Location: On-line – Must Pre-Register

The [Central Florida Expressway Authority](#) (CFX) invites you to a virtual Pre-Construction Community Meeting for the SR 417 Corridor Widening Projects: Segment 4 Boggy Creek Road to Narcoossee Road.

The public meeting is scheduled for Wednesday, November 18, 2020, from 6:30 p.m. to 7:30 p.m. To participate, please pre-register by visiting <http://bit.ly/SR417VPMNov2020>. This link is case sensitive. A video of the meeting will be posted at CFXsr417corridorwideningprojects.com on Friday, November 20, 2020.

This 4.5-mile project segment will widen SR 417 by adding one lane in each direction for a total of six travel lanes. This project segment will also add capacity to the southbound SR 417 entrance ramp at Lake Nona Boulevard and modify the existing configuration of the southbound SR 417 ramp to Narcoossee Road to three left turn lanes and a single right turn lane. Wider median shoulders will be added that can temporarily accommodate traffic during emergency response events, such as traffic accidents or hurricane evacuations.

The public meeting will allow the public to view project information, including maps and graphics, ask questions and submit comments.

CFX conducted a noise analysis and identified one location where a sound wall would be a viable measure to reduce traffic noise. CFX is trying to determine the level of support from nearby property owners for the construction of these sound walls. The proposed sound wall concepts and roadway widening will be shown in the meeting. Public comments will be accepted until Friday, November 20, 2020 for the public record.

For additional information concerning the project, please contact Kevin Camara, Public Information Officer, at 407-383-5817 or via email at Construction@CFXway.com.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services, free of charge, should contact Mr. Camara at least seven (7) days prior to the meeting.
