the Contract.

22. GOVERNING LAW

This Contract is accepted and entered into in Florida and any question regarding its validity, construction, enforcement, or performance shall be governed by Florida law. The parties consent to the exclusive jurisdiction of the courts located in Orange County, Florida.

In consideration of the foregoing premises, CFX agrees to pay CONTRACTOR for work performed and materials furnished at the prices submitted with the Proposal.

23. RELATIONSHIPS

CONTRACTOR acknowledges that no employment relationship exists between CFX and CONTRACTOR or CONTRACTOR's employees. CONTRACTOR shall be responsible for all direction and control of its employees and payment of all wages and salaries and other amounts due its employees. CONTRACTOR shall be responsible for all reports and obligations respecting such employees, including without limitation social security tax and income tax withholding, unemployment compensation, workers compensation, and employment benefits.

CONTRACTOR shall conduct no act or omission that would lead CONTRACTOR's employees or any legal tribunal or regulatory agency to believe or conclude that CONTRACTOR's employees would be employees of CFX.

Any approval by CFX of a subcontract or other matter herein requiring CFX approval for its occurrence shall not be deemed a warranty or endorsement of any kind by CFX of such subcontract, subcontractor, or matter.

24. INTERPRETATION

For purposes of this Contract, the singular shall include the plural, and the plural shall include the singular, unless the context clearly requires otherwise. Except for reference to women's business enterprises and matters relating thereto, reference to one gender shall include all genders. Reference to statutes or regulations include all statutory or regulatory provisions consolidating, amending, or replacing the stated statute or regulation. Words not otherwise defined and that have well-known technical, industry, or legal meanings, are used in accordance with such recognized meanings, in the order stated. References to persons include their respective permitted successors and assigns and, in the case of governmental persons, persons succeeding to their respective functions and capacities. If CONTRACTOR discovers any material discrepancy, deficiency, or ambiguity in this Contract, or is otherwise in doubt as to the meaning of any provision of the Contract, CONTRACTOR may immediately notify CFX and request clarification of CFX's interpretation of the Contract. The Contract Documents, together with and including all exhibits, comprise the entire agreement of the parties and supersedes and nullifies all prior and contemporaneous negotiations, representations, understandings, and agreements, whether written or oral, with respect to the subject matter hereof.

25. SURVIVAL OF EXPIRATION OR TERMINATION

Any clause, sentence, paragraph, or section providing for, discussing, or relating to any of the following shall survive the expiration or earlier termination of the Contract:

- 25.1 Trademarks, service marks, patents, trade secrets, copyrights, publicity, or other intellectual property rights, and terms relating to the ownership, security, protection, or confidentiality thereof; and
- 25.2 Payment to CONTRACTOR for satisfactory work performed or for termination expenses, if applicable; and
- 25.3 Prohibition on non-competition agreements of CONTRACTOR's employees with respect to any successor of CONTRACTOR; and
- 25.4 Obligations upon expiration or termination of the Contract, as set forth in Section 26; and
- 25.5 Any other term or terms of this Contract which by their nature or context necessarily survive the expiration or earlier termination of the Contract for their fulfillment.

26. OBLIGATIONS UPON EXPIRATION OR TERMINATION OF CONTRACT

26.1 CONTRACTOR shall initiate settlement of all outstanding liabilities and claims arising out of the Contract and any subcontracts or vending agreements to be canceled. All settlements shall be subject to the approval of CFX.

IN WITNESS WHEREOF, the authorized signatures named below have executed this Contract on behalf of the parties as of the day and year first above written. This Contract was awarded by CFX's Board of Directors at its meeting on April 14, 2016.

Approval is requested for Supplemental Agreement 1 for continued communication services to support ongoing and new initiatives.

Original Contract Amount	\$ 987,625.00
Amount of this Supplemental Agreement	\$ 987,625.00
Total Revised Contract Amount	\$1,975,250.00

Day Communications, Inc. previously requested and was granted approval to use Lure Design, Inc., as a sub-consultant in the not to exceed amount of \$24,995.00. If a renewal option is exercised, the AUTHORITY will provide the CONSULTANT with written notice of its intent at least 90 days prior to the expiration of the initial three-year Contract Term.

