Monday, February 20, 2023  
From 6 p.m. – 7:30 p.m.

**In-person meetings:**  
Tuesday, February 21, 2023 and Thursday, February 23, 2023  
From 5:30 p.m. – 7:30 p.m.

Location: **Online/Virtual meeting:**  
Monday, February 20, 2023:  
Pre-register at [bit.ly/LakeOrangeExpVPM](https://bit.ly/LakeOrangeExpVPM) (Link is case sensitive)

**In person meetings:**  
Tuesday, February 21, 2023:  
Horizon High School Cafeteria – Enter via Summerlake Groves Street  
10393 Seidel Road, Winter Garden, FL 34787

Thursday, February 23, 2023:  
Clermont Arts & Recreation Center – Gymnasium  
3700 South Highway 27, Clermont, FL 34711

---

The [Central Florida Expressway Authority](https://www.cfexa.com) invites you to Public Information Meetings for the SR 516 (Lake/Orange Expressway).

A virtual public information meeting is scheduled on **Monday, February 20, 2023, from 6 p.m. to 7:30 p.m.** To participate, please pre-register by visiting [bit.ly/LakeOrangeExpVPM](https://bit.ly/LakeOrangeExpVPM). Public information meetings will be held in-person on **Tuesday, February 21, 2023** and **Thursday, February 23, 2023**; from 5:30 p.m. to 7:30 p.m. This link is case sensitive. A video of these meetings will be posted at [bit.ly/LakeOrangeExp](https://bit.ly/LakeOrangeExp) at a later date.

In September 2020, the Central Florida Expressway Authority began designing the new four-lane limited access expressway from US 27 to State Road 429 known as State Road 516. The expressway is divided into three segments. Segment 1, from US 27 to west of Cook Road, Segment 2, from west of Cook Road to the Lake/Orange County line and Segment 3, from the Lake/Orange County line to SR 429. The new expressway is expected to improve connectivity between Lake and Orange counties, as well as meet future traffic needs.

The 5-mile project will build a new expressway from US 27 in Lake County to SR 429 in Orange County and includes interchanges at US 27, CR 455, Valencia Parkway and SR 429. The design realigns US 27 to avoid impacts to Lake Louisa State Park and adds bike trails located along SR 516, US 27, CR 455 and Valencia Parkway.

This project will also be unveiling CFX's pilot in-lane pavement self-charging system in partnership with the ASPIRE Engineering Research Center.

For more information, visit [bit.ly/LakeOrangeExp](https://bit.ly/LakeOrangeExp) (link is case sensitive) or contact Russ Handler, Public Information Officer, by phone at 407-819-9859, or by email at [Construction@CFXway.com](mailto:Construction@CFXway.com).

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require accommodations under the Americans with Disabilities Act or persons who require translation services, free of charge, should contact Russ Handler as noted below at least seven (7) days prior to the meeting.
