STATE ROAD 408 IMPROVEMENT PROJECTS

TAMPA AVENUE/SR 408 INTERCHANGE
ORANGE BLOSSOM TRAIL TO THE I-4 INTERCHANGE

SPRING 2026

As part of the State Road (SR) 408 Improvement Projects, the Central Florida Expressway Authority (CFX) will be constructing a stormwater management pond located between Easy Avenue and Woods Avenue that will require a temporary detour during construction of the pond (see graphic below). Residential access will be maintained for homes who use Long Street between Albany Avenue and Grove Avenue. Following the completion of the stormwater management pond, the traffic pattern used for the detour will remain in place as the FINAL traffic pattern (see graphic below).

The purpose of this work is to accommodate the new stormwater management pond, to improve safety for motorists exiting westbound SR 408 to US 441 (S. Orange Blossom Trail), and to construct a new one-way connection between Grove Avenue and Woods Avenue (see reverse side to view renderings).

FINAL TRAFFIC PATTERN AFTER CONSTRUCTION

DRIVING DIRECTIONS

Motorists traveling westbound on Long Street toward US 441 (S. Orange Blossom Trail) will be directed to turn right on S. Westmoreland Drive traveling north to W. South Street. Motorists will then turn left on W. South Street traveling west to US 441 (S. Orange Blossom Trail) and will then turn left on US 441 (S. Orange Blossom Trail) traveling south towards Long Street.

The Central Florida Expressway Authority (CFX) is an independent agency of the State of Florida that operates and maintains a regional network of expressways for 3.5 million residents of Brevard, Lake, Orange, Osceola, and Seminole counties and more than 75 million annual visitors to Central Florida. CFX's 125-centerline mile, user-funded system includes 73 interchanges, 14 mainline toll plazas, 5 mainline gantries, 76 ramp toll facilities (includes six ramp gantries) and 365 bridges. On average, more than 1.6 million toll transactions are recorded daily, all of them electronically. CFX operates E-PASS, the first electronic toll collection system in Florida, with more than one million E-PASS accounts. For more information, visit CFXway.com.
