Procurement Overview

Robert Johnson | Senior Manager of Procurement

Procurement Overview

Procurement Objectives

It is the mission of CFXs Procurement Department to promote public confidence in procedures the agency follows to procure goods and services.

01

Roadway & Bridge Construction

02

Facilities & Operations

03

Design Professional Services

04

Commodities & Contractual Services

Procurement Resources

Policies and Procedures

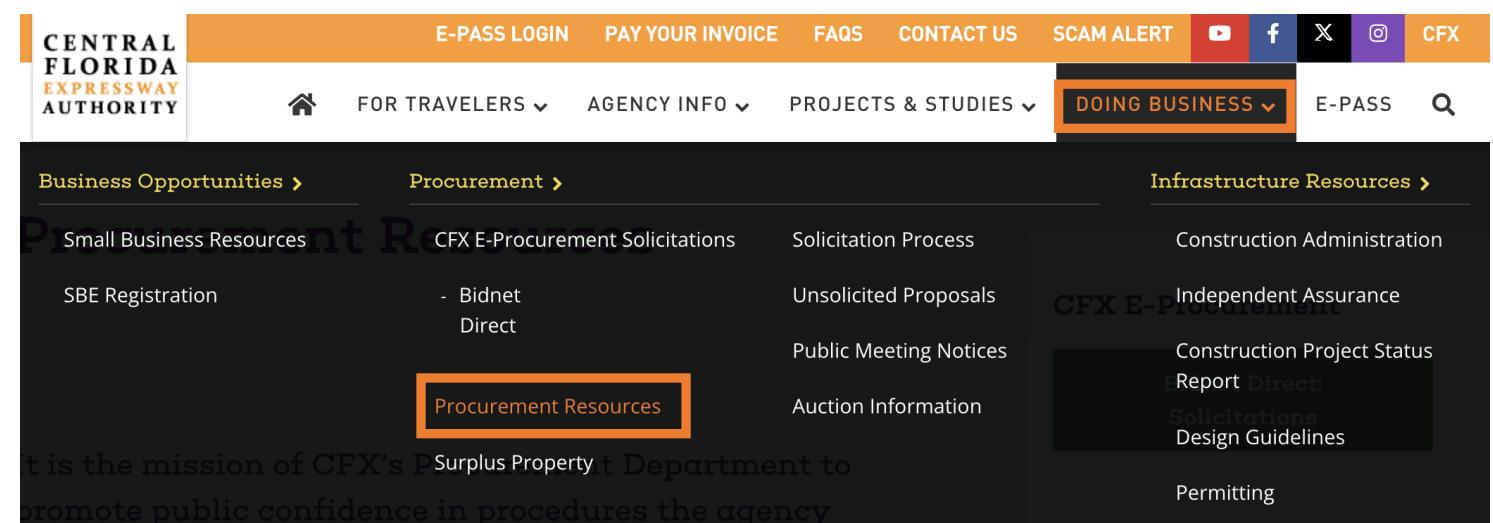

Governing rules, competitive procurement processes, contract amendments etc.

Vendor Registration

Access to Bid documents, Solicitations, Plan holders list, Advertisements, Bid results etc.

Resource Library

Public Meeting notices, Tax forms, Ethics policies, Records request, Auction information etc.

