

DRIVING LOCAL

Local Jobs. Local Benefits. World-Class Innovation.

Central Florida's regional competitiveness depends on reliable and efficient movement of goods and people. Central Florida Expressway Authority (CFX) is the link connecting businesses, universities, attractions and manufacturing activity to vibrant communities across the region. CFX drives local results where it matters most.

LOCAL JOBS.

CFX toll revenues stay local and are reinvested into local projects in Brevard, Lake, Orange, Osceola and Seminole counties. That translates to an estimated \$1.6 billion in locally planned projects and improvements through 2022. What's more, 98% of all work is performed by the private sector.
