**Central Florida Expressway Authority
Invoice Processing Policy**

Rationale

It is important that Central Florida Expressway Authority (CFX) properly validate and approve all invoices prior to payments while maintaining proper segregation of duties to protect the organization's assets.

Authorization for Invoice Approval

It shall be the policy of the Board that the Executive Director is charged with implementing a system that requires all payments made by CFX be properly authorized by the appropriate personnel. Staff shall ensure that all invoices are properly scrutinized to ensure that the goods or services rendered and invoiced for were appropriately received in an acceptable manner; the invoice reflects the agreed upon price (per contract or purchase order, etc.); and that the procurement of such goods and services had been approved, as appropriate, by the procurement department. Authorization to approve invoices shall rest with the Executive Director, who will delegate this responsibility as appropriate.

This policy supercedes the previous policy adopted on June 27, 2012 and any related policies and directives regarding invoice processing.

This policy shall be reviewed every two years.