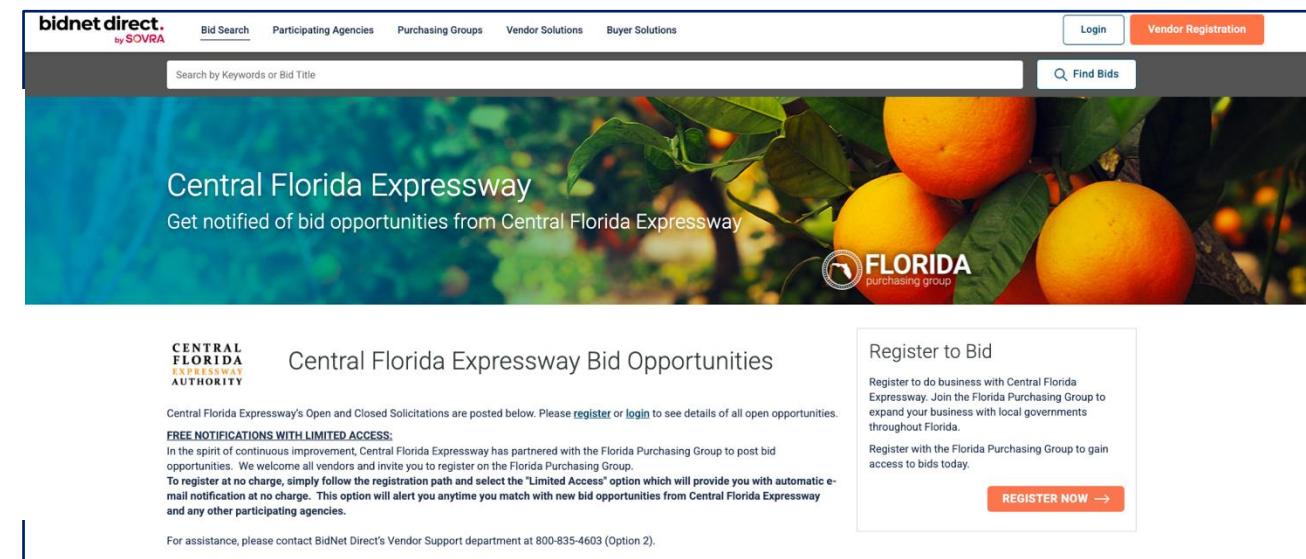

The screenshot shows the website for the Central Florida Expressway Authority. The top navigation bar includes links for E-PASS LOGIN, PAY YOUR INVOICE, FAQS, CONTACT US, SCAM ALERT, and social media icons for YouTube, Facebook, Twitter, and Instagram. Below the navigation is a secondary menu with links for FOR TRAVELERS, AGENCY INFO, PROJECTS & STUDIES, DOING BUSINESS (which is highlighted in orange), E-PASS, and a search icon. The main content area features sections for Business Opportunities, Procurement, and Infrastructure Resources. The Procurement section is currently active, displaying links for Small Business Resources, CFX E-Procurement, Bidnet, Direct, and various types of solicitations and public notices. A sub-section titled 'Procurement Resources' is highlighted with a red box. A banner at the bottom of the page states: 'It is the mission of CFX's Procurement Department to promote public confidence in procedures the agency follows.'

Procurement E-Registration

bidnet direct.
by SOVRA

- Access to vendor registration to complete a company profile for your business
- Enroll to receive solicitations and invitations to bids
- Account Management to update company information

The screenshot shows the bidnet direct website interface. At the top, there is a navigation bar with links for Bid Search, Participating Agencies, Purchasing Groups, Vendor Solutions, and Buyer Solutions. On the far right of the navigation bar are 'Login' and 'Vendor Registration' buttons. Below the navigation bar is a search bar with the placeholder 'Search by Keywords or Bid Title' and a 'Find Bids' button. The main content area features a large image of oranges on a tree. Overlaid on the image is the text 'Central Florida Expressway' and 'Get notified of bid opportunities from Central Florida Expressway'. To the right of the image is the 'FLORIDA purchasing group' logo. Below the image, there is a section titled 'Central Florida Expressway Bid Opportunities' with a sub-section for 'CENTRAL FLORIDA EXPRESSWAY AUTHORITY'. To the right of this section is a 'Register to Bid' box containing text about doing business with Central Florida Expressway and joining the Florida Purchasing Group. At the bottom right of the box is a 'REGISTER NOW →' button. At the very bottom of the page, there is a small note: 'For assistance, please contact BidNet Direct's Vendor Support department at 800-835-4603 (Option 2).'

And much more.....

Central Florida Expressway Authority is pleased to offer a free, online vendor registration system, powered by Bidnet Direct.

