

# SR 408 / TAMPA AVENUE INTERCHANGE PROJECT

## DESIGN DESCRIPTION

The Central Florida Expressway Authority, in partnership with the City of Orlando, is designing improvements to the SR 408/Tampa Avenue interchange near Camping World Stadium. Planned improvements include:

- A full-diamond interchange at Tampa Avenue, providing access to and from the east
- Signalized intersections at the Tampa Avenue interchange
- Preparation for an additional eastbound SR 408 lane between John Young Parkway and US 441/Orange Blossom Trail
- A realigned eastbound ramp to US 441/Orange Blossom Trail
- Improved lighting and sidewalks

This work will improve traffic flow and pedestrian safety at Tampa Avenue, especially during events at Camping World Stadium.
