A motion was made by Mr. Newton and seconded by Mr. Satchfield to approve the August 28, 2024 Right of Way Committee meeting minutes with the correction of Mr. Small's name as stated above. The motion carried unanimously with all eight (8) Committee members present voting AYE by voice vote.

D. AGENDA ITEMS

D.1. RIGHT OF WAY ACQUISITION AGREEMENT BETWEEN MARIO CHIUCCARIELLO, TRUSTEE OF CHARLOTTE REALTY TRUST, U/D/T DATED JAN. 17, 2024 AND THE CENTRAL FLORIDA EXPRESSWAY AUTHORITY PROJECT NUMBER: SR 538-238 POINCIANA PARKWAY EXTENSION PARCEL 53-218 A, B, C & D

Mr. Richard Milian with Nelson Mullins Riley and Scarborough stated that, as part of the right-of-way acquisition for the Poinciana Parkway Extension (SR 538) project, CFX needs to acquire property in Polk County. He provided details on the property's location and characteristics. He distributed an aerial photograph of the property, attached hereto as "**Exhibit A.**" CFX needs to acquire full fee taking of approximately 8.46 acres for this project and for the relocation of numerous utilities.

Based on appraisal reports by Pinel & Carpenter, Inc., the combined appraised value of the parcels is \$1,032,830.00.

CFX negotiated a purchase price of \$1,200,000.00, reflecting a 16.19% increase from the appraised value, plus title insurance related premium and costs, and other fees and costs related to the closing. This negotiated purchase avoids litigation and additional costs.

A motion was made by Mr. Murvin and seconded by Mr. Satchfield for recommendation of Board approval of the Right of Way Acquisition Agreement between Mario Chiuccariello, Trustee of Charlotte Realty Trust, U/D/T dated Jan. 17, 2024 and the Central Florida Expressway Authority, in the amount of \$1,200,000.00, subject to appropriate credits, adjustments and prorations and authorizing the Executive Director or her designee to execute all documents necessary. The motion carried unanimously with all eight (8) Committee members present voting AYE by voice vote.

D.2. RESOLUTION DECLARING PROPERTY AS SURPLUS PROPERTY AVAILABLE FOR SALE PROJECT: SR 408, PROJECT 2.1 PARCEL NUMBERS: 312-1 AND 312-2

Ms. Angela Wallace, General Counsel, explained that during the construction of SR 408, Project 2.1 and associated facilities (the "Expressway Facilities"), CFX acquired various properties.

She stated that CFX retained ownership of Parcels 312-1 and 312-2, originally acquired for the SR 408 Project 2.1, but no longer needed for the Expressway System. Pursuant to CFX's Property Acquisition, Disposition & Permitting Procedures Manual, Staff and the General Engineering Consultant (GEC) reviewed the parcels and determined they are not required for current or future CFX operations. The GEC certified that disposing of the parcels would not impact the Expressway System.

The Committee members asked questions which were answered by Ms. Wallace.

Chairman Carroll clarified that the Orlando Housing Authority and the City of Orlando are unrelated.

A motion was made by Mr. Satchfield and seconded by Mr. Murvin for recommendation of Board approval of the Resolution Declaring Property as Surplus Property Available for Sale, subject to minor or clerical modifications or revisions approved by CFX's General Counsel. The motion carried unanimously with all eight (8) Committee members present voting AYE by voice vote.

MEMORANDUM

TO: CFX Right of Way Committee Members

FROM: Richard N. Milian, Esq. 
Right-of-Way Counsel
Nelson Mullins Riley & Scarborough, LLP

DATE: May 7, 2025

SUBJECT: Right-of-Way Acquisition for Mario Chiuccariello, Trustee of Charlotte Realty Trust, u/d/t dated Jan. 17, 2024
Project: Poinciana Parkway Extension Project, State Road 538
Parcel No: 53-218 A, B, C & D

BACKGROUND

As part of the right-of-way acquisition required for the Poinciana Parkway Extension/State Road 538 project (the "Project"), the Central Florida Expressway Authority ("CFX") needs to acquire the property described and depicted on Exhibit "A" attached hereto (the "Property"). The Property is a part a parent tract as generally depicted on Exhibit "B" attached ("Seller's Overall Property") located in Polk County owned by Mario Chiuccariello, Trustee of Charlotte Realty Trust, u/d/t dated Jan. 17, 2024 ("Seller"). While a survey of the parent tract has not been prepared for CFX, Seller's Overall Property consists of Polk County Parcel Identification Numbers 28-26-06-000000-033050, 27-26-01-000000-011050 and 28-26-06-000000-033020 which comprises approximately 8.46 gross acres. The acquisition of Parcel 53-218 Parts A, B, C & D represent a full fee taking of the Seller's Overall Property.

Based on the appraisal reports prepared by Pinel & Carpenter, Inc, on behalf of CFX, Parcel 53-218 Parts A & B consist of several older agricultural improvements with a combined appraised valuation of Seven Hundred Fifty-Six Thousand Six Hundred Twenty and No/100 U.S. Dollars (\$756,620.00) with a Date of Valuation as of January 22, 2024. Parcel 53-218 Parts C & D, previously known as Parcel 53-235 A & B, is vacant land with a combined appraised valuation of Two Hundred Seventy-Six Thousand Two Hundred Ten and No/100 U.S. Dollars (\$276,210.00) with a Date of Valuation as of December 8, 2023. The aforesaid acquisitions together represent a full fee taking for Parcel 53-218 Parts A, B, C & D with a combined valuation of One Million Thirty-Two Thousand Eight Hundred Thirty and No/100 U.S. Dollars (\$1,032,830.00). The Right-

of-Way Agent, Patrick Murphy, on behalf of CFX, negotiated with the Seller for a purchase of Seller's Overall Property for a total purchase price in the amount of One Million Two Hundred Five Thousand and No/100 U.S. Dollars (\$1,205,000.00), which represents an approximately 16.67% increase from the appraised value. Thus, CFX's total costs of the Property would be One Million Two Hundred Five Thousand and No/100 U.S. Dollars (\$1,205,000.00) plus title insurance related premium and costs, and other fees and costs related to the closing contemplated herein.

The Purchase Price under the Agreement is consistent with the valuations of the Property as determined by CFX's appraiser, Walter N. Carpenter, Jr. of Pinel & Carpenter, Inc, and its review appraiser, Harry Collison, Jr. of The Real Estate Consortium. In addition, the acquisition of the Seller's Overall Property via a negotiated purchase agreement is in the best interest of CFX as it avoids litigation and unnecessary fees and costs.

Pursuant to the Agreement, CFX would have ninety (90) days after the execution of the Agreement to inspect the Property and close on the purchase.

REQUEST

A recommendation by the Right of Way Committee for CFX Board's approval of the Agreement and authorizing the Executive Director or her designee to execute all documents necessary to complete the transaction contemplated by the Agreement, subject to final approval of the final transaction by legal counsel.

RIGHT-OF-WAY ACQUISITION AGREEMENT

RIGHT-OF-WAY ACQUISITION AGREEMENT
(Parcel 53-218)

THIS RIGHT-OF-WAY ACQUISITION AGREEMENT (“Agreement”) is made and entered into as of the Effective Date (as hereinafter defined), by and between **Mario Chiuccariello, Trustee of Charlotte Realty Trust, u/d/t dated Jan. 17, 2024**, whose address is 38 Church Street, Winchester, Massachusetts, 01890 (“**Seller**”), and **CENTRAL FLORIDA EXPRESSWAY AUTHORITY**, a body corporate and an agency of the State of Florida, created by Part III of Chapter 348, Florida Statutes, whose address is 4974 ORL Tower Road, Orlando, Florida 32807 (“**CFX**”).

RECITALS:

Seller is the fee simple owner of that certain real property located within Polk County, Florida, Polk County Parcel Identification Number 28-26-06-000000-033050, 27-26-01-000000-011050 and 28-26-06-000000-033020, which comprises approximately 8.46 gross acres, as more particularly described on **Exhibit “A”** attached hereto and incorporated herein by this reference (the “**Seller’s Overall Property**”).

Pursuant to Chapter 348, Part III of the Florida Statutes (the “**Central Florida Expressway Authority Law**”), and particularly Section 348.754, Florida Statutes, CFX is empowered to construct, improve, maintain, and operate the Central Florida Expressway System (“**Expressway System**”) and, in connection therewith, to construct any extensions, additions or improvements to said system or appurtenant facilities, including all necessary approaches, roads, bridges, and avenues of access. Furthermore, pursuant to Section 348.760, Florida Statutes, CFX may enter into contracts, conveyances, partnerships and other agreements with other entities for the purpose of carrying out the provisions of the Central Florida Expressway Authority Law.

CFX has identified a portion of the Seller’s Overall Property as necessary right-of-way for the future construction and maintenance of right-of-way improvements for State Road 538 (the “**Project**”), consisting of approximately 8.46 acres as more particularly described and depicted on **Exhibit “B”** attached hereto and incorporated herein by this reference (the “**Property**”).

Seller and CFX desire to enter this Agreement to formalize the terms and conditions whereby the Seller shall sell and convey the Property to CFX.

NOW, THEREFORE, for and in consideration of the premises, the payment of Ten and No/100 Dollars (\$10.00) in hand paid by CFX to Seller, the mutual covenants and agreements herein set forth, and other good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged by the parties hereto, the parties hereto do hereby covenant and agree as follows:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference.

2. **Agreement to Buy and Sell.** In lieu of condemnation, Seller agrees to sell the Property to CFX, and CFX agrees to purchase the Property from Seller, in the manner and upon the terms and conditions set forth in this Agreement.

3. **The Property.** For purposes of this Agreement the term “Property” consists of the property described and depicted in Exhibit B and shall also include all of Seller’s right, title and interest in, to and under: (it) all tenements, hereditaments and appurtenances relating thereto or associated therewith, (ii) all improvements, buildings and fixtures, if any, situated thereon, (iii) any permits, approvals, authorizations and licenses relating to or affecting the Property, (iv) all right, title and interest of Seller in and to any street, road, alley or avenue adjoining such Property, and (v) all of Seller’s right, title and interest in any strip, hiatus, gore, gap or boundary adjustment area adjoining or affecting such Property.

4. **Purchase Price and Method of Payment.** The purchase price to be paid to Seller for the Property (“**Purchase Price**”) shall be One Million Two Hundred Five Thousand and No/100 U.S. Dollars (\$1,205,000.00), subject to appropriate credits, adjustments and prorations as hereinbelow provided, for the Property.

5. **Survey and Title Matters.**

(a) **Survey of the Property.** Unless otherwise waived by CFX in writing, CFX may, within thirty (30) days after the Effective Date, at its cost, obtain a new current boundary survey (the “**Survey**”) or certified sketch and legal descriptions of the Property prepared by a registered surveyor, licensed in the State of Florida (the “**Surveyor**”). If CFX elects to obtain a Survey, the Survey: (i) shall contain a metes and bounds legal description of the Property substantially consistent in all material respects of the graphic depiction of the Property set forth in **Exhibit “B”** attached hereto to be mutually agreed upon by the parties; (ii) shall be certified to Seller, CFX, Title Company (as defined below); and (iii) shall be in form and content which shall enable the Title Company to delete the standard survey exception and to issue a survey endorsement to the Title Policy (as defined below). The Surveyor’s seal shall be affixed to the Survey.

(b) **Title Insurance.** Within thirty (30) days after the Effective Date of this Agreement, unless otherwise waived by CFX in writing, CFX may obtain, at CFX’s expense, a current title insurance commitment and a copy of all exceptions referred to therein (the “**Title Commitment**”) from a nationally recognized title insurance company authorized to conduct business in the State of Florida and selected by CFX (the “**Title Company**”), which Title Commitment shall be issued by Nelson Mullins (“**Title Agent**”). The Title Commitment shall irrevocably obligate the Title Company to issue an ALTA owner’s title insurance policy approved for issuance in the State of Florida in the amount of the Purchase Price (the “**Title Policy**”), which Title Policy shall insure CFX’s fee simple title to the Property, together with any appurtenant easements. The Title Commitment will initially be based on the legal description set forth in **Exhibit “B”** attached hereto. Within fifteen (15) days after the parties have approved the legal description contained on the Survey, Seller shall issue an endorsement to the Title Commitment based on the Survey legal description whereupon CFX shall have the rights set forth in subparagraph (c) below with respect to any new matters contained on said endorsement.

(c) Title and Survey Objection. Within thirty (30) days after the latter of the Survey or the Title Commitment, CFX shall provide Seller with notice of any matters set forth in the Title Commitment or Survey which are unacceptable to CFX, which matters shall be referred to herein as “**Title Defects**”. Any matters set forth in the Title Commitment or Survey to which CFX does not timely object shall be referred to collectively herein as the “**Permitted Exceptions**”. Seller, at its election, shall have until Closing (the “**Seller’s Cure Period**”) to use commercially reasonable efforts to cure such Title Defects to the reasonable satisfaction of CFX and the Title Company. In the event Seller fails or refuses to cure any Title Defect(s) within Seller’s Cure Period, then CFX may at its option by delivering written notice thereof to Seller within seven (7) days after expiration of the Cure Period (i) terminate this Agreement, whereupon the Agreement shall be deemed null and void and of no further force and effect, and no party hereto shall have any further rights, obligations or liability hereunder; or (ii) accept title to the Property subject to such Title Defect(s). It is specifically understood and agreed that, without limitation, CFX hereby objects to and will require the removal, correction or deletion of (i) all standard exceptions set forth in the Title Commitment except for taxes for the year of closing and thereafter which are not yet due and payable (subject to any survey exceptions required by the Title Company), (ii) any gap, overlap, boundary dispute, hiatus or encroachment identified on the Survey which affects the Property and (iii) all mortgages, monetary liens or similar encumbrances. Further, it is understood and agreed that CFX hereby objects to and shall require Seller to release the Property of record from, any financial obligation related to a property owner’s association, including declarations, covenants and restrictions. At Closing, Seller shall provide the Title Company with such customary affidavits or other documents as are necessary to enable the Title Company to remove the standard exceptions from the Title Policy.

(d) No Additional Encumbrances. From and after the Effective Date, Seller shall not, without obtaining CFX’s prior written consent in each instance, create, incur, consent to or permit to exist, any easement, restriction, right-of-way, reservation, mortgage, lien, pledge, encumbrance, lease, license, occupancy agreement or legal or equitable interest, which in any way affects the Property or any portion thereof (except those called for in this Agreement) other than those of record as of the Effective Date and those that will be satisfied by Seller and released of record at Closing, and Seller hereby covenants that Seller shall comply with and abide by all of the terms and provisions of such existing easements, restrictions, rights-of-way, reservations, mortgages, liens, pledges, encumbrances, leases, licenses, occupancy agreements and agreements through the date of Closing hereunder. Seller’s failure to satisfy said requirements and/or delete said exceptions shall be a default under the Agreement by Seller.

6. Inspection Period.

(a) Unless otherwise waived in writing by CFX, CFX shall have sixty (60) days after the Effective Date (“Inspection Period”), to determine, in CFX’s sole and absolute discretion, that the Property is suitable and satisfactory for CFX’s Intended Use (the “Inspection Period”). During the Inspection Period, CFX may, in CFX’s sole discretion and at CFX’s expense, perform any and all Inspections (as more particularly defined below) CFX desires to perform, including but not necessarily limited to the following: (i) having the Property tested, surveyed and inspected to determine if the Property contains any Hazardous Substances (hereinafter defined), wastes, materials, pollutants or contaminants and obtaining a hazardous waste report prepared by a

registered engineer, which report shall be satisfactory to CFX in its sole discretion; (ii) having the Property tested, surveyed and inspected to determine if the Property contains any endangered or threatened species of animal life or endangered, threatened or commercially exploited plants on or under it, including, without limitation, any jurisdictional wetlands, such that any state or federal agency, department or commission would disallow the use of the Property intended by CFX or require CFX to relocate any such species, plants or wetlands, and obtaining an endangered species and habitat report, satisfactory to CFX in its sole discretion; and (iii) investigating the physical and economic feasibility of developing the Property for CFX's Intended Use, including without limitation investigation of all applicable building, zoning, environmental and other codes, ordinances, statutes, rules and regulations affecting the Property, stormwater management, zoning and development standards, impact and development fees, drainage conditions, soils, other environmental factors, sewer and water utility capacity and availability factors, and any other factors whatsoever considered appropriate by CFX in its sole and absolute discretion.

As used herein, "**Hazardous Substances**" shall mean and include all hazardous and toxic substances, wastes or materials, any pollutants or contaminants (including, without limitation, asbestos and raw materials which include hazardous components), or other similar substances, or materials which are included under or regulated by any local, state or federal law, rule or regulation pertaining to environmental regulation, contamination or clean-up, including, without limitation, "CERCLA", "RCRA", or state superlien or environmental clean-up statutes (all such laws, rules and regulations being referred to collectively as "**Environmental Laws**").

(b) In the event CFX determines, in its sole discretion, that it is not desirable or feasible to develop the Property for CFX's Intended Use or that it is not satisfied as to any other matter set forth in Section 6(a) above, or any other matter(s) which CFX deems relevant, then in such event CFX may, in CFX's sole discretion, elect to terminate this Agreement by furnishing written notice thereof to Seller prior to the expiration of the Inspection Period and in such event the parties hereto shall thereafter be relieved of all rights and obligations hereunder except for those rights and obligations which expressly survive a termination of this Agreement. In the event CFX fails to notify Seller in writing within the Inspection Period that CFX is satisfied, in CFX's sole discretion, with CFX's inspections of the Property and that CFX intends to proceed with the purchase of the Property, this Agreement shall automatically terminate and be null and void and neither party shall have any further liability or obligation hereunder except as otherwise provided herein.

(c) Delivery of Information Relating to Property. No later than thirty (30) days prior to Closing, Seller shall deliver to CFX copies of any studies, documents, investigations, or materials in Seller's, or Seller's agents, consultants, employees or contractor's possession (collectively, the "**Seller's Due Diligence Materials**"). All of Seller's Due Diligence Materials may be used by CFX in such manner as it desires.

(d) Access to Property. CFX shall at all times before Closing have the right of going upon the Property with its agents and engineers as needed to inspect, examine, survey, appraise and otherwise undertake those actions which CFX, in its sole discretion, deems necessary or desirable to determine the suitability of the Property for CFX's Intended Use. Said privilege shall include, without limitation, the right to perform appraisals, make surveys, soils tests, borings,

percolation tests, compaction tests, environmental tests and tests to obtain any other information relating to the surface, subsurface and topographic conditions of the Property, all of the foregoing (hereinafter collectively referred to as the “**Inspections**”) to be performed at CFX’s expense. CFX covenants and agrees that such activities shall not cause any harm to Seller or the Property and that the Property shall be restored to substantially the same condition as existed immediately prior to CFX’s inspection activities pursuant to this Section 6, in the event CFX does not acquire same. Within the limits of Section 768.28, Florida Statutes, CFX shall at all times indemnify, save harmless and defend Seller from and against any and all claims, liabilities, losses, costs, lawsuits, disputes, damages and expenses (including reasonable attorneys’ fees whether incurred at or before the trial level or in any appellate proceedings) which Seller may suffer, sustain or incur by reason of the exercise of CFX’s right under this Section 6, including, without limitation, any damage to the Property or to any person or other real or personal property, and including the filing of any mechanics’ or other statutory or common law lien or claims against the Property or any part thereof. This provision shall survive Closing or earlier termination of this Agreement.

7. **Conditions Precedent to CFX’s Obligation to Close.** CFX’s obligation to close on the purchase of the Property shall be expressly conditioned upon the fulfillment of each of the following conditions precedent (collectively, the “**Conditions to Close**”) on or before the date or dates hereinafter specifically provided and in no event later than the date of Closing:

(a) The representations, warranties and covenants of Seller contained in this Agreement shall be true and correct as of the Closing Date (hereinafter defined) in all material respects.

(b) Seller shall have performed and complied with all covenants and agreements contained herein which are to be performed and complied with by Seller at or prior to the Closing.

(c) The Property shall not have been materially affected by any legislative or regulatory change, or any flood, accident or other materially adverse event that would prevent or prohibit CFX’s Intended Use.

(d) Seller shall, at Seller’s cost and expense, exempt (or shall cause the Property to be exempt) from any assessments levied by a homeowners association or property owners association, if applicable, set forth in applicable declarations so long as the Property is owned by CFX and used for CFX’s Intended Use (the “**Association Exemption**”). CFX and Seller shall cooperate in good faith to agree upon the form, manner, and content of the instrument establishing each such Association Exemption prior to the expiration of the Inspection Period.

(e) CFX may at any time or times on or before Closing, at its election, subject to restrictions of law, waive any of the foregoing conditions to its obligations hereunder and the consummation of such sale, but any such waiver shall be effective only if contained in writing signed by CFX and delivered to Seller.

(f) In the event any of the foregoing conditions or other conditions to this Agreement are not fulfilled or waived by CFX prior to the date of Closing, CFX may elect, as its

sole and exclusive remedy, to: (i) terminate this Agreement, (ii) waive any outstanding Conditions to Close and proceed to close and acquire the Property without adjustment to the CFX Price; or (iii) waive any of the Conditions to Close and enter into a post-closing escrow agreement establishing a time certain to complete the unfinished conditions and the provision of a method to financially secure any post-closing obligations.

8. Closing Date and Closing Procedures and Requirements.

(a) Closing Date. Unless otherwise agreed to by the Parties, the closing (the “**Closing**”) shall occur within thirty (30) days after the expiration of the Inspection Period, unless extended in writing by mutual approval of the Parties, on a date and time agreed to by the Parties (“**Closing Date**”). The Closing shall occur at the offices of the Title Agent or CFX’s legal counsel (“**Closing Agent**”), or any other place and time which is mutually agreed to in advance in writing by all the parties. Notwithstanding the foregoing, the Closing may occur in escrow by mail, electronic transmission, and/or overnight courier. The Closing Agent shall prepare all documents for Closing and act as escrow agent. Seller hereby waives any objection to Closing Agent’s representation of CFX in the preparation of this Agreement, the transactions contemplated herein, in any future dispute or legal proceeding arising out of this Agreement, or acting as title, closing or escrow agent in connection with this Agreement.

(b) Conveyance of Title. At the Closing, Seller shall execute and deliver to CFX a Special Warranty Deed in the form of **Exhibit “C”** attached hereto and incorporated herein by this reference, conveying fee simple marketable record title to the Property to CFX, free and clear of all liens, special assessments, easements, reservations, restrictions and encumbrances whatsoever, excepting only the Permitted Exceptions (the “**Deed**”). In the event any mortgage, lien or other encumbrance encumbers the Property at Closing and is not paid and satisfied by Seller prior to Closing, such mortgage, lien or other encumbrance shall, at CFX’s election, be satisfied and paid with the proceeds of the Purchase Price. Seller and CFX agree that such documents, resolutions, certificates of good standing and certificates of authority as may be necessary to carry out the terms of this Agreement shall be executed and/or delivered by such parties at the time of Closing, including, without limitation, an owner’s affidavit in form sufficient to enable the Title Company to delete all standard title exceptions other than survey exceptions from the Title Policy and a certificate duly executed by Seller certifying that Seller is not a foreign person for purposes of the Foreign Investment in Real Property Tax Act (FIRPTA), as revised by the Deficit Reduction Act of 1984 and as may be amended from time to time.

(c) Disclosure Affidavit. At the Closing, Seller shall execute an affidavit disclosing each person or entity having a legal or beneficial interest in the Property as required under Section 286.23, Florida Statutes, as it may be amended from time to time. Such disclosure shall be made in the form of **Exhibit “D”** attached hereto and incorporated herein by this reference. Seller shall make such disclosure under oath, subject to the penalties for perjury. Seller waives the notice provision of Section 286.23(2), Florida Statutes and warrants that both affidavits shall disclose those persons or entities holding less than five (5%) percent of the beneficial interest of the disclosing entity.

(d) Prorating of Taxes and Assessments. If the Closing occurs between January 1st and November 1st of any tax year, Seller shall pay all taxes, assessments and charges applicable to the Property for all years up to and including the date of Closing in accordance with Section 196.295, Florida Statutes. All general and special assessments and charges applicable to the Property shall be prorated as of the Property Closing Date between Seller and Purchaser, but specifically excluding all assessments assessed by any property owners' association, which, if any, will be paid in full by Seller on or before the Property Closing Date. Prior to Closing, Seller shall deliver to Purchaser an estoppel letter from each and any property owner's association confirming the amount of all outstanding assessments, fees and charges due for the Property as of the Property Closing Date. At Closing, the Seller shall pay the Purchaser (or the Closing Agent) Seller's pro rata share of such other taxes, assessment and charges as determined by any and all applicable federal, state, county, municipal, or other governmental department or entity, or any authority, commission, board, bureau, court, community development district, or agency having jurisdiction over the Property ("Governmental Authority"). If the real property ad valorem taxes, general assessments and charges applicable to the Property are not available at Closing, then they shall be estimated based upon the most recent information available. If the Closing occurs in November or December, Seller shall be responsible for the entire year's tax liability.

(e) Special Assessments. Seller shall pay all special assessments to the extent applicable to the Property, in full on or before the Closing Date.

(f) Closing Costs. Seller shall pay the following Closing costs: (i) preparation and recordation of any instruments necessary to correct title. CFX shall pay the following Closing costs: (i) the cost of recording the deed(s), and (ii) the Purchase Price. CFX shall also pay all costs of its due diligence and the title insurance premium for the Title Commitment and Title Policy equal to its prorated share of the Purchase Price to be issued by Title Agent. The Closing Agent shall prepare, at Purchaser's sole expense, all other necessary Closing documents.

9. Warranties and Representations of Seller. To induce CFX to enter into this Agreement and to purchase the Property, Seller, in addition to the other representations and warranties expressly set forth herein, makes the following representations and warranties, each of which is being made as of the Effective Date and the date of Closing, is material and is being relied upon by CFX and shall survive Closing hereunder for a period of twelve (12) months:

(a) That Seller owns fee simple marketable record title to the Property, free and clear of all liens, special assessments, easements, reservations, restrictions and encumbrances other than the Permitted Exceptions, and there are no tenancy, rental or other occupancy agreements affecting the Property.

