

# STEP-BY-STEP GUIDE

## Creating a new E-PASS Account via the E-PASS App

CENTRAL  
FLORIDA  
EXPRESSWAY  
AUTHORITY

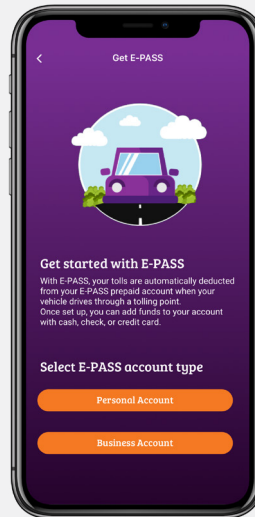

STEP  
1

Tap **“Sign Up”** on the bottom of the screen to begin creating a new E-PASS Account.

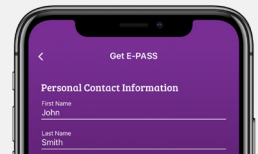

STEP  
2

Select your E-PASS account type by tapping either **Personal** or **Business Account**.

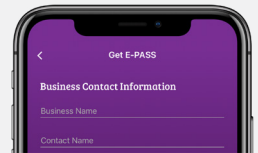

*(Business is for 10+ vehicle fleet accounts)*

STEP  
3a

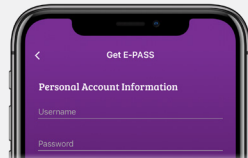

If you selected Personal, enter the contact information. All fields are required. Then, tap **“Continue”**.

STEP  
3b

If you selected Business, enter the contact information. All fields are required. Then, tap **“Continue”**.

STEP  
4a

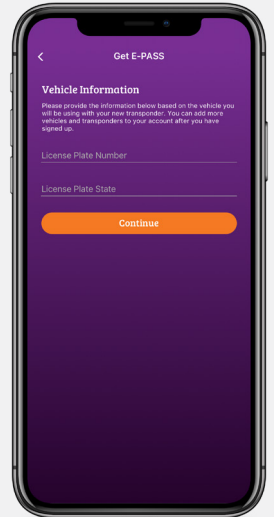

Input your personal account preferences. Review the E-PASS User Agreement and check **“I accept and agree”**. Then, tap **“Continue”**.

STEP  
5

Choose the E-PASS product that's right for you and tap **“Next”**.

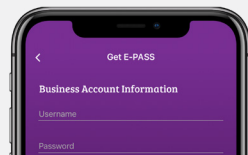

STEP  
6

Input the requested information for the vehicle you will be using with your transponder.

Then, tap **“Continue”**.

STEP  
4b

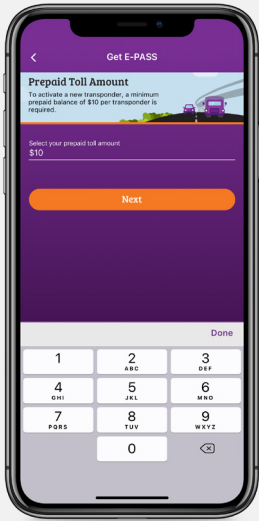

Input your business account preferences. Review the E-PASS User Agreement and check **“I accept and agree”**. Then, tap **“Continue”**.

**Save More. Go Farther.**  
*The Choice is Yours.*

**Visit [GetEpass.com](https://www.getepass.com) to learn more**  
**about our E-PASS family of products.**

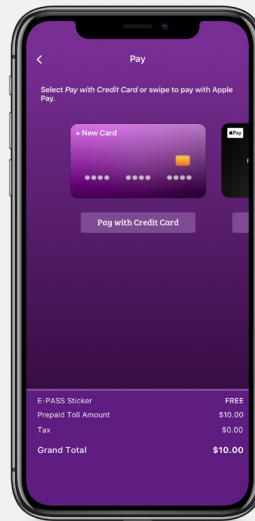

**STEP  
7**

Input the amount of prepaid tolls to add to your new E-PASS account and tap **'Next'**.

*Note: a minimum of \$10 is required*

**STEP  
8**

Select your preferred payment method to continue setting up your new account.

*Credit card or Apple Pay are accepted.*

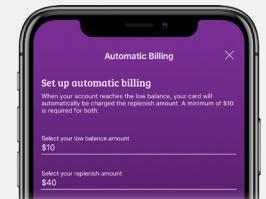

**STEP  
9a**

Input your payment information.

If you wish to set up automatic billing to replenish your account, check **'Automatically bill my card'** and follow the steps in 9b. Otherwise, tap **'Submit Payment'**.

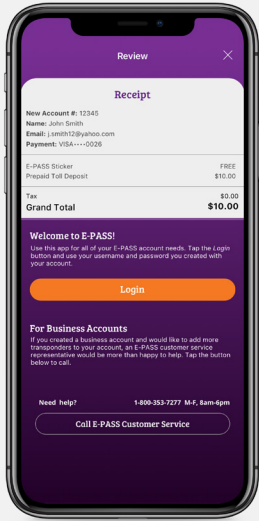

**STEP  
9b**

If you wish to set up automatic billing to replenish your account, input your low balance threshold and replenish amount.

*Note: a minimum of \$10 is required for both the low balance amount and replenishment amount.*

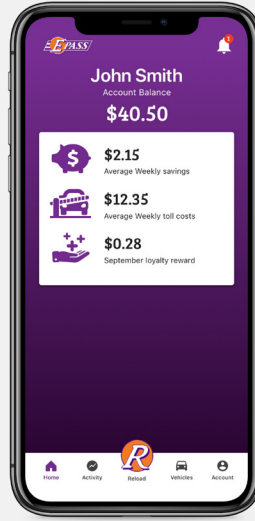

**STEP  
10**

Review your receipt with today's transaction and tap **'Close'** to finish.

That's it!

**ENJOY**

With the app installed, you can now easily manage your E-PASS account on the go. Reload your account, view your account balance, monitor your activity, and more!
