 - Masks are required by Reunion Resort.
- **Virtual workshop**
 - Please pre-register at <http://bit.ly/CR532May25AltWorkshop>. (Link is case sensitive.)

The [Central Florida Expressway Authority](#) (CFX) is partnering with Osceola County on a study and design for the widening of County Road 532/Osceola Polk Line Road. The study will help CFX and Osceola County to reach a decision on a preferred typical section. The preferred typical section will then be used to design the widening of CR 532/Osceola Polk Line Road from South Old Lake Wilson Road/Lake Wilson Road to US 17/92.

CFX invites you to these public workshops, which are being held both in person and virtually on **Tuesday, May 25, 2021, from 5:30 p.m. to 7:30 p.m.**

During the in-person and virtual workshops, typical section alternatives will be presented for public input and an evaluation matrix of the alternatives' potential physical, natural, social, cultural, and environmental impacts will be shared. Team members will be available to answer questions at both workshops.

Public involvement and interagency coordination have been integral during the assessment of this project and opportunities for input will continue throughout the study and design process.

For more information, visit www.CFXway.com and type "PD&E Studies" in the search bar. You may also contact Kathy Putnam, Public Involvement Coordinator: 407-802-3210 or ProjectStudies@CFXway.com.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services, free of charge, should contact Ms. Putnam at least seven (7) days prior to the meeting.