(b) There will be no tenant(s) remaining on the Property or asserting a right to possession of the Property as of the Closing Date. Seller shall indemnify and hold CFX harmless from any suit or claim, including monetary damages, brought by a tenant or any person or entity asserting a claim of possession.

(c) That Seller has not received any written notice and has no actual knowledge, that the Property or any portion or portions thereof is or will be subject to or affected by (i) any

special assessments, whether or not presently a lien thereon, which special assessments or liens will be discharged by Seller prior to or at Closing, or (ii) any condemnation, eminent domain, change in grade of public streets, or similar proceeding.

(d) There are no actions, suits or proceedings of any kind or nature whatsoever, legal or equitable, affecting the Property or any portion or portions thereof or relating to or arising out of the ownership of the Property, in any court or before or by any federal, state, county or municipal department, commission, board, bureau, or agency or other governmental instrumentality.

(e) Seller is a trust, valid and existing under the laws of the Commonwealth of Massachusetts and is in full force and effect. The trust has not been amended, revoked, modified, or supplemented in any manner that would cause the representations in this Agreement to be incorrect or inaccurate in anyway, nor has trustee taken any action or aware of any action that has been taken that would affect the truth and accuracy of any of the representation and warranties contained in the Agreement. The Trustee under the trust is the lawful and current acting Trustee under the trust, has not been superseded, removed or replaced or its powers revoked or reduced and has the power to unilaterally bind the trust, perform the obligations under this Agreement and to convey the Property.

(f) Seller has no knowledge or notice that any present default or breach exists under any mortgage or other encumbrance affecting the Property or any covenants, conditions, restrictions, rights-of-way or easements which may affect the Property or any portion or portions thereof and that no condition or circumstance exists which, with the passage of time and/or the giving of notice, or otherwise, would constitute or result in a default or breach under any such covenants, conditions, restrictions, rights-of-way or easements.

(g) No commitments have been made to any governmental authority (other than CFX), utility company, church or other religious body, or any homeowners association, property owners association or to any other organization, group, or individual, relating to the Property which would impose an obligation upon CFX or its successors or assigns to make any contribution or dedications of money or land or to construct, install, or maintain any improvements of a public or private nature on or off the Property, and no governmental authority has imposed any requirement that any developer of the Property pay directly or indirectly any special fees or contributions or incur any expenses or obligations in connection with any development of the Property or any part thereof. The provisions of this section shall not apply to any general real estate taxes.

(h) To the best of Seller's knowledge, neither the Property nor beneath the surface of the Property has ever been used by previous owners and/or operators or Seller to generate, manufacture, refine, transport, treat, store, handle or dispose of any Hazardous Substance and Seller has not received any written notice that the Property or beneath the surface of the Property has ever been used by previous owners and/or operators or Seller to generate, manufacture, refine, transport, treat, store, handle or dispose of any Hazardous Substance. To the best of Seller's knowledge, the Property has never contained nor does it now contain either asbestos, PCBs or other toxic materials, whether used in construction or stored on the Property. Seller has not received a summons, citation, directive, letter or other communication, written or

oral, from any agency or Department of the State of Florida or the U.S. Government concerning any intentional or unintentional action or omission on Seller's part which has resulted in the releasing, spilling, leaking, pumping, pouring, emitting, emptying or dumping of Hazardous Substances on the Property.

(i) To the best of Seller's knowledge, there are no pollutants, contaminants, petroleum products or petroleum by-products, toxins, carcinogens, asbestos, or Hazardous Substances on or beneath the surface of the Property, which Seller or any other person or entity has placed or caused or allowed to be placed upon the Property, and which have caused or which may cause any investigation by any agency or instrumentality of government, which are or may be on the Property in violation of any law or regulation of any local, state or federal government, or which are or may be a nuisance or health threat to occupants of the Property or other residents of the area.

(j) No person or legal entity other than CFX has any right or option whatsoever to acquire the Property or any portion or portions thereof or any interest or interests therein.

(k) That the execution and delivery of this Agreement and the consummation of the transaction contemplated herein shall not and do not constitute a violation or breach by Seller of any provision of any agreement or other instrument to which Seller is a party or to which Seller may be subject although not a party, nor result in or constitute a violation or breach of any judgment, order, writ, injunction or decree issued against Seller.

(l) Seller is a United States resident, not a foreign person (as such terms are defined in the Internal Revenue Code and Income Tax Regulations), for purposes of U.S. income taxation, and no withholding of sale proceeds is required with respect to Seller's interest in the Property under Section 1445(a) of the Internal Revenue Code.

(m) That each and every one of the foregoing representations and warranties is true and correct as of the Effective Date, will remain true and correct throughout the term of this Agreement, and will be true and correct as of the Closing Date.

(n) In the event that changes occur as to any information, documents or exhibits referred to in the subparagraphs of this Section 9, or in any other part of this Agreement, of which Seller has knowledge, Seller will immediately disclose same to CFX when first available to Seller; and in the event of any change which may be deemed by CFX in its sole discretion to be materially adverse, CFX may, at its election, terminate this Agreement. For purposes of this Agreement, whenever the phrase "to Seller's knowledge," or the "knowledge" of Seller or words of similar import are used, they shall be deemed to refer to facts within the actual knowledge of Mario Chiuccariello, and no others without duty of inquiry or investigation whatsoever. CFX acknowledges that Mario Chiuccariello is named above solely for the purpose of defining the scope of Seller's knowledge and not for the purpose of imposing any liability on or creating any duties running from Mario Chiuccariello.

10. Warranties and Representations of CFX. To induce Seller to enter into this Agreement, CFX, in addition to the other representations and warranties set forth herein, makes

the following representations and warranties, each of which is being made as of the Effective Date and the date of Closing, is material and is being relied upon by Seller and shall survive Closing hereunder for a period of twelve (12) months:

(a) That CFX has the full right, power, and authority to enter into and deliver this Agreement and to consummate the purchase and sale of the Property in accordance herewith and to perform all covenants and agreements of CFX hereunder.

(b) That to the best of CFX's actual knowledge without investigation or inquiry, the execution and delivery of this Agreement and the consummation of the transactions contemplated herein shall not and do not constitute a violation or breach by CFX of any provision of any agreement or other instrument to which CFX is a party or to which CFX may be subject although not a party, nor result in or constitute a violation or breach of any judgment, order, writ, injunction or decree issued against CFX.

(c) That each and every one of the foregoing representations and warranties is true and correct as of the Effective Date, will remain true and correct throughout the term of this Agreement, and will be true and correct as of the Closing Date.

(d) That in the event that changes occur as to any of the foregoing representations and warranties of CFX contained in this Section 10, or in any other part of this Agreement, of which CFX has knowledge, CFX will immediately disclose same to Seller when first available to CFX.

11. Seller's Affirmative Covenants. In addition to the other covenants and undertakings set forth herein, Seller makes the following affirmative covenants, each of which shall survive Closing hereunder:

(a) From and after the Effective Date and until physical possession of the Property has been delivered to CFX, Seller will keep and maintain all of the Property in good order and condition and will comply with and abide by all laws, ordinances, regulations and restrictions affecting the Property or its use. Prior to Closing, Seller will pay all taxes and assessments prior to the due date thereof, will not commit or permit any waste or nuisance with respect thereto, and will not undertake or permit any grading or any cutting of timber thereon.

(b) At Closing, Seller shall transfer, assign, and convey to CFX all of Seller's right, title and interest in and to all utilities and utility commitments which service or pertain in any manner to the Property, including, without limitation, any water or sewer connections which have been allocated in any manner to the Property or to Seller as owner of the Property and Seller's position on any waiting list relating to any such water or sewer connections.

(c) From and after the Effective Date, Seller shall not offer to sell the Property, or any portion thereof, to any other person or entity, nor enter into any verbal or written agreement, understanding, or contract relating to the sale of the Property.

(d) Except as otherwise expressly contemplated herein, from and after the Effective Date, Seller shall not encumber or create any liens on the Property.

12. CFX's Affirmative Covenants. In addition to the other covenants and undertakings set forth herein, CFX affirmatively covenants that CFX shall take such other actions and perform such other obligations as are required or contemplated hereunder including, without limitation, all obligations pertaining to satisfaction of any contingencies of this Agreement or conditions precedent to performance by CFX of its obligations hereunder.

13. Defaults.

(a) Pre-Closing Default by Seller. In the event, prior to Closing, Seller fails to comply with or perform any of the conditions to be complied with or any of the covenants, agreements or obligations to be performed by Seller under the terms and provisions of this Agreement, or in the event that Seller fails to timely close the transaction contemplated herein, CFX, in CFX's sole discretion, shall be entitled to, as CFX's sole and exclusive remedy, to elect either to: (i) enforce specific performance of this Agreement against Seller; or (ii) terminate this Agreement. Upon any such termination, this Agreement and all rights and obligations created hereunder shall be deemed null and void and of no further force or effect, except as otherwise provided herein.

(b) Pre-Closing Default by CFX. In the event, prior to Closing, CFX fails to comply with or perform any of the conditions to be complied with or any of the covenants, agreements or obligations to be performed by CFX under the terms and provisions of this Agreement, or in the event that CFX fails to timely close the transaction contemplated hereby, Seller's sole and exclusive remedies for any such default shall be, upon giving written notice to CFX as herein provided, to (i) enforce specific performance of this Agreement against CFX, or (ii) terminate this Agreement, whereupon this Agreement and all rights and obligations created hereby shall automatically terminate and be null and void and of no further force or effect whatsoever, except as otherwise provided herein. Nothing contained herein shall be deemed a waiver of Seller's rights or remedies in the event CFX or another authority pursues an action in eminent domain against the Property, subject to any defenses or objections Seller would otherwise have in such proceeding.

(c) Post-Closing Default by Seller or CFX. With respect to a default by either party of any of its obligations under this Agreement that survive Closing, or any breach of a representative or warranty contained in this Agreement provided that such claim is made within the survival period, the non-defaulting party may pursue all remedies that may be available to the non-defaulting party, at law or in equity; provided, however, in no event shall a party be liable for special, consequential, punitive, exemplary, indirect, or speculative damages of any kind whatsoever.

(d) Survival. The provisions of this Section 13 shall expressly survive Closing.

14. Possession of Property. Seller shall deliver to CFX full and exclusive possession of the Property on the Closing Date.

15. Condemnation. In the event the Property or any portion or portions thereof shall be taken or condemned or be the subject of a bona fide threat of condemnation by any

Governmental Authority or entity, other than CFX, prior to the Closing Date, CFX shall have the option of either (i) terminating this Agreement by giving written notice thereof to Seller, whereupon this Agreement and all rights and obligations created hereunder shall be null and void and of no further force or effect, or (ii) requiring Seller to convey the remaining portion or portions of the Property to CFX pursuant to the terms and provisions hereof and to transfer and assign to CFX at the Closing all of the right, title and interest of Seller in and to any award made or to be made by reason of such condemnation. Seller and CFX hereby further agree that CFX shall have the right to participate in all negotiations with any such Governmental Authority relating to the Property or to the compensation to be paid for any portion or portions thereof condemned by such Governmental Authority or other entity.

16. Broker.

(a) Seller hereby represents and warrants to CFX that Seller has not engaged or dealt with any agent, broker or finder in regard to this Agreement or to the sale and purchase of the Property contemplated hereby. Seller hereby indemnifies CFX and agrees to hold CFX free and harmless from and against any and all liability, loss, cost, damage and expense, including but not limited to attorneys' and paralegals' fees and costs, whether suit be brought or not, and whether at trial, both prior to and on appeal, or incurred in any mediation, arbitration, administrative or bankruptcy proceeding, which CFX shall ever suffer or incur because of any claim by any agent, broker or finder engaged by Seller, whether or not meritorious, for any fee, commission or other compensation with respect to this Agreement or to the sale and purchase of the Property contemplated hereby. Seller agrees to retain legal counsel to defend CFX against any claim brought by an agent, broker or finder claiming to have been engaged by Seller. If Seller refuses to retain legal counsel to defend CFX, Seller shall be liable for all attorneys' and paralegals' fees and costs, whether suit be brought or not, and whether at trial, both prior to and on appeal, or incurred in any mediation, arbitration, administrative or bankruptcy proceeding, incurred by CFX in its defense and to pursue CFX's rights to be indemnified by Seller.

(b) CFX hereby represents and warrants to Seller that CFX has not engaged or dealt with any agent, broker or finder in regard to this Agreement or to the sale and purchase of the Property contemplated hereby. Within the limits of Section 768.28, Florida Statutes, CFX hereby indemnifies Seller and agrees to hold Seller free and harmless from and against any and all liability, loss, cost, damage and expense, including but not limited to attorneys' and paralegals' fees and costs, whether suit be brought or not, and whether at trial, both prior to and on appeal, or incurred in any mediation, arbitration, administrative or bankruptcy proceeding, which Seller shall ever suffer or incur because of any claim by any agent, broker or finder engaged by CFX, whether or not meritorious, for any fee, commission or other compensation with respect to this Agreement or to the sale and purchase of the Property contemplated hereby. CFX agrees to retain legal counsel to defend Seller against any claim brought by an agent, broker or finder claiming to have been engaged by CFX. If CFX refuses to retain legal counsel to defend Seller, CFX shall be liable for all attorneys' and paralegals' fees and costs, whether suit be brought or not, and whether at trial, both prior to and on appeal, or incurred in any mediation, arbitration, administrative or bankruptcy proceeding, incurred by Seller in its defense and to pursue Seller's rights to be indemnified by CFX.

18. General Provisions.

(a) No failure of either party to exercise any power given hereunder or to insist upon strict compliance with any obligation specified herein, and no custom or practice at variance with the terms hereof, shall constitute a waiver of either party's right to demand exact compliance with the terms hereof.

(b) This Agreement contains the entire agreement of the parties hereto, and no representations, inducements, promises or agreements, oral or otherwise, between the parties not embodied herein shall be of any force or effect.

(c) The provisions of this Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective heirs, administrators, executors, personal representatives, successors and assigns. Time is of the essence of this Agreement. Neither this Agreement, nor any right or obligation of any party arising under this Agreement, may be assigned or delegated without the written consent of all parties.

(d) Unless otherwise specified, in computing any period of time described in this Agreement, the day of the act or event after which the designated period of time begins to run is not to be included and the last day of the period so computed is to be included. Wherever under the terms and provisions of this Agreement the time for performance falls upon a Saturday, Sunday, or holiday, such time for performance shall be extended to the next business day. For purposes of this Agreement, "holiday" shall mean federal holidays as defined in 5 U.S.C. 6103. Except as otherwise set forth herein, the last day of any period of time described herein shall be deemed to end at 11:59 p.m. local time in Orange County, Florida.

(e) The headings inserted at the beginning of each paragraph are for convenience only, and do not add to or subtract from the meaning of the contents of each paragraph.

(f) Seller and CFX do hereby covenant and agree that such documents as may be legally necessary or otherwise appropriate to carry out the terms of this Agreement shall be executed and delivered by each party at the Closing.

(g) This Agreement shall be interpreted under the laws of the State of Florida, with venue for any action, suit, or proceeding brought to recover any sum due under, or to enforce compliance with, this Agreement shall lie in the court of competent jurisdiction in and for the County where the Property is located; each party hereby specifically consents to the exclusive personal jurisdiction and exclusive venue of such court.

(h) All of the parties to this Agreement have participated fully in the negotiation and preparation hereof; this Agreement shall not be construed more strongly for or against any party regardless of which party is deemed to have drafted the Agreement.

(i) Nothing contained in this Agreement shall be construed to create a partnership or joint venture between the parties or their successors in interest. Except as otherwise set forth herein, no person other than the parties shall have any rights or privileges under this Agreement, whether as a third-party beneficiary or otherwise.

19. Survival of Provisions. No covenants or obligations (including indemnities, representations and warranties) set forth in this Agreement shall survive termination or Closing hereunder unless expressly stated herein to the contrary. All survival periods shall be indefinitely unless otherwise expressly stated herein.

20. Severability. This Agreement is intended to be performed in accordance with, and only to the extent permitted by, all applicable laws, ordinances, rules and regulations. If any provision of this Agreement or the application thereof to any person or circumstance shall, for any reason and to any extent, be invalid or unenforceable, the remainder of this Agreement and the

application of such provision to other persons or circumstances shall not be affected thereby but rather shall be enforced to the greatest extent permitted by law.

21. Attorneys' Fees. In the event of any dispute hereunder or of any action to interpret or enforce this Agreement, any provision hereof or any matter arising herefrom, the predominantly prevailing party shall be entitled to recover its reasonable costs, fees and expenses, including, but not limited to, witness fees, expert fees, consultant fees, attorney, paralegal and legal assistant fees, costs and expenses and other professional fees, costs and expenses whether suit be brought or not, and whether in settlement, in any declaratory action, in mediation, arbitration, bankruptcy or administrative proceeding, or at trial or on appeal and including costs of collection. Notwithstanding the foregoing, nothing contained herein shall be construed or interpreted (a) to alter, amend or waive the CFX's sovereign immunity of the State of Florida, or its agencies, or any defenses thereto, beyond the waiver provided in Section 768.28, Florida Statutes; or (b) as the consent of the CFX to be sued.

22. Counterparts and Electronic Signatures. This Agreement may be executed in two or more counterpart copies, including digital and electronic signatures, each of which shall be deemed to constitute one original document. The parties may execute different counterparts of this agreement, and, if they do so, the signatures pages from the different counterparts may be combined to provide one integrated document and taken together shall constitute one and the same instrument.

23. Amendment to Agreement. Any amendment to this Agreement shall not be binding upon any of the parties hereto unless such amendment is in writing and executed by the parties hereto. CFX does hereby confer upon the Executive Director or Executive Director's designee, the authority, without further approval from the CFX, to finalize the form of all agreements, amendments, easements, contracts, documents necessary to close the transaction contemplated herein, including, without limitation, closing documents, any documents necessary to address title issues, escrow agreements, letters of credit, agreements and similar documents set forth in this Agreement, and the CFX's signature of those agreements, amendments, easements, contracts and similar documents is hereby authorized.

24. Release of Other Claims. Except for liabilities expressly surviving Closing as set forth in this Agreement, Seller acknowledges and agrees that as of the date of Seller's execution and delivery of the deeds contemplated herein, Seller shall thereby release and forever discharge CFX, of and from all claims in law or in equity, which Seller ever had, then has, or which any personal representative, successor, heir or assign of Seller, thereafter can, shall or may have, against CFX for, upon or by reason of any matter, cause or thing whatsoever, arising out of or in any way connected with Seller's conveyance of the Property, including, without limitation, any claim for loss of access to Seller's remaining property, severance damages to Seller's remaining property, loss or diminution of access, light, air or view, business damages or any other damages. The Deed shall include language evidencing this release. Nothing herein shall be deemed to release CFX from its obligations or liabilities under this Agreement.

25. Not an Offer. Notwithstanding anything to the contrary in this Agreement, if the sale of the Property contemplated under this Agreement does not close, this Agreement shall not

be deemed a written offer nor admissible in any subsequent eminent domain or inverse condemnation proceeding with respect to the Property.

26. Limited Access. Seller hereby agrees, acknowledges, and understands that the Project is anticipated to be a limited access right-of-way, and as such, CFX has the right, at any time, to record and establish the limited-access lines on and along real property owned by CFX for the Project adjacent to any other real property owned or retained by the Seller located adjacent to the Project. Seller waives and disclaims any claim against CFX, in law or in equity, based upon the establishment of the limited-access lines for the Project. In no event shall CFX be liable for any claims or damages based on the establishment of the limited-access lines for the Project, including, without limitation, any monetary, incidental, special, exemplary or consequential damages. The Deed shall include language evidencing this waiver and release.

27. Effective Date. When used herein, the term “**Effective Date**” or the phrase “the date hereof” or “the date of this Agreement” shall mean the last date that either CFX or Seller execute this Agreement.

MEMORANDUM

TO: CFX Right of Way Committee Members

FROM: Leslie A. Evans 
Right of Way Counsel
Dinsmore & Shohl, LLP

DATE: May 19, 2025

RE: Acquisition of property from Pan Am Commerce Park, LLC
Project: Poinciana Parkway Extension/State Road 538-234
Parcel No.: 53-351

BACKGROUND

The development of the State Road 538, Poinciana Parkway Extension Project ("Project") requires, among other items, that Central Florida Expressway Authority ("CFX"): (1) obtain certain permits and approvals from the South Florida Water Management District ("SFWMD"); and (2) acquire certain property currently owned by SFWMD ("SFWMD Property"). In exchange for such permits and approvals and conveyance of the SFWMD Property to CFX, SFWMD has required that CFX acquire and convey certain property to SFWMD ("Exchange Property"). Such Exchange Property will be used by SFWMD to offset/mitigate against SFWMD's loss of both the SFWMD Property, and any conservation, wetlands, and/or other environmentally sensitive areas impacted by the Project.

CFX intends to acquire the property described and depicted in **Attachment A** attached hereto (the "Property") as one of the requisite Exchange Properties for the Project. The Property encompasses Osceola County Parcel Identification Numbers: (i) R322528-4520000B0010; and (ii) R322528-0000000300000. Based on the legal description and survey, the Property comprises approximately 96.410 +/- acres of vacant, undeveloped land. The Property is currently owned by Robert Shell Jr. and Lena J. Shell; Lorene B. Shell Trust; and Robert L. Shell Sr. Trust (collectively, "Current Owners"). On December 18, 2024, Pan Am Commerce Park, LLC ("Pan Am"), a private developer with plans of developing the Property, entered into a contract with the Current Owners to acquire the Property. Pan Am's contract with the Current Owners pre-dated SFWMD's identification of the Property as a potential Exchange Property.

May 19, 2025
Page 2

CFX and Pan Am negotiated a purchase price of Four Million Seven Hundred Thousand and No/100 Dollars (\$4,700,000.00) for the Property, as described in the Real Estate Purchase and Sale Agreement (the “Agreement”) attached as **Attachment B**. With the goal of completing the sale quickly, the Agreement provides for a June 18, 2025, closing date to effectuate the Property’s acquisition and conveyance from the Current Owners to Pan Am, and from Pan Am to CFX. Under the Agreement, each party is responsible for its own attorney’s fees, expert fees, and costs, and Pan Am is responsible for the cost of title insurance premium and preparation and recordation of the Deed and other closing documents.

REQUEST

A recommendation by the Right of Way Committee for CFX Board’s approval of the Agreement and authorizing the Executive Director or her designee to execute all documents necessary to complete the transaction contemplated by the Agreement, subject to final approval of the final transaction by legal counsel.

4. Purchase Price and Method of Payment. The purchase price to be paid by Purchaser to Seller for the Property shall be **Four Million Seven Hundred Thousand and No/100 Dollars (\$4,700,000.00) ("Purchase Price")**, based upon approximately 96+/- gross acres of land, as certified by the Survey (as defined in Section 5(a) below). The Purchase Price shall be paid as follows:

(a) A deposit is intentionally waived by the parties hereto.

(b) Purchaser shall deliver the full Purchase Price, minus the previously delivered Deposit, if any, to the Closing Agent (as defined in Section 8 below) by wire transfer of immediately available funds at Closing (as hereinafter defined in Section 8 below) which funds shall be deposited into escrow and then applied and disbursed by the Closing Agent in accordance with the procedure, credits, adjustments, and prorations set forth in Section 8 below.

5. Survey and Title Matters.

(a) Survey. Attached hereto as **Exhibit E** and incorporated herein by reference is a survey of the Property (the "**Survey**") as prepared by DC Johnson Associates, a registered surveyor licensed in the State of Florida (the "**Surveyor**"). At the time of the Closing, the Survey, as updated: (i) shall be currently dated; (ii) shall contain a metes and bounds legal description of the Property substantially consistent in all material respects of the graphic depiction of the Property set forth in **Exhibit "A"** attached hereto to be mutually agreed upon by the parties; (iii) shall show, among other things, the location on the Property of all improvements, fences, evidences of abandoned fences, easements, roads, and rights-of-way; (iv) shall identify all roads, easements, and rights-of-way, and in the case of those created by recorded instruments, shall give the recording information for such instruments; (v) shall include the number of gross acres and square feet within the Property; (vi) shall be certified to Seller, Purchaser, Title Company (as defined below); and (vii) shall be in form and content which shall enable the Title Company to delete the standard survey exception and to issue a survey endorsement to the Title Policy (as defined below). The Surveyor's seal shall be affixed to the Survey.

(b) Title Insurance. Attached hereto as **Exhibit C** and incorporated herein by reference is a title commitment of the Property dated April 22, 2025, naming Purchaser as proposed

insured (the “**Title Commitment**”), as prepared by Fidelity National Title Insurance Company (the “**Title Company**”), issued by Shutts & Bowen LLP (the “**Title Agent**”). The Title Commitment sets forth the state of title to the Property as of the commitment date stated on the Title Commitment (“**Commitment Date**”) together with all exceptions or conditions to such title, including, but not limited to, all easements, restrictions, rights-of-way, covenants, reservations, and all other encumbrances affecting the Property which would appear in an owner’s policy of title insurance if issued, and requires Seller to obtain fee simple marketable title from the Current Owner as more particularly set forth therein (the “**Title Policy**”). The Title Commitment has initially been based on the legal description of the Property as set forth in Exhibit “A” attached hereto and shall be updated upon the parties’ approval of an updated legal description and Survey of the Property. Purchaser shall have the rights set forth in subparagraph (c) below with respect to any new matters contained on said update or endorsement of the Title Commitment arising after the Commitment Date.

(c) Title and Survey Objection. It is specifically understood and agreed that, without limitation, Purchaser hereby objects to and will require the removal, correction, or deletion of (i) all standard exceptions set forth in the Title Commitment except for taxes for the year of closing and thereafter which are not yet due and payable (subject to a specific reading of the Survey as to any survey exceptions required by the Title Company), (ii) any gap, overlap, boundary dispute, hiatus, or encroachment identified on the Survey which affects the Property and (iii) all mortgages, monetary liens, or similar encumbrances, and Purchaser will require the deletion or satisfaction of all Requirements set forth in Schedule B, Part I of the Title Commitment. Further, it is understood and agreed that Purchaser hereby objects to, and shall require Seller to release the Property of record from, any financial obligation related to any declarations, covenants, and restrictions. The following matters set forth in the Title Commitment and the Survey shall be referred to collectively herein as the “**Permitted Exceptions**”: Items 2, 4, 5, and 6 on Schedule B, Part II.

