Authorization to Advertise for Construction Bids

Systemwide Logo Panel Replacement & Service Signage

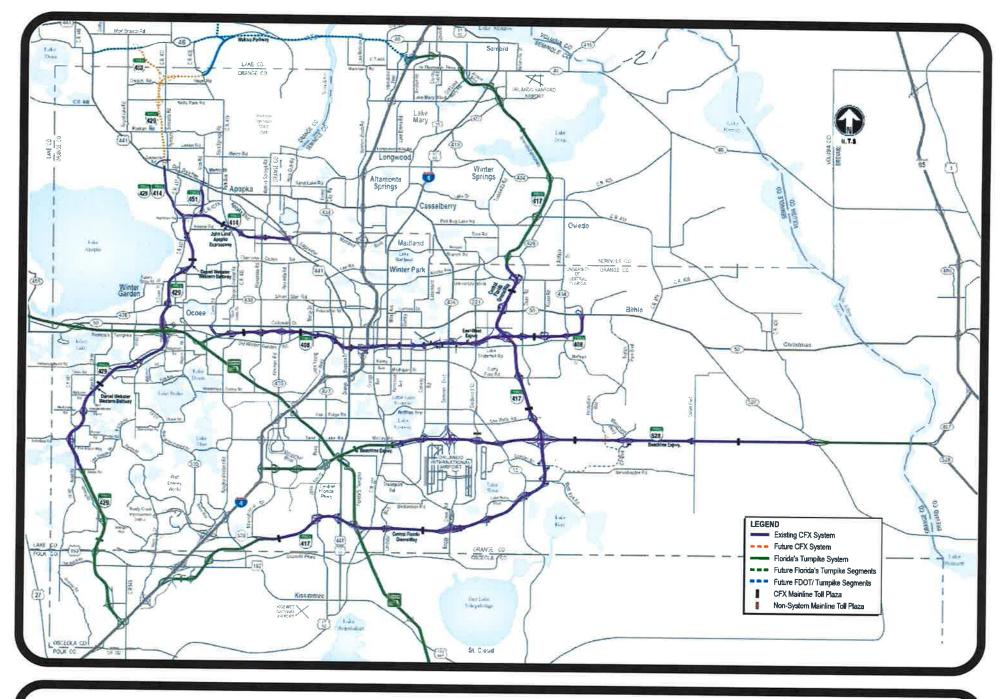

Project No. 599-626, Contract No. 001238

Board authorization is requested to advertise for construction bids for the Systemwide Logo Panel Replacement and Service Signage, Project No. 599-626. This project consists of replacing the Expressway Authority logo with the CFX logo panels (generally located on route confirmation markers, bridges and at jurisdictional limits) and installing signage throughout the System to enhance customer service.

This project is included in the current Five-Year Work Plan.