Central Florida Expressway Bid Opportunities

Central Florida Expressway's Open and Closed Solicitations are posted below. Please [register](#) or [login](#) to see details of all open opportunities.

FREE NOTIFICATIONS WITH LIMITED ACCESS:

In the spirit of continuous improvement, Central Florida Expressway has partnered with the Florida Purchasing Group to post bid opportunities. We welcome all vendors and invite you to register on the Florida Purchasing Group.

To register at no charge, simply follow the registration path and select the "Limited Access" option which will provide you with automatic e-mail notification at no charge. This option will alert you anytime you match with new bid opportunities from Central Florida Expressway and any other participating agencies.

For assistance, please contact BidNet Direct's Vendor Support department at 800-835-4603 (Option 2).

Business Opportunities Department

Malaya Bryan | Director of Business Opportunities

Our Policy in Action

Access

Expanded pathways for opportunities consistent with regional alignment

Development

Elevated support for business engagement to foster business growth

Compliance

Modernized standards and verification processes for operational consistency

Accountability

Enhanced performance tracking utilizing agencywide systems

Regional Alignment & Collaboration

Policy Overview

Establishes structure for small-business participation

Defines vendor verification, renewal, and management requirements

Sustains operational excellence and reinforces public confidence

Business Opportunities Framework

Business Opportunities Framework

Small Business Enterprise (SBE)

Qualified firms;
15% participation goal

- 15% agency-wide participation objective
- Qualified firms compete as primes and subcontractors
- Business eligibility based on financial capacity and independence
 - Construction and maintenance revenues less than \$25M
 - Professional services and non-professional services revenues less than \$10M

Certified by:

Business Opportunities Framework

Emerging Business Initiative (EBI)

Developmental bridge
for growth

- Developing small businesses with potential to grow to Small Business Enterprise (SBE) Level
- Business eligibility thresholds:
 - Construction revenues \$15M
 - Professional services revenues \$7M
 - Commodities revenues \$5M
- Contract value up to \$5M
- Must be located within CFX jurisdiction