(d) No Additional Encumbrances. It shall be a condition to Purchaser’s obligation to proceed with Closing that between the Commitment Date and the date of Closing, no new survey or title matter not approved or deemed approved by Purchaser pursuant to this Section 5 shall have arisen, unless the same is either: (i) caused by or through the acts or omissions of Purchaser, (ii) discharged or endorsed over to Purchaser’s reasonable satisfaction in Purchaser’s title policy at Closing; or (iii) consented to or agreed to by Purchaser in writing pursuant to the terms of this Agreement. From and after the Commitment Date, Seller shall not, without obtaining Purchaser’s prior written consent in each instance, create, incur, consent to or permit to exist, any easement, restriction, right-of-way, reservation, mortgage, lien, pledge, encumbrance, lease, license, occupancy agreement, or legal or equitable interest, which in any way affects the Property or any portion thereof (except those called for in this Agreement) other than those of record as of the Commitment Date and those that will be satisfied by Seller and released of record at Closing, and Seller hereby covenants that Seller shall comply with and abide by all of the terms and provisions of such existing easements, restrictions, rights-of-way, reservations, mortgages, liens, pledges, encumbrances, leases, licenses, occupancy agreements, and agreements through the date of Closing hereunder. Not more than ten (10) days prior to Closing, Seller shall cause the Title Company to update by endorsement the Title Commitment to a date within twenty (20) days of the date of Closing (the “**Update Endorsement**”), which endorsement, together with legible copies of any additional matters identified therein, shall be delivered to Purchaser. If the Update

Endorsement includes any additional requirements in Schedule B-Section I, Seller must satisfy the same prior to Closing at Seller's sole cost and expense unless said new requirements were caused by an action of Purchaser. If the Update Endorsement includes any exceptions in Schedule B-Section II that are not already Permitted Exceptions, then Purchaser shall have the right upon written notice to Seller to extend the Closing Date by up to thirty (30) days to permit Seller to cure such new exception(s), and Seller must take all actions reasonably necessary to delete the same prior to the Closing unless said new exceptions were caused by an action of the Purchaser or unless Purchaser consents in writing to the same as a Permitted Exception prior to Closing; provided, however, Seller shall not be required to expend more than \$50,000.00 or commence any legal proceeding in order to cause such deletion, unless such new exception is caused by the intentional or willful acts of Seller after the initial date of the Survey or Title Commitment as applicable, in which case Seller shall be required to cure such new exception. Notwithstanding any provision contained in this Agreement to the contrary, in addition to Seller's obligation to cure any new title or survey matters caused by the intentional or willful acts of Seller after the initial date of the Survey or Title Commitment as applicable, Seller shall be required to pay and satisfy any mortgages or other liens on the Property at or prior to Closing which can be cleared by the payment of money, other than liens created by Purchaser. Seller's failure to satisfy said requirements and/or delete said exceptions shall be a default under the Agreement by Seller.

6. Inspection Rights.

(a) At all times before Closing, Purchaser shall have the right, in Purchaser's sole discretion and at Purchaser's expense, to perform any and all Inspections (as more particularly defined below) Purchaser desires to perform, including but not necessarily limited to the following: (i) having the Property tested, surveyed, and inspected to determine if the Property contains any Hazardous Substances (hereinafter defined), wastes, materials, pollutants, or contaminants and obtaining a hazardous waste report prepared by a registered engineer, which report shall be satisfactory to Purchaser in its sole discretion; (ii) having the Property tested, surveyed, and inspected to determine if the Property contains any endangered or threatened species of animal life or endangered, threatened, or commercially exploited plants on or under it, including, without limitation, any jurisdictional wetlands, such that any state or federal agency, department, or commission would disallow the use of the Property intended by Purchaser or require Purchaser to relocate any such species, plants, or wetlands, and obtaining an endangered species and habitat report, satisfactory to Purchaser in its sole discretion; and (iii) investigating the physical and economic feasibility of developing the Property, including without limitation obtaining studies (such as topographical, environmental, and engineering studies) and investigation of all applicable building, zoning, environmental, and other codes, ordinances, statutes, rules, and regulations affecting the Property, stormwater management, zoning, and development standards, impact and development fees, drainage conditions, soils, other environmental factors, sewer and water utility capacity and availability factors, and any other factors whatsoever considered appropriate by Purchaser in its sole and absolute discretion.

As used herein, "**Hazardous Substances**" shall mean and include all hazardous and toxic substances, wastes, or materials, any pollutants or contaminants (including, without limitation, asbestos and raw materials which include hazardous components), or other similar substances or materials which are included under or regulated by any local, state, or federal law, rule, or regulation pertaining to environmental regulation, contamination, or clean-up, including,

without limitation, “CERCLA”, “RCRA”, or state superlien or environmental clean-up statutes (all such laws, rules and regulations being referred to collectively as “**Environmental Laws**”).

(b) Delivery of Information Relating to Property. Seller has delivered to Purchaser copies of a Phase I Environmental Report and an Environmental Assessment Report prepared by Bio-Tech Consulting, LLC dated May 13, 2025 (“**Environmental Reports**”).

(c) Access to Property. Purchaser and its agents, employees, and contractors shall at all times before Closing have the right of going upon the Property as needed to inspect, examine, survey, appraise, and otherwise undertake those actions which Purchaser, in its sole discretion, deems necessary or desirable to determine the suitability of the Property for Purchaser’s use or development, including without limitation performing any inspection desired by Purchaser. Said privilege shall include, without limitation, the right to perform appraisals, make surveys, soils tests, borings, percolation tests, compaction tests, environmental tests, and tests to obtain any other information relating to the surface, subsurface, and topographic conditions of the Property, all of the foregoing (hereinafter collectively referred to as the “**Inspections**”) to be performed at Purchaser’s expense. Purchaser covenants and agrees that such activities shall not cause any damage to Seller or the Property and that the Property shall be restored to substantially the same condition as existed immediately prior to Purchaser’s inspection activities pursuant to this Section 6, in the event Purchaser does not acquire same. To the extent permitted by law and without waiving sovereign immunity and any of the protections afforded by Section 768.28, Florida Statutes, and within the limits of liability established under Section 768.28, Florida Statutes, Purchaser shall at all times indemnify, save harmless, and defend Seller from and against any and all claims, liabilities, losses, costs, lawsuits, disputes, damages, and expenses (including reasonable attorneys’ fees whether incurred at or before the trial level or in any appellate proceedings) which Seller may suffer, sustain, or incur to the extent arising out of the negligence of Purchaser in the exercise of its rights under this Section 6, including, without limitation, any damage to the Property or to any person or other real or personal property, and including the filing of any mechanics’ or other statutory or common law lien or claims against the Property or any part thereof, except to the extent that any such claims, liabilities, losses, costs, lawsuits, disputes, damages, and expenses arise out of or relate to the discovery of a pre-existing condition on the Property or are caused by the Seller’s gross negligence or willful misconduct. This provision shall survive Closing or earlier termination of this Agreement.

7. Conditions Precedent to Purchaser’s Obligation to Close. Purchaser’s obligation to purchase the Property shall be expressly conditioned upon the fulfillment of each of the following conditions precedent (collectively, the “**Conditions to Close**”) on or before the date or dates hereinafter specifically provided and in no event later than the date of Closing:

(a) Seller shall have delivered to Purchaser a general warranty deed duly executed and acknowledged conveying marketable fee simple title to the Property to Purchaser free and clear of any tenancies or other rights of any parties in possession, subject only to the Permitted Exceptions and otherwise in a form reasonably acceptable to Purchaser;

(b) Purchaser shall have approved the status of title to the Property in accordance with Section 5 and Title Company shall be in a position to issue the Owner’s Title

Insurance Policy on the Property to Purchaser in the full amount of the Purchase Price, with all Schedule B, Part I requirements met;

(c) There shall have been no material change in the condition or use of the Property since the date of the Environmental Reports;

(d) Seller shall have executed such documents as are reasonably required by Purchaser or its counsel to properly consummate the closing;

(e) The representations, warranties, and covenants of Seller contained in this Agreement shall be true and correct as of the Closing Date (hereinafter defined) in all material respects and Seller shall sign a certificate to that effect at Closing;

(f) Seller shall have performed and complied with all covenants and agreements contained herein which are to be performed and complied with by Seller at or prior to the Closing;

(g) The Property shall not have been materially affected by any legislative or regulatory change, or any flood, accident, or other materially adverse event that would prevent or prohibit Purchaser's intended use or development;

(h) The Property shall not have been subjected to or made a part of a homeowners or other property owners association; and

(i) No later than twenty (20) days prior to the Closing Date, Seller shall have delivered to Purchaser copies of any surveys, studies, documents, investigations, tests, leases, licenses, title insurance policies, permits, any association documents, easements, environmental reports and audits, plats, site plans, development plans, and other similar documents or materials in Seller's, or Seller's agents', consultants', employees', or contractors' possession, custody, or control which may aid Purchaser in its investigation of the Property (collectively, the "**Seller's Due Diligence Materials**") and certified in writing to Purchaser its compliance herewith. All of Seller's Due Diligence Materials may be used by Purchaser in such manner as it desires.

(j) Purchaser may at any time or times on or before Closing, at its election, subject to restrictions of law, waive any of the foregoing conditions to its obligations hereunder and the consummation of such sale, but any such waiver shall be effective only if contained in writing signed by Purchaser and delivered to Seller.

(k) In the event any of the foregoing conditions or other conditions to this Agreement are not fulfilled or waived by Purchaser prior to the date of Closing, Purchaser may elect, as its sole and exclusive remedy, to: (i) terminate this Agreement, upon which Seller shall return to CFX the Deposit, if any, within ten (10) days after its receipt of such termination notice, (ii) waive any outstanding Conditions to Close and proceed to close and acquire the Property without adjustment to the Purchaser Price; or (iii) waive any of the Conditions to Close and enter into a post-closing escrow agreement establishing a time certain to complete the unfinished conditions and the provision of a method to financially secure any post-closing obligations.

8. Closing Date and Closing Procedures and Requirements.

(a) Closing Date. The closing (the “**Closing**”) shall occur at **4:00 p.m. June 18, 2025**, unless the parties otherwise agree in writing as to an earlier time and date (“**Closing Date**”). The Closing shall occur at the offices of the Title Agent (“**Closing Agent**”), or any other place and time which is mutually agreed to in advance in writing by all the parties. Notwithstanding the foregoing, the Closing may occur in escrow by mail, electronic transmission, and/or overnight courier upon mutual agreement of the parties. The Closing Agent shall prepare all documents for Closing and act as escrow agent. The Seller shall have the right to extend the Closing Date for up to an additional fifteen (15) days in order to secure the complete performance of Current Owner under the Underlying Contract, including the execution and delivery of any necessary closing documents to be signed by Current Owner, under the Underlying Contract. The Parties acknowledge and agree that Purchaser’s obligation to close on June 18, 2025, is additionally conditioned on Seller’s delivery of the final closing statement to Purchaser no later than noon on Friday, June 13, 2025, so that Purchaser can deliver the Purchase Price to the Closing Agent by the Closing Date. Accordingly, in the event Seller shall have failed to timely deliver the final closing statement to Purchaser, (i) Purchaser shall not be in default under this Agreement for failure to close on June 18, 2025; and (ii) the Closing Date shall be extended to the date that is five (5) business days after Seller has delivered the final closing statement to Purchaser or other date mutually agreeable between the Parties.

(b) Simultaneous Acquisition and Reconveyance. Prior to the Closing, Purchaser shall deliver the Purchase Price to the Escrow Agent. Seller shall: (i) acquire the Property in accordance with the Underlying Contract, Survey and the title commitment attached hereto and incorporated by reference herein as **Exhibit “D”** (Seller’s Title Commitment”); and (ii) obtain fee simple title to the Property by Warranty Deed from the current landowners with an owner’s policy issued by the Title Company reflecting Seller as the insured and with the removal of Items 1 through 10 on Schedule B, Part I, of the Seller’s Title Commitment, the removal or satisfaction of all additional requirements which may be added by the Title Company, and the removal of all Exceptions on Schedule B, Part II, of the Seller’s Title Commitment other than those corresponding to the Permitted Exceptions being issued by the Title Company to Seller in conjunction therewith. Immediately thereafter, Seller shall convey the Property to the Purchaser in accordance with an updated Survey and Title Commitment that is certified and issued to the Purchaser, and deliver fee simple title to the Property by Warranty Deed as required by Section 8(c) herein with an Owner’s Policy reflecting Purchaser as the insured being issued by the Title Company in conjunction therewith.

(c) Conveyance of Title. At the Closing, Seller shall execute and deliver to Purchaser a general warranty deed conveying fee simple marketable record title to the Property to Purchaser, free and clear of all liens, special assessments, easements, reservations, restrictions, and encumbrances whatsoever, excepting only the Permitted Exceptions (“**Deed**”). In the event any mortgage, lien, or other encumbrance encumbers the Property at Closing and is not paid and satisfied by Seller prior to Closing, such mortgage, lien, or other encumbrance shall, at Purchaser’s election, be satisfied and paid with the proceeds of the Purchase Price. Seller and Purchaser agree that such affidavits, documents, resolutions, certificates of good standing, and certificates of authority as may be necessary to carry out the terms of this Agreement shall be executed and/or delivered by such parties at the time of Closing, including, without limitation, an owner’s affidavit

in form sufficient to enable the Title Company to delete all standard title exceptions other than survey exceptions from the Title Policy and a certificate duly executed by Seller certifying that Seller is not a foreign person for purposes of the Foreign Investment in Real Property Tax Act (FIRPTA), as revised by the Deficit Reduction Act of 1984 and as may be amended from time to time.

(d) Disclosure Affidavit. At the Closing, Seller shall execute an affidavit disclosing each person or entity having a legal or beneficial interest in the Property as required under Section 286.23, Florida Statutes, as it may be amended from time to time. Such disclosure shall be made in the form of **Exhibit “B”** attached hereto and incorporated herein by this reference. Seller shall make such disclosure under oath, subject to the penalties for perjury. Seller waives the notice provision of Section 286.23(2), Florida Statutes and warrants that both affidavits shall disclose those persons or entities holding less than five (5%) percent of the beneficial interest of the disclosing entity.

(e) Prorating of Taxes and Assessments. All real property ad valorem taxes, general and special assessments, and charges applicable to the Property shall be prorated as of the Closing Date between Seller and Purchaser, but specifically excluding all assessments assessed by any property owner’s association, which if any will be paid in full by Seller on or before the Closing Date. Prior to Closing, Seller shall deliver to Purchaser an estoppel letter from each and any property owner’s association confirming the amount of all outstanding assessments, fees, and charges due for the Property as of the Closing Date. At Closing, the Seller shall pay the Purchaser (or the Closing Agent) Seller’s pro rata share as of the Closing Date of such other taxes, assessments, and charges as determined by any and all applicable federal, state, county, municipal, or other governmental department or entity, or any authority, commission, board, bureau, court, community development district, or agency having jurisdiction over the Property (“**Governmental Authority**”). Delivery of such tax payment to Osceola County along with a copy of the Deed and a request to Osceola County Tax Collector to remove the Property from the tax roll at Closing shall be the responsibility of the Closing Agent and shall occur at the Closing. If the real property ad valorem taxes, general assessments, and charges applicable to the Property are not available at Closing, then they shall be estimated based upon the most recent information available, and after the taxes are assessed for the then current year, Purchaser and Seller shall adjust the amount actually due by a new proration based on the actual tax bill and, upon demand, the proper party shall promptly pay the differential in cash to the other party.

(f) Special Assessments. Seller shall pay all special assessments to the extent applicable to the Property, in full on or before the Closing Date.

(g) Closing Costs. Seller shall pay the following Closing costs: (i) all real property transfer and transaction taxes and levies relating to the purchase or sale of the Property, if any, including, without limitation, the documentary stamps which shall be affixed to the Deed, (ii) the title insurance premium for the Title Commitment and Title Policy equal to the Purchase Price to be issued by Title Agent, (iii) the cost of recording the Deed, (iv) preparation and recordation of any instruments necessary to correct title, and (v) all of the real estate sales commissions set forth herein, if applicable. The Closing Agent shall prepare, at Seller’s expense, all Closing documents. Other than the aforementioned document preparation costs, each party

shall pay its own attorneys' fees, expert fees, and costs. Purchaser shall pay for all costs and expenses incurred with respect to its inspections of the Property.

9. Warranties and Representations of Seller. To induce Purchaser to enter into this Agreement and to purchase the Property, Seller, in addition to the other representations and warranties expressly set forth herein, makes the following representations and warranties, each of which is being made as of the Effective Date and the date of Closing, is material and is being relied upon by Purchaser and shall survive Closing hereunder for a period of twelve (12) months; provided all of such representations, warranties and covenants (whether in this Section 9 or elsewhere in the Agreement) are all subject to the terms and conditions of the Underlying Contract, and are limited, conditioned and to be construed to the extent and in the context that Seller does not now own, occupy or possess the Property and only has the rights and interests of the purchaser under the Underlying Contract, and to the extent assignable, Seller hereby agrees to assign to Purchaser effective as of the Closing all of its rights and interests with respect to representations and warranties made by Current Owner in connection with the transaction contemplated under the Underlying Contract:

(a) That Seller, pursuant to the Underlying Contract and as outlined in Section 8(b) hereinabove, has the right to acquire and shall acquire, fee simple marketable record title to the Property, free and clear of all liens, special assessments, easements, reservations, restrictions, and encumbrances other than the Permitted Exceptions, and there are no tenancy, rental, or other occupancy agreements affecting the Property.

(b) There will be no tenant(s) remaining on the Property, or asserting a right to possession of the Property as of the Closing Date. Seller shall indemnify and hold Purchaser harmless from any suit or claim, including monetary damages, brought by a tenant or any person or entity asserting a claim of possession.

(c) That Seller has not received any written notice and has no actual knowledge that the Property or any portion or portions thereof is or will be subject to or affected by (i) any special assessments, whether or not presently a lien thereon, which special assessments or liens will be discharged by Seller prior to or at Closing, or (ii) any condemnation, eminent domain, change in grade of public streets, or similar proceeding, other than from Purchaser.

(d) That to Seller's knowledge, there are no actions, suits, or proceedings of any kind or nature whatsoever, legal or equitable, affecting the Property or any portion or portions thereof or relating to or arising out of the ownership of the Property, in any court or before or by any federal, state, county, or municipal department, commission, board, bureau, or agency or other governmental instrumentality.

(e) Seller is a Florida limited liability company duly organized and validly existing under the laws of the State of Florida and registered to do business in the State of Florida; Seller has taken all the necessary action under its organizational documents and the individual(s) executing this Agreement has the full right, power, and authority to enter into and deliver this Agreement and to consummate the purchase and sale of the Property in accordance herewith and to perform all covenants and agreements of Seller hereunder.

(f) Seller has no knowledge or notice that any present default or breach exists under any mortgage or other encumbrance affecting the Property or any covenants, conditions, restrictions, rights-of-way, or easements which may affect the Property or any portion or portions thereof and that no condition or circumstance exists which, with the passage of time and/or the giving of notice, or otherwise, would constitute or result in a default or breach under any such covenants, conditions, restrictions, rights-of-way, or easements.

(g) No commitments have been made to any governmental authority (other than Purchaser), utility company, church or other religious body, or any homeowners association, property owners association, or to any other organization, group, or individual, relating to the Property which would impose an obligation upon Purchaser or its successors or assigns to make any contribution or dedications of money or land or to construct, install, or maintain any improvements of a public or private nature on or off the Property, and no governmental authority has imposed any requirement that any developer of the Property pay directly or indirectly any special fees or contributions or incur any expenses or obligations in connection with any development of the Property or any part thereof. The provisions of this section shall not apply to any general real estate taxes.

(h) To the best of Seller's knowledge, neither the Property nor beneath the surface of the Property has ever been used by previous owners and/or operators or Seller to generate, manufacture, refine, transport, treat, store, handle, or dispose of any Hazardous Substances and Seller has not received any written notice that the Property or beneath the surface of the Property has ever been used by previous owners and/or operators or Seller to generate, manufacture, refine, transport, treat, store, handle, or dispose of any Hazardous Substances. To the best of Seller's knowledge, the Property has never contained nor does it now contain either asbestos, PCBs, or other toxic materials, whether used in construction or stored on the Property. Seller has not received a summons, citation, directive, letter, or other communication, written or oral, from any agency or Department of the State of Florida or the U.S. Government concerning any intentional or unintentional action or omission on Seller's part which has resulted in the releasing, spilling, leaking, pumping, pouring, emitting, emptying, or dumping of Hazardous Substances on the Property.

(i) To the best of Seller's knowledge, there are no pollutants, contaminants, petroleum products, or petroleum by-products, toxins, carcinogens, asbestos, or Hazardous Substances on or beneath the surface of the Property, which Seller or any other person or entity has placed or caused or allowed to be placed upon the Property, and which have caused or which may cause any investigation by any agency or instrumentality of government, which are or may be on the Property in violation of any law or regulation of any local, state, or federal government, or which are or may be a nuisance or health threat to occupants of the Property or other residents of the area.

(j) Except as set forth in the Underlying Contract, no person or legal entity other than Purchaser has any right or option whatsoever to acquire the Property or any portion or portions thereof or any interest or interests therein.

(k) That the execution and delivery of this Agreement and the consummation of the transaction contemplated herein shall not and do not constitute a violation or breach by

Seller of any provision of any agreement or other instrument to which Seller is a party or to which Seller may be subject although not a party, nor result in or constitute a violation or breach of any judgment, order, writ, injunction, or decree issued against Seller.

(l) Seller is a United States resident, not a foreign person (as such terms are defined in the Internal Revenue Code and Income Tax Regulations), for purposes of U.S. income taxation, and no withholding of sale proceeds is required with respect to Seller's interest in the Property under Section 1445(a) of the Internal Revenue Code.

(m) That each and every one of the foregoing representations and warranties is true and correct as of the Effective Date, will remain true and correct throughout the term of this Agreement, and will be true and correct as of the Closing Date.

(n) All of Seller's representations, warranties, covenants and obligations contained in this Section 9, and elsewhere in this Agreement, are limited, conditioned, and construed to the extent and in the context that Seller as of the date of this Agreement, and until the closing occurs pursuant to the Underlying Contract, does not and has not owned or been in possession or occupancy of the Property, that they are subject to the terms and conditions of the Underlying Contract, and that Seller only has the rights and interests of the purchaser under the Underlying Contract.

(o) In the event that changes occur as to any information, documents or exhibits referred to in the subparagraphs of this Section 9, or in any other part of this Agreement, of which Seller has knowledge, Seller will immediately disclose same to Purchaser when first available to Seller; and in the event of any change which may be deemed by Purchaser in its sole discretion to be materially adverse, Purchaser may, at its election, terminate this Agreement. Provided, Purchaser shall not have the right to terminate this Agreement after the closing under the Underlying Contract, unless the foregoing changes which occur relating to any information, documents or exhibits are first known to Seller or Purchaser after the closing under the Underlying Contract. For purposes of this Agreement, whenever the phrase "to Seller's knowledge," or the "knowledge" of Seller or words of similar import are used, they shall be deemed to refer to facts within the actual knowledge of Michael D. Stuart and no others without duty of inquiry or investigation whatsoever. Purchaser acknowledges that Michael D. Stuart is named above solely for the purpose of defining the scope of Seller's knowledge and not for the purpose of imposing any liability on or creating any duties running from Michael D. Stuart.

10. Warranties and Representations of Purchaser. To induce Seller to enter into this Agreement, Purchaser, in addition to the other representations and warranties set forth herein, makes the following representations and warranties, each of which is being made as of the Effective Date and the date of Closing, is material and is being relied upon by Seller and shall survive Closing hereunder for a period of twelve (12) months:

(a) That Purchaser has the full right, power, and authority to enter into and deliver this Agreement and to consummate the purchase and sale of the Property in accordance herewith and to perform all covenants and agreements of Purchaser hereunder.

(b) That to the best of Purchaser's actual knowledge without investigation or inquiry, the execution and delivery of this Agreement and the consummation of the transactions contemplated herein shall not and do not constitute a violation or breach by Purchaser of any provision of any agreement or other instrument to which Purchaser is a party or to which Purchaser may be subject although not a party, nor result in or constitute a violation or breach of any judgment, order, writ, injunction, or decree issued against Purchaser.

(c) That each and every one of the foregoing representations and warranties is true and correct as of the Effective Date, will remain true and correct throughout the term of this Agreement, and will be true and correct as of the Closing Date.

(d) That in the event that changes occur as to any of the foregoing representations and warranties of Purchaser contained in this Section 10 of which Purchaser has knowledge, Purchaser will immediately disclose same to Seller when first available to Purchaser.

11. Seller's Affirmative Covenants. In addition to the other covenants and undertakings set forth herein, Seller makes the following affirmative covenants, each of which shall survive Closing hereunder, but each of which are all subject to the terms and conditions of the Underlying Contract, and are limited, conditioned and to be construed to the extent and in the context that Seller does not now own, occupy or possess the Property and only has the rights and interests of the purchaser under the Underlying Contract:

(a) From and after the Effective Date and until physical possession of the Property has been delivered to Purchaser, Seller, to the extent of its rights and obligations under the Underlying Contract, will keep and maintain all of the Property in good order and condition and will comply with and abide by all laws, ordinances, regulations, and restrictions affecting the Property or its use. Prior to Closing, to the extent of its rights and obligations under the Underlying Contract, Seller will pay all taxes and assessments prior to the due date thereof, will not commit or permit any waste or nuisance with respect thereto, and will not undertake or permit any grading or any cutting of timber thereon.

(b) If any, Seller will maintain in full force and effect all policies of insurance now in force, insuring the Property against loss from damage or destruction.

(c) At Closing, Seller shall transfer, assign, and convey to Purchaser all of Seller's right, title, and interest in and to all utilities and utility commitments which service or pertain in any manner to the Property, including, without limitation, any water or sewer connections which have been allocated in any manner to the Property or to Seller as owner of the Property and Seller's position on any waiting list relating to any such water or sewer connections.