The AUTHORITY shall have the right to terminate or suspend the Contract, in whole or in part, at any time with 10 days notice for convenience or 15 days with cure notice for cause for CONSULTANT's material failure to perform the provisions of the Contract. Under no circumstances shall a properly noticed termination by the AUTHORITY (with or without cause) constitute a default by the AUTHORITY. In the event of a termination for convenience or without cause, AUTHORITY shall notify CONSULTANT (in writing) of such action with instructions as to the effective date of termination or suspension, in accordance with the time frames set forth hereinabove. CONSULTANT will be paid for all work performed prior to termination and any reasonable, documented, direct, normal, and ordinary termination expenses. CONSULTANT will not be paid for special, indirect, consequential, or undocumented termination expenses. Payment for work performed will be based on Contract prices, which prices are deemed to include profit and overhead. No profit or overhead will be allowed for work not performed, regardless of whether the termination is for cause.

If CONSULTANT: (i) fails to perform the Contract terms and conditions; (ii) fails to begin the work under the Contract within the time specified in the "Notice to Proceed"; (iii) fails to perform the work with sufficient personnel or with sufficient materials to assure the prompt

performance of the work items covered by the Contract; (iv) fails to comply with the Contract, or (v) performs unsuitably or unsatisfactorily in the opinion of AUTHORITY reasonably exercised, or for any other cause whatsoever, fails to carry on the work in an acceptable manner, the AUTHORITY will give notice in writing to the CONSULTANT of such delay, neglect or default. If the Contract is declared in default, the AUTHORITY may take over the work covered by the Contract.

If CONSULTANT (within the curative period, if any, described in the notice of default) does not correct the default, AUTHORITY will have the right to remove the work from CONSULTANT and to declare the Contract in default and terminated.

Upon declaration of default and termination of the Contract, AUTHORITY will have the right to appropriate or use any or all materials as the AUTHORITY determines, and may retain others for the completion of the work under the Contract, or may use other methods which in the opinion of AUTHORITY are required for Contract completion. All costs and charges incurred by AUTHORITY because of, or related to, the CONSULTANT's default (including the costs of completing Contract performance) shall be charged against the CONSULTANT. If the expense of Contract completion exceeds the sum which would have been payable under the Contract, the CONSULTANT shall pay the AUTHORITY the amount of the excess. If, after the default notice curative period has expired, but prior to any action by AUTHORITY to complete the work under the Contract, CONSULTANT demonstrates an intent and ability to cure the default in accordance with AUTHORITY's requirements, AUTHORITY may, but is not obligated to, permit CONSULTANT to resume work under the Contract. In such circumstances, any costs of AUTHORITY incurred by the delay (or from any reason attributable to the delay) will be deducted from any monies due or which may become due CONSULTANT under the Contract. Any such costs incurred by AUTHORITY which exceed the remaining amount due on the Contract shall be reimbursed to AUTHORITY by CONSULTANT. The financial obligations of this paragraph, as well as any other provision of the Contract which by its nature and context survives the expiration of earlier termination of the Contract, shall survive the expiration or earlier termination of the Contract.

AUTHORITY shall have no liability to CONSULTANT for expenses or profits related to unfinished work on a Contract terminated for default.

AUTHORITY reserves the right to terminate or cancel this Contract in the event the CONSULTANT shall be placed in either voluntary or involuntary bankruptcy or an assignment is made for the benefit of creditors. Such termination shall be deemed a termination for default.

AUTHORITY reserves and is granted the right (at any time and from time to time, for any reason whatsoever) to review, audit, copy, examine and investigate in any manner, any Contract Records (as herein defined) or Proposal Records (as hereinafter defined) of the CONSULTANT or any subcontractor. By submitting a response to the Request for Proposal, CONSULTANT or any subcontractor submits to and agree to comply with the provisions of this section,

If the AUTHORITY requests access to or review of any Contract Documents or Proposal Records and CONSULTANT refuses such access or review, CONSULTANT shall be in default under its Contract with AUTHORITY, and such refusal shall, without any other or additional actions or omissions, constitute grounds for suspension or disqualification of CONSULTANT. These provisions shall not be limited in any manner by the existence of any CONSULTANT claims or pending litigation relating to the Contract. Disqualification or suspension of the CONSULTANT for failure to comply with this section shall also preclude the CONSULTANT from acting in the future as a subcontractor of another CONSULTANT doing work for the AUTHORITY during the period of disqualification or suspension. Disqualification shall mean the CONSULTANT is not eligible for and shall be precluded from doing future work for the AUTHORITY until reinstated by the AUTHORITY.

