

# CONSTRUCTION QUICK FACTS

## PROJECT: WIDENING OF ENTRANCE RAMP TO NORTHBOUND SR 429 FROM CR 535

To improve traffic flow, the Central Florida Expressway Authority is widening the entrance ramp to northbound State Road 429 (Daniel Webster Western Beltway) from County Road 535/Winter Garden Vineland Road.

### LANE CLOSURES

During construction, temporary lane and road closures will be necessary to accommodate work. To minimize the impact of construction to motorists traveling on SR 429 and Stoneybrook West Parkway, lane and road closures will not be permitted during peak travel times. There will be night and weekend work on this project.

### WORK ZONE SAFETY

For the safety of motorists and work crews, speed limits will be strictly enforced during construction. Speeding fines are doubled in work zones when workers are present. Motorists are reminded to change lanes for safety when they see Road Rangers assisting other motorists or flashing lights – it's Florida law.