(d) From and after the Effective Date, Seller shall not: (i) offer to sell the Property, or any portion thereof, to any other person or entity, nor enter into any verbal or written agreement, understanding, or contract relating to the sale of the Property; or (ii) transfer, lease, or convey any of the Property or enter into any agreement to transfer, lease, or convey any of the Property, unless to Purchaser.

(e) Except as otherwise expressly contemplated herein, from and after the Effective Date, Seller shall not encumber or create any liens on the Property.

(f) Except as may be requested by Purchaser, Seller will not take, approve, or consent to change the zoning, use, or permits of or for the Property. Seller will promptly give Purchaser written notice of any information Seller hereafter receives regarding zoning, uses, or permits affecting the Property.

Notwithstanding anything contained herein to the contrary, Seller shall have the right to amend and modify the Underlying Contract, subject to the reasonable prior written consent of Purchaser to the terms of each such amendment or modification. No such amendment or modification shall prohibit or hinder Seller's ability to timely fulfill its obligations under this Agreement.

12. Purchaser's Affirmative Covenants. In addition to the other covenants and undertakings set forth herein, Purchaser affirmatively covenants that, unless the Agreement is terminated, Purchaser shall take such other actions and perform such other obligations as are required to consummate the transaction contemplated hereunder including, without limitation, execution of such documents as are reasonably required by Seller or its counsel to properly consummate the Closing.

13. Defaults.

(a) **Pre-Closing Default by Seller.** In the event, prior to Closing, and beyond any applicable grace or cure period, Seller fails to comply with or perform any of the conditions to be complied with or any of the covenants, agreements, or obligations to be performed by Seller under the terms and provisions of this Agreement, or in the event that Seller fails to timely close the transaction contemplated herein, Purchaser, in Purchaser's sole discretion, shall be entitled to, as Purchaser's sole and exclusive remedy, to elect either to: (i) enforce specific performance of this Agreement against Seller; provided, however, that if specific performance is unavailable as a remedy as a result of an affirmative act or acts of Seller, the Deposit, if any, shall be returned to Purchaser and Purchaser may also seek to recover its actual damages incurred as a result of Seller's default, up to a maximum of Two Hundred Thousand Dollars (\$200,000.00); or (ii) terminate this Agreement, in which event the Deposit, if any, shall be returned to Purchaser and Purchaser may also seek to recover its actual damages incurred as a result of Seller's default, up to a maximum of Two Hundred Thousand Dollars (\$200,000.00). Purchaser hereby waives all other remedies. Upon any such termination, this Agreement and all rights and obligations created hereunder shall be deemed null and void and of no further force or effect, except as otherwise provided herein. Notwithstanding the foregoing, or anything else in this Agreement, Seller shall not be deemed to be in default hereunder, and the Purchaser shall not have the remedies set forth in subsection (i) above, if Seller's failure to perform under this Agreement is solely a result of the failure of the Current Owner to perform its obligations under the Underlying Contract and does not arise from the violation or default by Seller as purchaser under the Underlying Contract or the negligent or willful act or omission of Seller.

(b) **Pre-Closing Default by Purchaser.** In the event, prior to Closing, Purchaser fails to comply with or perform any of the conditions to be complied with or any of the covenants, agreements, or obligations to be performed by Purchaser under the terms and provisions of this Agreement, or in the event that Purchaser fails to timely close the transaction contemplated hereby, Seller's sole and exclusive remedy for any such default shall be, upon giving written notice to

Purchaser as herein provided, to terminate this Agreement and seek to recover its actual damages incurred as a result of Purchaser's default, up to a maximum of Two Hundred Thousand Dollars (\$200,000.00), whereupon this Agreement and all rights and obligations created hereby shall automatically terminate and be null and void and of no further force or effect whatsoever, except as otherwise provided herein. Seller hereby waives all other remedies. The parties have agreed that Seller's actual damages in the event of a default by Purchaser would be extremely difficult or impracticable to determine. Therefore, the parties acknowledge that retention of the Deposit, if any, has been agreed upon, after negotiation, as the parties' reasonable estimate of Seller's damages and as Seller's sole and exclusive remedy against Purchaser, at law or in equity, in the event of a default under this Agreement on the part of Purchaser.

(c) Post-Closing Default by Seller or Purchaser. With respect to a default by either party of any of its obligations under this Agreement that survive Closing, or any breach of a representative or warranty contained in this Agreement provided that such claim is made within the survival period, the non-defaulting party may pursue all remedies that may be available to the non-defaulting party, at law or in equity; provided, however, in no event shall a party be liable for special, consequential, punitive, exemplary, indirect, or speculative damages of any kind whatsoever.

(d) Pre-Closing Default by Seller or Purchaser. In the event of a default hereunder, except for a failure to close on the Closing Date for which there is no notice and cure period, the non-defaulting party shall give the defaulting party notice of such default, specifying in reasonable detail the nature of the default. Thereafter, the defaulting party shall have ten (10) days from the date notice of default is given to cure the default; notwithstanding the foregoing, if the default occurs within ten (10) days prior to the Closing Date, the defaulting party shall cure the default no later than 5:00 PM two (2) business days prior to the Closing Date. If the defaulting party cures the default within the aforementioned cure period, it shall not incur any liability to the other party as a result of the default. Each party agrees to reasonably cooperate with the other to cure any default within the aforesaid cure period.

(e) Survival. The provisions of this Section 13 shall expressly survive Closing.

14. Possession of Property. Seller shall deliver to Purchaser full and exclusive possession of the Property on the Closing Date.

15. Risk of Loss; Condemnation. Risk of loss to the Property or any part thereof shall remain with the Seller until the Closing.

(a) If any of the Property is damaged or destroyed (a "casualty event") prior to Closing, then, within three (3) business days following the day when Seller has notice of a casualty event, Seller shall give Purchaser written notice of the casualty event. After the receipt of Seller's notice, Purchaser may elect on or before *the earlier of*: (i) ten (10) business days after the receipt of Seller's notice; *or* (ii) the day of Closing, to: (a) terminate this Agreement and receive a refund of the Deposit, if any, in which event Seller and Purchaser shall be relieved and discharged from any further obligation or liability herein, except as expressly stated otherwise; or (b) proceed to Closing with no adjustment in the Purchase Price, in which event Seller's rights in all proceeds of

any and all insurance related to such casualty event shall be assigned to Purchaser at Closing, and Purchaser shall be entitled to a credit in the amount of Seller's deductible at Closing.

(b) In the event the Property or any portion or portions thereof shall be taken or condemned or be the subject of a bona fide threat of condemnation by any Governmental Authority or entity, other than Purchaser, prior to the Closing Date, Purchaser shall have the option of either: (i) terminating this Agreement by giving written notice thereof to Seller, and Seller shall refund to Purchaser the Deposit, if any, within ten (10) days after its receipt of Purchaser's termination notice, whereupon this Agreement and all rights and obligations created hereunder shall be null and void and of no further force or effect, or (ii) requiring Seller to convey the remaining portion or portions of the Property to Purchaser pursuant to the terms and provisions hereof and to transfer and assign to Purchaser at the Closing all of the right, title, and interest of Seller in and to any award made or to be made by reason of such condemnation. Seller and Purchaser hereby further agree that Purchaser shall have the right to participate in all negotiations with any such Governmental Authority relating to the Property or to the compensation to be paid for any portion or portions thereof condemned by such Governmental Authority or other entity.

16. Broker.

(a) Seller hereby represents and warrants to Purchaser that Seller has not engaged or dealt with any agent, broker or finder in regard to this Agreement or to the sale and purchase of the Property contemplated hereby. Seller hereby indemnifies Purchaser and agrees to hold Purchaser free and harmless from and against any and all liability, loss, cost, damage, and expense, including but not limited to attorneys' and paralegals' fees and costs, whether suit be brought or not, and whether at trial, both prior to and on appeal, or incurred in any mediation, arbitration, administrative, or bankruptcy proceeding, which Purchaser shall ever suffer or incur because of any claim by any agent, broker, or finder engaged by Seller, whether or not meritorious, for any fee, commission, or other compensation with respect to this Agreement or to the sale and purchase of the Property contemplated hereby. Seller agrees to retain legal counsel to defend Purchaser against any claim brought by an agent, broker, or finder claiming to have been engaged by Seller. If Seller refuses to retain legal counsel to defend Purchaser, Seller shall be liable for all attorneys' and paralegals' fees and costs, whether suit be brought or not, and whether at trial, both prior to and on appeal, or incurred in any mediation, arbitration, administrative, or bankruptcy proceeding, incurred by Purchaser in its defense and to pursue Purchaser's rights to be indemnified by Seller.

(b) Purchaser hereby represents and warrants to Seller that Purchaser has not engaged or dealt with any agent, broker or finder in regard to this Agreement or to the sale and purchase of the Property contemplated hereby. To the extent permitted by law and without waiving sovereign immunity and any of the protections afforded by Section 768.28, Florida Statutes, and within the limits of liability established under Section 768.28, Florida Statutes, Purchaser hereby indemnifies Seller and agrees to hold Seller free and harmless from and against any and all liability, loss, cost, damage, and expense, including but not limited to attorneys' and paralegals' fees and costs, whether suit be brought or not, and whether at trial, both prior to and on appeal, or incurred in any mediation, arbitration, administrative, or bankruptcy proceeding, which Seller shall ever suffer or incur because of any claim by any agent, broker, or finder engaged by Purchaser, whether or not meritorious, for any fee, commission, or other compensation with respect to this Agreement

or to the sale and purchase of the Property contemplated hereby. Purchaser agrees to retain legal counsel to defend Seller against any claim brought by an agent, broker, or finder claiming to have been engaged by Purchaser. Within the limits of Section 768.28, Florida Statutes, if Purchaser refuses to retain legal counsel to defend Seller, Purchaser shall be liable for all attorneys' and paralegals' fees and costs, whether suit be brought or not, and whether at trial, both prior to and on appeal, or incurred in any mediation, arbitration, administrative, or bankruptcy proceeding, incurred by Seller in its defense and to pursue Seller's rights to be indemnified by Purchaser.

17. Notices. Any notices which may be permitted or required hereunder shall be in writing and shall be deemed to have been duly given: (i) one day after depositing with a nationally recognized overnight courier service, (ii) on the day of hand delivery (provided such delivery occurs prior to 5:00 pm, local Orlando, Florida time), or (iii) via email when transmitted provided that such email is transmitted prior to 5:00 pm, local Orlando, Florida time and the recipient has confirmed receipt by response email, to the address listed below or to such other address as either party may from time to time designate by written notice in accordance with this paragraph:

18. General Provisions.

Purchaser may assign its rights and obligations under this Agreement without Owner's prior written consent and upon written notice to Owner.

(d) Unless otherwise specified, in computing any period of time described in this Agreement, the day of the act or event after which the designated period of time begins to run is not to be included and the last day of the period so computed is to be included. Wherever under the terms and provisions of this Agreement the time for performance falls upon a Saturday, Sunday, or holiday, such time for performance shall be extended to the next business day. For purposes of this Agreement, "holiday" shall mean one of the days designated by Purchaser or the State of Florida as "holidays", to include without limitation: New Year's Day, Martin Luther King Jr. Day, Memorial Day, Independence Day, Labor Day, Veterans' Day, Thanksgiving Day, the Friday after Thanksgiving, and Christmas Day. Except as otherwise set forth herein, the last day of any period of time described herein shall be deemed to end at 11:59 p.m. local time in Orange County, Florida.

(e) The headings inserted at the beginning of each paragraph are for convenience only, and do not add to or subtract from the meaning of the contents of each paragraph.

(f) Seller and Purchaser do hereby covenant and agree that such documents as may be legally necessary or otherwise appropriate to carry out the terms of this Agreement shall be executed and delivered by each party at the Closing.

(g) This Agreement shall be interpreted under the laws of the State of Florida, with venue for any action, suit, or proceeding brought to recover any sum due under, or to enforce compliance with, this Agreement shall lie in the court of competent jurisdiction in and for Orange County, Florida; each party hereby specifically consents to the exclusive personal jurisdiction and exclusive venue of such court.

(h) All of the parties to this Agreement have participated fully in the negotiation and preparation hereof; this Agreement shall not be construed more strongly for or against any party regardless of which party is deemed to have drafted the Agreement.

(i) Nothing contained in this Agreement shall be construed to create a partnership or joint venture between the parties or their successors in interest. Except as otherwise set forth herein, no person other than the parties shall have any rights or privileges under this Agreement, whether as a third-party beneficiary or otherwise.

19. Survival of Provisions. No covenants or obligations (including indemnities, representations, and warranties) set forth in this Agreement shall survive termination or Closing hereunder unless expressly stated herein to the contrary. All survival periods shall be indefinitely unless otherwise expressly stated herein.

20. Severability. This Agreement is intended to be performed in accordance with, and only to the extent permitted by, all applicable laws, ordinances, rules, and regulations. In case any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, then such invalid, illegal, or unenforceable provision shall be, if at all possible, interpreted or re-drafted into a valid, enforceable, legal provision as close to the parties' original intention, and the remaining portions of the Contract shall remain in full force and effect and shall be enforced and interpreted as closely as possible to the parties' intention for the whole of the Contract.

21. Attorneys' Fees. In the event of any dispute hereunder or of any action to interpret or enforce this Agreement, any provision hereof or any matter arising herefrom, each party shall bear its own costs, fees, and expenses, including, but not limited to, witness fees, expert fees, consultant fees, attorney, paralegal, and legal assistant fees, costs, and expenses and other professional fees, costs, and expenses whether suit be brought or not, and whether in settlement, in any declaratory action, in mediation, arbitration, bankruptcy, or administrative proceeding, or at trial or on appeal and including costs of collection. Notwithstanding the foregoing, nothing contained herein shall be construed or interpreted (a) to alter, amend or waive the Purchaser's sovereign immunity of the State of Florida, or its agencies, or any defenses thereto, beyond the waiver provided in Section 768.28, Florida Statutes; or (b) as the consent of the Purchaser to be sued.

22. Counterparts and Electronic Signatures. This Agreement may be executed in two or more counterpart copies, including digital and electronic signatures, each of which shall be deemed to constitute one original document. The parties may execute different counterparts of this agreement, and, if they do so, the signatures pages from the different counterparts may be combined to provide one integrated document and taken together shall constitute one and the same instrument.

This survey meets the "Standards of Practice" set forth by the Florida Board of Land Surveyors in Chapter 5J-17 Florida Administrative Code.
- Surveyor has reviewed Commitment for Title Insurance, Commitment Number 12177361, as issued by Shults & Bowen LLP, and underwritten by Fidelity National Title Insurance Company, issued 04/22/2025 at 5 p.m. All pertinent matters except leases, liens, mortgages, taxes, and/or other similar financial matters, identified as encumbrances in Schedule B-II of said Commitment for Title Insurance, have been shown or noted hereon. The undersigned has relied solely upon said Title Insurance Commitment for all matters pertaining to easements, rights-of-way, setback lines, agreements, reservations, or other similar matters.
- No instruments of record reflecting easements, right-of-ways and/or ownership were furnished to the undersigned except as shown.
- No underground installations, improvements or encroachments have been located except those shown hereon.
- Bearings and coordinates shown hereon are based on the NAD83 / Florida State Plane Coordinate System, FL-West Projection, (USF) with South boundary of the Southeast 1/4 of Section 35, Township 25 South, Range 28 East having a grid bearing of N 89°56'31" W.

- The right-of-way for S. Orange Blossom Trail is based on the State of Florida Department of Transportation Map for State Road No. 600 at Reddy Creek, State Project No. 92010-2530.
- The deed for the subject property appears to contain an error. The metes and bounds portion of the description begins at the Southwest corner of Lot 22, Block B and goes to the Southwest corner of the Southeast 1/4 of Section 35, Township 25 South, Range 28 East; however, it fails to recognize the platted road. The surveyor has found no record of the 25'-wide platted road along the West side of the subject property being vacated; therefore, the surveyor has gone along the East boundary of said platted road for purposes of this survey with an enclosed boundary line of the subject parcel resulting thereby.

MEMORANDUM

TO: CFX Right of Way Committee Members

FROM: Leslie A. Evans
Right of Way Counsel
Dinsmore & Shohl, LLP 

DATE: May 19, 2025

RE: Acquisition of property from J Acquisitions Osceola, LLC
Project: Poinciana Parkway Extension/State Road 538-234
Parcel No.: 53-352

BACKGROUND

The development of the State Road 538, Poinciana Parkway Extension Project ("Project") requires, among other items, that Central Florida Expressway Authority ("CFX"): (1) obtain certain permits and approvals from the South Florida Water Management District ("SFWMD"); and (2) acquire certain property currently owned by SFWMD ("SFWMD Property"). In exchange for such permits and approvals and conveyance of the SFWMD Property to CFX, SFWMD has required that CFX acquire and convey certain property to SFWMD ("Exchange Property"). Such Exchange Property will be used by SFWMD to offset/mitigate against SFWMD's loss of both the SFWMD Property, and any conservation, wetlands, and/or other environmentally sensitive areas impacted by the Project.

CFX intends to acquire the property described and depicted in Attachment A attached hereto (the "Property") as one of the requisite Exchange Properties for the Project. The Property encompasses Osceola County Parcel Identification Number: 23-26-28-000000-40000. Based on the legal description and an existing boundary survey, the Property comprises approximately 81 +/- acres of vacant, undeveloped land. The Property is owned by J Acquisitions Osceola, LLC ("J Acquisitions"). Additionally, under the Agreement J Acquisitions agrees to procure and transfer to CFX temporary access rights to the Property from a nearby right of way.

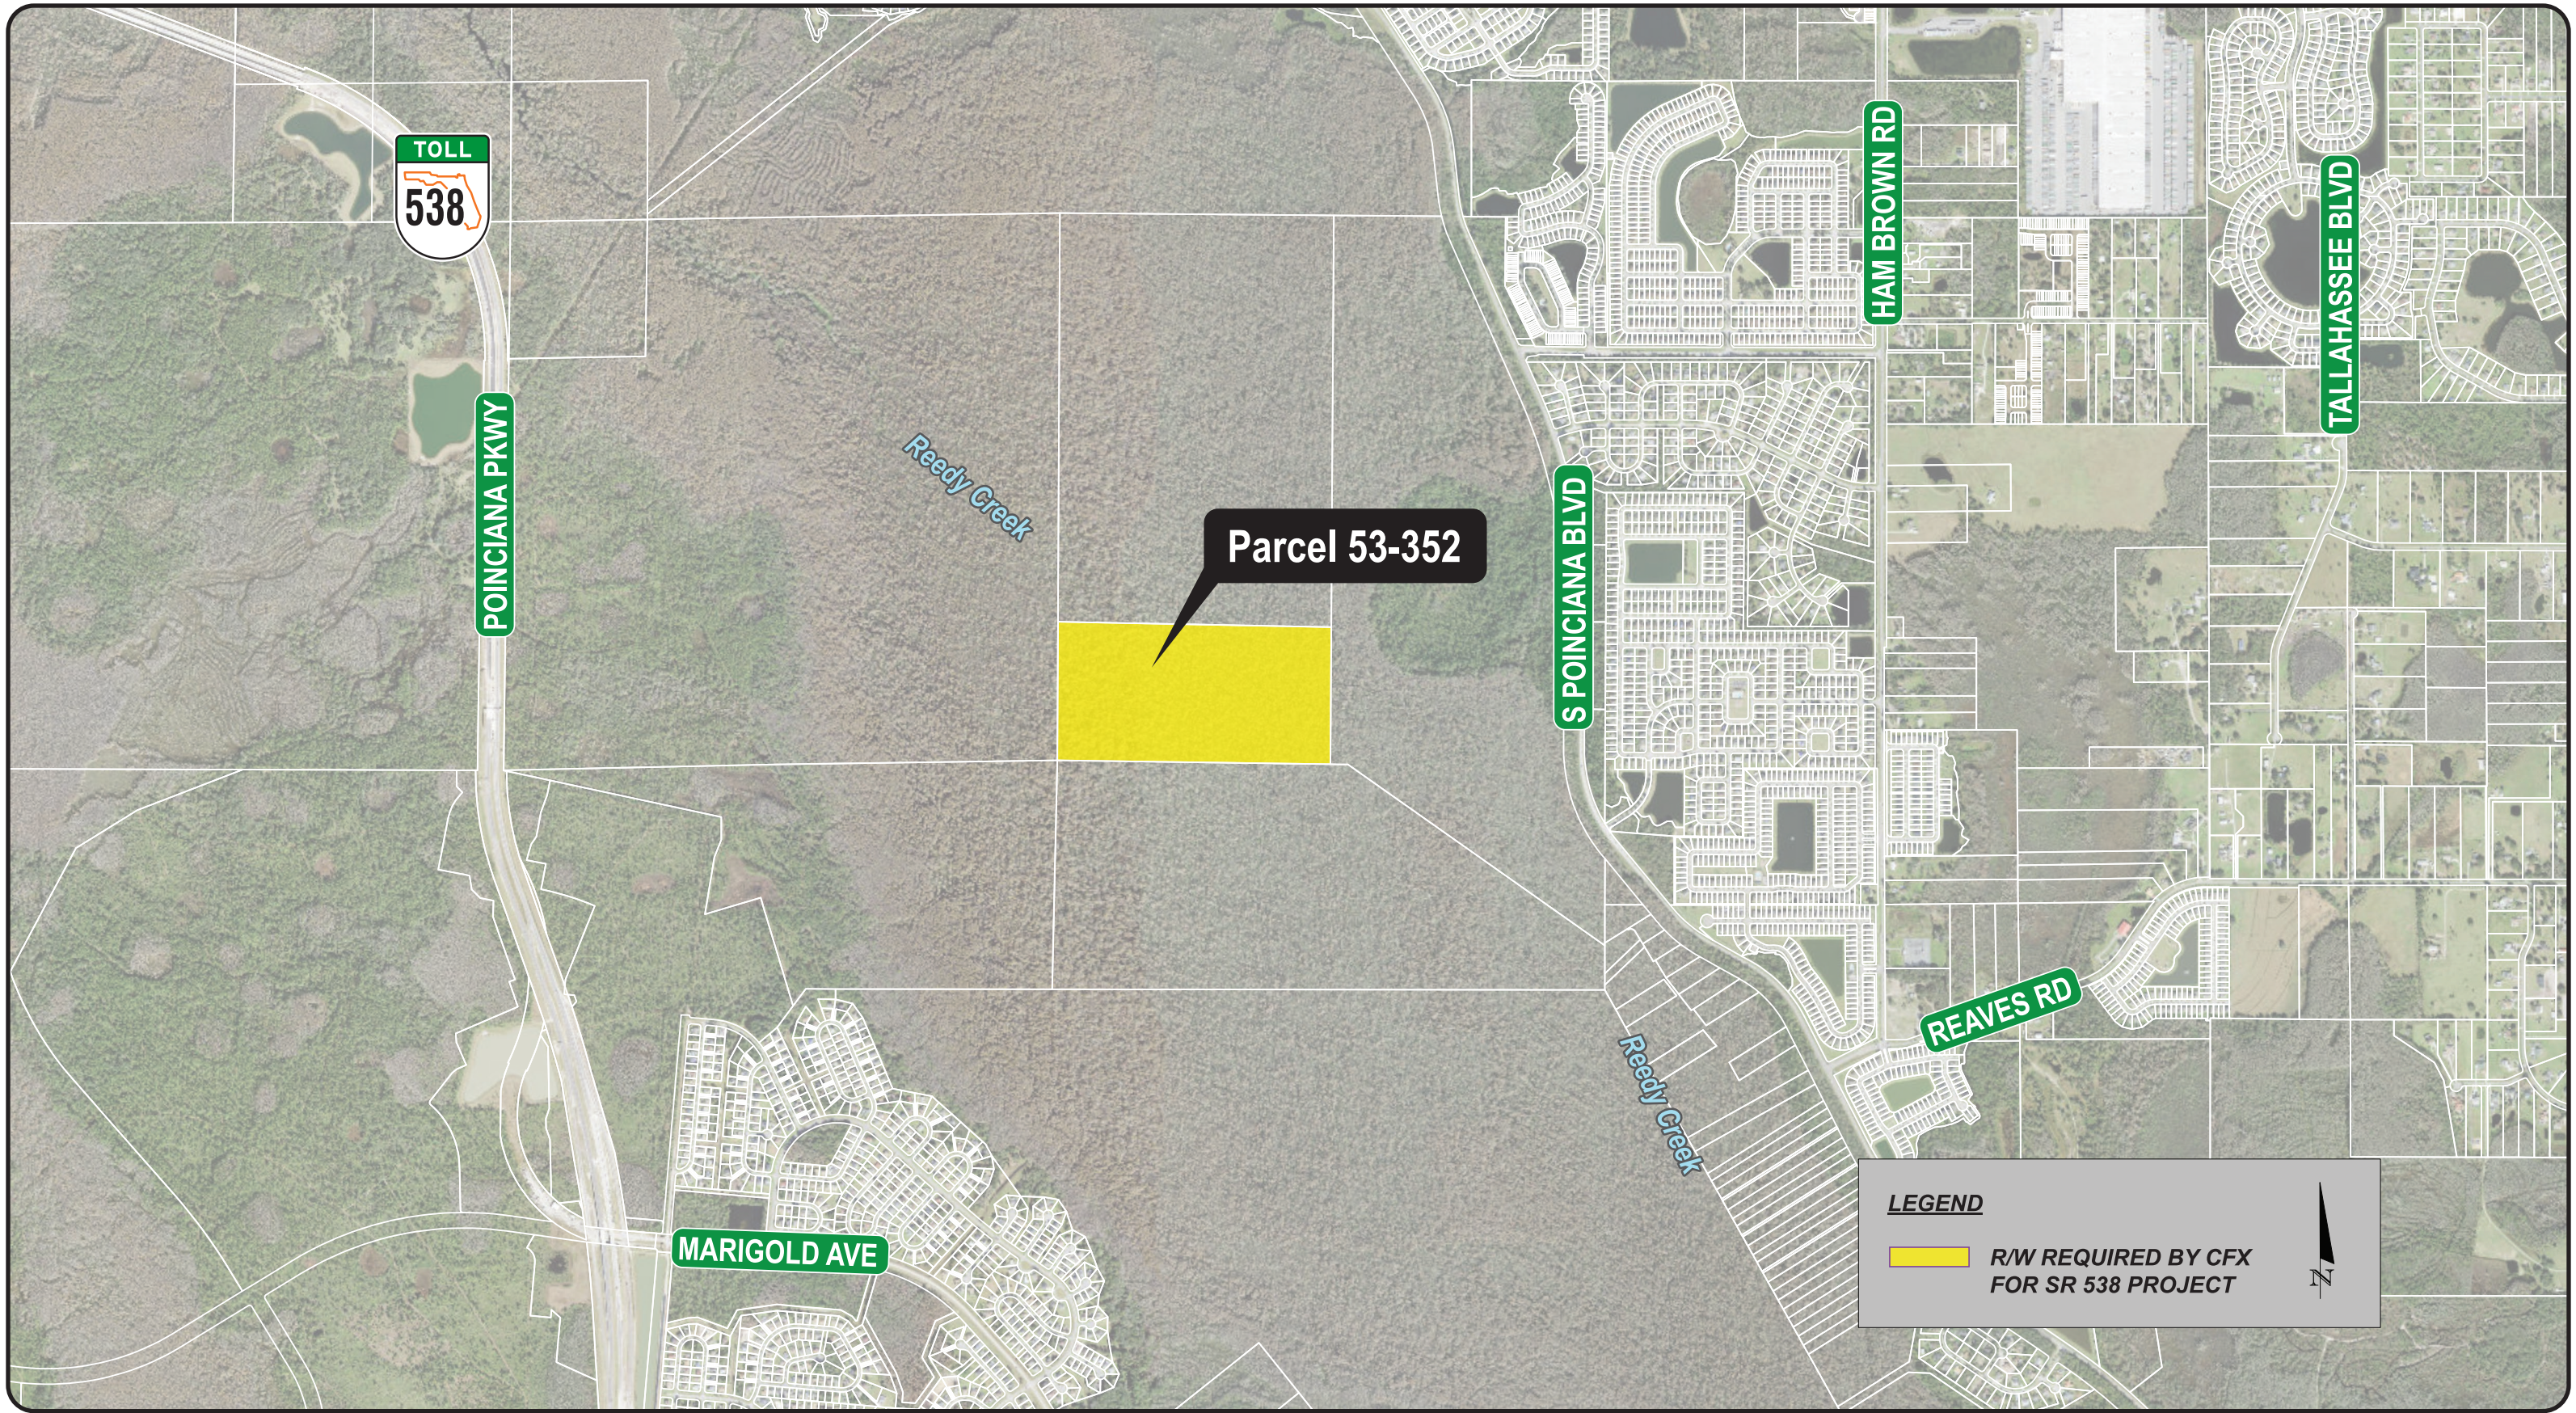

CFX and J Acquisitions negotiated a purchase price of Two Million Five Hundred Thousand and No/100 Dollars (\$2,500,000.00) for the Property, as described in the Real Estate Purchase and Sale Agreement (the "Agreement") attached as Attachment B. With the goal of completing the sale quickly, while still allowing time for CFX to perform its due diligence, the parties structured this transaction to include a traditional due diligence and title review process, with an anticipated closing on or before July 27, 2025. Under the Agreement, each party is responsible for its own attorney's fees, expert fees, and costs, and J Acquisitions is responsible for the cost of title insurance premium and preparation and recordation of the Deed and other closing documents.

