State Road 429 Corridor Widening Projects: Segment 3
West Road to SR 414

Date: Wednesday, January 27, 2021

Time: 6:30 p.m. – 7:30 p.m.

Location: On-line – Must Pre-Register

The [Central Florida Expressway Authority](#) (CFX) invites you to a virtual Pre-Construction Community Meeting for the SR 429 Corridor Widening Projects: Segment 3—West Road to SR 414.

The public meeting is scheduled for Wednesday, January 27 2021, from 6:30 p.m. to 7:30 p.m. To participate, please pre-register by visiting <https://bit.ly/3gFerGU>. This link is case sensitive. A video of the meeting will be posted at CFXsr429wideningprojects.com at a later date.

This 3.4-mile project will widen SR 429 by adding a travel lane in each direction, expanding the expressway from four to six lanes (three travel lanes in each direction). Also being added are wider median shoulders, known as part-time shoulders, which can temporarily accommodate traffic during emergency response events, such as traffic accidents or hurricane evacuations. Work is scheduled to begin in late 2021 and is expected to take approximately two and a half years to complete.

CFX conducted a noise analysis and identified eight locations where a sound wall would be a viable measure to reduce traffic noise. This public meeting will provide information on the plans for those sound walls, as well as the road widening. The proposed sound wall concepts will be shown in the meeting. Public comments will be accepted until Monday, February 8, 2021, for the public record.

For additional information concerning the project, please contact Kevin Camara, Public Information Officer, at 407-383-5817 or via email at Construction@CFXway.com.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services, free of charge, should contact Mr. Camara at least seven (7) days prior to the meeting.
