## Road Trip Prep Lists & Tips

### Personal Safety Checklist

- **Face Coverings** - Wear it in all public places. If you're traveling for a week or more, considering bringing additional face coverings to use when they get dirty.
- **Hand Sanitizer** - The CDC recommends using an alcohol-based hand sanitizer (at least 60% alcohol) and keeping it easy to reach.
- [Uni toll pass](#) - Uni allows for a safe, touchless form of payment on toll roads from Florida to Maine and west to Illinois
- **Disinfecting Wipes** - Pack wipes that kill 99.9% of germs on surfaces. Use to clean high-touch surfaces in your car (door handles, steering wheel, gear shift, radio dials, etc.) and to disinfect your travel lodgings once you arrive.
- **Personal Medicine** - Bring enough medicine to last the entire trip.
- **Food and Water** - Pack non-perishable food and water, in case restaurants and stores are closed. Pack enough for each passenger in the vehicle.
- **Plan ahead:** Road-trippers can get information on the coronavirus situation along their route and at their destination in all 50 states by [checking with state or local health departments](#) listed on the CDC's website. You also can keep an eye on the number of cases and deaths by state at the CDC's [Covid Data Tracker](#) map. And you can check out [AAA's Covid-19 Travel Restrictions Map](#) for the rules on the areas you'll be traveling through and to, including places that have reopened but have mask requirements.