REQUEST

A recommendation by the Right of Way Committee for CFX Board's approval of the Agreement and authorizing the Executive Director or her designee to execute all documents necessary to complete the transaction contemplated by the Agreement, subject to final approval of the final transaction by legal counsel.

WHEREAS, Seller desires to sell and convey the Property to Purchaser, and Purchaser desires to acquire from Seller the Property in accordance with the terms and conditions set forth herein.

NOW, THEREFORE, for and in consideration of the premises, the payment of Ten and No/100 Dollars (\$10.00) in hand paid by Purchaser to Seller, the mutual covenants and agreements herein set forth, and other good and valuable consideration, the receipt, adequacy, and sufficiency of which are hereby acknowledged by the parties hereto, the parties hereto do hereby covenant and agree as follows:

2. Agreement to Buy and Sell. Seller agrees to sell to Purchaser and Purchaser agrees to purchase from Seller the Property in the manner and upon the terms and conditions set forth in this Agreement.

3. The Property. For purposes of this Agreement the term “**Property**” shall also include all of Seller’s right, title, and interest in, to, and under: (i) all tenements, hereditaments, and appurtenances relating thereto or associated therewith, (ii) all improvements, buildings, and fixtures, if any, situated thereon, (iii) any permits, approvals, authorizations, and licenses relating to or affecting the Property which Purchaser approves, but only to the extent applicable to the Property, (iv) all right, title, and interest of Seller in and to any street, road, alley, or avenue adjoining such Property, and (v) all of Seller’s right, title, and interest in any strip, hiatus, gore,

Seller further agrees to transfer, assign, and convey to Purchaser at closing, at no additional cost or expense, all of Seller's right, title, and interest, if any, in any permits, authorizations, zoning approvals, vested rights agreements, concurrency reservation agreements, impact fee agreements, impact fee credits, entitlements, concurrency reservations, zoning densities, governmental or third-party approvals, and any other similar entitlements or development rights relating to the Property, but only to the extent applicable to the Property.

4. Purchase Price and Method of Payment. The purchase price to be paid by Purchaser to Seller for the Property shall be **TWO MILLION FIVE HUNDRED THOUSAND AND NO/100 DOLLARS (\$2,500,000.00) ("Purchase Price")**, based upon approximately 81+/- gross acres of land, as certified by the Survey (as defined in Section 5(a) below). The Purchase Price shall be paid as follows:

(a) A deposit in the amount of **TWO HUNDRED THOUSAND AND NO/100 DOLLARS (\$200,000.00)** (the "**Deposit**") will be given to Shutts & Bowen LLP, 300 S. Orange Avenue, Suite 1600, Orlando, Florida 32801 ("**Escrow Agent**"), within five (5) business days of the Effective Date of this Agreement, said deposit to be evidenced by a check or wire transfer payable to the Escrow Agent's order, which will be deposited in Escrow Agent's non-interest bearing trust account. The Deposit, if any, will be applied to the Purchase Price at Closing or disbursed as otherwise provided in this Agreement.

(b) Purchaser shall deliver the full Purchase Price, minus the previously delivered Deposit, if any, to the Closing Agent (as defined in Section 8 below) by wire transfer of immediately available funds at Closing (as hereinafter defined in Section 8 below) which funds shall be deposited into escrow and then applied and disbursed by the Closing Agent in accordance with the procedure, credits, adjustments, and prorations set forth in Section 8 below.

5. Survey and Title Matters.

(a) Survey. Attached hereto as **Exhibit C** and incorporated herein by reference is a survey of the Property as prepared by DC Johnson Associates, a registered surveyor licensed in the State of Florida. Unless otherwise waived by Purchaser in writing, Purchaser may, within thirty (30) days after the Effective Date, at its cost, obtain a new current boundary survey (the "**Survey**") and, if desired, of any necessary access easement areas (in which event, such survey shall also be deemed a "Survey" as such term is used in this Agreement) prepared by a registered surveyor, licensed in the State of Florida (the "**Surveyor**"). At the time of the Closing, the Survey, as updated: (i) shall be currently dated; (ii) shall contain a metes and bounds legal description of the Property substantially consistent in all material respects of the graphic depiction of the Property set forth in **Exhibit "A"** attached hereto to be mutually agreed upon by the parties; (iii) shall show, among other things, the location on the Property of all improvements, fences, evidences of abandoned fences, easements, roads, and rights-of-way; (iv) shall identify all roads, easements, and rights-of-way, and in the case of those created by recorded instruments, shall give the recording information for such instruments; (v) shall include the number of gross acres and square feet within the Property; (vi) shall be certified to Seller, Purchaser, Title Company (as defined

below); and (vii) shall be in form and content which shall enable the Title Company to delete the standard survey exception and to issue a survey endorsement to the Title Policy (as defined below). The Surveyor's seal shall be affixed to the Survey.

(b) Title Insurance. Attached hereto as **Exhibit C** and incorporated herein by reference is a title commitment of the Property dated May 12, 2025 naming Purchaser as proposed insured (the "**Title Commitment**"), as prepared by First American Title Insurance Company (the "**Title Company**"), issued by Shutts & Bowen LLP (the "**Title Agent**"). The Title Commitment sets forth the state of title to the Property as of the commitment date stated on the Title Commitment ("**Commitment Date**") together with all exceptions or conditions to such title, including, but not limited to, all easements, restrictions, rights-of-way, covenants, reservations, and all other encumbrances affecting the Property which would appear in an owner's policy of title insurance if issued (the "**Title Policy**"). The Title Commitment has initially been based on the legal description of the Property as set forth in Exhibit "A" attached hereto and shall be updated upon the parties' approval of an updated legal description and Survey of the Property. Purchaser shall have the rights set forth in subparagraph (c) below with respect to any new matters contained on said update or endorsement of the Title Commitment arising after the Commitment Date.

(c) Title and Survey Objection. Within fifteen (15) days after the receipt of the later of the Survey and the Title Commitment (as it may be updated based on the Survey) and the documents referred to therein respectively as conditions, exceptions, or reservations to title to the Property (but in any event no earlier than the date which is fifteen (15) days after the Effective Date of this Agreement), Purchaser shall provide Seller with notice of any matters set forth in the Title Commitment or Survey which are unacceptable to Purchaser, which matters shall be referred to herein as "**Title Defects**". Any matters set forth in the Title Commitment or Survey to which Purchaser does not timely object shall be referred to collectively herein as the "**Permitted Exceptions**". Seller shall have seven (7) days after receipt of the aforesaid notice from Purchaser (the "**Seller's Cure Period**") within which to use commercially reasonable efforts to cure such Title Defects to the reasonable satisfaction of Purchaser and the Title Company. In the event Seller fails or refuses to cure any Title Defect(s) within Seller's Cure Period, then Purchaser may at its option by delivering written notice thereof to Seller within seven (7) days after expiration of the Cure Period (i) terminate this Agreement, and thereupon the Agreement shall be deemed null and void and of no further force and effect, the Deposit shall be promptly returned to Purchaser, and no party hereto shall have any further rights, obligations, or liability hereunder except as otherwise provided herein; or (ii) accept title to the Property subject to such Title Defect(s). It is specifically understood and agreed that, without limitation, Purchaser hereby objects to and will require the removal, correction, or deletion of (i) all standard exceptions set forth in the Title Commitment except for taxes for the year of closing and thereafter which are not yet due and payable (subject to a specific reading of the Survey as to any survey exceptions required by the Title Company), (ii) any gap, overlap, boundary dispute, hiatus, or encroachment identified on the Survey which affects the Property and (iii) all mortgages, monetary liens, or similar encumbrances, and Purchaser will require the deletion or satisfaction of all Requirements set forth in Schedule B, Part I of the Title Commitment. Further, it is understood and agreed that Purchaser hereby objects to, and shall require Seller to release the Property of record from, any financial obligation related to any declarations, covenants, and restrictions. The following matters set forth in the Title Commitment and the Survey shall be referred to collectively herein as the "**Permitted Exceptions**": Item 8 on Schedule B, Part II. At Closing Seller shall provide the Title Company

with such customary affidavits or other documents as are necessary to enable the Title Company to remove the standard exceptions from the Title Policy.

(d) No Additional Encumbrances. It shall be a condition to Purchaser's obligation to proceed with Closing that between the Commitment Date and the date of Closing, no new survey or title matter not approved or deemed approved by Purchaser pursuant to this Section 5 shall have arisen, unless the same is either: (i) caused by or through the acts or omissions of Purchaser, (ii) discharged or endorsed over to Purchaser's reasonable satisfaction in Purchaser's title policy at Closing; or (iii) consented to or agreed to by Purchaser in writing pursuant to the terms of this Agreement. From and after the Commitment Date, Seller shall not, without obtaining Purchaser's prior written consent in each instance, create, incur, consent to or permit to exist, any easement, restriction, right-of-way, reservation, mortgage, lien, pledge, encumbrance, lease, license, occupancy agreement, or legal or equitable interest, which in any way affects the Property or any portion thereof (except those called for in this Agreement) other than those of record as of the Commitment Date and those that will be satisfied by Seller and released of record at Closing, and Seller hereby covenants that Seller shall comply with and abide by all of the terms and provisions of such existing easements, restrictions, rights-of-way, reservations, mortgages, liens, pledges, encumbrances, leases, licenses, occupancy agreements, and agreements through the date of Closing hereunder. Not more than ten (10) days prior to Closing, Seller shall cause the Title Company to update by endorsement the Title Commitment to a date within twenty (20) days of the date of Closing (the "**Update Endorsement**"), which endorsement, together with legible copies of any additional matters identified therein, shall be delivered to Purchaser. If the Update Endorsement includes any additional requirements in Schedule B-Section I, Seller must satisfy the same prior to Closing at Seller's sole cost and expense unless said new requirements were caused by an action of Purchaser. If the Update Endorsement includes any exceptions in Schedule B-Section II that are not already Permitted Exceptions, then Purchaser shall have the right upon written notice to Seller to extend the Closing Date by up to thirty (30) days to permit Seller to cure such new exception(s), and Seller must take all actions reasonably necessary to delete the same prior to the Closing unless said new exceptions were caused by an action of the Purchaser or unless Purchaser consents in writing to the same as a Permitted Exception prior to Closing; provided, however, Seller shall not be required to expend more than \$50,000.00 or commence any legal proceeding in order to cause such deletion, unless such new exception is caused by the intentional or willful acts of Seller after the initial date of the Survey or Title Commitment as applicable, in which case Seller shall be required to cure such new exception. Notwithstanding any provision contained in this Agreement to the contrary, in addition to Seller's obligation to cure any new title or survey matters caused by the intentional or willful acts of Seller after the initial date of the Survey or Title Commitment as applicable, Seller shall be required to pay and satisfy any mortgages or other liens on the Property at or prior to Closing which can be cleared by the payment of money, other than liens created by Purchaser. Seller's failure to satisfy said requirements and/or delete said exceptions shall be a default under the Agreement by Seller.

6. Inspection Rights.

(a) Purchaser shall have thirty (30) days after the Effective Date (the "**Inspection Period**"), to determine, in Purchaser's sole and absolute discretion, that the Property is suitable and satisfactory for Purchaser's use or development. At all times before Closing, Purchaser shall have the right, in Purchaser's sole discretion and at Purchaser's expense, to

perform any and all Inspections (as more particularly defined below) Purchaser desires to perform, including but not necessarily limited to the following: (i) having the Property tested, surveyed, and inspected to determine if the Property contains any Hazardous Substances (hereinafter defined), wastes, materials, pollutants, or contaminants and obtaining a hazardous waste report prepared by a registered engineer, which report shall be satisfactory to Purchaser in its sole discretion; (ii) having the Property tested, surveyed, and inspected to determine if the Property contains any endangered or threatened species of animal life or endangered, threatened, or commercially exploited plants on or under it, including, without limitation, any jurisdictional wetlands, such that any state or federal agency, department, or commission would disallow the use of the Property intended by Purchaser or require Purchaser to relocate any such species, plants, or wetlands, and obtaining an endangered species and habitat report, satisfactory to Purchaser in its sole discretion; and (iii) investigating the physical and economic feasibility of developing the Property, including without limitation obtaining studies (such as topographical, environmental, and engineering studies) and investigation of all applicable building, zoning, environmental, and other codes, ordinances, statutes, rules, and regulations affecting the Property, stormwater management, zoning, and development standards, impact and development fees, drainage conditions, soils, other environmental factors, sewer and water utility capacity and availability factors, and any other factors whatsoever considered appropriate by Purchaser in its sole and absolute discretion.

As used herein, “**Hazardous Substances**” shall mean and include all hazardous and toxic substances, wastes, or materials, any pollutants or contaminants (including, without limitation, asbestos and raw materials which include hazardous components), or other similar substances or materials which are included under or regulated by any local, state, or federal law, rule, or regulation pertaining to environmental regulation, contamination, or clean-up, including, without limitation, “CERCLA”, “RCRA”, or state superlien or environmental clean-up statutes (all such laws, rules and regulations being referred to collectively as “**Environmental Laws**”).

(b) In the event Purchaser determines, in its sole discretion, which may be exercised for any reason or no reason at all, that it is not desirable or feasible to use or develop the Property or that it is not satisfied as to any other matter set forth in Section 5 or Section 6 above, or any other matter(s) which Purchaser deems relevant, then in such event Purchaser may, in Purchaser’s sole discretion, elect to terminate this Agreement by furnishing written notice thereof to Seller prior to the expiration of the Inspection Period, the Deposit shall be refunded in full to Purchaser within ten (10) days after Seller’s receipt of such termination notice, and the parties hereto shall thereafter be relieved of all rights and obligations hereunder except for those rights and obligations which expressly survive a termination of this Agreement.

(c) Access to Property. Purchaser and its agents, employees, and contractors shall at all times before Closing have the right of going upon the Property as needed to inspect, examine, survey, appraise, and otherwise undertake those actions which Purchaser, in its sole discretion, deems necessary or desirable to determine the suitability of the Property for Purchaser’s use or development, including without limitation performing any inspection desired by Purchaser. Said privilege shall include, without limitation, the right to perform appraisals, make surveys, soils tests, borings, percolation tests, compaction tests, environmental tests, and tests to obtain any other information relating to the surface, subsurface, and topographic conditions of the Property, all of the foregoing (hereinafter collectively referred to as the “**Inspections**”) to be performed at

Purchaser's expense. Purchaser covenants and agrees that such activities shall not cause any damage to Seller or the Property and that the Property shall be restored to substantially the same condition as existed immediately prior to Purchaser's inspection activities pursuant to this Section 6, in the event Purchaser does not acquire same. To the extent permitted by law and without waiving sovereign immunity and any of the protections afforded by Section 768.28, Florida Statutes, and within the limits of liability established under Section 768.28, Florida Statutes, Purchaser shall at all times indemnify, save harmless, and defend Seller from and against any and all claims, liabilities, losses, costs, lawsuits, disputes, damages, and expenses (including reasonable attorneys' fees whether incurred at or before the trial level or in any appellate proceedings) which Seller may suffer, sustain, or incur to the extent arising out of the negligence of Purchaser in the exercise of its rights under this Section 6, including, without limitation, any damage to the Property or to any person or other real or personal property, and including the filing of any mechanics' or other statutory or common law lien or claims against the Property or any part thereof, except to the extent that any such claims, liabilities, losses, costs, lawsuits, disputes, damages, and expenses arise out of or relate to the discovery of a pre-existing condition on the Property or are caused by the Seller's gross negligence or willful misconduct. This provision shall survive Closing or earlier termination of this Agreement.

(d) Access Rights. Seller shall, at its expense, procure for Purchaser, promptly following the Effective Date of this Agreement, any easements, licenses, or other written agreements necessary, as determined by Purchaser in its reasonable discretion, for Purchaser and Purchaser's agents, employees, and contractors to access the Property at all times before Closing to determine the suitability of the Property as provided in this Section 6 and to otherwise inspect the Property before Closing, and to access the Property for a period of no less than three (3) years after Closing, including but not limited to procuring for the benefit of Purchaser the execution by all necessary parties and recording of a temporary easement for access to the Property on terms reasonably acceptable to Purchaser (the "**Access Easement**"). Seller shall have the right upon written notice to Purchaser to extend the Inspection Period by an additional thirty (30) days upon written notice to Purchaser in order to allow Seller to secure such access rights necessary for Purchaser to perform its inspections as contemplated herein, in which event the Closing Date shall also be extended accordingly. In the event Seller is unable to obtain the Access Easement, such failure shall not be deemed a Seller default hereunder. Notwithstanding the provisions of Section 13, Section 7(b), or any other provisions of this Agreement, Purchaser's sole remedy in the event Seller is unable to obtain the Access Easement is to terminate this Agreement, in which event this Agreement, and all rights and obligations arising hereunder, except for those expressly intended to survive such termination, shall be deemed terminated, null and void, and the Deposit, if any, shall be returned to Purchaser.

7. Conditions Precedent to Purchaser's Obligation to Close. Purchaser's obligation to purchase the Property shall be expressly conditioned upon the fulfillment of each of the following conditions precedent (collectively, the "**Conditions to Close**") on or before the date or dates hereinafter specifically provided and in no event later than the date of Closing:

(a) Seller shall have delivered to Purchaser a general warranty deed duly executed and acknowledged conveying marketable fee simple title to the Property to Purchaser free and clear of any tenancies or other rights of any parties in possession, subject only to the Permitted Exceptions and otherwise in a form reasonably acceptable to Purchaser;

(b) Seller shall have procured for Purchaser, and shall deliver to Purchaser effective upon Purchaser's acquisition of title to the Property, any easements, licenses, or other written agreements necessary, as determined by Purchaser in its reasonable discretion, for Purchaser and Purchaser's successors and assigns, to access the Property, including but not limited to procuring for the benefit of Purchaser and its successors and assigns the execution by all necessary parties and recording of the Access Easement.

(c) Purchaser shall have approved the status of title to the Property in accordance with Section 5 and Title Company shall be in a position to issue the Owner's Title Insurance Policy on the Property to Purchaser in the full amount of the Purchase Price, with all Schedule B, Part I requirements met;

(e) Seller shall have executed such documents as are reasonably required by Purchaser or its counsel to properly consummate the closing;

(f) The representations, warranties, and covenants of Seller contained in this Agreement shall be true and correct as of the Closing Date (hereinafter defined) in all material respects and Seller shall sign a certificate to that effect at Closing;

(g) Seller shall have performed and complied with all covenants and agreements contained herein which are to be performed and complied with by Seller at or prior to the Closing;

(h) The Property shall not have been materially affected by any legislative or regulatory change, or any flood, accident, or other materially adverse event that would prevent or prohibit Purchaser's intended use or development;

(i) The Property shall not have been subjected to or made a part of a homeowners or other property owners association; and .

(j) No later than twenty (20) days prior to the Closing Date, Seller shall have delivered to Purchaser copies of any surveys, studies, documents, investigations, tests, leases, licenses, title insurance policies, permits, any association documents, easements, environmental reports and audits, plats, site plans, development plans, and other similar documents or materials in Seller's, or Seller's agents', consultants', employees', or contractors' possession, custody, or control which may aid Purchaser in its investigation of the Property (collectively, the "**Seller's Due Diligence Materials**") and certified in writing to Purchaser its compliance herewith. All of Seller's Due Diligence Materials may be used by Purchaser in such manner as it desires.

(k) Purchaser may at any time or times on or before Closing, at its election, subject to restrictions of law, waive any of the foregoing conditions to its obligations hereunder and the consummation of such sale, but any such waiver shall be effective only if contained in writing signed by Purchaser and delivered to Seller.

(l) In the event any of the foregoing conditions or other conditions to this Agreement are not fulfilled or waived by Purchaser prior to the date of Closing, Purchaser may elect, as its sole and exclusive remedy, to: (i) terminate this Agreement, upon which Seller shall return to CFX the Deposit, if any, within ten (10) days after its receipt of such termination notice, (ii) waive any outstanding Conditions to Close and proceed to close and acquire the Property without adjustment to the Purchaser Price; or (iii) waive any of the Conditions to Close and enter into a post-closing escrow agreement establishing a time certain to complete the unfinished conditions and the provision of a method to financially secure any post-closing obligations.

8. Closing Date and Closing Procedures and Requirements.

(a) Closing Date. The closing (the “**Closing**”) shall occur at **4:00 p.m. on July 27, 2025**, unless the parties otherwise agree in writing as to an earlier time and date (“**Closing Date**”). The Closing shall occur at the offices of the Title Agent (“**Closing Agent**”), or any other place and time which is mutually agreed to in advance in writing by all the parties. Notwithstanding the foregoing, the Closing may occur in escrow by mail, electronic transmission, and/or overnight courier upon mutual agreement of the parties. The Closing Agent shall prepare all documents for Closing and act as escrow agent. The Parties acknowledge and agree that Purchaser’s obligation to close on July 27, 2025 (or such other Closing Date as may be agreed by the parties), is additionally conditioned on Seller’s delivery of the final closing statement to Purchaser no later than five (5) business days before such Closing Date, so that Purchaser can deliver the Purchase Price to the Closing Agent by the Closing Date. Accordingly, in the event Seller shall have failed to timely deliver the final closing statement to Purchaser, (i) Purchaser shall not be in default under this Agreement for failure to close on such Closing Date; and (ii) the Closing Date shall be extended to the date that is five (5) business days after Seller has delivered the final closing statement to Purchaser or other date mutually agreeable between the Parties.

(b) Conveyance of Title. At the Closing, Seller shall execute and deliver to Purchaser a general warranty deed conveying fee simple marketable record title to the Property to Purchaser, free and clear of all liens, special assessments, easements, reservations, restrictions, and encumbrances whatsoever, excepting only the Permitted Exceptions (“**Deed**”). In the event any mortgage, lien, or other encumbrance encumbers the Property at Closing and is not paid and satisfied by Seller prior to Closing, such mortgage, lien, or other encumbrance shall, at Purchaser’s election, be satisfied and paid with the proceeds of the Purchase Price. Seller and Purchaser agree that such affidavits, documents, resolutions, certificates of good standing, and certificates of authority as may be necessary to carry out the terms of this Agreement shall be executed and/or delivered by such parties at the time of Closing, including, without limitation, an owner’s affidavit in form sufficient to enable the Title Company to delete all standard title exceptions other than survey exceptions from the Title Policy and a certificate duly executed by Seller certifying that Seller is not a foreign person for purposes of the Foreign Investment in Real Property Tax Act (FIRPTA), as revised by the Deficit Reduction Act of 1984 and as may be amended from time to time.

(c) Disclosure Affidavit. At the Closing, Seller shall execute an affidavit disclosing each person or entity having a legal or beneficial interest in the Property as required under Section 286.23, Florida Statutes, as it may be amended from time to time. Such disclosure shall be made in the form of **Exhibit “B”** attached hereto and incorporated herein by this reference.

Seller shall make such disclosure under oath, subject to the penalties for perjury. Seller waives the notice provision of Section 286.23(2), Florida Statutes and warrants that both affidavits shall disclose those persons or entities holding less than five (5%) percent of the beneficial interest of the disclosing entity.

