

STATE ROAD 417

CORRIDOR WIDENING

SR 417 WIDENING FROM INTERNATIONAL DRIVE TO SR 528

Starting in late 2020, the Central Florida Expressway Authority (CFX) will begin the 21-mile widening of SR 417 (Central Florida GreeneWay) from International Drive to SR 528 (Martin B. Andersen Beachline). The widening, anticipated to be complete by late 2023, will be broken into five segments to minimize impact to motorists.

CFX will add a travel lane to SR 417 in each direction between International Drive and State Road 528 as well as sound walls along several locations of the expressway. CFX is also implementing a new design element of wider median shoulders that can temporarily accommodate additional traffic during emergency response events, such as traffic accidents or hurricane evacuations.

PROJECT SEGMENTS

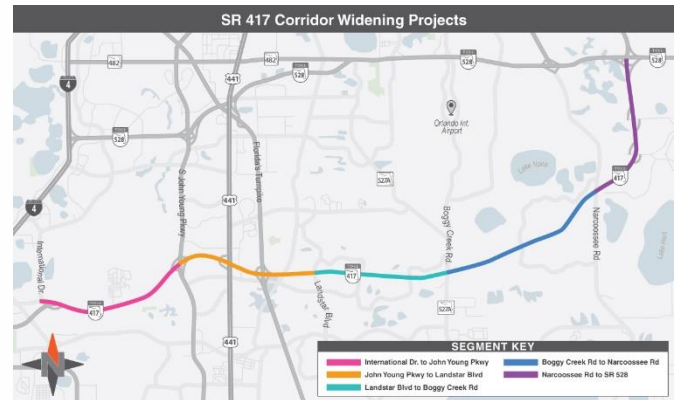

Anticipated Start Dates

- Segment 1 – Early 2021: International Drive to John Young Parkway
- Segment 2 – Early 2021: John Young Parkway to Landstar Boulevard
- Segment 3 – Spring 2021: Landstar Boulevard to Boggy Creek Road
- Segment 4 – Fall 2021: Boggy Creek Road to Narcoossee Road
- Segment 5 – Summer 2021: Narcoossee Road to SR 528

WORK ZONE SAFETY

For the safety of motorists and work crews, speed limits will be strictly enforced during construction. Speeding fines are doubled in work zones when workers are present. Motorists are reminded to change lanes for safety when they see Road Rangers assisting other motorists or flashing lights – it's Florida law.