Final Audit for Project Closeout: The CONSULTANT shall permit the AUTHORITY, at the AUTHORITY'S option, to perform or have performed, an audit of the records of the CONSULTANT and any or all subcontractors to support the compensation paid the CONSULTANT. The audit will be performed as soon as practical after completion and acceptance of the contracted services. In the event funds paid to the CONSULTANT under the Contract are subsequently determined to have been inadvertently paid by the AUTHORITY because of accounting errors or charges not in conformity with the Contract, the CONSULTANT

agrees that such amounts are due to the AUTHORITY upon demand. Final payment to the CONSULTANT shall be adjusted for audit results.

CONSULTANT shall preserve all Proposal Records and Contract Records for the entire term of the Contract and for a period of five (5) years after the later of: (i) final acceptance of the project by the AUTHORITY, (ii) until all claims (if any) regarding the Contract are resolved, or (iii) expiration of the Proposal Records and Contract Records' status as public records, as and if applicable, under Chapter 119, Florida Statutes.

Request for Operations and Maintenance Contract

Atlee Mercer Chairman Dear Ms. Kelley:

Bob Healy Secretary The Osceola County Expressway Authority (OCX) sincerely appreciates working with the Central Florida Expressway Authority (CFX) in moving the Poinciana Parkway project forward. There is an excellent working relationship with our consultants and the CFX staff on the toll collection system and marketing of E-Pass.

William Folsom
Vice-Chairman

To further assist OCX as we approach the opening of the initial segment of Poinciana Parkway, we are requesting that CFX continue partnering with OCX to provide the maintenance of the toll equipment by TransCore and the maintenance of the toll plaza buildings by your facilities maintenance contractor. We understand that CFX has an existing toll equipment maintenance contract with TransCore and OCX is requesting to be added to that contract for the Poinciana Parkway equipment maintenance. On the facilities contract, we understand it is in the procurement process and we are requesting the procurement include the two additional toll plaza sites on Poinciana Parkway. OCX would reimburse CFX for the costs associated with these two maintenance contracts. We believe that by working with CFX on these maintenance contracts, there will be significant savings.

Thomas White Board Member

We look forward to continuing to work with you to make Poinciana Parkway a success.

Staffing and Expand the Scope of Services to the E-PASS and Violation Enforcement Operations Services Agreement; Contract No. 001105 (Q

Board Approval is requested for Supplemental Agreement No. 1 with EGIS Projects, Inc., in the not to exceed amount of \$12,566,794.52 for increased staffing and expansion of the scope of services to support current and future operational needs. The current contract has reached capacity for staffing and cannot support current volumes of calls and image processing.

CFX staff expects future growth in image based tolling and future overall E-PASS growth to continue due to the openings of Poinciana and Wekiva Parkways as well as ongoing E-PASS initiatives.

The expansion of the scope of services will support a structure that will allow for overall improvements in quality and service to our E-PASS and Pay By Plate customers. The CFX staff will utilize a tiered approached by implementing measurement tools to aide in staffing additions and deletions based on volume changes. This staffing request is complementary to the "Customer Service Center Space Optimization" request that was approved by the Board in January 2016.

Contract No. 1105

Supplemental Work Force Increase Scope of Work

Summary

CFX desires to supplement the existing contract with EGIS Projects Inc. to provide additional staff and management to support the upcoming E-PASS Marketing initiatives, dynamic growth in image based tolling and future overall E-PASS growth. Based on a cooperative analysis by both EGIS and CFX executive staffs it is felt that the current staffing levels and structure are not appropriate to handle the current volume of calls, image processing and general business support services required under the existing scope of work. By making the recommended changes CFX will set in place a management structure and work force that will provide the level of service and quality their customers deserve.

Management & Supervisory Support

Additional management and supervisory positions will be added to the contract to facilitate a standard reporting structure with appropriate spans of control to provide front line staff the support needed to function efficiently.

Human Resources

Based on the additional staff to be added as well as future increases in overall staff numbers it is in the best interest of the project to have an on-site human resource manager. By doing so all human resource related items can be handled locally, timely and in a consistent manner. In the past the project manager and position managers were burdened with these items and were diverted from their primary focus from of managing the day to day operation. Currently at 128 employees potentially going to 201 with no HR staff on site.