(d) Prorating of Taxes and Assessments. All real property ad valorem taxes, general and special assessments, and charges applicable to the Property shall be prorated as of the Closing Date between Seller and Purchaser, but specifically excluding all assessments assessed by any property owner's association, which if any will be paid in full by Seller on or before the Closing Date. Prior to Closing, Seller shall deliver to Purchaser an estoppel letter from each and any property owner's association confirming the amount of all outstanding assessments, fees, and charges due for the Property as of the Closing Date. At Closing, the Seller shall pay the Purchaser (or the Closing Agent) Seller's pro rata share as of the Closing Date of such other taxes, assessments, and charges as determined by any and all applicable federal, state, county, municipal, or other governmental department or entity, or any authority, commission, board, bureau, court, community development district, or agency having jurisdiction over the Property ("**Governmental Authority**"). Delivery of such tax payment to Osceola County along with a copy of the Deed and a request to Osceola County Tax Collector to remove the Property from the tax roll at Closing shall be the responsibility of the Closing Agent and shall occur at the Closing. If the real property ad valorem taxes, general assessments, and charges applicable to the Property are not available at Closing, then they shall be estimated based upon the most recent information available, and after the taxes are assessed for the then current year, Purchaser and Seller shall adjust the amount actually due by a new proration based on the actual tax bill and, upon demand, the proper party shall promptly pay the differential in cash to the other party.

(e) Special Assessments. Seller shall pay all special assessments to the extent applicable to the Property, in full on or before the Closing Date.

(f) Closing Costs. Seller shall pay the following Closing costs: (i) all real property transfer and transaction taxes and levies relating to the purchase or sale of the Property, if any, including, without limitation, the documentary stamps which shall be affixed to the Deed, (ii) the title insurance premium for the Title Commitment and Title Policy equal to the Purchase Price to be issued by Title Agent, (iii) the cost of recording the Deed, (iv) preparation and recordation of any instruments necessary to correct title, and (v) all of the real estate sales commissions set forth herein, if applicable. The Closing Agent shall prepare, at Seller's expense, all Closing documents. Other than the aforementioned document preparation costs, each party shall pay its own attorneys' fees, expert fees, and costs. Purchaser shall pay for all costs and expenses incurred with respect to its inspections of the Property.

9. Warranties and Representations of Seller. To induce Purchaser to enter into this Agreement and to purchase the Property, Seller, in addition to the other representations and warranties expressly set forth herein, makes the following representations and warranties, each of which is being made as of the Effective Date and the date of Closing, is material and is being relied upon by Purchaser and shall survive Closing hereunder for a period of twelve (12) months:

(a) That Seller owns fee simple marketable record title to the Property, free and clear of all liens, special assessments, easements, reservations, restrictions, and encumbrances

other than the Permitted Exceptions, and there are no tenancy, rental, or other occupancy agreements affecting the Property.

(b) There will be no tenant(s) remaining on the Property, or asserting a right to possession of the Property as of the Closing Date. Seller shall indemnify and hold Purchaser harmless from any suit or claim, including monetary damages, brought by a tenant or any person or entity asserting a claim of possession.

(c) That Seller has not received any written notice and has no actual knowledge that the Property or any portion or portions thereof is or will be subject to or affected by (i) any special assessments, whether or not presently a lien thereon, which special assessments or liens will be discharged by Seller prior to or at Closing, or (ii) any condemnation, eminent domain, change in grade of public streets, or similar proceeding, other than from Purchaser.

(d) That to Seller's knowledge, there are no actions, suits, or proceedings of any kind or nature whatsoever, legal or equitable, affecting the Property or any portion or portions thereof or relating to or arising out of the ownership of the Property, in any court or before or by any federal, state, county, or municipal department, commission, board, bureau, or agency or other governmental instrumentality.

(e) Seller is a Florida limited liability company duly organized and validly existing under the laws of the State of Florida and registered to do business in the State of Florida; Seller has taken all the necessary action under its organizational documents and the individual(s) executing this Agreement has the full right, power, and authority to enter into and deliver this Agreement and to consummate the purchase and sale of the Property in accordance herewith and to perform all covenants and agreements of Seller hereunder.

(f) Seller has no knowledge or notice that any present default or breach exists under any mortgage or other encumbrance affecting the Property or any covenants, conditions, restrictions, rights-of-way, or easements which may affect the Property or any portion or portions thereof and that no condition or circumstance exists which, with the passage of time and/or the giving of notice, or otherwise, would constitute or result in a default or breach under any such covenants, conditions, restrictions, rights-of-way, or easements.

(g) No commitments have been made to any governmental authority (other than Purchaser), utility company, church or other religious body, or any homeowners association, property owners association, or to any other organization, group, or individual, relating to the Property which would impose an obligation upon Purchaser or its successors or assigns to make any contribution or dedications of money or land or to construct, install, or maintain any improvements of a public or private nature on or off the Property, and no governmental authority has imposed any requirement that any developer of the Property pay directly or indirectly any special fees or contributions or incur any expenses or obligations in connection with any development of the Property or any part thereof. The provisions of this section shall not apply to any general real estate taxes.

(h) To the best of Seller's knowledge, neither the Property nor beneath the surface of the Property has ever been used by previous owners and/or operators or Seller to

generate, manufacture, refine, transport, treat, store, handle, or dispose of any Hazardous Substances and Seller has not received any written notice that the Property or beneath the surface of the Property has ever been used by previous owners and/or operators or Seller to generate, manufacture, refine, transport, treat, store, handle, or dispose of any Hazardous Substances. To the best of Seller's knowledge, the Property has never contained nor does it now contain either asbestos, PCBs, or other toxic materials, whether used in construction or stored on the Property. Seller has not received a summons, citation, directive, letter, or other communication, written or oral, from any agency or Department of the State of Florida or the U.S. Government concerning any intentional or unintentional action or omission on Seller's part which has resulted in the releasing, spilling, leaking, pumping, pouring, emitting, emptying, or dumping of Hazardous Substances on the Property.

(i) To the best of Seller's knowledge, there are no pollutants, contaminants, petroleum products, or petroleum by-products, toxins, carcinogens, asbestos, or Hazardous Substances on or beneath the surface of the Property, which Seller or any other person or entity has placed or caused or allowed to be placed upon the Property, and which have caused or which may cause any investigation by any agency or instrumentality of government, which are or may be on the Property in violation of any law or regulation of any local, state, or federal government, or which are or may be a nuisance or health threat to occupants of the Property or other residents of the area.

(j) No person or legal entity other than Purchaser has any right or option whatsoever to acquire the Property or any portion or portions thereof or any interest or interests therein.

(k) That the execution and delivery of this Agreement and the consummation of the transaction contemplated herein shall not and do not constitute a violation or breach by Seller of any provision of any agreement or other instrument to which Seller is a party or to which Seller may be subject although not a party, nor result in or constitute a violation or breach of any judgment, order, writ, injunction, or decree issued against Seller.

(l) Seller is a United States resident, not a foreign person (as such terms are defined in the Internal Revenue Code and Income Tax Regulations), for purposes of U.S. income taxation, and no withholding of sale proceeds is required with respect to Seller's interest in the Property under Section 1445(a) of the Internal Revenue Code.

(m) That each and every one of the foregoing representations and warranties is true and correct as of the Effective Date, will remain true and correct throughout the term of this Agreement, and will be true and correct as of the Closing Date.

(n) In the event that changes occur as to any information, documents or exhibits referred to in the subparagraphs of this Section 9, or in any other part of this Agreement, of which Seller has knowledge, Seller will immediately disclose same to Purchaser when first available to Seller; and in the event of any change which may be deemed by Purchaser in its sole discretion to be materially adverse, Purchaser may, at its election, terminate this Agreement. For purposes of this Agreement, whenever the phrase "to Seller's knowledge," or the "knowledge" of Seller or words of similar import are used, they shall be deemed to refer to facts within the actual knowledge

of Jeffry B. Fuqua and no others without duty of inquiry or investigation whatsoever. Purchaser acknowledges that Jeffry B. Fuqua is named above solely for the purpose of defining the scope of Seller's knowledge and not for the purpose of imposing any liability on or creating any duties running from Jeffry B. Fuqua.

10. Warranties and Representations of Purchaser. To induce Seller to enter into this Agreement, Purchaser, in addition to the other representations and warranties set forth herein, makes the following representations and warranties, each of which is being made as of the Effective Date and the date of Closing, is material and is being relied upon by Seller and shall survive Closing hereunder for a period of twelve (12) months:

(a) That Purchaser has the full right, power, and authority to enter into and deliver this Agreement and to consummate the purchase and sale of the Property in accordance herewith and to perform all covenants and agreements of Purchaser hereunder.

(b) That to the best of Purchaser's actual knowledge without investigation or inquiry, the execution and delivery of this Agreement and the consummation of the transactions contemplated herein shall not and do not constitute a violation or breach by Purchaser of any provision of any agreement or other instrument to which Purchaser is a party or to which Purchaser may be subject although not a party, nor result in or constitute a violation or breach of any judgment, order, writ, injunction, or decree issued against Purchaser.

(c) That each and every one of the foregoing representations and warranties is true and correct as of the Effective Date, will remain true and correct throughout the term of this Agreement, and will be true and correct as of the Closing Date.

(d) That in the event that changes occur as to any of the foregoing representations and warranties of Purchaser contained in this Section 10 of which Purchaser has knowledge, Purchaser will immediately disclose same to Seller when first available to Purchaser.

11. Seller's Affirmative Covenants. In addition to the other covenants and undertakings set forth herein, Seller makes the following affirmative covenants, each of which shall survive Closing hereunder:

(a) From and after the Effective Date and until physical possession of the Property has been delivered to Purchaser, Seller will keep and maintain all of the Property in good order and condition and will comply with and abide by all laws, ordinances, regulations, and restrictions affecting the Property or its use. Prior to Closing, Seller will pay all taxes and assessments prior to the due date thereof, will not commit or permit any waste or nuisance with respect thereto, and will not undertake or permit any grading or any cutting of timber thereon.

(b) If any, Seller will maintain in full force and effect all policies of insurance now in force, insuring the Property against loss from damage or destruction.

(c) At Closing, Seller shall transfer, assign, and convey to Purchaser and its successors and assigns the Access Easement;

(d) At Closing, Seller shall transfer, assign, and convey to Purchaser all of Seller's right, title, and interest in and to all utilities and utility commitments which service or pertain in any manner to the Property, including, without limitation, any water or sewer connections which have been allocated in any manner to the Property or to Seller as owner of the Property and Seller's position on any waiting list relating to any such water or sewer connections.

(e) From and after the Effective Date, Seller shall not: (i) offer to sell the Property, or any portion thereof, to any other person or entity, nor enter into any verbal or written agreement, understanding, or contract relating to the sale of the Property; or (ii) transfer, lease, or convey any of the Property or enter into any agreement to transfer, lease, or convey any of the Property, unless to Purchaser.

(f) Except as otherwise expressly contemplated herein, from and after the Effective Date, Seller shall not encumber or create any liens on the Property.

(g) Except as may be requested by Purchaser, Seller will not take, approve, or consent to change the zoning, use, or permits of or for the Property. Seller will promptly give Purchaser written notice of any information Seller hereafter receives regarding zoning, uses, or permits affecting the Property.

12. Purchaser's Affirmative Covenants. In addition to the other covenants and undertakings set forth herein, Purchaser affirmatively covenants that, unless the Agreement is terminated, Purchaser shall take such other actions and perform such other obligations as are required to consummate the transaction contemplated hereunder including, without limitation, execution of such documents as are reasonably required by Seller or its counsel to properly consummate the Closing.

13. Defaults.

(a) Pre-Closing Default by Seller. In the event, prior to Closing, and beyond any applicable grace or cure period, Seller fails to comply with or perform any of the conditions to be complied with or any of the covenants, agreements, or obligations to be performed by Seller under the terms and provisions of this Agreement, or in the event that Seller fails to timely close the transaction contemplated herein, Purchaser, in Purchaser's sole discretion, shall be entitled to, as Purchaser's sole and exclusive remedy, to elect either to: (i) enforce specific performance of this Agreement against Seller; provided, however, that if specific performance is unavailable as a remedy as a result of an affirmative act or acts of Seller, the Deposit, if any, shall be returned to Purchaser and Purchaser may also seek to recover its actual damages incurred as a result of Seller's default, up to a maximum of Two Hundred Thousand Dollars (\$200,000.00); or (ii) terminate this Agreement, in which event the Deposit, if any, shall be returned to Purchaser and Purchaser may also seek to recover its actual damages incurred as a result of Seller's default, up to a maximum of Two Hundred Thousand Dollars (\$200,000.00). Purchaser hereby waives all other remedies. Upon any such termination, this Agreement and all rights and obligations created hereunder shall be deemed null and void and of no further force or effect, except as otherwise provided herein.

(b) Pre-Closing Default by Purchaser. In the event, prior to Closing, Purchaser fails to comply with or perform any of the conditions to be complied with or any of the covenants,

agreements, or obligations to be performed by Purchaser under the terms and provisions of this Agreement, or in the event that Purchaser fails to timely close the transaction contemplated hereby, Seller's sole and exclusive remedy for any such default shall be, upon giving written notice to Purchaser as herein provided, to terminate this Agreement and seek to recover its actual damages incurred as a result of Purchaser's default, up to a maximum of Two Hundred Thousand Dollars (\$200,000.00), whereupon this Agreement and all rights and obligations created hereby shall automatically terminate and be null and void and of no further force or effect whatsoever, except as otherwise provided herein. Seller hereby waives all other remedies. The parties have agreed that Seller's actual damages in the event of a default by Purchaser would be extremely difficult or impracticable to determine. Therefore, the parties acknowledge that retention of the Deposit, if any, has been agreed upon, after negotiation, as the parties' reasonable estimate of Seller's damages and as Seller's sole and exclusive remedy against Purchaser, at law or in equity, in the event of a default under this Agreement on the part of Purchaser.

(c) Post-Closing Default by Seller or Purchaser. With respect to a default by either party of any of its obligations under this Agreement that survive Closing, or any breach of a representative or warranty contained in this Agreement provided that such claim is made within the survival period, the non-defaulting party may pursue all remedies that may be available to the non-defaulting party, at law or in equity; provided, however, in no event shall a party be liable for special, consequential, punitive, exemplary, indirect, or speculative damages of any kind whatsoever.

(d) Pre-Closing Default by Seller or Purchaser. In the event of a default hereunder, except for a failure to close on the Closing Date for which there is no notice and cure period, the non-defaulting party shall give the defaulting party notice of such default, specifying in reasonable detail the nature of the default. Thereafter, the defaulting party shall have ten (10) days from the date notice of default is given to cure the default; notwithstanding the foregoing, if the default occurs within ten (10) days prior to the Closing Date, the defaulting party shall cure the default no later than 5:00 PM two (2) business days prior to the Closing Date. If the defaulting party cures the default within the aforementioned cure period, it shall not incur any liability to the other party as a result of the default. Each party agrees to reasonably cooperate with the other to cure any default within the aforesaid cure period.

(e) Survival. The provisions of this Section 13 shall expressly survive Closing.

14. Possession of Property. Seller shall deliver to Purchaser full and exclusive possession of the Property on the Closing Date.

15. Risk of Loss; Condemnation. Risk of loss to the Property or any part thereof shall remain with the Seller until the Closing.

(a) If any of the Property is damaged or destroyed (a "casualty event") prior to Closing, then, within three (3) business days following the day when Seller has notice of a casualty event, Seller shall give Purchaser written notice of the casualty event. After the receipt of Seller's notice, Purchaser may elect on or before *the earlier of*: (i) ten (10) business days after the receipt of Seller's notice; *or* (ii) the day of Closing, to: (a) terminate this Agreement and receive a refund of the Deposit, if any, in which event Seller and Purchaser shall be relieved and discharged from

any further obligation or liability herein, except as expressly stated otherwise; or (b) proceed to Closing with no adjustment in the Purchase Price, in which event Seller's rights in all proceeds of any and all insurance related to such casualty event shall be assigned to Purchaser at Closing, and Purchaser shall be entitled to a credit in the amount of Seller's deductible at Closing.

(b) In the event the Property or any portion or portions thereof shall be taken or condemned or be the subject of a bona fide threat of condemnation by any Governmental Authority or entity, other than Purchaser, prior to the Closing Date, Purchaser shall have the option of either: (i) terminating this Agreement by giving written notice thereof to Seller, and Seller shall refund to Purchaser the Deposit, if any, within ten (10) days after its receipt of Purchaser's termination notice, whereupon this Agreement and all rights and obligations created hereunder shall be null and void and of no further force or effect, or (ii) requiring Seller to convey the remaining portion or portions of the Property to Purchaser pursuant to the terms and provisions hereof and to transfer and assign to Purchaser at the Closing all of the right, title, and interest of Seller in and to any award made or to be made by reason of such condemnation. Seller and Purchaser hereby further agree that Purchaser shall have the right to participate in all negotiations with any such Governmental Authority relating to the Property or to the compensation to be paid for any portion or portions thereof condemned by such Governmental Authority or other entity.

16. Broker.

(a) Seller hereby represents and warrants to Purchaser that Seller has not engaged or dealt with any agent, broker or finder in regard to this Agreement or to the sale and purchase of the Property contemplated hereby. Seller hereby indemnifies Purchaser and agrees to hold Purchaser free and harmless from and against any and all liability, loss, cost, damage, and expense, including but not limited to attorneys' and paralegals' fees and costs, whether suit be brought or not, and whether at trial, both prior to and on appeal, or incurred in any mediation, arbitration, administrative, or bankruptcy proceeding, which Purchaser shall ever suffer or incur because of any claim by any agent, broker, or finder engaged by Seller, whether or not meritorious, for any fee, commission, or other compensation with respect to this Agreement or to the sale and purchase of the Property contemplated hereby. Seller agrees to retain legal counsel to defend Purchaser against any claim brought by an agent, broker, or finder claiming to have been engaged by Seller. If Seller refuses to retain legal counsel to defend Purchaser, Seller shall be liable for all attorneys' and paralegals' fees and costs, whether suit be brought or not, and whether at trial, both prior to and on appeal, or incurred in any mediation, arbitration, administrative, or bankruptcy proceeding, incurred by Purchaser in its defense and to pursue Purchaser's rights to be indemnified by Seller.

(b) Purchaser hereby represents and warrants to Seller that Purchaser has not engaged or dealt with any agent, broker or finder in regard to this Agreement or to the sale and purchase of the Property contemplated hereby. To the extent permitted by law and without waiving sovereign immunity and any of the protections afforded by Section 768.28, Florida Statutes, and within the limits of liability established under Section 768.28, Florida Statutes, Purchaser hereby indemnifies Seller and agrees to hold Seller free and harmless from and against any and all liability, loss, cost, damage, and expense, including but not limited to attorneys' and paralegals' fees and costs, whether suit be brought or not, and whether at trial, both prior to and on appeal, or incurred in any mediation, arbitration, administrative, or bankruptcy proceeding, which Seller shall ever

suffer or incur because of any claim by any agent, broker, or finder engaged by Purchaser, whether or not meritorious, for any fee, commission, or other compensation with respect to this Agreement or to the sale and purchase of the Property contemplated hereby. Purchaser agrees to retain legal counsel to defend Seller against any claim brought by an agent, broker, or finder claiming to have been engaged by Purchaser. Within the limits of Section 768.28, Florida Statutes, if Purchaser refuses to retain legal counsel to defend Seller, Purchaser shall be liable for all attorneys' and paralegals' fees and costs, whether suit be brought or not, and whether at trial, both prior to and on appeal, or incurred in any mediation, arbitration, administrative, or bankruptcy proceeding, incurred by Seller in its defense and to pursue Seller's rights to be indemnified by Purchaser.

Any notices which may be permitted or required hereunder shall be in writing and shall be deemed to have been duly given: (i) one day after depositing with a nationally recognized overnight courier service, (ii) on the day of hand delivery (provided such delivery occurs prior to 5:00 pm, local Orlando, Florida time), or (iii) via email when transmitted provided that such email is transmitted prior to 5:00 pm, local Orlando, Florida time and the recipient has confirmed receipt by response email, to the address listed below or to such other address as either party may from time to time designate by written notice in accordance with this paragraph:

NOTE: Florida Statutes, Sections 692.201-692.205, "Conveyances to Foreign Entities" (the "Statute"), effective July 1, 2023, prohibits ownership of certain real property by certain foreign parties. Pursuant to such Statute, at the time of purchase of real property in Florida, each Buyer must provide an Affidavit that the proposed Insured is not a foreign principal from a foreign country of concern that is restricted from acquiring the Land set forth on Schedule A. In compliance with the statute, Florida Real Estate Commission adopted Rule 61J2-10.200, F.A.C., which established the approved forms for such Affidavits (one for natural persons and one for entities). These affidavits will be provided upon request. Any loss or damage incurred as a result of a violation of this Statute is excluded from coverage under the terms of a title insurance policy. 2. Any rights, interests, or claims of parties in possession of the land not shown by the Public Records.
3. Any encroachment, encumbrance, violation, variation or adverse circumstance affecting the Title that would be disclosed by an accurate and complete land survey of the land.
4. Any lien, for services, labor, or materials in connection with improvements, repairs or renovations provided before, on, or after Date of Policy, not shown by the Public Records.
5. Any dispute as to the boundaries caused by a change in the location of any water body within or adjacent to the Land prior to Date of Policy, and any adverse claim to all or part of the Land that is, at Date of Policy, or was previously under water.
6. Taxes or special assessments not shown as liens in the Public Records or in the records of the local tax collecting authority, at Date of Policy.
7. Any minerals or mineral rights leased, granted or retained by current or prior owners.

Any Policies issued hereunder may be subject to a Special Exception for matters disclosed by said affidavit.

BACKGROUND

In connection with the development of the State Road 534 Project ("Project"), the Central Florida Expressway Authority ("CFX") is working together with the South Florida Water Management District ("SFWMD") to further CFX's objective to offset/mitigate against any conservation, wetlands, and/or other environmentally sensitive areas impacted by the Project.

Central Florida Expressway Authority ("CFX") desires to acquire the property described and depicted in **Attachment A** attached hereto (the "Property") to secure the release of a conservation easement in support of the Project. The Property encompasses Osceola County Parcel Identification Numbers: (i) 26-27-31-0000-0010-0000; (ii) 27-27-31-0000-0020-0000; (iii) 34-27-31-0000-0010-0000; and (iv) 35-27-31-0000-0010-0000. Based on the legal description, the Property collectively comprise approximately 882 +/- acres of land. The Property is owned by KPB Cattle LLC ("KPB Cattle"). Together with the Property, KPB Cattle agreed to procure and transfer to CFX a 30-foot wide permanent access easement to the Property from Canoe Creek Road, as depicted in **Attachment A** attached hereto ("Permanent Access Easement").

CFX and KPB Cattle negotiated a purchase price of Nine Million Seven Hundred Two Thousand and No/100 Dollars (\$9,702,000.00) for the Property, as described in the Real Estate Purchase Agreement (the "Agreement") attached as **Attachment B**. The parties structured this transaction to include a traditional due diligence and title review process, with an inspection

period of thirty (30) days and the closing to occur fifteen (15) days thereafter. Under the Agreement, KPB Cattle agrees to: (i) acquire and convey to CFX certain oil, gas, and mineral rights with respect to the Property; and (ii) procure for CFX's benefit the Permanent Access Easement. The purchase price is consistent with sales of nearby tracts and appraisals of similar properties in the area developed by CFX's appraiser, Pinel & Carpenter, Inc. Under the Agreement, each party is responsible for its own attorney's fees, expert fees, and costs, and KPB Cattle is responsible for the cost of title insurance premium and preparation and recordation of the Deed and other closing documents.

REQUEST

A recommendation for Board approval of the Real Estate Purchase Agreement between KPB Cattle LLC and CFX and authorization to the Executive Director or her designee to execute all documents necessary to complete the transaction, with the authority to approve any non-substantial changes as approved by legal counsel.

1. **Recitals**. The foregoing recitals are true and correct and are incorporated herein by this reference.

2. **Agreement to Buy and Sell**. Seller agrees to sell to Purchaser and Purchaser agrees to purchase from Seller the Property in the manner and upon the terms and conditions set forth in this Agreement.

3. **The Property**. For purposes of this Agreement the term “Property” shall also include all of Seller’s right, title, and interest in, to, and under: (i) all tenements, hereditaments, and appurtenances relating thereto or associated therewith, (ii) all improvements, buildings, and fixtures, if any, situated thereon, (iii) any permits, approvals, authorizations, and licenses relating to or affecting the Property which Purchaser approves, but only to the extent applicable to the Property, (iv) all right, title, and interest of Seller in and to any street, road, alley, or avenue adjoining such Property, and (v) all of Seller’s right, title, and interest in any strip, hiatus, gore, gap, or boundary adjustment area adjoining or affecting such Property, (vi) all riparian and other water rights relating to such property and all right, title, or interest of Seller in any body of water

Seller shall purchase the Quit Claim Deed attached hereto as **Exhibit "E"** from ADK SOHO FUND L.P. to address the oil, gas, and mineral interests shown on the preliminary title commitment issued by Fidelity attached hereto as **Exhibit "D"** and incorporated by reference herein (this does not address any royalty interests related to the Property)(**"Consolidated Mineral Rights"**). If any other mineral interest (except royalty interests) is shown on the final Title Commitment, then and in that event, Seller shall cause that additional mineral interest to be removed by the Closing. Failing that, the Purchaser may take title subject to same or terminate the Agreement and receive a full refund of the Deposit.

4. Purchase Price and Method of Payment. The purchase price to be paid by Purchaser to Seller for the Property shall be Nine Million Seven Hundred Two Thousand and No/100 Dollars (\$9,702,000.00) (**"Purchase Price"**). The Purchase Price shall be paid as follows:

(a) A deposit in the amount of One Hundred Thousand Dollars (\$100,000.00) (the "Deposit") will be given to Bert J. Harris, III of Swaine Harris & Wohl, PA, 401 Dal Hall Blvd, Lake Placid, Florida 33852 (Bert@Heartlandlaw.com)(**"Escrow Agent"**), within five (5) business days of the Effective Date of this Agreement, said deposit to be made by wire transfer payable to the Escrow Agent's order, which will be deposited in Escrow Agent's non-interest bearing trust account and shall be applied as a credit to the Purchase Price at Closing or disbursed as otherwise provided in this Agreement.

