

# EASTBOUND STATE ROAD 528 WIDENING PROJECT

## NARCOOSSEE ROAD TO STATE ROAD 417

### PROJECT DESCRIPTION

The Central Florida Expressway Authority is widening eastbound State Road 528 (Martin B. Andersen Beachline Expressway) from Narcoossee Road to State Road 417 (Central Florida GreeneWay) to reduce congestion and improve traffic flow. This 2-mile project will add a lane on eastbound SR 528 between Narcoossee Road and SR 417, expanding this portion of the expressway from two to three travel lanes. The project also includes milling and resurfacing, as well as updates to lighting and signage.

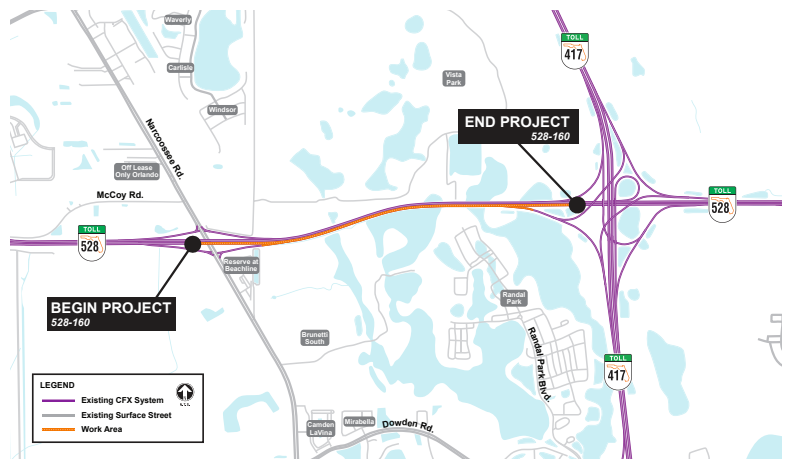

### WHAT TO EXPECT

During construction, temporary lane and ramp closures will be necessary to accommodate work. To minimize the impact of construction to motorists traveling on SR 528, lane and ramp closures will not be permitted during peak travel times. There will be night and weekend work on this project.

### WORK ZONE SAFETY

For the safety of motorists and work crews, speed limits will be strictly enforced during construction. Speeding fines are doubled in work zones when workers are present. Motorists are reminded to change lanes for safety when they see Road Rangers assisting other motorists or flashing lights — it's Florida law.