Commercial Sales Account Manager

In an effort to further support E-PASS commercial account growth a sales manager will be brought on to specifically solicit business accounts that have medium to large vehicle fleets and present them with the financial benefits of having E-PASS accounts. This person will be directly related to helping grow E-PASS market share.

Call Center Agents & Image Review Clerks

Additional staffing levels in these areas will be adjusted, up or down, based on the Erlang Method for call volumes and image review processing speeds of 500 images per hour for image review clerks.

FIRST AMENDMENT TO AGREEMENT RELATED TO TOLL COLLECTION SERVICES FOR USERS WITHOUT TRANSPONDERS VIA WIRELESS APPLICATION

THIS FIRST AMENDMENT TO THE AGREEMENT RELATED TO TOLL COLLECTION SERVICES FOR USERS WITHOUT TRANSPONDERS VIA WIRELESS APPLICATION (the "Amendment"), effective _______, 2016 ("Effective date") is entered into by and among PayTollo Inc, a Delaware corporation, having offices at 1 West Campbell Avenue, Suite E 45, Campbell, California 95008 ("Service Provider"), registered and authorized to conduct business in the State of Florida and Central Florida Expressway Authority ("CFX"), a body politic and agency of the State of Florida, having offices at 4974 ORL Tower Road, Orlando, FL 32807.

WHEREAS, the parties have determined it necessary to amend the agreement stated below

NOW, THEREFORE, in consideration of the promises and covenants of this Agreement, the parties hereto agree as follows:

Section 2. <u>Section 2. c. i. Entitled "Scope of Work and Operations" is amended as follows:</u>

c. Beta Test.

If the Service Provider is determined to be charging Service Provider's customers in excess of the

amounts allowed pursuant to this Agreement then this fact shall constitute an event of default under this Agreement and CFX shall be immediately entitled to exercise its rights under this Agreement.

Section 4. Section 4. Entitled "Service Provider's Customer Agreement" is amended to create a new subparagraph (e.) as follows:

Any customer agreement between the Service Provider and the Service Provider's Customers must include the following provisions:

- a. This agreement is between you and the Service Provider, not CFX. Award of Contract for

Single Line Dynamic Message Sign (DMS) Upgrade

Project No. 599-525, Contract No. 001159

In accordance with the approved Procurement Policy and the Procurement Procedures Manual, an invitation to bid the referenced project ran in the Orlando Sentinel on August 16, 2015. Responses to the invitation were received from four (4) contractors by the March 24, 2016, deadline for submittal of bids.

Bid results were as follows:

	<u>Bidder</u>	Bid Amount
1.	Traffic Control Devices, Inc.	\$4,555,555.55
2.	American Lighting and Signalization, Inc.	\$4,595,541.80
3.	The New Florida Industrial Electric, Inc.	\$4,744,690.80
4.	SICE, Inc.	\$4,846,667.58

The Engineer's Estimate for this project is \$5,414,192.12.

The Engineer of Record for project 599-525 has reviewed the low bid submitted by Traffic Control Devices, Inc. to determine whether the overall bid amount falls within the generally accepted tolerance threshold of 25% used by CFX and other state agencies for bids that are below the Engineer of Record's (EOR) Estimate. The low bid is approximately 15.9% below the Engineer's Estimate and is acceptable.

The Engineer of Record also reviewed the bid tabulation and found three unbalanced bid items. A meeting was held on March 29, 2016, with the Engineer of Record to discuss these items and it was mutually agreed that the deviation was acceptable.

The Procurement Department has evaluated the bids and has determined the bid from Traffic Control Devices, Inc., to be responsible and responsive to the bidding requirements. Award of the contract to Traffic Control Devices, Inc., in the amount of \$4,555,555.55 is recommended contingent upon final execution of the contract by both parties.

Stat.

"Board members, employees, and consultants who hold positions that may influence authority decisions shall refrain from engaging in any relationship that may adversely affect their judgment in carrying out authority business." § 348.753(8), Fla. Stat. To prevent such conflicts of interest and preserve the integrity and transparency of the Central Florida Expressway Authority ("CFX") to the public, disclosures must be made annually.