Business Opportunities Framework

SBE Direct Contracting

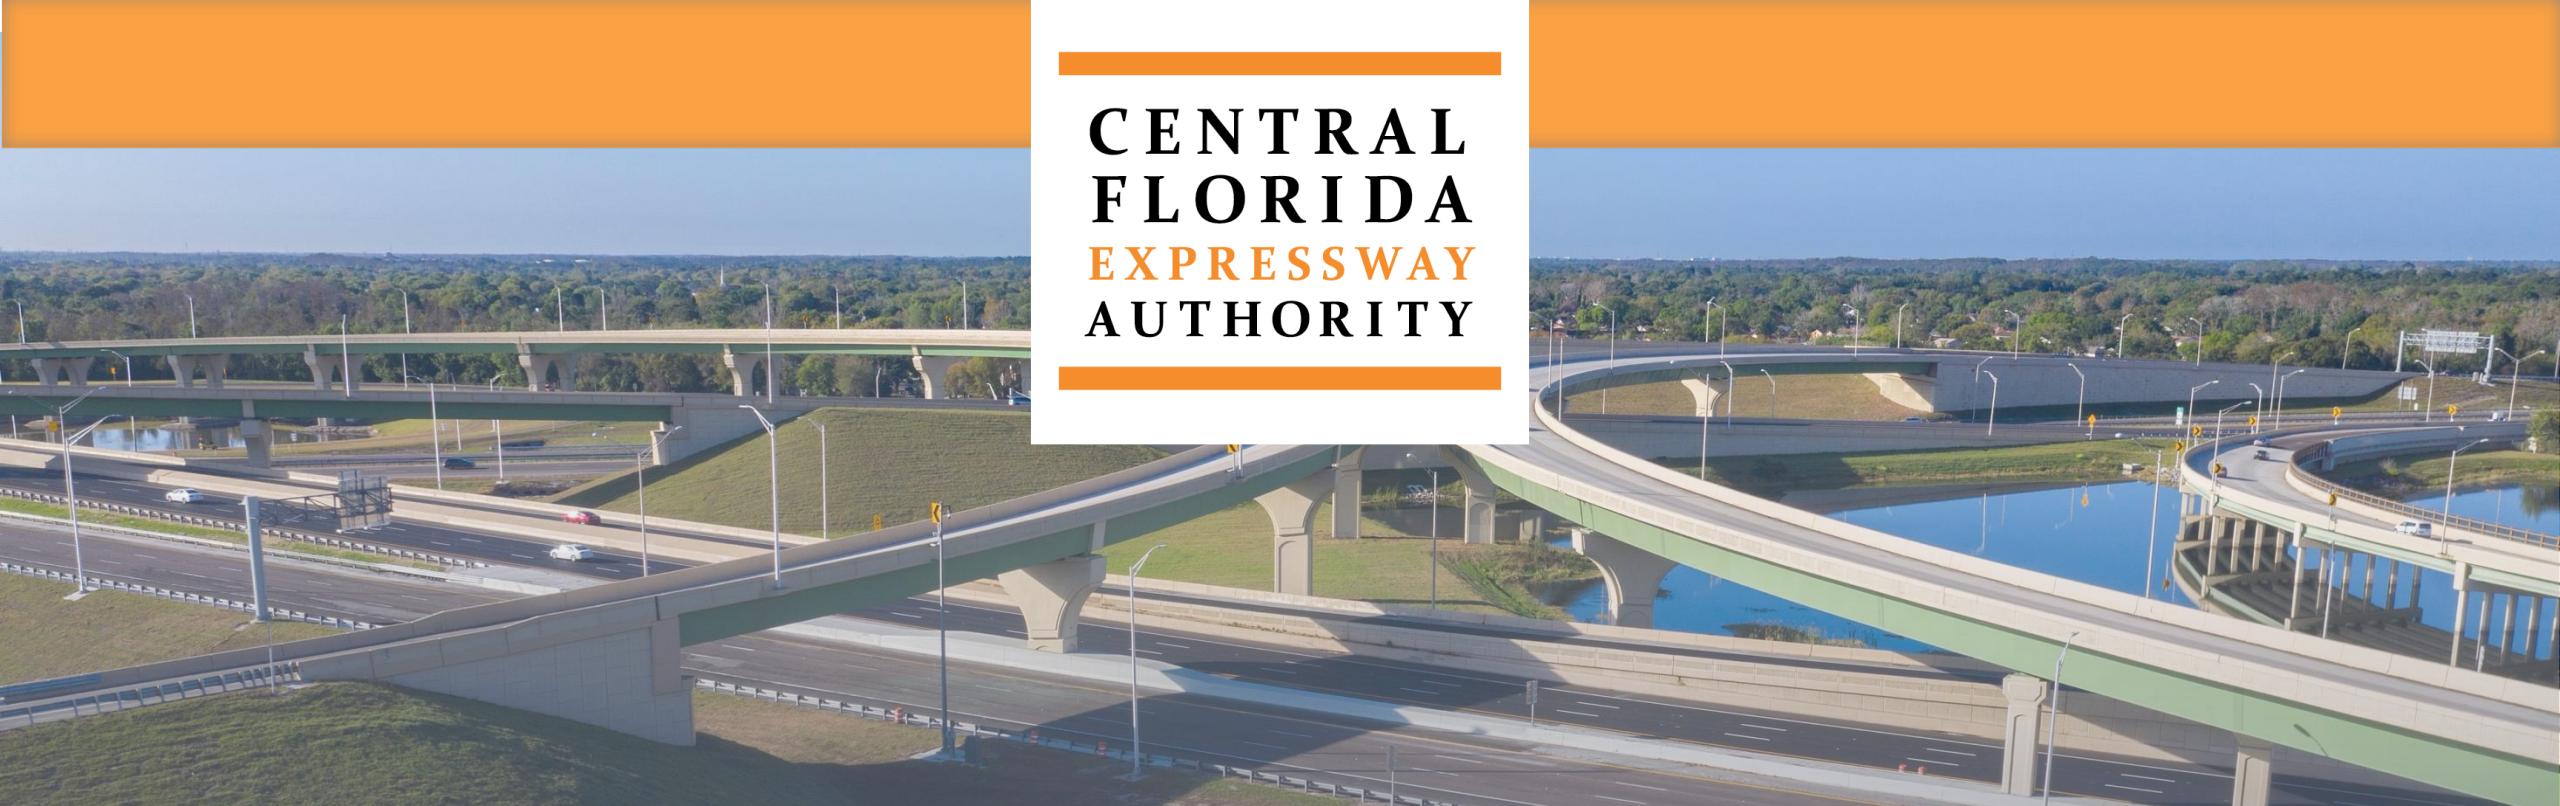

Simplified opportunities under threshold values

- Must meet Small Business Enterprise (SBE) qualifications
- Contract value up to \$300,000
- Aligns smaller and specialized scopes with firm capacity
- Builds a performance record with CFX
- Supports Emerging Business Initiative (EBI) and Small Business Enterprise (SBE)

Policy in Action

- Connect the policy to measurable results
- Data-driven oversight
- Align with operational and financial goals
- Reinforce transparency and public trust

- 57 three-line Dynamic Message Signs (DMS)
- **509 Lane Control Signs**
- **232 Variable Speed Limit signs**
- **33 Incident Management DMS**
- 58 toll plaza DMS
- 30 arterial DMS
- 2 toll booth DMS
- 79 wrong way driving detection systems
- Over 500 miles of fiber optic cable

Current ITS Assets

Photovoltaic Projects FY 2026-2030

- Five solar deployment projects
- Includes solar deployments at 10 existing toll plaza facilities
- Locations:
 - Pine Hills, Curry Ford, and Forest Lake Toll Plazas
 - SR 516 Project
 - Beachline and Dean Road Mainline Plazas
 - Dallas Toll Plaza
 - Wekiva Parkway Project
- Total capital investment estimate – \$13M

