

SR 538/POINCIANA PARKWAY CAPACITY IMPROVEMENTS PROJECT

RONALD REAGAN PARKWAY TO
COUNTY ROAD 580/CYPRESS PARKWAY

PROJECT DESCRIPTION

The Central Florida Expressway Authority will be adding two lanes to create a divided four lane expressway on SR 538/Poinciana Parkway from Ronald Reagan Parkway to County Road (CR) 580/Cypress Parkway. This 7-mile capacity improvements project is expected to improve traffic flow and operations in the area.

The project includes four proposed noise walls; re-aligning the intersection with CR 580/Cypress Parkway at Solivita Boulevard; building a second bridge over the Reedy Creek Mitigation Bank; building new bridges at Marigold Avenue and KOA street; and two new ramps at the existing interchange with Marigold Avenue.

WHAT TO EXPECT

During construction, temporary lane closures will be necessary to accommodate work. To minimize the impact of construction to motorists, lane closures will not be permitted during peak travel times. There will be night and weekend work on this project.

WORK ZONE SAFETY

For the safety of motorists and work crews, speed limits will be strictly enforced during construction. Speeding fines are doubled in work zones when workers are present.

**CENTRAL
FLORIDA
EXPRESSWAY
AUTHORITY**

The Central Florida Expressway Authority (CFX) is an independent agency of the State of Florida that operates and maintains a regional network of expressways for 3.3 million residents of Brevard, Lake, Orange, Osceola, and Seminole counties and more than 75 million annual visitors to Central Florida. CFX's 125-centerline mile, user-funded system which includes 73 interchanges, 14 mainline toll plazas, 5 mainline gantries, 76 ramp toll plazas and 343 bridges. On average, more than 1.3 million toll transactions are recorded daily, over 95 percent of them electronically. CFX operates E-PASS, the first electronic toll collection system in Florida, with more than 800,000 E-PASS accounts. For more information, visit CFXway.com.
