

DRIVING LOCAL

Local Jobs. Local Benefits. Local World-Class Innovation.

Central Florida's regional competitiveness depends on reliable and efficient movement of goods and people. With Metro Orlando serving as the epicenter of east-west mobility, no wonder Central Florida Expressway Authority (CFX) has become the link in connecting businesses, universities, attractions and manufacturing activity to vibrant communities across Central Florida. CFX is driving local results where they matter most.

LOCAL JOBS.

CFX toll revenues stay local, reinvested into local projects in Lake, Orange, Osceola and Seminole counties. That translates to an estimated \$1.3 billion in locally planned projects and improvements through 2021. What's more, 98% of all work is performed by the private sector.

Creating over 12,000 jobs

Driving \$700 million in wages

Saving businesses over \$22 million in travel time

LOCAL BENEFITS.

CFX is one of the few toll agencies in the nation where local elected officials represent the majority of its governing board. Maintaining local control puts customers and the local community in the driver seat.

Providing free E-PASS electronic toll stickers to all corporate and residential customers

Offering exclusive toll discounts of up to 20% for all E-PASS customers

Offering customers the convenience of two walk-in E-PASS Service Centers, a local customer call center, and drive-up service Reload Lane - the first of its kind in the continental U.S.

WORLD-CLASS INNOVATION.

CFX has been at the forefront of innovation, launching Florida's first electronic toll system in 1994, E-PASS. But, innovation goes deeper than just technology; it extends to safety, financing and mobility that holds the promise of even more choices and innovative solutions to come.

Funding intelligent transportation technologies with UCF, local law enforcement and private sector businesses to increase safety and stay one step ahead of travel demands

Planning for a multimodal future infrastructure allowing for rapid transit, trams and fixed guideways within CFX right-of-ways

Making travel easier by ensuring E-PASS works on all toll roads in Florida, Georgia and North Carolina and pays for parking at Orlando International Airport