(b) The balance of the Purchase Price shall be paid by Purchaser at the Closing (as hereinafter defined) by wire transfer of immediately available funds to the Closing Agent (as hereinafter defined), which funds shall be deposited into escrow and then applied and disbursed by the Closing Agent at Closing subject to appropriate credits, adjustments, and prorations as provided in this Agreement.

5. Survey and Title Matters.

(a) **Survey.** Unless otherwise waived by Purchaser in writing, Purchaser may, within thirty (30) days after the Effective Date, at its cost, obtain a new current boundary survey (the **"Survey"**) of the Property and, if desired, of the access easement areas identified in the Access Easement (as hereinafter defined) (in which event, such survey shall also be deemed a "Survey" as such term is used in this Agreement) prepared by a registered surveyor, licensed in the State of Florida (the **"Surveyor"**); alternatively, the parties may otherwise agree in writing that Seller shall obtain such Survey(s). If Purchaser elects to obtain a Survey, the Survey: (i) shall be currently dated; (ii) shall contain a metes and bounds legal description of the Property substantially consistent with the Property set forth in **Exhibit "A"** attached hereto to be mutually agreed upon by the parties; (iii) shall show, among other things, the location on the Property of all

improvements, fences, evidences of abandoned fences, easements and evidence of easements, roads, and rights-of-way; (iv) shall identify all roads, easements, and rights-of-way, and in the case of those created by recorded instruments, shall give the recording information for such instruments; (v) shall include the number of gross acres and square feet within the Property; (vi) shall be certified to Seller, Purchaser, Title Company (as defined below); and (vii) shall be in form and content which shall enable the Title Company to delete the standard survey exception and to issue a survey endorsement to the Title Policy (as defined below). The Surveyor's seal shall be affixed to the Survey.

(b) Title Insurance. Unless otherwise waived by Purchaser in writing, within thirty (30) days after the Effective Date, Purchaser may obtain, at Seller's expense, a current title insurance commitment and a copy of all exceptions referred to therein (the "**Title Commitment**") from a national title company reasonably acceptable to Purchaser and selected by Seller (the "**Title Company**"). The Title Commitment shall set forth the state of title to the Property together with all exceptions or conditions to such title, including, but not limited to, all easements, restrictions, rights-of-way, covenants, reservations, and all other encumbrances affecting the Property which would appear in an owner's policy of title insurance naming Purchaser as insured if issued (the "**Title Policy**"). The Title Commitment will initially be based on the legal description of the Property as set forth in Exhibit "A" attached hereto. Seller shall cause the Title Company to update the Title Commitment based on the Survey, whereupon Purchaser shall have the rights set forth in subparagraph (c) below with respect to any new matters contained on said update or endorsement.

(c) Title and Survey Objection. Within ten (10) days after the receipt of each of the Survey and the Title Commitment, respectively, and the documents referred to therein respectively as conditions, exceptions, or reservations to title to the Property (but in any event no earlier than the date which is ten (10) business days after the Effective Date of this Agreement), Purchaser shall provide Seller with notice of any matters set forth in the Title Commitment or Survey which are unacceptable to Purchaser, which matters shall be referred to herein as "**Title Defects**". Any matters set forth in the Title Commitment or Survey to which Purchaser does not timely object shall be referred to collectively herein as the "**Permitted Exceptions**". Seller shall have five (5) business days after receipt of the aforesaid notice from Purchaser (the "**Seller's Cure Period**") within which to use commercially reasonable efforts to cure such Title Defects to the reasonable satisfaction of Purchaser and the Title Company. In the event Seller fails or refuses to cure any Title Defect(s) within Seller's Cure Period, then Purchaser may at its option by delivering written notice thereof to Seller within five (5) business days after expiration of the Cure Period (i) terminate this Agreement, and thereupon the Agreement shall be deemed null and void and of no further force and effect, the Deposit shall be promptly returned to Purchaser, and no party hereto shall have any further rights, obligations, or liability hereunder except as otherwise provided herein; or (ii) accept title to the Property subject to such Title Defect(s). It is specifically understood and agreed that, without limitation, Purchaser hereby objects to and will require the removal, correction, or deletion of (i) all standard exceptions set forth in the Title Commitment except for taxes for the year of closing and thereafter which are not yet due and payable (subject to a specific reading of the Survey as to any survey exceptions required by the Title Company), (ii) any gap, overlap, boundary dispute, hiatus, or encroachment identified on the Survey which affects the Property and (iii) all mortgages, monetary liens, or similar encumbrances. Further, it is understood and agreed that Purchaser hereby objects to, and shall require Seller to release the

Property of record from, any financial obligation related to a property owner's association, including declarations, covenants, and restrictions. At Closing, Seller shall provide the Title Company with such customary affidavits or other documents as are necessary to enable the Title Company to remove the standard exceptions from the Title Policy. Notwithstanding any of the foregoing to the contrary, the Consolidated Mineral Rights shall not be deemed a Permitted Exception, and other surface or subsurface oil, gas, or mineral rights, title, or interests (except royalties) shall be governed by the terms of Section 3.

(d) No Additional Encumbrances. It shall be a condition to Purchaser's obligation to proceed with Closing that between the expiration of the Inspection Period (as hereinafter defined) and the date of Closing, no new survey or title matter not approved or deemed approved by Purchaser pursuant to this Section 5 shall have arisen, unless the same is either: (i) caused by or through the acts or omissions of Purchaser, (ii) discharged or endorsed over to Purchaser's reasonable satisfaction in Purchaser's title policy at Closing; or (iii) consented to or agreed to by Purchaser in writing pursuant to the terms of this Agreement. From and after the Effective Date, Seller shall not, without obtaining Purchaser's prior written consent in each instance, create, incur, consent to or permit to exist, any easement, restriction, right-of-way, reservation, mortgage, lien, pledge, encumbrance, lease, license, occupancy agreement, or legal or equitable interest, which in any way affects the Property or any portion thereof (except those called for in this Agreement) other than those of record as of the Effective Date and those that will be satisfied by Seller and released of record at Closing, and Seller hereby covenants that Seller shall comply with and abide by all of the terms and provisions of such existing easements, restrictions, rights-of-way, reservations, mortgages, liens, pledges, encumbrances, leases, licenses, occupancy agreements, and agreements through the date of Closing hereunder. Not more than ten (10) days prior to Closing, Seller shall cause the Title Company to update by endorsement the Title Commitment to a date within twenty (20) days of the date of Closing (the "**Update Endorsement**"), which endorsement, together with legible copies of any additional matters identified therein, shall be delivered to Purchaser. If the Update Endorsement includes any additional requirements in Schedule B-Section I, Seller must satisfy the same prior to Closing at Seller's sole cost and expense unless said new requirements were caused by an action of Purchaser. If the Update Endorsement includes any exceptions in Schedule B-Section II that are not already Permitted Exceptions, then Purchaser shall have the right upon written notice to Seller to extend the Closing Date by up to thirty (30) days to permit Seller to cure such new exception(s), and Seller must take all actions reasonably necessary to delete the same prior to the Closing unless said new exceptions were caused by an action of the Purchaser or unless Purchaser consents in writing to the same as a Permitted Exception prior to Closing; provided, however, Seller shall not be required to expend more than \$50,000.00 or commence any legal proceeding in order to cause such deletion, unless such new exception is caused by the intentional or willful acts of Seller after the initial date of the Survey or Title Commitment as applicable, in which case Seller shall be required to cure such new exception. Notwithstanding any provision contained in this Agreement to the contrary, in addition to Seller's obligation to cure any new title or survey matters caused by the intentional or willful acts of Seller after the initial date of the Survey or Title Commitment as applicable, Seller shall be required to pay and satisfy any mortgages or other liens on the Property at or prior to Closing which can be cleared by the payment of money, other than liens created by Purchaser. Seller's failure to satisfy said requirements and/or delete said exceptions shall be a default under the Agreement by Seller.

6. Inspection Period.

(a) Purchaser shall have thirty (30) days after the Effective Date (the “**Inspection Period**”), to determine, in Purchaser’s sole and absolute discretion, that the Property is suitable and satisfactory for Purchaser’s use or development. During the Inspection Period, Purchaser may, in Purchaser’s sole discretion and at Purchaser’s expense, perform any and all Inspections (as more particularly defined below) Purchaser desires to perform, including but not necessarily limited to the following: (i) having the Property tested, surveyed, and inspected to determine if the Property contains any Hazardous Substances (hereinafter defined), wastes, materials, pollutants, or contaminants and obtaining a hazardous waste report prepared by a registered engineer, which report shall be satisfactory to Purchaser in its sole discretion; (ii) conducting a Phase II environmental study if desired by Purchaser based on the results of the Phase I study; and (iii) having the property tested, surveyed, and inspected to determine that the Property is in the same condition as it was when the original Phase I study was performed. As used herein, “**Hazardous Substances**” shall mean and include all hazardous and toxic substances, wastes, or materials, any pollutants or contaminants (including, without limitation, asbestos and raw materials which include hazardous components), or other similar substances or materials which are included under or regulated by any local, state, or federal law, rule, or regulation pertaining to environmental regulation, contamination, or clean-up, including, without limitation, “CERCLA”, “RCRA”, or state superlien or environmental clean-up statutes (all such laws, rules and regulations being referred to collectively as “**Environmental Laws**”).

(b) In the event Purchaser determines, in its sole discretion, which may be exercised for any reason or no reason at all, that it is not desirable or feasible to use or develop the Property or that it is not satisfied as to any other matter set forth in Section 6(a) above, or any other matter(s) which Purchaser deems relevant, then in such event Purchaser may, in Purchaser’s sole discretion, elect to terminate this Agreement by furnishing written notice thereof to Seller prior to the expiration of the Inspection Period, and the parties hereto shall thereafter be relieved of all rights and obligations hereunder except for those rights and obligations which expressly survive a termination of this Agreement. In the event Purchaser terminates this Agreement within thirty (30) days after the Effective Date of this Agreement, the Deposit shall be refunded in full to Purchaser within ten (10) days after Seller’s receipt of such termination notice. It is expressly understood and agreed by Seller and Purchaser that in the event Purchaser fails or elects not to terminate this Agreement within such thirty (30) day period following the Effective Date, the Escrow Agent shall deliver the Deposit to Seller, and the Deposit shall become non-refundable to Purchaser except in the event of a Seller default as provided herein.

(c) Intentionally Deleted

(d) Access to Property. Purchaser and its agents, employees, and contractors shall at all times before Closing have the right of going upon the Property as needed to inspect, examine, survey, appraise, and otherwise undertake those actions which Purchaser, in its sole discretion, deems necessary or desirable to determine the suitability of the Property for Purchaser’s use or development, including without limitation performing any inspection more particularly set

forth in Section 6(a) above. Said privilege shall include, without limitation, the right to perform appraisals, make surveys, soils tests, borings, percolation tests, compaction tests, environmental tests, and tests to obtain any other information relating to the surface, subsurface, and topographic conditions of the Property, all of the foregoing (hereinafter collectively referred to as the “**Inspections**”) to be performed at Purchaser’s expense. Purchaser covenants and agrees that such activities shall not cause any damage to Seller or the Property and that the Property shall be restored to substantially the same condition as existed immediately prior to Purchaser’s inspection activities pursuant to this Section 6, in the event Purchaser does not acquire same. To the extent permitted by law and without waiving sovereign immunity and any of the protections afforded by Section 768.28, Florida Statutes, and within the limits of liability established under Section 768.28, Florida Statutes, Purchaser shall at all times indemnify, save harmless, and defend Seller from and against any and all claims, liabilities, losses, costs, lawsuits, disputes, damages, and expenses (including reasonable attorneys’ fees whether incurred at or before the trial level or in any appellate proceedings) which Seller may suffer, sustain, or incur to the extent arising out of the negligence of Purchaser in the exercise of its rights under this Section 6, including, without limitation, any damage to the Property or to any person or other real or personal property, and including the filing of any mechanics’ or other statutory or common law lien or claims against the Property or any part thereof, except to the extent that any such claims, liabilities, losses, costs, lawsuits, disputes, damages, and expenses arise out of or relate to the discovery of a pre-existing condition on the Property or are caused by the Seller’s gross negligence or willful misconduct. This provision shall survive Closing or earlier termination of this Agreement.

(e) Seller shall, at its expense, use its best efforts (but no less than commercially reasonable efforts) to procure for Purchaser, promptly following the Effective Date of this Agreement, a permanent access easement substantially in the form attached hereto and incorporated herein as **Exhibit “C”** for Purchaser and its agents, employees, and contractors to access the Property at all times before Closing, and for Purchaser and Purchaser’s successors and assigns to access the Property upon taking title to the Property (the “**Easement Agreement**”, constituting Purchaser’s Parcel 534-850). If Seller shall fail to procure such Easement Agreement, then Purchaser’s remedy shall be to either: (i) waive such obligation of Seller; or (ii) terminate this Agreement and receive a refund of its Deposit.

7. Conditions Precedent to Purchaser’s Obligation to Close. Purchaser’s obligation to purchase the Property shall be expressly conditioned upon the fulfillment of each of the following conditions precedent (collectively, the “**Conditions to Close**”) on or before the date or dates hereinafter specifically provided and in no event later than the Closing Date:

(a) Seller shall have delivered to Purchaser a special warranty deed duly executed and acknowledged conveying marketable fee simple title to the Property, including without limitation the conveyance of the Consolidated Mineral Rights, to Purchaser free and clear of any tenancies, licenses, leasehold interests, reservations, or other rights of any parties in possession, subject only to the Permitted Exceptions and otherwise in a form reasonably acceptable to Purchaser;

(b) Seller shall have procured for Purchaser the Easement Agreement substantially in the form attached hereto and incorporated herein for Purchaser and Purchaser's successors and assigns, to access the Property. As of May 19, 2025, negotiations with the owners of the servient estate regarding the Easement Agreement have not been completed. By the end of Purchaser's diligence period, the Seller shall use its best efforts to obtain the final easement agreement from the owners of the servient estate. Purchaser shall in writing approve of the final Easement Agreement within 10 business days of its receipt; or in the alternative, in its sole discretion, terminate this contract and receive its deposit or waive such closing condition. Failure to timely elect either shall represent Purchaser's acceptance of the final Easement Agreement.

(c) Purchaser shall have approved the status of title to the Property in accordance with Sections 3 and 5 and Title Company shall be in a position to issue the Owner's Title Insurance Policy on the Property to Purchaser in the full amount of the Purchase Price, with all Schedule B, Part I requirements met and with all Schedule B, Part II exceptions relating to Consolidated Mineral Rights removed, except as may be waived in writing by Purchaser;

(d) There shall have been no material change in the condition or use of the Property, including but not limited to any change with respect to pollutants, contaminants, petroleum products, or petroleum by-products, toxins, carcinogens, asbestos, or Hazardous Substances on or beneath the surface of the Property, since the date of the Phase I Environmental Site Assessment prepared by Energy Renewal Partners, LLC dated September 25, 2020;

(e) Seller shall have executed such documents as are reasonably required by Purchaser or its counsel to properly consummate the Closing;

(f) The representations, warranties, and covenants of Seller contained in this Agreement shall be true and correct as of the Closing Date (hereinafter defined) in all material respects and Seller shall sign a certificate to that effect at Closing.

(g) Seller shall have performed and complied with all covenants and agreements contained herein which are to be performed and complied with by Seller at or prior to the Closing.

(h) The Property shall not have been materially affected by any legislative or regulatory change, or any flood, accident, or other materially adverse event that would prevent or prohibit Purchaser's intended use or development.

(i) Seller shall, at Seller's cost and expense, exempt (or shall cause the Property to be exempt) from any assessments levied by a homeowners association or property owners association, if applicable, set forth in applicable declarations so long as the Property is owned by Purchaser and used for Purchaser's intended use or development (the "**Association Exemption**"). Purchaser and Seller shall cooperate in good faith to agree upon the form, manner, and content of the instrument establishing each such Association Exemption prior to the expiration of the Inspection Period.

(j) Purchaser may at any time or times on or before Closing, at its election, subject to restrictions of law, waive any of the foregoing conditions to its obligations hereunder

and the consummation of such sale, but any such waiver shall be effective only if contained in writing signed by Purchaser and delivered to Seller.

(k) In the event any of the foregoing conditions or other conditions to this Agreement are not fulfilled or waived by Purchaser prior to the date of Closing, Purchaser may elect, as its sole and exclusive remedy, to: (i) terminate this Agreement, upon which Seller shall return to CFX the Deposit within ten (10) days after its receipt of such termination notice, (ii) waive any outstanding Conditions to Close and proceed to close and acquire the Property without adjustment to the Purchaser Price; or (iii) waive any of the Conditions to Close and enter into a post-closing escrow agreement establishing a time certain to complete the unfinished conditions and the provision of a method to financially secure any post-closing obligations. Notwithstanding the foregoing to the contrary, Purchaser shall have the unilateral right and option to extend the Closing Date for up to three (3) additional periods of fifteen (15) days each in order to: (i) allow Seller to secure from applicable third parties the acquisition of any and all surface and subsurface oil, gas, and mineral rights with respect to the Property, which Seller must take all actions reasonably necessary to effectuate; and (ii) allow Seller to secure for Purchaser from applicable third parties the execution and delivery of necessary Property access rights; to satisfy the conditions set forth in sections 7(a) and (b) above.

8. Closing Date and Closing Procedures and Requirements.

(a) Closing Date. The closing (the “**Closing**”) shall occur at 3:00 p.m. on the date that is fifteen (15) days after the expiration of the Inspection Period, as the same may be extended in accordance with the terms of this Agreement, unless the parties otherwise agree in writing as to an earlier time and date (“**Closing Date**”). The Closing shall occur at the offices of the Title Agent (“**Closing Agent**”), or any other place and time which is mutually agreed to in advance in writing by all the parties. Notwithstanding the foregoing, the Closing may occur in escrow by mail, electronic transmission, and/or overnight courier upon mutual agreement of the parties. Notwithstanding anything to the contrary contained in this Agreement, the Closing Date shall be no earlier than the date which is five (5) business days after: (i) Purchaser has confirmed that all Conditions to Close have been met and will be met at Closing; and (ii) both parties have approved the final closing statement, and upon notice to Seller, Purchaser shall have the unilateral right to extend the Closing Date for an additional five (5) business days accordingly. The Closing Agent shall prepare all documents for Closing and act as escrow agent. Buyer hereby waives any objection to Closing Agent’s representation of Seller in the preparation of this Agreement or in any future dispute or legal proceeding arising out of this Agreement.

(b) Conveyance of Title. At the Closing, Seller shall execute and deliver to Purchaser a special warranty deed conveying fee simple marketable record title to the Property to Purchaser, including all Consolidated Mineral Rights and Seller’s other surface and subsurface rights, title, and interest relating to or affecting such Property, including but not limited to oil, gas, and mineral rights (except as may be specifically waived in writing by Purchaser) free and clear of all liens, special assessments, easements, reservations, restrictions, and encumbrances whatsoever, excepting only the Permitted Exceptions (“**Deed**”). In the event any mortgage, lien, or other encumbrance encumbers the Property at Closing and is not paid and satisfied by Seller prior to Closing, such mortgage, lien, or other encumbrance shall, at Purchaser’s election, be

satisfied and paid with the proceeds of the Purchase Price. Seller and Purchaser agree that such affidavits, documents, resolutions, certificates of good standing, and certificates of authority as may be necessary to carry out the terms of this Agreement shall be executed and/or delivered by such parties at the time of Closing, including, without limitation, an owner's affidavit in form sufficient to enable the Title Company to delete all standard title exceptions other than survey exceptions from the Title Policy and a certificate duly executed by Seller certifying that Seller is not a foreign person for purposes of the Foreign Investment in Real Property Tax Act (FIRPTA), as revised by the Deficit Reduction Act of 1984 and as may be amended from time to time.

(c) Disclosure Affidavit. At the Closing, Seller shall execute an affidavit disclosing each person or entity having a legal or beneficial interest in the Property as required under Section 286.23, Florida Statutes, as it may be amended from time to time. Such disclosure shall be made in the form of **Exhibit "B"** attached hereto and incorporated herein by this reference. Seller shall make such disclosure under oath, subject to the penalties for perjury. Seller waives the notice provision of Section 286.23(2), Florida Statutes and warrants that both affidavits shall disclose those persons or entities holding less than five (5%) percent of the beneficial interest of the disclosing entity.

(d) Prorating of Taxes and Assessments. All real property ad valorem taxes, general and special assessments, and charges applicable to the Property shall be prorated as of the Closing Date between Seller and Purchaser, but specifically excluding all assessments assessed by any property owner's association, which if any will be paid in full by Seller on or before the Closing Date. Prior to Closing, Seller shall deliver to Purchaser an estoppel letter from each and any property owner's association confirming the amount of all outstanding assessments, fees, and charges due for the Property as of the Closing Date. At Closing, Seller shall pay the Purchaser (or the Closing Agent) Seller's pro rata share as of the Closing Date of such other taxes, assessments, and charges as determined by any and all applicable federal, state, county, municipal, or other governmental department or entity, or any authority, commission, board, bureau, court, community development district, or agency having jurisdiction over the Property ("**Governmental Authority**"). Delivery of such tax payment to Osceola County along with a copy of the Deed and a request to Osceola County Tax Collector to remove the Property from the tax roll at Closing shall be the responsibility of the Closing Agent and shall occur at Closing. If the real property ad valorem taxes, general assessments, and charges applicable to the Property are not available at Closing, then they shall be estimated based upon the most recent information available, and after the taxes are assessed for the then current year, Purchaser and Seller shall adjust the amount actually due by a new proration based on the actual tax bill and, upon demand, the proper party shall promptly pay the differential in cash to the other party.

(e) Special Assessments. Seller shall pay all special assessments to the extent applicable to the Property, in full on or before the Closing Date.

(f) Closing Costs. Seller shall pay the following Closing costs: (i) all real property transfer and transaction taxes and levies relating to the purchase or sale of the Property, if any, including, without limitation, the documentary stamps which shall be affixed to the Deed, (ii) the title insurance premium for the Title Commitment and Title Policy equal to the Purchase Price to be issued by Title Agent, (iii) the cost of recording the Deed, (iv) preparation and

recordation of any instruments necessary to correct title, and (v) all of the real estate sales commissions set forth herein, if applicable. The Closing Agent shall prepare, at Purchaser's sole expense, all Closing documents. Other than the aforementioned document preparation costs, each party shall pay its own attorneys' fees, expert fees, and costs. Purchaser shall pay for all costs and expenses incurred with respect to its inspections of the Property.

9. Warranties and Representations of Seller. To induce Purchaser to enter into this Agreement and to purchase the Property, Seller, in addition to the other representations and warranties expressly set forth herein, makes the following representations and warranties, each of which is being made as of the Effective Date and the date of Closing, is material and is being relied upon by Purchaser and shall survive Closing hereunder for a period of twelve (12) months:

(a) Seller owns fee simple marketable record title to the Property, free and clear of all liens, special assessments, easements, reservations, restrictions, and encumbrances other than the Permitted Exceptions (to the extent stated in the title commitments exchanged by the parties to date and to its best knowledge) and as of the Closing Date there are no tenancy, rental, or other occupancy agreements affecting the Property.

(b) There will be no tenant(s) remaining on the Property, or asserting a right to possession of the Property as of the Closing Date. Seller shall indemnify and hold Purchaser harmless from any suit or claim, including monetary damages, brought by a tenant or any person or entity asserting a claim of possession.

(c) That Seller has not received any written notice and has no actual knowledge that the Property or any portion or portions thereof is or will be subject to or affected by (i) any special assessments, whether or not presently a lien thereon, which special assessments or liens will be discharged by Seller prior to or at Closing, or (ii) any condemnation, eminent domain, change in grade of public streets, or similar proceeding, other than from Purchaser.

(d) There are no actions, suits, or proceedings of any kind or nature whatsoever, legal or equitable, affecting the Property or any portion or portions thereof or relating to or arising out of the ownership of the Property, in any court or before or by any federal, state, county, or municipal department, commission, board, bureau, or agency or other governmental instrumentality.

(e) Seller is a Florida limited liability company duly organized and validly existing under the laws of the State of Florida and registered to do business in the State of Florida; Seller has taken all the necessary action under its organizational documents and the individual(s) executing this Agreement has the full right, power, and authority to enter into and deliver this Agreement and to consummate the purchase and sale of the Property in accordance herewith and to perform all covenants and agreements of Seller hereunder.

(f) Seller has no knowledge or notice that any present default or breach exists under any mortgage or other encumbrance affecting the Property or any covenants, conditions, restrictions, rights-of-way, or easements which may affect the Property or any portion or portions thereof and that no condition or circumstance exists which, with the passage of time and/or the

giving of notice, or otherwise, would constitute or result in a default or breach under any such covenants, conditions, restrictions, rights-of-way, or easements.

(g) No commitments have been made to any governmental authority (other than Purchaser), utility company, church or other religious body, or any homeowners association, property owners association, or to any other organization, group, or individual, relating to the Property which would impose an obligation upon Purchaser or its successors or assigns to make any contribution or dedications of money or land or to construct, install, or maintain any improvements of a public or private nature on or off the Property, and no governmental authority has imposed any requirement that any developer of the Property pay directly or indirectly any special fees or contributions or incur any expenses or obligations in connection with any development of the Property or any part thereof. The provisions of this section shall not apply to any general real estate taxes.

(h) To the best of Seller's knowledge, neither the Property nor beneath the surface of the Property has ever been used by previous owners and/or operators or Seller to generate, manufacture, refine, transport, treat, store, handle, or dispose of any Hazardous Substances and Seller has not received any written notice that the Property or beneath the surface of the Property has ever been used by previous owners and/or operators or Seller to generate, manufacture, refine, transport, treat, store, handle, or dispose of any Hazardous Substances. To the best of Seller's knowledge, the Property has never contained nor does it now contain either asbestos, PCBs, or other toxic materials, whether used in construction or stored on the Property. Seller has not received a summons, citation, directive, letter, or other communication, written or oral, from any agency or Department of the State of Florida or the U.S. Government concerning any intentional or unintentional action or omission on Seller's part which has resulted in the releasing, spilling, leaking, pumping, pouring, emitting, emptying, or dumping of Hazardous Substances on the Property.