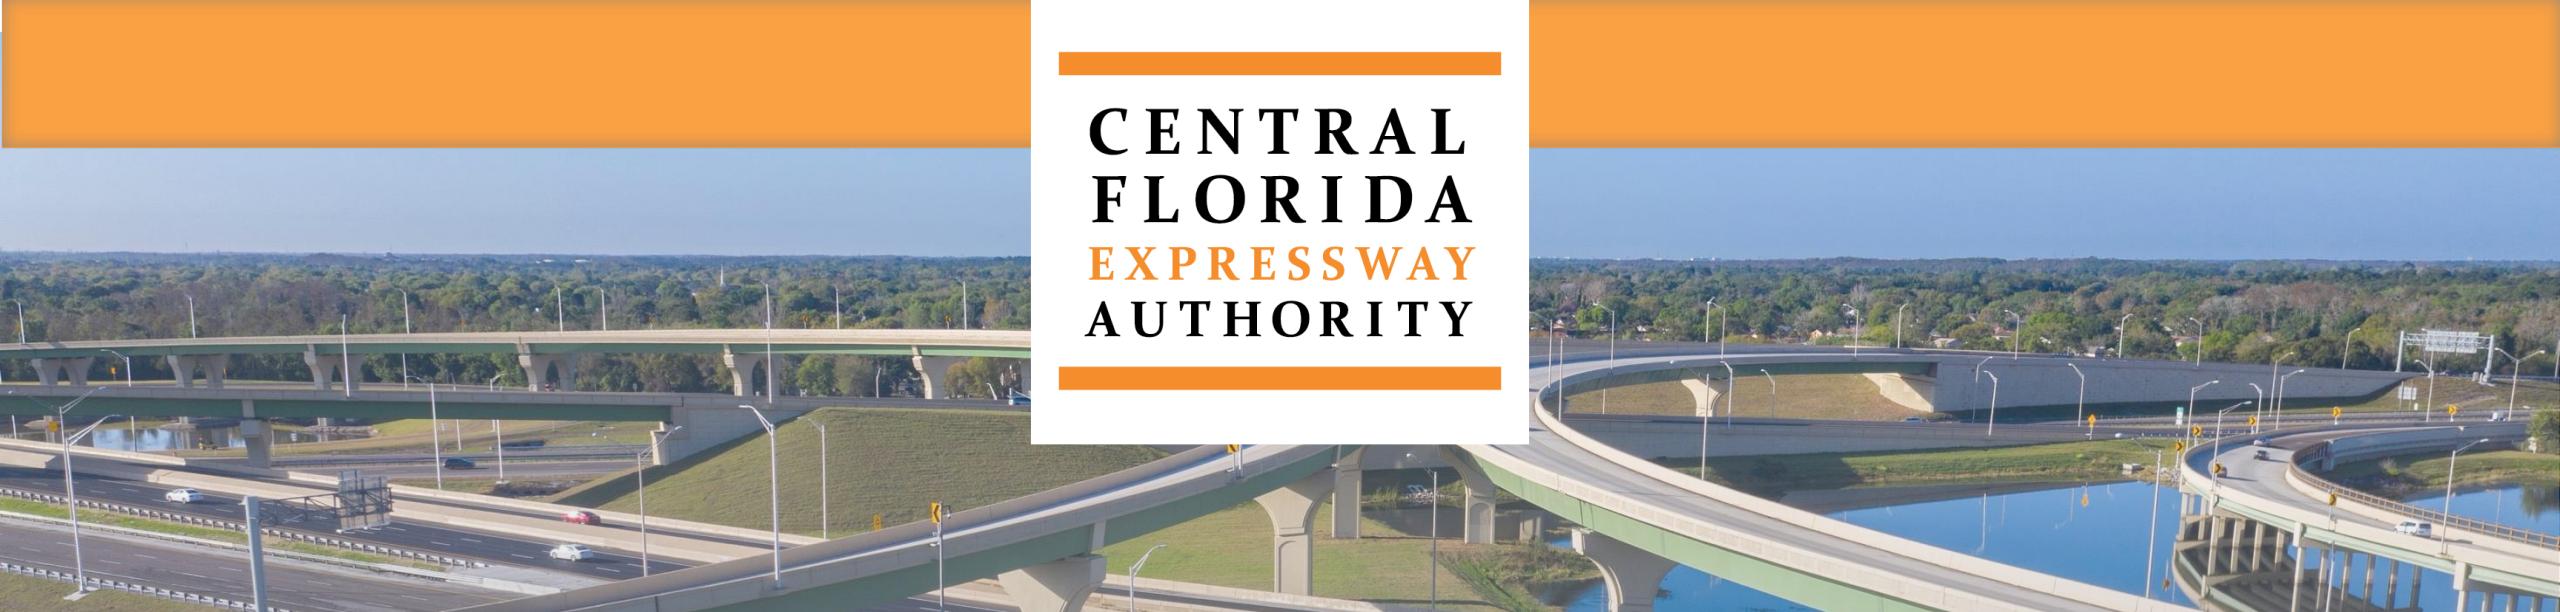

ITS Work Plan FY 2026-2030

- Design and Construction
 - Wrong Way Driving Countermeasure Upgrades
 - TSM&O/ITS Safety Improvements
- Construction
 - Wrong Way Driving Countermeasures
- Design and Installation
 - Lake Underhill Bridge Architectural Lighting
- Implementation & Installation (see Work Plan for full list)
 - Systemwide Miscellaneous ITS Upgrades
 - Flex Lanes Technology Enhancements
 - Fiber Optic Network Utility Adjustments

ITS Work Plan FY 2026-2030

- Pilot and Implementation
 - Computer Vision Software and Hardware
 - Smart Work Zone Study and Pilot
- Connected Vehicles
 - Big Data Needs Assessment
 - Big Data Needs Pilot Project
 - Technology Deployment