(i) To the best of Seller's knowledge, there are no pollutants, contaminants, petroleum products, or petroleum by-products, toxins, carcinogens, asbestos, or Hazardous Substances on or beneath the surface of the Property, which Seller or any other person or entity has placed or caused or allowed to be placed upon the Property, and which have caused or which may cause any investigation by any agency or instrumentality of government, which are or may be on the Property in violation of any law or regulation of any local, state, or federal government, or which are or may be a nuisance or health threat to occupants of the Property or other residents of the area.

(j) No person or legal entity other than Purchaser has any right or option whatsoever to acquire the Property or any portion or portions thereof or any interest or interests therein.

(k) That the execution and delivery of this Agreement and the consummation of the transaction contemplated herein shall not and do not constitute a violation or breach by Seller of any provision of any agreement or other instrument to which Seller is a party or to which Seller may be subject although not a party, nor result in or constitute a violation or breach of any judgment, order, writ, injunction, or decree issued against Seller.

(l) Seller is a United States resident, not a foreign person (as such terms are defined in the Internal Revenue Code and Income Tax Regulations), for purposes of U.S. income taxation, and no withholding of sale proceeds is required with respect to Seller's interest in the Property under Section 1445(a) of the Internal Revenue Code.

(m) That each and every one of the foregoing representations and warranties is true and correct as of the Effective Date, will remain true and correct throughout the term of this Agreement, and will be true and correct as of the Closing Date.

(n) In the event that changes occur as to any information, documents or exhibits referred to in the subparagraphs of this Section 9, or in any other part of this Agreement, of which Seller has knowledge, Seller will immediately disclose same to Purchaser when first available to Seller; and in the event of any change which may be deemed by Purchaser in its sole discretion to be materially adverse, Purchaser may, at its election, terminate this Agreement. For purposes of this Agreement, whenever the phrase "to Seller's knowledge," or the "knowledge" of Seller or words of similar import are used, they shall be deemed to refer to facts within the actual knowledge of Walter S. Bronson, Sharon B. Petti, Susan B. Williams, and/or Stanley T. Bronson and no others without duty of inquiry or investigation whatsoever. Purchaser acknowledges that Walter S. Bronson, Sharon B. Petti, Susan B. Williams, and/or Stanley T. Bronson are named above solely for the purpose of defining the scope of Seller's knowledge and not for the purpose of imposing any liability on or creating any duties running from Walter S. Bronson, Sharon B. Petti, Susan B. Williams, and Stanley T. Bronson.

10. Warranties and Representations of Purchaser. To induce Seller to enter into this Agreement, Purchaser, in addition to the other representations and warranties set forth herein, makes the following representations and warranties, each of which is being made as of the Effective Date and the date of Closing, is material and is being relied upon by Seller and shall survive Closing hereunder for a period of twelve (12) months:

(a) That Purchaser has the full right, power, and authority to enter into and deliver this Agreement and to consummate the purchase and sale of the Property in accordance herewith and to perform all covenants and agreements of Purchaser hereunder.

(b) That to the best of Purchaser's actual knowledge without investigation or inquiry, the execution and delivery of this Agreement and the consummation of the transactions contemplated herein shall not and do not constitute a violation or breach by Purchaser of any provision of any agreement or other instrument to which Purchaser is a party or to which Purchaser may be subject although not a party, nor result in or constitute a violation or breach of any judgment, order, writ, injunction, or decree issued against Purchaser.

(c) That each and every one of the foregoing representations and warranties is true and correct as of the Effective Date, will remain true and correct throughout the term of this Agreement, and will be true and correct as of the Closing Date.

(d) That in the event that changes occur as to any of the foregoing representations and warranties of Purchaser contained in this Section 10 of which Purchaser has knowledge, Purchaser will immediately disclose same to Seller when first available to Purchaser.

11. Seller's Affirmative Covenants. In addition to the other covenants and undertakings set forth herein, Seller makes the following affirmative covenants, each of which shall survive Closing hereunder:

(a) From and after the Effective Date and until physical possession of the Property has been delivered to Purchaser, Seller will keep and maintain all of the Property in good order and condition and will comply with and abide by all laws, ordinances, regulations, and restrictions affecting the Property or its use to its knowledge. Prior to Closing, Seller will pay all taxes and assessments prior to the due date thereof, will not commit or permit any waste or nuisance with respect thereto, and will not undertake or permit any grading, mining activities, or any cutting of timber thereon.

(b) Seller will maintain in full force and effect all policies of insurance now in force, insuring the Property against loss from damage or destruction.

(c) At Closing, Seller shall transfer, assign, and convey to Purchaser and its successors and assigns all of Seller's right, title, and interest in and to the Access Easement;

(d) From and after the Effective Date, Seller shall not: (i) offer to sell the Property, or any portion thereof, to any other person or entity, nor enter into any verbal or written agreement, understanding, or contract relating to the sale of the Property; or (ii) transfer, lease, or convey any of the Property or enter into any agreement to transfer, lease, or convey any of the Property, unless to Purchaser.

(e) Except as otherwise expressly contemplated herein, from and after the Effective Date, Seller shall not encumber or create any liens on the Property.

(f) Except as may be requested by Purchaser, Seller will not take, approve, or consent to change the zoning, use, or permits of or for the Property. Seller will promptly give Purchaser written notice of any information Seller hereafter receives regarding zoning, uses, or permits affecting the Property.

12. Purchaser's Affirmative Covenants. In addition to the other covenants and undertakings set forth herein, Purchaser affirmatively covenants that, unless the Agreement is terminated, Purchaser shall take such other actions and perform such other obligations as are required to consummate the transaction contemplated hereunder including, without limitation, execution of such documents as are reasonably required by Seller or its counsel to properly consummate the Closing.

13. Defaults.

(a) Pre-Closing Default by Seller. In the event, prior to Closing, Seller fails to comply with or perform any of the conditions to be complied with or any of the covenants,

agreements, or obligations to be performed by Seller under the terms and provisions of this Agreement, in Purchaser's sole discretion, shall be entitled to, as Purchaser's sole and exclusive remedy, to elect either to: (i) terminate this Agreement upon giving written notice of termination to Seller as herein provided, in which event the Deposit shall be returned to Purchaser and Purchaser may also seek to recover its actual damages incurred as a result of Seller's default (but not exceeding \$20,000.00, or (ii) waive such Seller default in writing and proceed to closing without adjustment to the Purchase Price; provided, however, in the event that Seller fails to timely close the transaction contemplated herein due to its willful or intentional action or inaction, Purchaser's shall have the right and remedy, in its sole discretion, to elect to enforce specific performance of this Agreement against Seller; and if specific performance is unavailable as a remedy as a result of an affirmative act or acts of Seller, then the Deposit shall be returned to Purchaser and Purchaser may also seek to recover its actual damages incurred as a result of Seller's default, including without limitation recovery of its expenses incurred during the negotiation of this Agreement. Upon any such termination, this Agreement and all rights and obligations created hereunder shall be deemed null and void and of no further force or effect, except as otherwise provided herein. The parties have agreed that Purchaser actual damages in the event of a default by Seller would be extremely difficult or impracticable to determine. Therefore, the parties acknowledge that above agreed sum has been agreed upon, after negotiation, as the parties' reasonable estimate of Purchaser's maximum damages and as Purchaser's sole and exclusive remedy against Seller, at law or in equity, in the event of a default under this Agreement on the part of Seller, except as otherwise provided herein.

(b) Pre-Closing Default by Purchaser. In the event, prior to Closing, Purchaser fails to comply with or perform any of the conditions to be complied with or any of the covenants, agreements, or obligations to be performed by Purchaser under the terms and provisions of this Agreement, or in the event that Purchaser fails to timely close the transaction contemplated hereby, Seller's sole and exclusive remedy for any such default shall be, upon giving written notice to Purchaser as herein provided, to terminate this Agreement and retain the Deposit as liquidated damages, whereupon this Agreement and all rights and obligations created hereby shall automatically terminate and be null and void and of no further force or effect whatsoever, except as otherwise provided herein. Seller hereby waives all other remedies, including specific performance. The parties have agreed that Seller's actual damages in the event of a default by Purchaser would be extremely difficult or impracticable to determine. Therefore, the parties acknowledge that retention of the Deposit has been agreed upon, after negotiation, as the parties' reasonable estimate of Seller's damages and as Seller's sole and exclusive remedy against Purchaser, at law or in equity, in the event of a default under this Agreement on the part of Purchaser.

(c) Post-Closing Default by Seller or Purchaser. With respect to a default by either party of any of its obligations under this Agreement that survive Closing, or any breach of a representative or warranty contained in this Agreement provided that such claim is made within the survival period, the non-defaulting party may pursue all remedies that may be available to the non-defaulting party, at law or in equity; provided, however, in no event shall a party be liable for special, consequential, punitive, exemplary, indirect, or speculative damages of any kind whatsoever.

(d) Pre-Closing Default by Seller or Purchaser. In the event of a default hereunder, except for a failure to close on the Closing Date for which there is no notice and cure period, the non-defaulting party shall give the defaulting party notice of such default, specifying in reasonable detail the nature of the default. Thereafter, the defaulting party shall have ten (10) days from the date notice of default is given to cure the default; notwithstanding the foregoing, if the default occurs within ten (10) days prior to the Closing Date, the defaulting party shall cure the default no later than 5:00 PM two (2) business days prior to the Closing Date. If the defaulting party cures the default within the aforementioned cure period, it shall not incur any liability to the other party as a result of the default. Each party agrees to reasonably cooperate with the other to cure any default within the aforesaid cure period.

(e) Survival. The provisions of this Section 13 shall expressly survive Closing.

14. Possession of Property. Seller shall deliver to Purchaser full and exclusive possession of the Property on the Closing Date.

15. Risk of Loss; Condemnation. The property is vacant raw land. Hurricane or fire are the loss risks. Purchaser accepts the risk that either could happen after the Effective Date, and based thereon waives any claim against Seller for damages, price reduction and the right to terminate this contract based on loss caused by hurricane or fire.

16. Broker.

(a) Seller hereby indemnifies Purchaser and agrees to hold Purchaser free and harmless from and against any and all liability, loss, cost, damage, and expense, including but not limited to attorneys' and paralegals' fees and costs, whether suit be brought or not, and whether at trial, both prior to and on appeal, or incurred in any mediation, arbitration, administrative, or bankruptcy proceeding, which Purchaser shall ever suffer or incur because of any claim by any agent, broker, or finder engaged by Seller, whether or not meritorious, for any fee, commission, or other compensation with respect to this Agreement or to the sale and purchase of the Property contemplated hereby. Seller agrees to retain legal counsel to defend Purchaser against any claim brought by an agent, broker, or finder claiming to have been engaged by Seller. If Seller refuses to retain legal counsel to defend Purchaser, Seller shall be liable for all attorneys' and paralegals' fees and costs, whether suit be brought or not, and whether at trial, both prior to and on appeal, or incurred in any mediation, arbitration, administrative, or bankruptcy proceeding, incurred by Purchaser in its defense and to pursue Purchaser's rights to be indemnified by Seller.

(b) Purchaser hereby represents and warrants to Seller that Purchaser has not engaged or dealt with any agent, broker or finder in regard to this Agreement or to the sale and purchase of the Property contemplated hereby. Purchaser hereby indemnifies Seller and agrees to hold Seller free and harmless from and against any and all liability, loss, cost, damage, and expense, including but not limited to attorneys' and paralegals' fees and costs, whether suit be brought or not, and whether at trial, both prior to and on appeal, or incurred in any mediation, arbitration, administrative, or bankruptcy proceeding, which Seller shall ever suffer or incur because of any claim by any agent, broker, or finder engaged by Purchaser, whether or not meritorious, for any fee, commission, or other compensation with respect to this Agreement or to

the sale and purchase of the Property contemplated hereby. Purchaser agrees to retain legal counsel to defend Seller against any claim brought by an agent, broker, or finder claiming to have been engaged by Purchaser. If Purchaser refuses to retain legal counsel to defend Seller pursuant to the previous sentence in this Section 16(b), Purchaser shall be liable for all attorneys' and paralegals' fees and costs, whether suit be brought or not, and whether at trial, both prior to and on appeal, or incurred in any mediation, arbitration, administrative, or bankruptcy proceeding, incurred by Seller in its defense and to pursue Seller's rights to be indemnified by Purchaser pursuant to the previous sentence in this Section 16(b). Purchaser's sovereign immunity is waived only to the extent stated in this Section 16(b).

17. Notices. Any notices which may be permitted or required hereunder shall be in writing and shall be deemed to have been duly given: (i) one day after depositing with a nationally recognized overnight courier service, (ii) on the day of hand delivery (provided such delivery occurs prior to 5:00 pm, local Orlando, Florida time), or (iii) via email when transmitted provided that such email is transmitted prior to 5:00 pm, local Orlando, Florida time and the recipient has confirmed receipt by response email, to the address listed below or to such other address as either party may from time to time designate by written notice in accordance with this paragraph:

(b) This Agreement contains the entire agreement of the parties hereto, and no representations, inducements, promises, or agreements, oral or otherwise, between the parties not embodied herein shall be of any force or effect.

(c) The provisions of this Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective heirs, administrators, executors, personal representatives, successors, and assigns. Purchaser may assign its rights and obligations under this Agreement without Owner's prior written consent and upon written notice to Owner.

(d) Unless otherwise specified, in computing any period of time described in this Agreement, the day of the act or event after which the designated period of time begins to run is not to be included and the last day of the period so computed is to be included. Wherever under the terms and provisions of this Agreement the time for performance falls upon a Saturday, Sunday, or holiday, such time for performance shall be extended to the next business day. For purposes of this Agreement, "holiday" shall mean one of the days designated by Purchaser or the State of Florida as "holidays", to include without limitation: New Year's Day, Martin Luther King Jr. Day, Memorial Day, Independence Day, Labor Day, Veterans' Day, Thanksgiving Day, the Friday after Thanksgiving, and Christmas Day. Except as otherwise set forth herein, the last day of any period of time described herein shall be deemed to end at 11:59 p.m. local time in Orange County, Florida.

(e) The headings inserted at the beginning of each paragraph are for convenience only, and do not add to or subtract from the meaning of the contents of each paragraph.

(f) Seller and Purchaser do hereby covenant and agree that such documents as may be legally necessary or otherwise appropriate to carry out the terms of this Agreement shall be executed and delivered by each party at the Closing.

(g) This Agreement shall be interpreted under the laws of the State of Florida, with venue for any action, suit, or proceeding brought to recover any sum due under, or to enforce compliance with, this Agreement shall lie in the court of competent jurisdiction in and for Osceola County, Florida; each party hereby specifically consents to the exclusive personal jurisdiction and exclusive venue of such court.

(h) All of the parties to this Agreement have participated fully in the negotiation and preparation hereof; this Agreement shall not be construed more strongly for or against any party regardless of which party is deemed to have drafted the Agreement.

(i) Nothing contained in this Agreement shall be construed to create a partnership or joint venture between the parties or their successors in interest. Except as otherwise set forth herein, no person other than the parties shall have any rights or privileges under this Agreement, whether as a third-party beneficiary or otherwise.

19. Survival of Provisions. No covenants or obligations (including indemnities, representations, and warranties) set forth in this Agreement shall survive termination or Closing hereunder unless expressly stated herein to the contrary. All survival periods shall be indefinitely unless otherwise expressly stated herein.

20. Severability. This Agreement is intended to be performed in accordance with, and only to the extent permitted by, all applicable laws, ordinances, rules, and regulations. In case any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, then such invalid, illegal, or unenforceable provision shall be, if at all possible, interpreted or re-drafted into a valid, enforceable, legal provision as close to the parties' original intention, and the remaining portions of the Contract shall remain in full force and effect and shall be enforced and interpreted as closely as possible to the parties' intention for the whole of the Contract.

21. Attorneys' Fees. In the event of any dispute hereunder or of any action to interpret or enforce this Agreement, any provision hereof or any matter arising herefrom, each party shall bear its own costs, fees, and expenses, including, but not limited to, witness fees, expert fees, consultant fees, attorney, paralegal, and legal assistant fees, costs, and expenses and other professional fees, costs, and expenses whether suit be brought or not, and whether in settlement, in any declaratory action, in mediation, arbitration, bankruptcy, or administrative proceeding, or at trial or on appeal and including costs of collection. Notwithstanding the foregoing, nothing contained herein shall be construed or interpreted (a) to alter, amend or waive the Purchaser's sovereign immunity of the State of Florida, or its agencies, or any defenses thereto, beyond the waiver provided in Section 768.28, Florida Statutes; or (b) as the consent of the Purchaser to be sued.

22. Counterparts and Electronic Signatures. This Agreement may be executed in two or more counterpart copies, including digital and electronic signatures, each of which shall be deemed to constitute one original document. The parties may execute different counterparts of this agreement, and, if they do so, the signatures pages from the different counterparts may be combined to provide one integrated document and taken together shall constitute one and the same instrument.

SCHEDULE B, PART I Requirements

All of the following Requirements must be met:

1. The Proposed Insured must notify the Company in writing of the name of any party not referred to in this Commitment who will obtain an interest in the Land or who will make a loan on the Land. The Company may then make additional Requirements or Exceptions.
2. Pay the agreed amount for the estate or interest to be insured.
3. Pay the premiums, fees, and charges for the Policy to the Company.
4. Documents satisfactory to the Company that convey the Title or create the Mortgage to be insured, or both, must be properly authorized, executed, delivered, and recorded in the Public Records.
 - A. Duly executed Warranty Deed from KPB Cattle, LLC, a Florida limited liability company, Grantor, to Central Florida Expressway Authority, Grantee, conveying the land described on Exhibit A hereof.

The Company will require the following as to KPB Cattle, LLC, a Florida limited liability company: ("LLC"):

- i. Proof that the LLC was in existence in its state of organization at the time it acquired title and that the LLC is currently in good standing.
- ii. Present for review a true and complete copy of the articles of organization and operating agreement of the LLC and any amendments thereto.
- iii. Record an affidavit from the person executing the proposed deed on behalf of the LLC certifying: (a) the name and state of organization of the LLC; (b) whether the LLC is member-managed or manager-managed; (c) the identity of the member or manager and the person authorized to execute the deed; and (d) neither the LLC nor any member signing the deed have filed bankruptcy since the LLC acquired title.
- iv. If the member or manager of the LLC is also a business entity, present proof of the entity's good standing and the appropriate entity documents to establish signing authority.

If the proposed deed will be executed by anyone other than a member or manager, those portions of the operating agreement or other documentation evidencing the authority of the signatory must be attached as an exhibit to the affidavit.

5. An Affidavit in form acceptable to Fidelity National Title Insurance Company ("Company") and executed by or on behalf of the current record owner(s) of the subject property stating: (1) that there are no parties in possession of the subject property other than said current record owner(s); (2) that there are no encumbrances upon the subject property other than as may be set forth in this Commitment and (3) there are no unrecorded assessments which are due and payable to Osceola County, Florida, and if located within a municipality, service charges for water, sewer, waste and gas, if any, are in fact paid through the date of this Affidavit; and (4) that there have been no improvements made to or upon the subject property within the ninety (90) day period last past (from the date of such affidavit) for which there remain any outstanding and unpaid bills for labor, materials or supplies for which a lien or liens may be claimed must be furnished to Fidelity National Title Insurance Company, or, in lieu thereof, an exception to those matters set forth in said Affidavit which are inconsistent with or deviate from the foregoing requirements will appear in the policy or policies to be issued pursuant to this Commitment.

SCHEDULE B, PART I Requirements

6. The search did not disclose any open mortgages of record, therefore the Company reserves the right to require further evidence to confirm that the Land is unencumbered, and further reserves the right to make additional requirements or add additional items or exceptions upon receipt of the requested evidence. To delete this requirement, the title agent must confirm with the owner that the Land is free and clear of mortgages and include such a recitation in the title affidavit.
7. The Proposed Policy Amount(s) must be disclosed to the Company, and subject to approval by the Company, entered as the Proposed Policy Amount. An owner's policy should reflect the purchase price or full value of the Land. A loan policy should reflect the loan amount or value of the property as collateral. Proposed Policy Amount(s) will be revised and premiums charged consistent therewith when the final amounts are approved.
8. Because the Company has recently issued a title search report/title commitment to another proposed insured purchaser of the same Land, the Title Agent must determine that any and all prior contracts to sell and purchase the Land have been effectively terminated, mutually released, or assigned to the present proposed insured purchaser, and that no other person can claim a right to purchase. Please contact the Underwriting Department with any questions.

NOTE: The Conveyances to Foreign Entities Act in sections 692.201 - 692.205, Florida Statutes (the "Act"), limits and regulates the purchase, sale and ownership of Florida real property by certain buyers who are associated with "foreign countries of concern," specifically the People's Republic of China, the Russian Federation, the Islamic Republic of Iran, the Democratic People's Republic of Korea, the Republic of Cuba, the Venezuelan regime of Nicolás Maduro and the Syrian Arab Republic. In connection with the purchase of real property, the Act requires each buyer to provide an affidavit confirming the purchaser is in compliance with the Act. Any loss or damage resulting from a violation of the Act is excluded from coverage under the terms of the Policy.

NOTE: Section 695.26 (1)(c), F.S., provides that no instrument conveying, assigning, encumbering or otherwise disposing of an interest in real property which is executed or acknowledged in Florida shall be recorded by the clerk of court unless the post office address of each witness is legibly printed, typed or stamped upon the instrument. If an instrument containing one or more witnesses is recorded, the witnesses' addresses, as well as their names, should appear below their signatures. A business address may be used.

SCHEDULE B, PART II Exceptions

This Commitment and the Policy treat any Discriminatory Covenant in a document referenced in Schedule B as if each Discriminatory Covenant is redacted, repudiated, removed, and not republished or recirculated. The Policy will not insure against loss or damage resulting from the terms and conditions of any lease or easement identified in Schedule A, and will include the following Exceptions unless cleared to the satisfaction of the Company:

WHEREAS, the Expressway System is defined under Section 348.752(5), Florida Statutes, as any and all expressways and appurtenant facilities thereto, but not limited to, all approaches, roads, bridges, and avenues of access for the expressway or expressways. Furthermore, Section 348.759(1), Florida Statutes, empowers CFX to acquire private or public property and property rights as CFX may deem necessary for any purpose, including, but not limited to, areas necessary for management of access and water retention areas. Section 348.754(1)(b), Florida Statutes, also empowers CFX to construct any extensions, additions or improvements to the Expressway System or appurtenant facilities, including all necessary approaches, roads, bridges, and avenues of access, with such changes, modifications or revisions of the project as shall be deemed desirable and proper; and

WHEREAS, in furtherance of such authorization, CFX has been granted the right to acquire private and public property and property rights, including rights of access, air, view, and light, by gift, devise, purchase, or condemnation by eminent domain proceedings; and

NOW, THEREFORE, BE IT RESOLVED BY THE CENTRAL FLORIDA EXPRESSWAY AUTHORITY AS FOLLOWS:

A RESOLUTION OF THE CENTRAL FLORIDA EXPRESSWAY AUTHORITY DECLARING PROPERTY AS NECESSARY FOR THE EXPRESSWAY SYSTEM

WHEREAS, the Central Florida Expressway Authority (“CFX”), is empowered by Chapter 348, Part III, Florida Statutes, to acquire, hold, construct, improve, maintain, and operate the Central Florida Expressway System (the “Expressway System”), and is further authorized to construct any extensions, additions or improvements to the Expressway System or appurtenant facilities, including all necessary approaches, roads, bridges and avenues of access, with such changes, modifications, or revisions of the project as shall be deemed desirable and proper; and

WHEREAS, the Expressway System is defined under Section 348.752(5), Florida Statutes, as any and all expressways and appurtenant facilities thereto, but not limited to, all approaches, roads, bridges, and avenues of access for the expressway or expressways. Furthermore, Section 348.759(1), Florida Statutes, empowers CFX to acquire private or public property and property rights as CFX may deem necessary for any purpose, including, but not limited to, areas necessary for management of access and water retention areas. Section 348.754(1)(b), Florida Statutes, also empowers CFX to construct any extensions, additions or improvements to the Expressway System or appurtenant facilities, including all necessary approaches, roads, bridges, and avenues of access, with such changes, modifications or revisions of the project as shall be deemed desirable and proper; and

WHEREAS, in furtherance of such authorization, CFX has been granted the right to acquire private and public property and property rights, including rights of access, air, view, and light, by gift, devise, purchase, or condemnation by eminent domain proceedings; and

WHEREAS, CFX has determined that it is necessary and in the public interest to make certain additions, extensions and improvements to the Expressway System, including the State Road 408 Widening Project, 408-315A, and CFX has determined that to do so it is necessary and in the public interest that CFX obtain certain parcels of land in Orange County, Florida in fee simple, easement, temporary construction easement, and water retention areas, as listed in **Exhibit “A”** (“**Property**”).

NOW, THEREFORE, BE IT RESOLVED BY THE CENTRAL FLORIDA EXPRESSWAY AUTHORITY AS FOLLOWS:

Section 1. That for the above reasons, CFX hereby declares it is reasonably necessary, practical and in the best interest of the public and CFX that the fee simple interest, easement, temporary construction easement, water retention areas, and such other property interests as may be within the scope of the descriptions set forth in **Exhibit “A”** attached hereto be acquired in the name of CFX by gift, devise, purchase, eminent domain proceedings, or otherwise over and upon

those certain parcels or tracts of land, situated, lying and being in Orange County, Florida heretofore as described in the **Exhibit "A"** attached hereto and incorporated herein by reference.

Section 2. CFX, its officers, employees, agents, and attorneys are hereby authorized and directed to proceed to take the necessary steps to institute and prosecute such necessary actions and proceedings as may be proper for the acquisition of the fee simple interest, easement, temporary construction easement, water retention areas, and such other property interests as described in the attached **Exhibit "A"** by gift, devise, purchase, eminent domain proceedings or otherwise, and to prepare, sign, execute, serve, publish, and file in the name of CFX all eminent domain papers, affidavits and pleadings, and its attorneys are authorized to have prepared such other instruments and documents as may be necessary in connection herewith.

Section 3. This Resolution shall take effect immediately upon adoption by the CFX governing Board.
